The Honorable Paul Tsongas
The United States Senate
342 RSOB
Washington, D.C. 20510

Dear Senator Tsongas,

At its last meeting, the Board of Directors unanimously voted to invite you to become a member of the Honorary Board of Advisors of Presidential Classroom. This distinguished body provides invaluable inspiration to the throng of exemplary high school students who come to Washington, D.C. every year to feel the heartbeat of the federal government through the Presidential Classroom.

Your continued support of the program and the inspiration you have given students from your constituency leads us to invite you to become a member of the Board of Advisors. Your considerate gesture of sending us a picture of yourself with Presidential Classroom students enabled us to show your relationship with these young people as a model for other Senators. We included that photograph in the 1980 Presidential Classroom yearbook.

Enclosed you will find two copies of the Statement of Acceptance and a fact sheet on the duties and responsibilities of Advisors. To accept, please sign one of the copies of the statement, and return it to us.

I look forward to your participation as a member of our Advisory Board.

Sincerely,

Angie B. Whitaker
Executive Director
