TO: Susan
FROM: Dennis
RE: Changes in Personnel
DATE: 5/30/78

Because of Paul's Senate campaign certain people will be leaving the Congressional staff at the end of this month they are: Fred, Alex, and Dennis. We will be hiring a new caseworker in Lowell and some legislative correspondents in Washington to fill the gaps in the staff.

Rich will be Administrative Assistant from now to November.

Susan will be Legislative Director and will manage the office in Washington.

If there are questions about the Congressional office operations these are the people to whom the questions should be directed. If there are Campaign problems or concerns about interrelationship between the Campaign and Congressional staffs, I'll try to be available to help.
