Col. J. C. Lynes:  
Charleston, S. C.

Dear Sir:

The boy you <sup>call</sup> my protégé will leave here next Thursday 29<sup>th</sup>, and let you know of it as I have been told you use to send some-body to meet boys at their arrival.

His name is Eulogio Garcia, and is my step-brother.

I beg you to oblige him to take a good care of himself so is that he does not get a cold.

Yours Very Truly.

Dear Colonel:-

If Garcia leaves Havana Thursday he ought to arrive at Charleston on Saturday at about 5 p.m. (see time table A.C.L.)

Please have some one at the train to meet and conduct him to barracks.

I hope he knows enough English to go on with the other Cubans; if not you may have to take him as my mornings and afternoons are taken up. If you give my section in Physics back to the professor in charge of that Dept. I will be able to manage.

I hope all are well and that little Paul is rapidly on the mend.

Affectionately Yrs.  
Jesse.
