OFFICERS AND CADETS

AT THE

SOUTH CAROLINA MILITARY ACADEMIES,

NOVEMBER, 1854.

COLUMBIA, S C :
PRINTED AT THE OFFICE OF THE CAROLINA TIMES.

1855.

REMARKS.

TWO MILITARY SCHOOLS were established, and are supported by the State of South Carolina—one at Charleston, and one at Columbia; the latter auxiliary to the former. Two *Arsenals*, containing the arms and munitions of war of the State, are located, one in Charleston, and the other in Columbia, which were formerly guarded by two companies of enlisted soldiers, at an annual expense of \$24,000. In 1842, this appropriation was transferred, by an act of the General Assembly, to the support of two schools, which were organized upon the basis of the United States Military Academy at West Point, in the beginning of 1843, by a permanent Board of Visitors, appointed by the Governor; the Cadets at which perform all the duties of a guard for the Arsenals.

The Cadets admitted consist of two classes—*Beneficiary* and *Pay* Cadets. The State supplies to the Beneficiary Cadet all his expenses. The Pay Cadet pays \$200 per year for every charge, *including clothing*. The Beneficiary Cadets are selected from those not able to bear their own expenses. Applications for admission are made to the Chairman of the Board of Visitors, prior to the Annual Meeting of the Board, which takes place on Friday next after the fourth Monday in November in each year; at which time all appointments are made by the Board for both classes of Cadets, respect being had to a due apportionment among the several Judicial Districts of the State.

EXPLANATION OF CONDUCT ROLL.

All offences against Orders or Regulations are recorded.

These offences are divided into seven grades; each of which comprises offences of nearly the same degree of criminality.

A degree of criminality of offences of each grade is expressed by a number, as follows:

Offences of the 1st grade by.....	10
Do..... 2d....do.....	8
Do..... 3d....do.....	5
Do..... 4th....do.....	4
Do... .. 5th....do.....	3
Do..... 6th....do.....	2
Do..... 7th....do	1

For each year (after the first year) that a Cadet has been a member of the Academy, his offences are made to count more, by adding to the number expressing the degree of criminality of each offence, one-sixth for the second year, one-third for the third year, and one-half for the fourth year.

At the end of the Academic year, these numbers are added up, and the sum thus obtained is that found in the column of "Demerit." (See the next page.)

The demerit for the Graduating Class is estimated for their whole term. When a Cadet has more than two hundred demerits in any one year he is dismissed.
