

UNITED STATES ARMY

June 4, 1944

My Darling Wife

Hello Darling, Now that I've talked to you today, I feel ever so happy. Except that you sounded like something was troubling you. Darling is there anything wrong please? Tell me if there is. I had to laugh when you told your face turned red with embarrassment when you read the letter I miscent to my mother. I'll be much more careful next time.

Yesterday the funnest thing happened. I was in the P.X. drinking a bottle of beer and standing right before me was Al Moss. Do you remember him. He used

UNITED STATES ARMY

which to be a job settin with me
in Packards. Was I ever surprised
to see somebody I knew from
home. He just came into the army
about a month ago. And the crazy
fool joined the army on his
own accord. But he sure is
sorry now. He didn't think the
army was so tough. That's the
trouble with alot of people, they
think that the army is just alot
of fun.

Leona don't you want me
to come home so soon? I thought
it would be nice if I could come
home for your birthday. That's why
I'm trying to come home on the
1st of June. I'm not sure that

I'm going to get it because my
six months aren't up. If you don't
want me to come home now I
can tell them to forget it and I'll
wait. But honey I miss you so
damn much that I just have
to see you soon. I'm glad you
bought a maternity girdle and if
there is anything else you need
just go ahead and get it. When
I come home there are a few things
I have to take care of which I'm
sorry I have to do. I'm going to
do a little house cleaning on
Theodore st. I never told you that
before but I've been waiting for
my folks to give you any money
But since they haven't even offered

it to you. That's where I start in
we can talk about this when I
come home. I received the carton
of cigarettes honey. They come just
in time because I was going to
buy a carton today. Thanks dar-
ing. you certainly are peach of a wife.
How many days furlough did
Johnnie get? What in the world
does he want with three cameras.
I think I made a better deal than
he did though. I'm not going
to tell you what it is now be-
cause you may not understand. I'll
show it to you when I come
home.

See I can't ever keep a secret
from you, I won't going to

 UNITED STATES ARMY

tell you about the dress because I wanted you to guess what it was. And I wasn't going to tell you about my furlough because I wanted to come home and surprise you.

Damn my big mouth. Well Leo I'm awfully glad to hear that your job is not bothering you. Darling your not planning to work when I come home are you? Because I thought we could be together all the time I was home. Please honey don't plan on working. You did a good thing by not telling the men about our baby. Not because I think there will be

UNITED STATES ARMY

any thing really funny about it.
Because I think its a great thing
When you do quit and tell them
they will get a bigger surprise
Its really to bad about Jean Bernard
But dog gone it if she love him
and he loves her im sure they
they will be happy together when
this war will be over. (Flash
A New Prediction By Danny A.
Bordia.) This war will be over
Oct. 27. You know it really
is going to be over then. Say
that colored picture certainly looks
swell. Its about time you sent
it. Ha Ha. Now its my turn.

to show it off. Honey I'm sure
trying to get my weight all back
and when I come home I'll prove
to them that you the best wife
in the world. Well darling as
the great Shakespeare said (I know
not what an angel looks like
but if I did it couldn't be as
lovely as you.) Pretty good eh?
I love you my darling and remain
as always

your Loving Husband
