## FIFTH

-The Lowell Hotel, parking garage and Hang Training Center. Paul has been completely involved in काओ entire $\$ 40$ milton तोंशoloyment, from putting together the financing for the hotel ( $\$ 13$ min from the unions, $\$ 4$ mit from Shawmut) to resolving planning problems on the design of the Training Center. This development will make lowell and Paul is responsible for the progress.

SIXTH
-A choice between the most recent peabody nag in which Paul got a lot of local press and the Salem Masonic Temple twas. He were deeply involved in both. Mayor Torigian of Poshody is a big fan of Paul's and also happens to ho the current. prosident of the Mass. Mayors Assoc. so the Peabody example has at edge.

SEVENTH
-Jack Ramie's linkage between Pacer Systems, Inc, and the Burithgton school system called BRST ART (Building Exeettone schools Through Husiness-Education Teamwork), Paul suggested the idea, Bennie h pursued its and Paul has been talking about to anyone who'11 listen. tiv project should get good exposure at the Education conference.

EIGHTH
-The Cambridge Plan-Computers for Kids. Paul and Mayor Vellucci put this together as a model program Io r computer enrichment in the classroom. The program should begin this fall, and will also be part of the Education conference.

Lymin. Pual kicked off the fundraising drive for the Step Up With Lym, Inc. campaign, This non-profit corporation seoks to use the collaboration of the business conmunity and the city govermment to revitalize the City of Lymm, Step Up With Lym is very close to reaching thed original goal of raising $\$ 250 ; 000$ for projects aroud the city. ( 11 June 1982 was the day of the Kickorif.)

Lawrence. Helped the Iriwtence Canmunty Dovelopant Dept, and Michal Farrington (deveIoper) with tholr IDAG applicetion,
Have written mbuerous letters of support and made haifi-dozen calls for the Lavience Textile Shrinking Company's amplication to the Foraign Trade Zone Board for a sub-zone gtatus. No progress over the past three moriths.
