U.S. SENATOR FROM MASSACHUSETTS

TSONGAS TO SERVE AS MID-TERM CONVENTION DELEGATE

Senator Paul Tsongas has been selected as one of twelve Senate participants to the Democratic National Party mid-term convention scheduled for June 25, 26, and 27 in Philadelphia, Pa. Other members of the Senate delegation are Senators Levin, Exon, Ford, Pell, Metzenbaum, Bumpers, Hollings, Cranston, Inouye, Hart and Glenn. Each will serve as a full voting delegate at the convention.

"I am honored to serve as a delegate to the mid-term convention," Tsongas stated. "It will provide Democratic leaders and party members from around the country with the opportunity to discuss the major social and economic issues confronting the nation as well as alternatives to the regressive and economically unsound policies of the Reagan administration. I will look forward to a stimulating exchange of ideas culminating in the development of a unified agenda for 1984."

Tsongas and the other Senate delegates were selected by the Democratic Conference of the U.S. Senate.
