

Paul Tsongas (Part II continued)

- D.
1. SALT- I would support efforts to arrive at an effective arms limitation treaty and progress toward disarmament.
 2. National Health Insurance- I am a cosponsor of the Kennedy-Corman bill and would hope to contribute to its passage during my term in the Senate.
 3. Human Rights- I will continue to support the struggle for human rights, not only with regard to our foreign policy, but also domestically in terms of minority rights, the handicapped, older Americans, passage of ERA, opposition to discrimination relative to abortion rights, and welfare reform.
