

EVANS SOUTH AFRICA AMENDMENT TO H.R. 12157

Explanation:

Replaces Tsongas' total prohibition against Exim involvement in South Africa with a positive approach in three parts.

- permits Exim to do business only with companies in South Africa which endorse equal pay and facilities for non-white and white South Africans; more high level jobs, and improved quality of life for non-whites.
- ends any Exim support to the South African Government or its agencies unless there is movement toward ending apartheid.
- ends any Exim support for any export which could aid in the enforcement of apartheid.
