

100 PER CENT RED CROSS

The Slater high school and Lincoln school, colored, last week enrolled 100 percent in the Junior Red Cross membership drive.

For the past five years the Slater school has gone over the top in the Junior Red Cross drives and has had 100 percent Blue Ribbon children in the elementary department.

The Lincoln school has an enrollment of 58 pupils and includes the first five grades. Edith Guthrie and Florenda Brown are the teachers.
