March 10, 1980

Dear Sir:

As President of the 1980 graduating class of the University of Lowell, I have been granted the opportunity of extending an official invitation to you to deliver the Commencement Address May 24, 1980. Sharing the graduation platform with such a distinguished native Lowellian will indeed be a privilege I will long remember.

May I extend my personal thanks to you for bringing great national recognition to our city.

I hope to have the pleasure of welcoming you on May 24, and hearing your commencement address.

Sincerely,

William C. Rawnsley Jr.
