Senator Paul Tsongas
392 Russell Building
Washington, D. C. 20510

Dear Senator:

I read recently of your decision to retire from the Senate. I just wanted to write to say that I fully understand and agree with it but I very much regret the loss of your services, especially at this critical time in our history. I appreciate the outstanding work you did in the Senate and in writing your fine book, The Road From Here.

My family and I wish you well. Our hopes and prayers are will you.

Sincerely,

A handwritten signature in blue ink, appearing to read "Bill Clinton".
