

MEMO # 168

TO: Paul Tsongas
FM: Rich Arenberg
DATE: April 23, 1975
RE: Numbers

107. Ground Propulsion Systems Research, Development and
Demonstration Act of 1975- H.R. 6159
109. Mine Safety - H.R. 6167

Note- Due to the swiftly deteriorating health of the stationary account we are returning to one copy of cosponsorship, numbers, and index memos for each district office. It is suggested that one complete series of these memos be kept in each office in a place available to all staffers.
