ADDITIONAL DESCRIPTION

See Research Report, pages 11 and 12.

This structure is 92 feet long on Jackson Street, and 133 feet deep along Revere Street.

ADDITIONAL HISTORICAL INFORMATION

See Research Report, pages 10 to 12.

The 1879 atlas shows small frame structures, probably stables, on this site, and an 1880 view [Figure 4 in Research Report] appears to show outbuildings in this area. An application for a building permit in 1915 lists the projected cost for construction of this building at \$75,000.
