ARCHITECTURAL SIGNIFICANCE (describe important architectural features and evaluate in terms of other buildings within community)

Excellent example of the Lowell Bungalow of the 'teens. Fieldstone and stucco finishes distinguish this building from the many frame counterparts found throughout the city.

HISTORICAL SIGNIFICANCE (explain the role owners played in local or state history and how the building relates to the development of the community)

589 Wilder is at the edge of "Highland Heights" (laid out by land speculator Frank Harris in 1910) situated on a plat of 1897 by Smith and Bennett.
