Dear Friends:

In the course of the year at Action for Boston Community Development, we sometimes find ourselves seeking congressional assistance on various undertakings. The assistance is often crucial to the success of specific projects and we are grateful for the help.

On October 4th, A.B.C.D. will hold its annual Community Awards Dinner with Senator Paul E. Tsongas as the keynote speaker. The evening is an opportunity for us, as Boston's anti-poverty agency, to gather together and pay tribute to fifteen of our outstanding community volunteers. It is also an evening when we take time to say "thanks" to the many other people who have helped us in our efforts to serve Boston's low-income and disadvantaged citizens.

We appreciate having someone like you to work with when we need different things; it's reassuring to know we can call you to get things rolling. Thus, we would like to extend a warm invitation to you to join us on Thursday, October 4, at the Sheraton Boston Hotel for the annual A.B.C.D. Community Awards Dinner. The evening will begin with a reception at 6:30 p.m., followed by the dinner. We hope you will be able to join us.

Sincerely,

Bob Elias
