Dear Steve:

As I had indicated to you during your recent visit, I am forwarding the photographs taken during the visit of Senator Tsongas to the plant. To say the least, I am very happy to have set up this tour for the Senator and Steve Jones and, from my point of view, to have had the opportunity of working with you in making the arrangements.

We will, of course, forward copies of our company news organ which will be distributed this coming Friday.

If I can ever be of any help to you in the future, please call me.

Sincerely,

Vincent H. McManus
