Col. O. J. Baud, Supt.,
The Citadel,
Charleston, S. C.

Dear Col. Baud:-

Some time ago you requested that I mail you a complete record of my military service, but, for various reasons, I have neglected to do this up to this date.

I entered the service at Camp Sevier, S. C. on Nov. 9th, 1918 - was assigned to Co. G., 1st Provisional Regiment, 156th Depot Brigade.

I remained with this organization until its demobilization and the re-organization of the entire regiment, on Dec. 15th, into the 1st Training Battalion, 156th Depot Brigade, where I was transferred to Hdqrs. of the new organization.

We were transferred to Camp Jackson on Jan. 2, 1919 and in Feb., I was assigned to Co. C., 1st Training Battalion, 156th D. B. where I remained until my discharge on May 29th. Commission - 2nd Lt., Inf., U.S.A.

As you will perhaps note I am ^{now} at Carlisle School, Bamberg, teaching Mathematics

or, at least, branches of Mathematics, namely, Geometry and advanced arithmetic and directing athletics.

I am very much interested in Citadel affairs and news and, if possible, would like to receive, occasionally, a copy of the "Citadel News"

I would appreciate if you would kindly inform me how this can be made possible. With kindest personal regards to you and the entire faculty and with sincere wishes for a very successful year at the old institution. I am.

Respectfully,
