ARCHITECTURAL SIGNIFICANCE (describe important architectural features and evaluate in terms of other buildings within community)

This house was one of the last added to Wilder Street. Built about 1880, it has several interesting architectural features including applied stickwork, gable end trusses, and a porte-cochere finished with a jerkin-head roof, a characteristic of the Stick Style.

HISTORICAL SIGNIFICANCE (explain the role owners played in local or state history and how the building relates to the development of the community)

Asa Russell was a partner in the Thorndike Manufacturing Company. Born in Bethlehem, New Hampshire in 1843, he was one of the organizers of the company in 1871. He retired from the company in 1897 and died in 1917.
