Dear Mr. President:

You have before you a proposed Executive Order which was drafted to correct an inadvertant misclassification by the U. S. Customs Service. I am urging your prompt action on this matter, as the error continues to cause an unjust hardship on a Massachusetts-based company.

I would appreciate it if Yugoslavian Bentwood Furniture (Item #727.15) could be restored to the list of eligible articles under the Generalized System of Preferences. Thank you for your attention to this matter.

Sincerely,

PAUL E. TSONGAS
United States Senator
