AMENDMENTS TO LOW INCOME WEATHERIZATION
PERMITTING STATE & LOCAL FLEXIBILITY

- o Allowable maximum expenditure: Statewide average of \$1600 per house.
(Replaces \$1000 per house limit with waivers up to \$1600 per unit)
- o Repair Costs: \$150 limit repealed.
- o Minimum amount spent on materials:
 - (1) Minimum 40% of state program expenditures spent on materials.
(Replaces current rule which is 43% per unit) or
 - (2) Just repeal all language.
- o State may elect to make weatherization eligibility consistent with LIHEAP
- o Units done in 1975-77 under lower ceilings.

Total expenditures on these units may be increased to \$750 of materials at State option.
- o New technology introduction - repeal Sec. 412(9)(g) "by rule".
(To eliminate DOE rulemaking to introduce new eligible measures to DOE list.)
