

TSONGAS TO HOLD PRESS BRIEFING ON URBAN ISSUES

Senator Paul E. Tsongas will hold a press briefing tomorrow, Thursday, July 19 at 2:00 p.m. in 342 Russell Senate Office Building.

Tsongas, a member of the Senate Energy Committee and the Committee on Banking, Housing, and Urban Affairs, will discuss a variety of topics related to national urban policy (energy, transportation, housing and urban revitalization.) Tsongas will also discuss his recently released plan for the revitalization of Lowell, Massachusetts, the first city in the country to be designated a national urban park. Tsongas, a native of Lowell, is confident that Lowell will become a model for other distressed middle-sized old industrial cities in the nation.
