upon
a time,

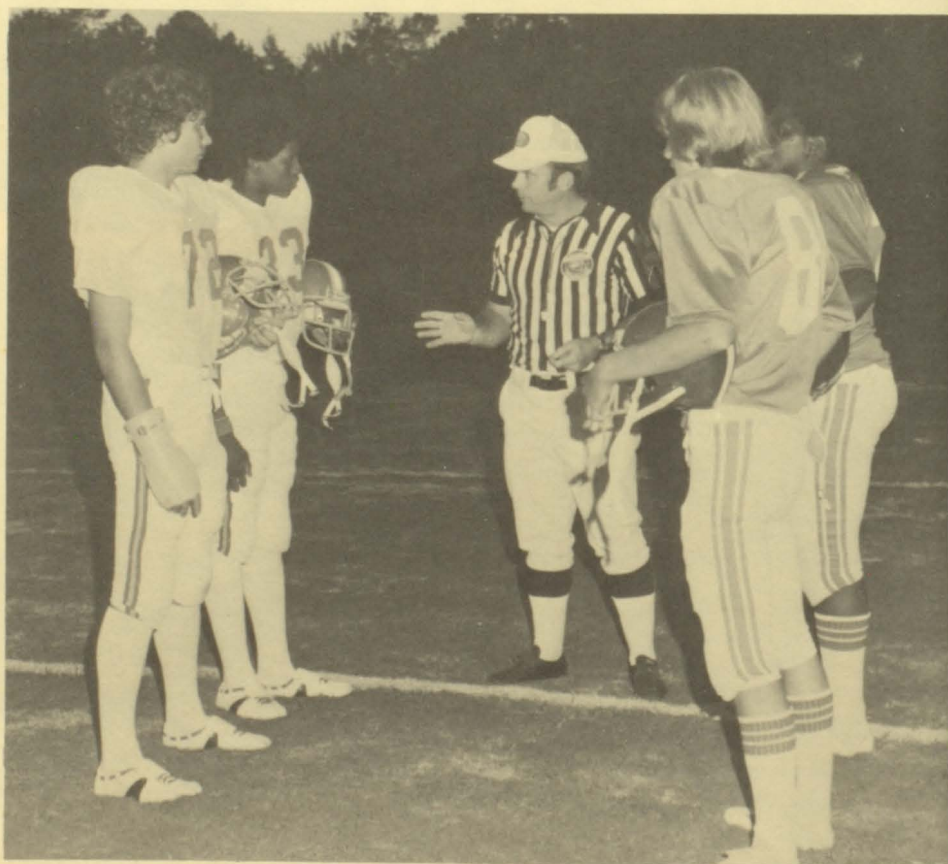

not so far away, there was a beautiful kingdom known as Lancer Country. This country was renowned far and wide for its pursuit of excellence. The enthusiasm of this magical land originated in the castle of Lakeshore.

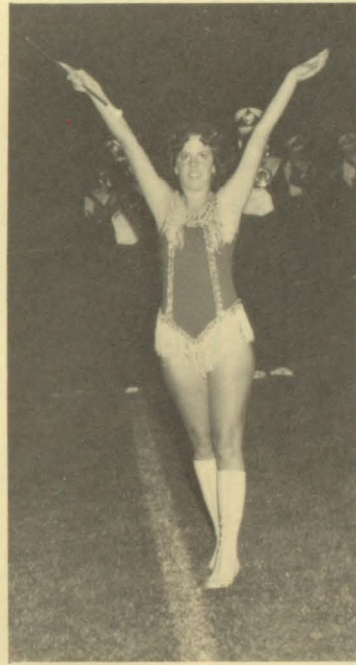

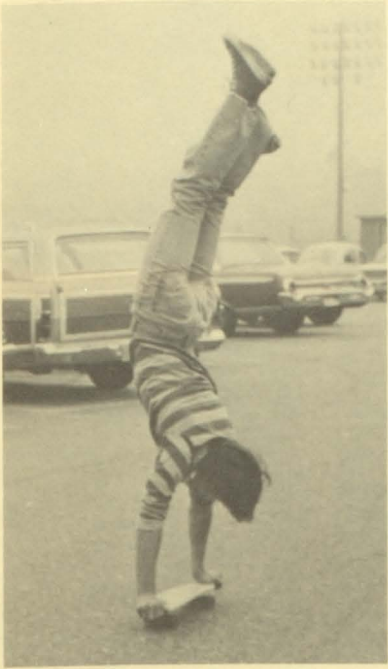

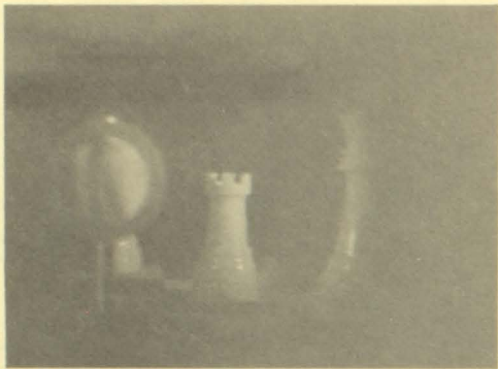

THE BALD EAGLE
... AN ENDANGERED
SPECIES

WOODWARD

This enthusiasm enabled the mighty Lancers to prevail over the prowess of the Cougars, Rams, and Eagles, who lurked in the bewitched lands surrounding the castle.

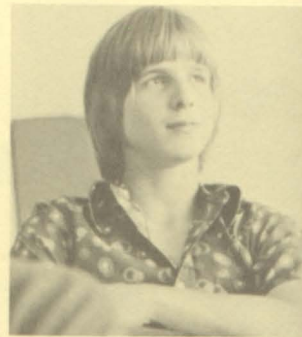

Regardless of these perils, Lancer power ruled supreme.

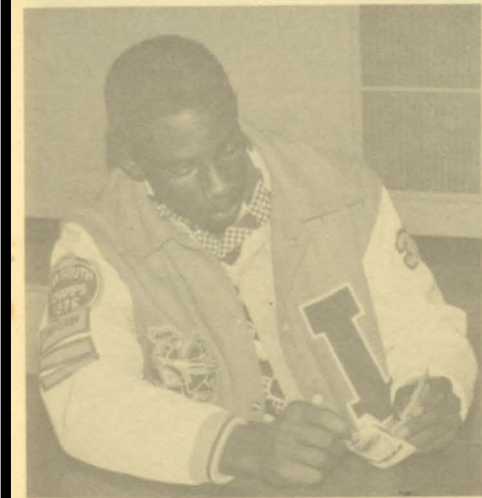

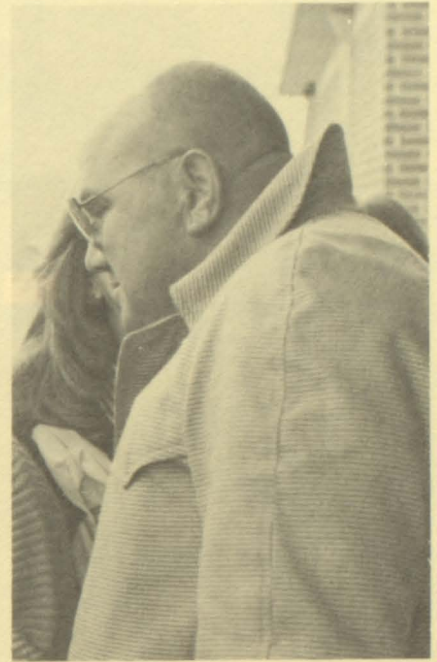

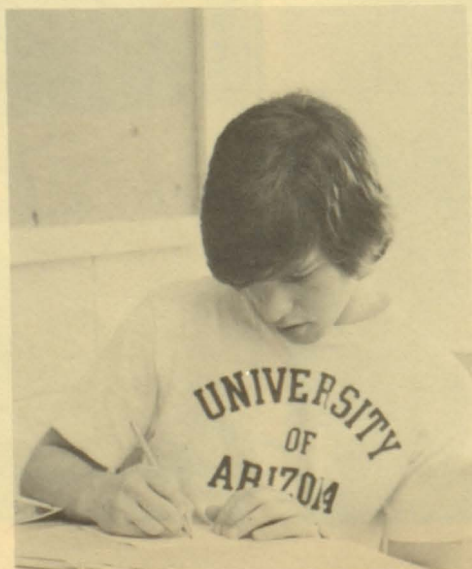

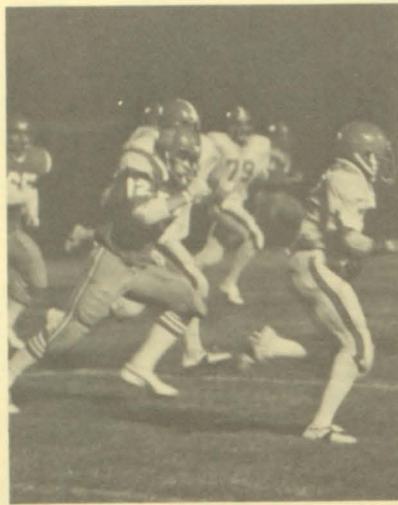

One day, it is told, a little mouse slipped into the castle when the palace guard wasn't looking. This mouse noticed a special quality about the Lancers that puzzled him. In a short time, however, he realized that the Lancers were a friendly people, united in the pursuit of high goals.

This unity gave the kingdom a strength which the mouse dubbed "Lancer Spirit."

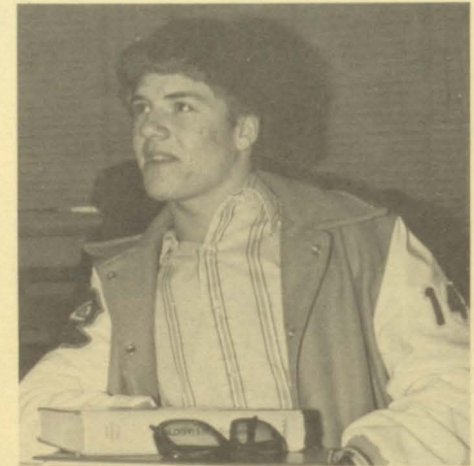

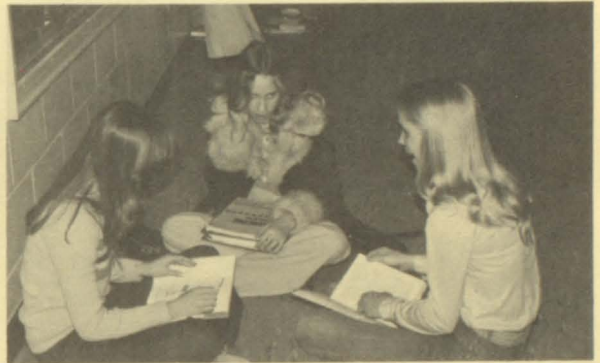

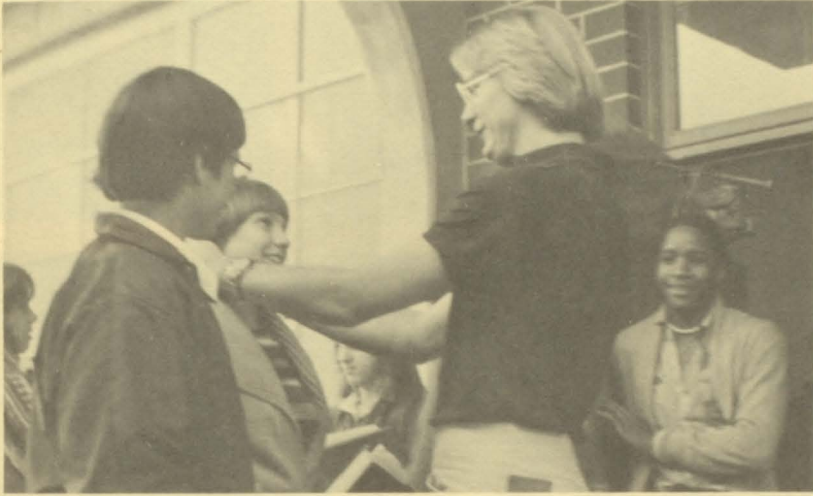

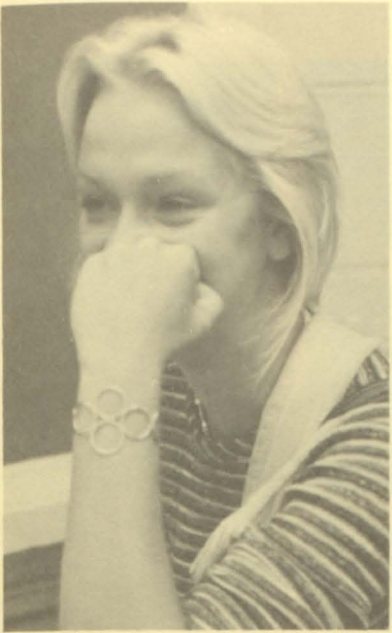

A great celebration was held to proclaim the newly-found "Lancer Spirit." Lords and Ladies became united with the joy and cheer of the occasion.

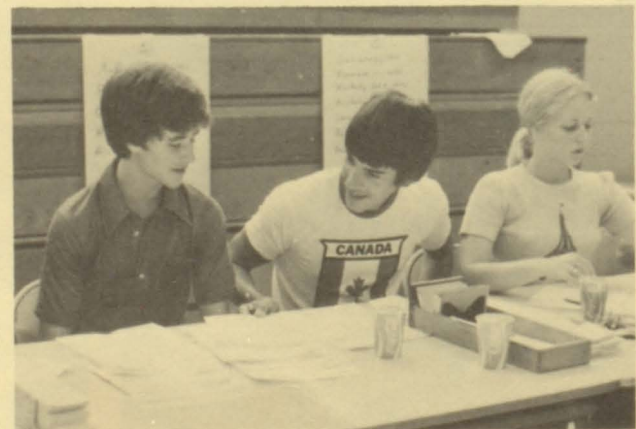

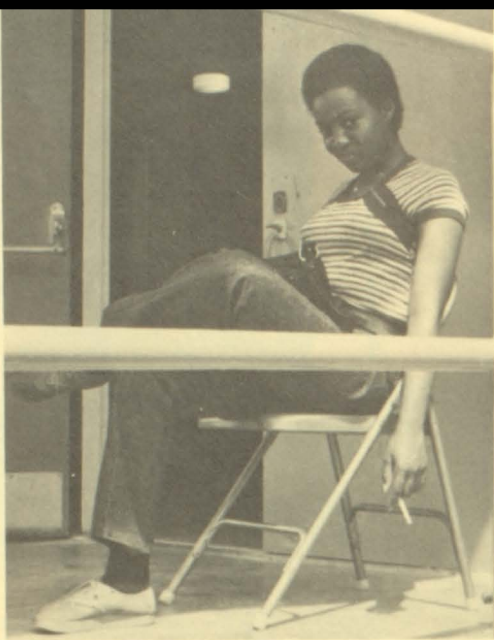

The Lancers developed a great pride in their castle, and from that day forth they worked together in every venture. The little mouse was justly proclaimed an honorary member of the "Order of the Lance" for his valor. To this day, "Lancer Spirit" may be found flourishing throughout the kingdom.

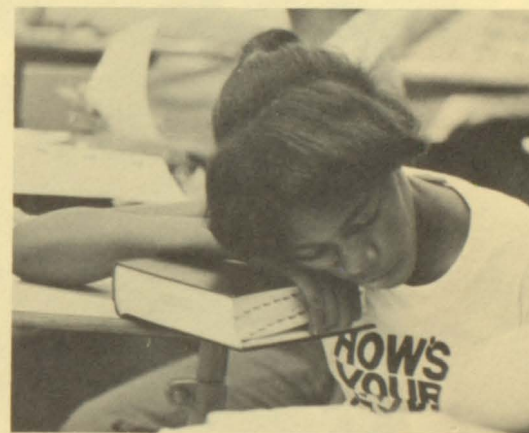

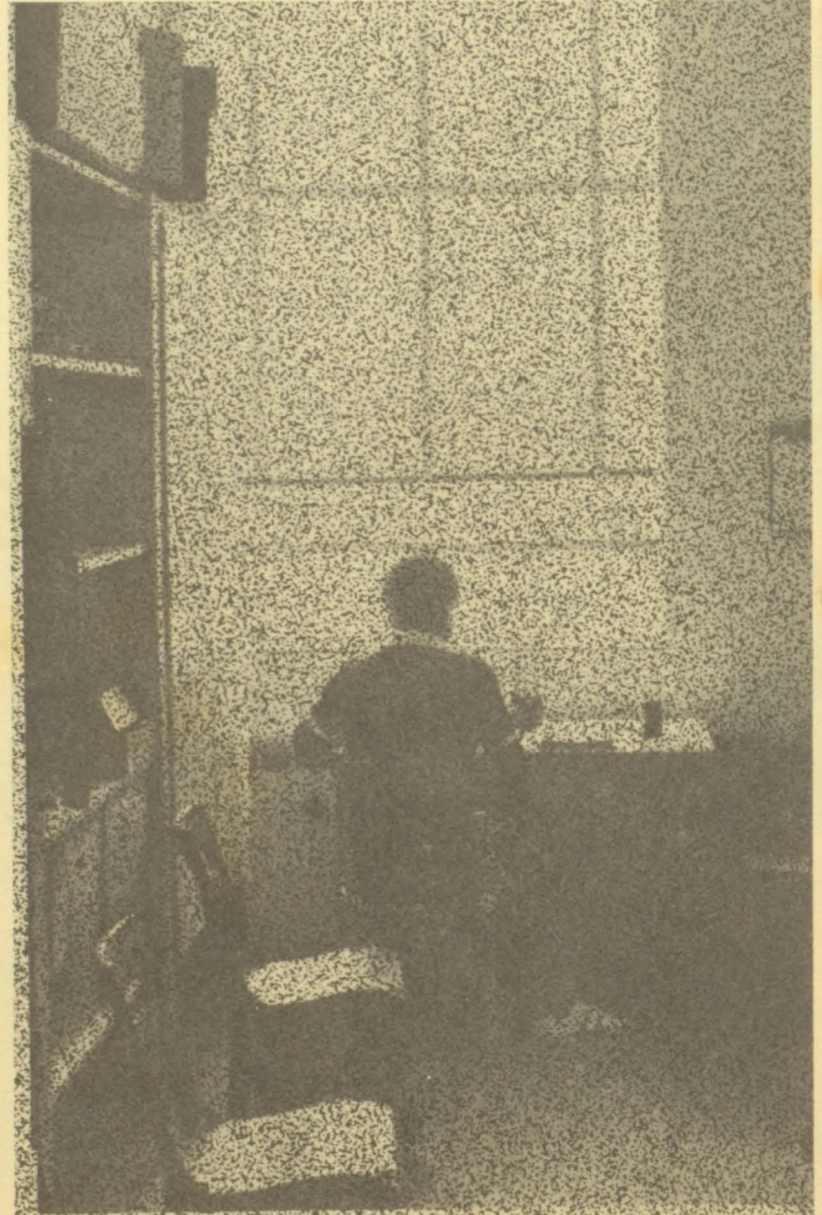

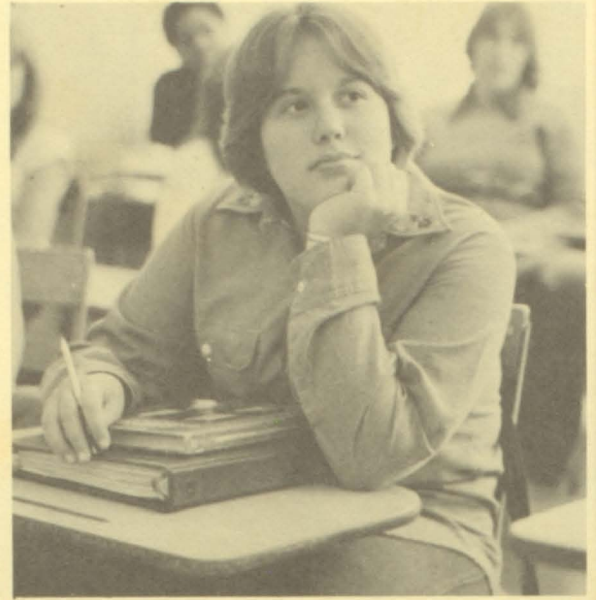

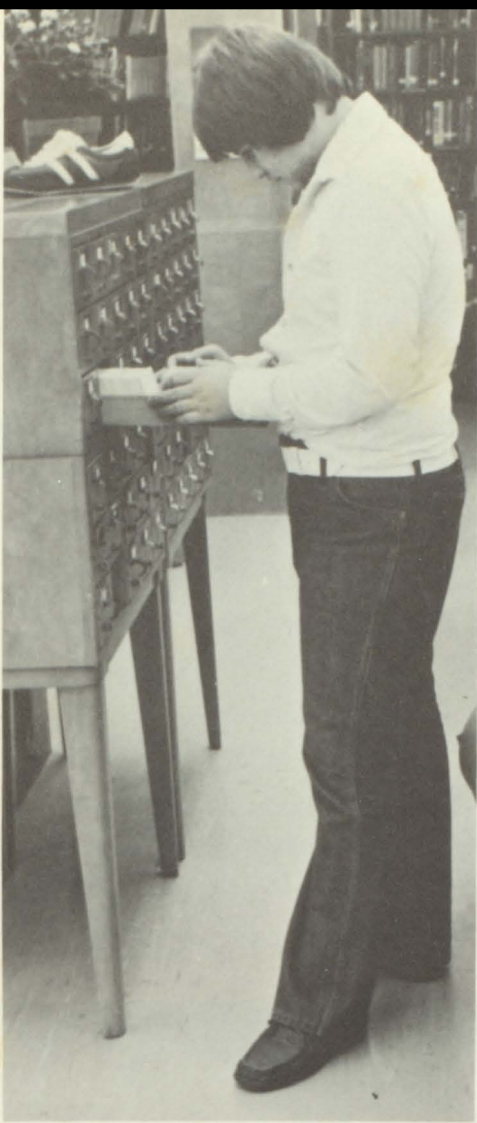

If you believe this tale of Lancer fantasy, you are destined for knighthood. For, to make a dream come true, you must first believe in the dream, working to make that

dream a reality, as real as this tale of Lancer lore.

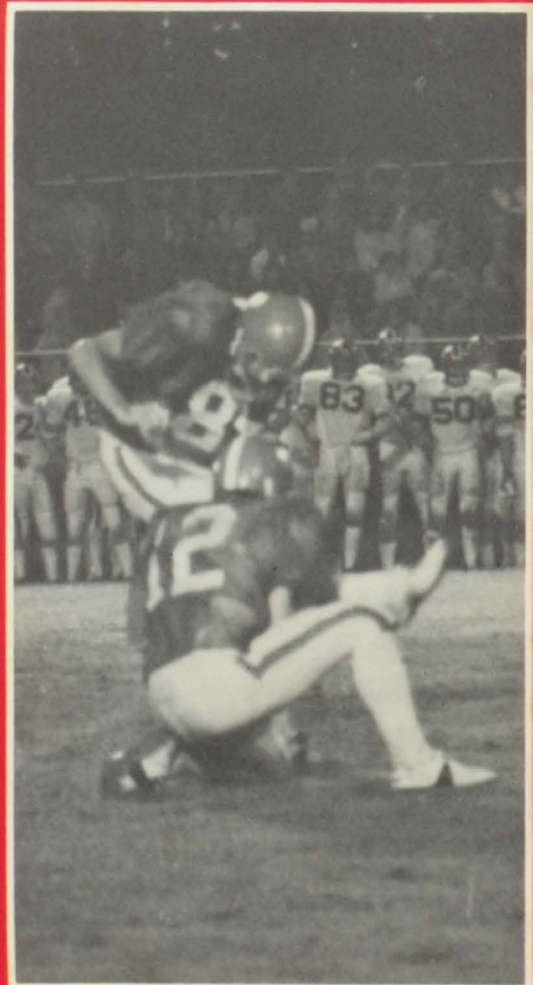

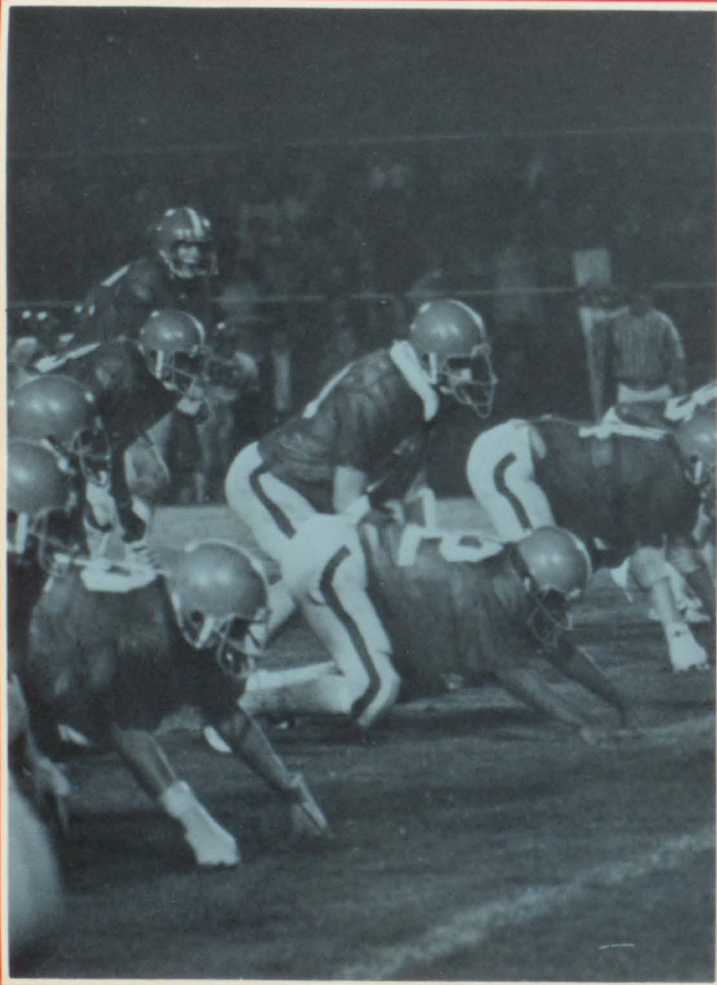

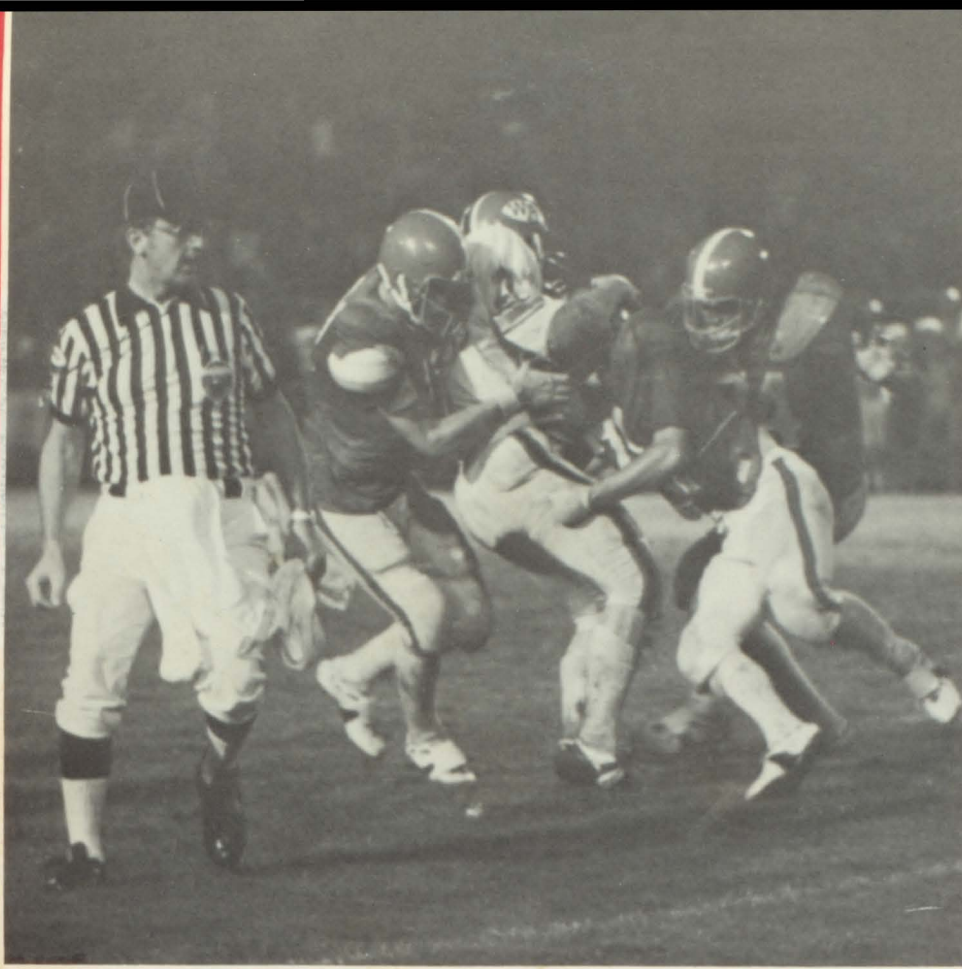

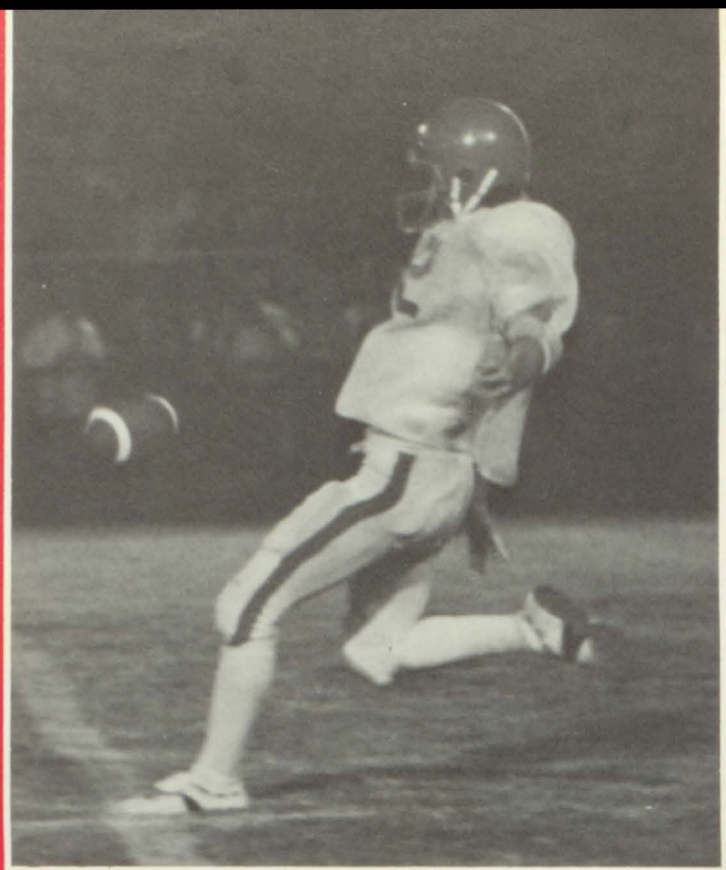

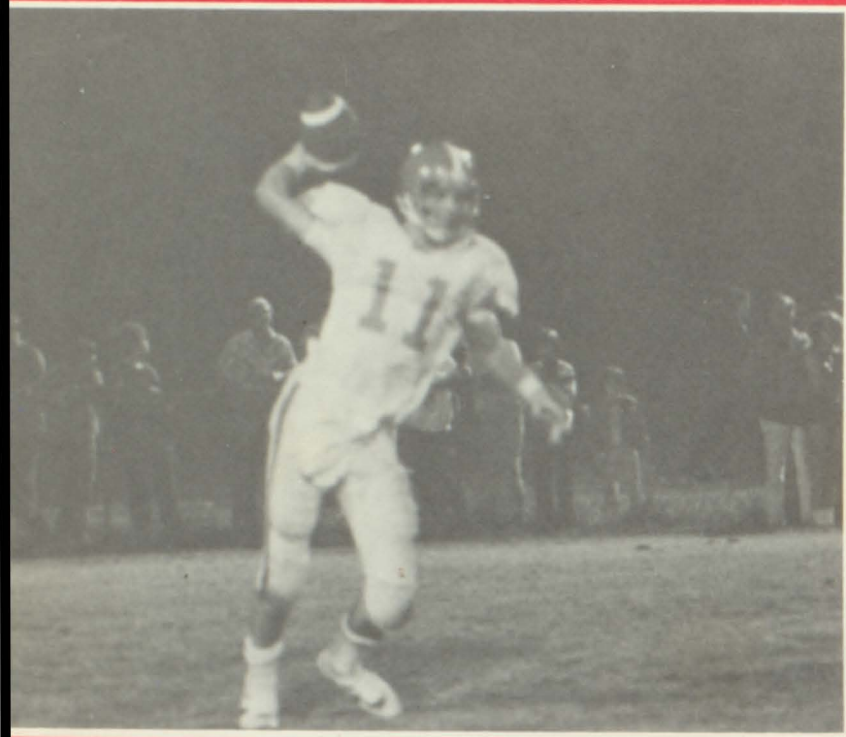

“Man is happy
when he is chasing
a dream
that is within
touching distance.”
Jerome Kagan

We Love Our Lancers

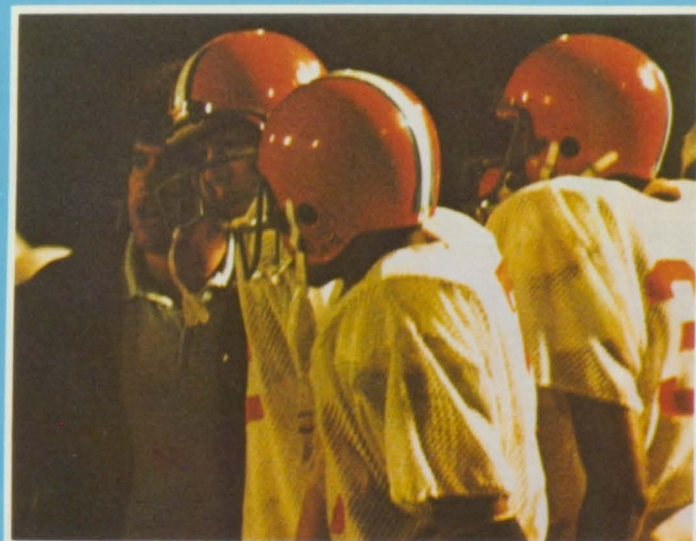

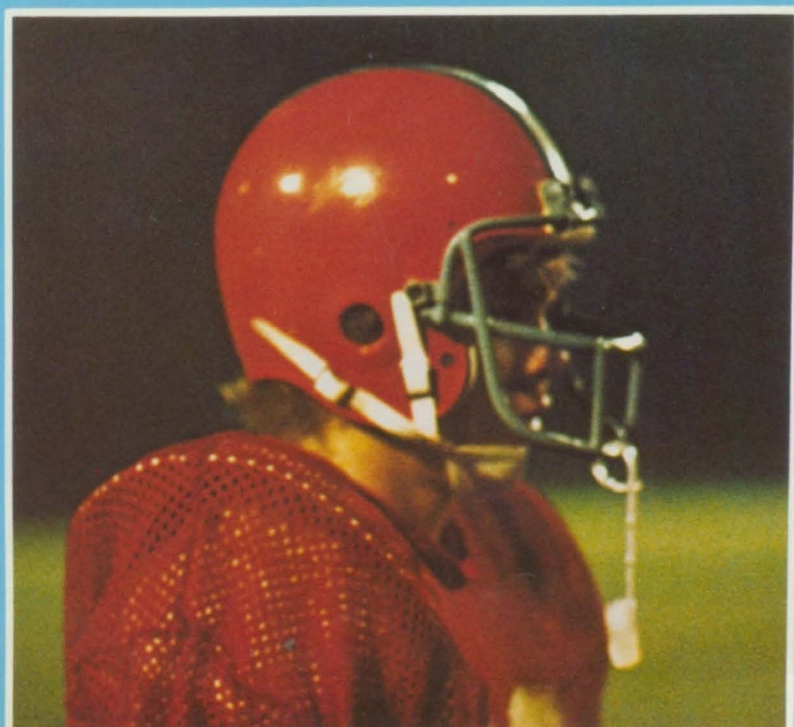

It's the things that the LANCERS do that make the season more exciting and a unique one. Everyone does their share to bring on the fun and enjoyment of each game. This is only possible through the hard work of everyone; there is but one main reason for this. It's because,

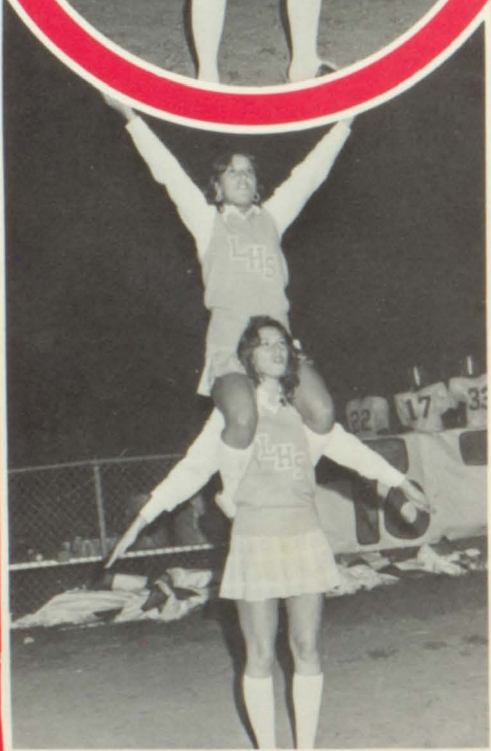

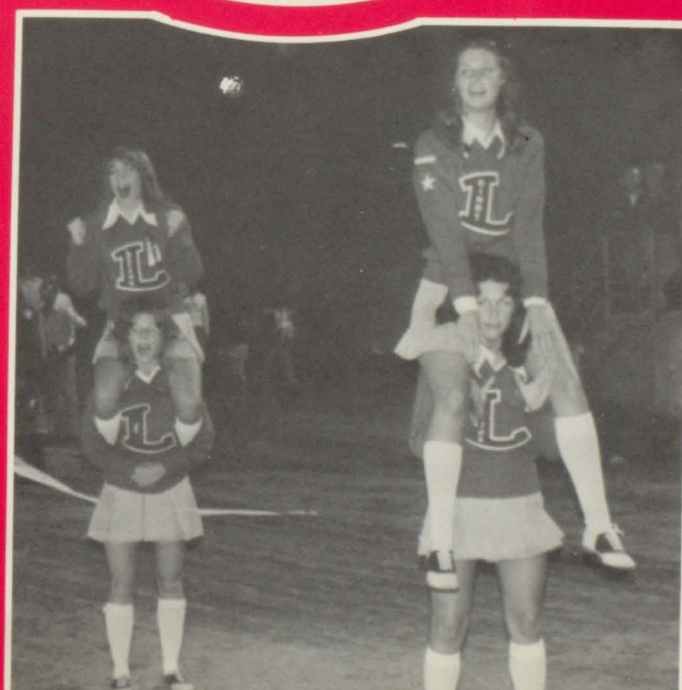

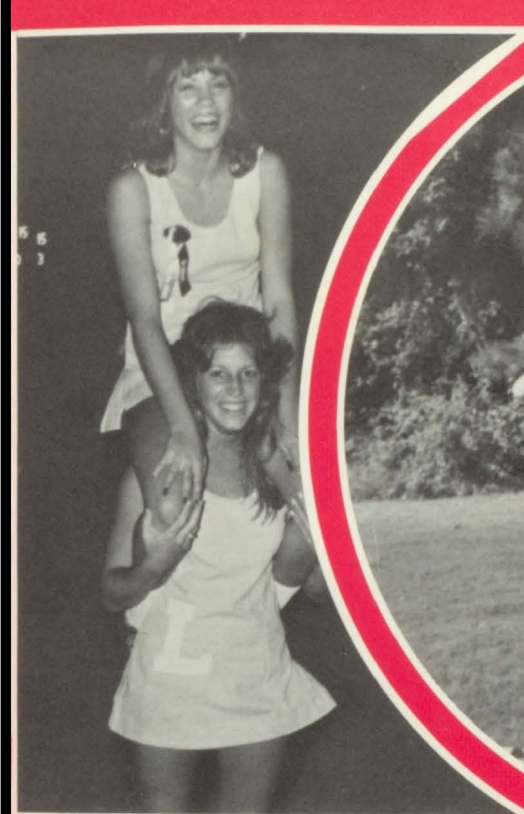

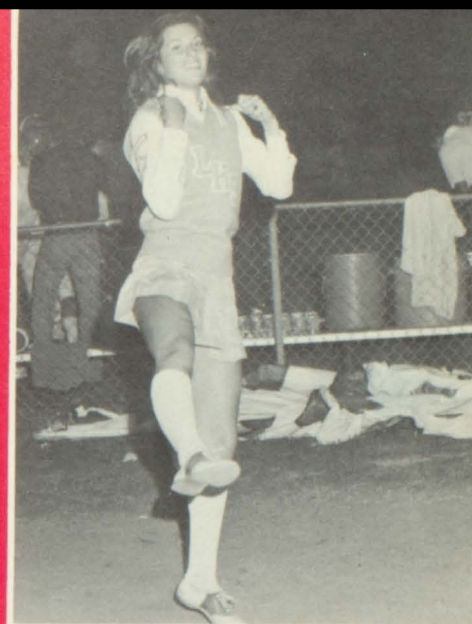

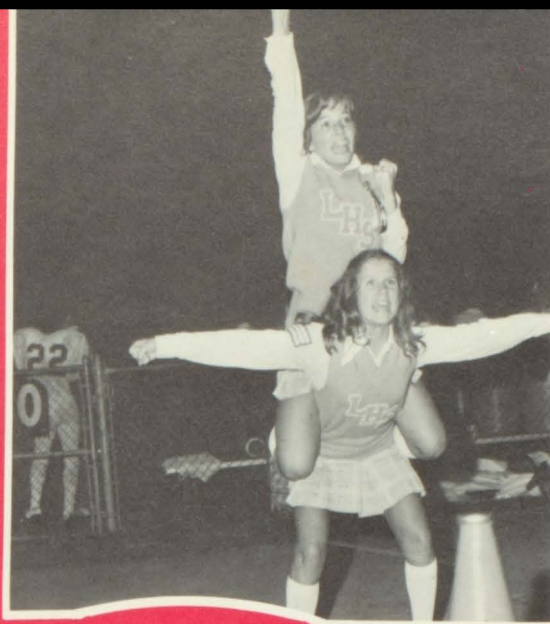

We congratulate the Lancers for their great performance during the '76-77' Varsity football year. They lost some games but never without giving it a fighting try. We're proud to have these men wearing our beloved Red, White, and Blue!

Yesterday ... Memories of the past years ... Looking toward the future with bright hopes; some have come true, yet, some have lost their importance ... Dreaming of wonderful times to come ... Tears of joy, anguish, fear and love, falling on the shoulder of a close friend ... The past so sweet, surrounded by a protective haze, keeping safe what we will always hold dear ... MEMORIES OF YESTERDAY.

ALMA MATER

To thy image, Alma Mater,
We our anthem raise.
For the truth and wisdom taught us
Lakeshore, thee we praise.

Lakeshore, in our hearts
We'll always carry thoughts of you.
And as ever loyal Lancers.
Hail red, white, and blue.

Though we leave for chosen futures
Faithful shall we be.
To thy name we love and honor,
Lakeshore, hail to thee.

On the nights of April 22, 23, and 24, 1976, a full house waited to see the Broadway musical OLIVER!, the first of its kind to be presented at Lakeshore. In the lead role of Oliver starred Stuart Wilson, a sixth grader from Kathleen Mitchell. The female lead was played by Terri McGinley. Supporting roles were held by David Gentry, Eric Lee, Rick Davenport, Carol Chancey, Carlton Higgins, Susan Boyd, Tim Harris, Kathy Ballard, Billy Sterling, Melinda Umphenour, Mike Columbo, Lauren Stewart, Ray Bernal, Linda Mills, Heidi Wright, and Dwight Mills. The orchestra played the musical's score as arranged by Mr. Michael Gerace. Mrs. Poole, a Lakeshore parent, played the difficult piano part. Mr. Ken Williams and Mrs. Shirley Bristow combined talents to direct the play. The live performance was an accumulation of many months' work. Despite pressed rehearsal time and limited facilities, the musical was a success. Everyone involved hoped that Oliver would be the first in a long line of Lakeshore-produced musicals.

Donkey Basketball

Last spring, the Accolade Staff sponsored a Donkey Basketball game. The gym was full of excitement when Lakeshore students saw some of their all-time favorites riding donkeys. Mr. Prance had quite a stubborn mule, as did Mr. Nichols. Miss Roberts and Barbara Tinsley had donkeys with a rather sweet air around them. Marlene Bernberg tried her hand with a wooden horse. Mel Hyde got a couple of tries at the basket, and Ricky Johnston, as always, didn't have a chance.

Hobbies

Don Rex, Jay Weir, Neil Weir, and Stan Nagel have the hobby of skate-boarding.

John Young enjoys the life of building model rockets. He has built 4 rockets.

Jeff Ogilvie builds robots. One of his robots won First Place in the Science Fair.

Chris Tyson, lead guitar for the band Strangers has played the guitar for 3 years.

Ann Timmons enjoys riding horses. She has ridden since she was 11 years old.

Leslie Groth explains her hobby well by her gracefulness on the balance beam.

Holly Dunkleburg is an employee of Six Flags Over Georgia. She drives trams where she greets park guests with a history of the park. She recommends this job for anyone who wants a fun but not well-paying job.

Shirley Brady works for Rich's, Inc. She audits sales tickets from all the Rich's stores. Shirley enjoys her work, and feels this job will be one to continue after graduation.

Kim Yarbrough works at the Old National Western Sizzling. She likes working and earning her own money. Also, she has met many new friends as a result of her job.

Debbie Groninger is selfemployed as a dog groomer. She has had professional training, and can groom pets for a fraction of pet store charges.

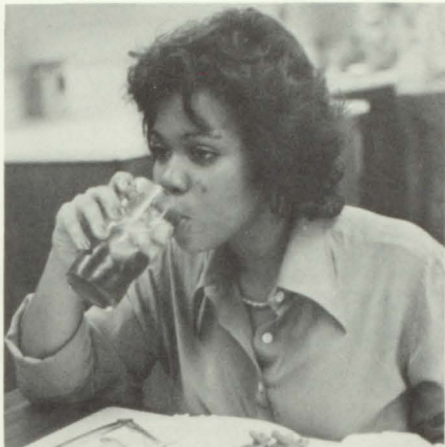

Steve Brown is employed at the Red Oak Exxon service station, working after school and on Saturdays. He pumps gas, and is allowed to do minor repair jobs.

Students On The Job . . .

Patrice Shaw works part-time at the Bonanza steakhouse adjacent to Jamestown shopping center. She enjoys the job because it allows her to earn her own spending money.

Marci Adams likes her cashier job not only for the earnings, but for the many friends she has made on the job at Old National Richway.

Laura Dollar is on the VOT program. This allows her to attend school for four classes and then leave for on the job training.

Steve Franks, a McDonald's employee, feels that his job has helped him make many new friends.

Tammy Kaiser is a waitress at the Red Lobster on Old National Highway. She feels she has gained more independence as a result of earning her own money. To her, the job is fun as well as interesting.

Junior-Senior

A joyous event for the Juniors and Seniors came last May at the yearly Jr.-Senior sponsored by the Junior class. The Juniors worked hard selling candy to raise money for the dance, held at the Ramada Inn in Hapeville.

Miss Lakeshore Pageant

Last spring was the time the yearly Miss Lakeshore Pageant was held. There were about 91 contestants. Out of all of them, one girl was chosen from each grade. Senior — Carol Gaspierik, Junior—Dessa Miller, Sophomore — Patti Trocciola, Freshman — Jennifer Leadbetter, and Sub-Freshman — Becky Bowen.

What's It Like?

Being a sub-freshman?

Being a sub-freshman is a new and exciting experience.

1/ Traci Green says, "I like Lakeshore because it's more challenging and fun than elementary school." 2/ Angie Carmolingo enjoys the amount of spirit eighth graders have. 3/ Dan Harper best sums up the eighth grade experience like this: "It's a lot different from grade school because high school is new and you feel out of place. You don't want to do anything wrong, because you want to be like all the other Lancers."

Being a freshman?

Freshmen feel more a part of Lakeshore than during their subbie days. 4/ "It's really a change to have someone look up to me!" says Lisa Miller.

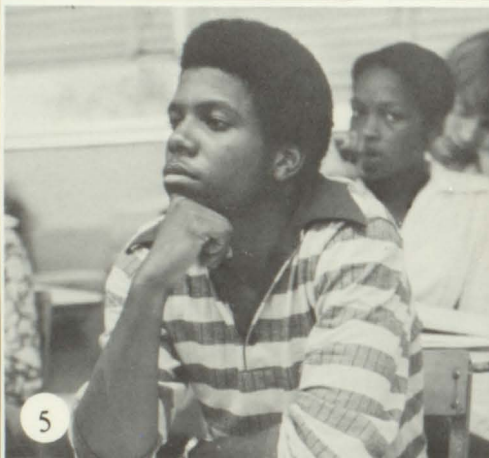

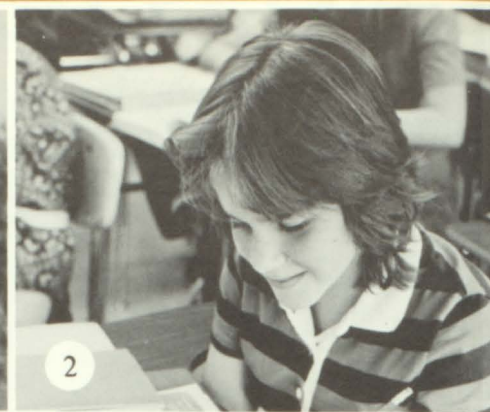

5/ Creflo Dollar informs us that being a freshman means being ready for better things like dating older girls. /6

Cheryl Cowart finds her freshman year a lot of fun, "especially on Friday night after the games." She also appreciates the leadership of older Lancers "who are always there when you need them."

Being a sophomore?

Sophomores find themselves caught in the middle. 7/ Julie Abrahamson tells us "You're old enough now to be considered an upperclassman, and you've only got two more years till YOU'RE the senior!"

8/ Ken Sherman looks forward to only two more years.

9/ Donna Clower finds her sophomore year great and exciting. "I've had so much fun, and I hope there is more to come." 10/ Mark Brown enjoys new-found adventure behind the wheels of a car, and tells us that, as a sophomore, he "looks back on two years of fun, and realizes he has two more left."

Being a Junior?

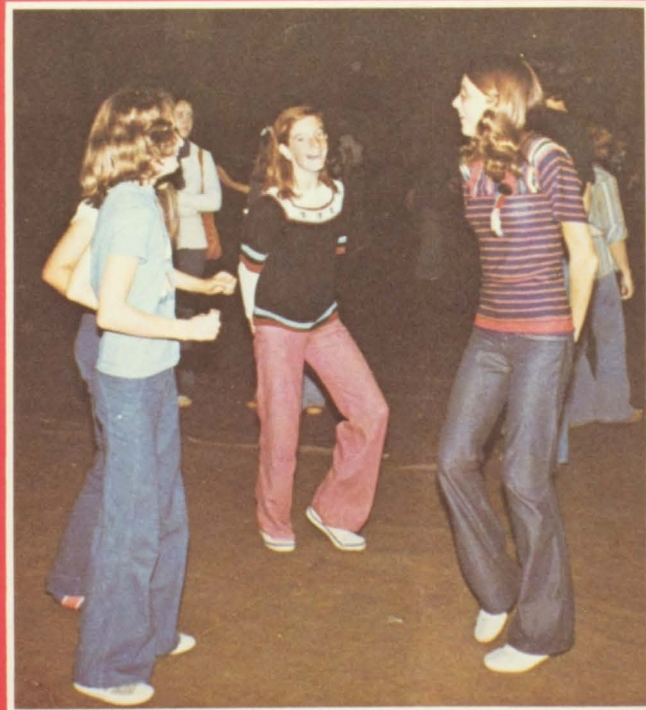

Juniors have mixed feelings about their school year. 11/ Brenda Head enjoys the importance of the year. "You feel you are looked up to by younger classmates. Also, you look forward to ordering your Senior ring." 12/ Rafael Villanueva anticipates the challenges of a new year. He says "When you're a Junior, you have to think about what you're going to do when you get out, and you have to start working for good grades." 13/ "It's the same old stuff," says Rusty Bowen, although he admits being excited about his next-to-last year at Lakeshore. 14/ Pam Underwood remembers her crazy days as an underclassman, and she looks forward to the new year, although she dreads "having to sit in those hard chairs to take the Junior tests."

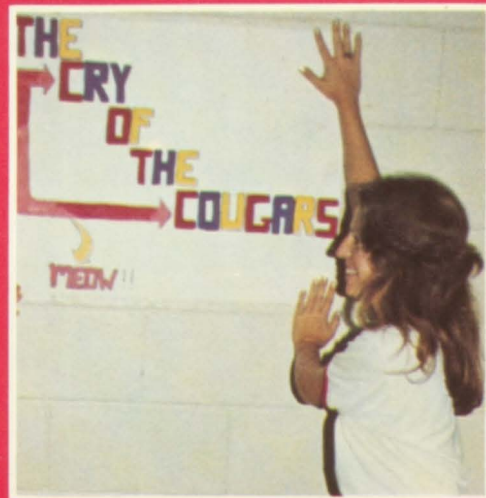

Being a Senior?

Seniors thrive on the respect they get as the leaders of the pack. 15/ "People look up to Seniors, and they're never pushed around," says Sam Disharoon. 16/ Chris Slade says "You meet a lot of good people, and have fun raising a little excitement." 17/ Tina Steele feels that being a senior is one of the hardest things she has to do. "I realize my time is running out at Lakeshore, and I hope I can leave something behind for the future, rather than just waving good-bye. I hope that all future Lancers will love their school and try their hardest. Their memories will follow them throughout life. Believe me. I'll miss my years at Lakeshore."

Get up and boogie, get it on up now,
Get up and boogie, come on, come on,
Get up and boogie, get it on up now,
Get up and boogie, come on, come on
Our team has boogie, that's all right with
me,

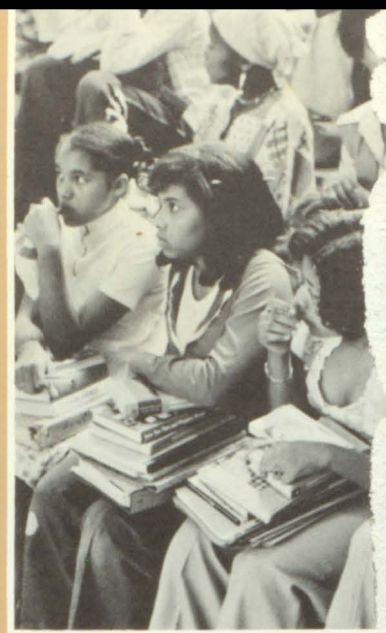

I like that B-O-O-G-I-E, so . . .
Get up and boogie, get it on up now,
Get up and boogie, come on, come on!
B-O-O-G-I-E, BOOGIE!

If one quality of students here could be singled out, it should be said that LHS students support their school, be it by cheering at a game, marching in the band, dancing, or attending any other of the many school functions. Yes, we really know how to "get up and boogie," as the popular cheer says. We've gained so much, for it is through our involvement that we have made sure, as the fight song says, "our team will always bring us through." And that's the true Lancer spirit, the spirit that has seen us through great years, the spirit that will keep us great in the future.

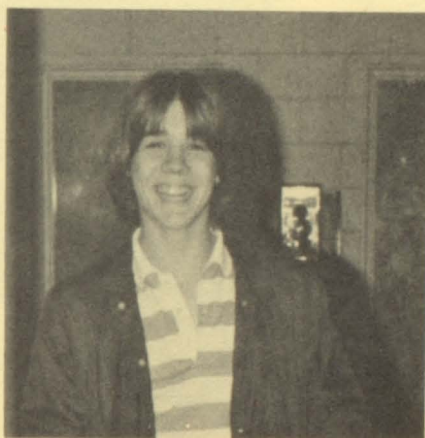

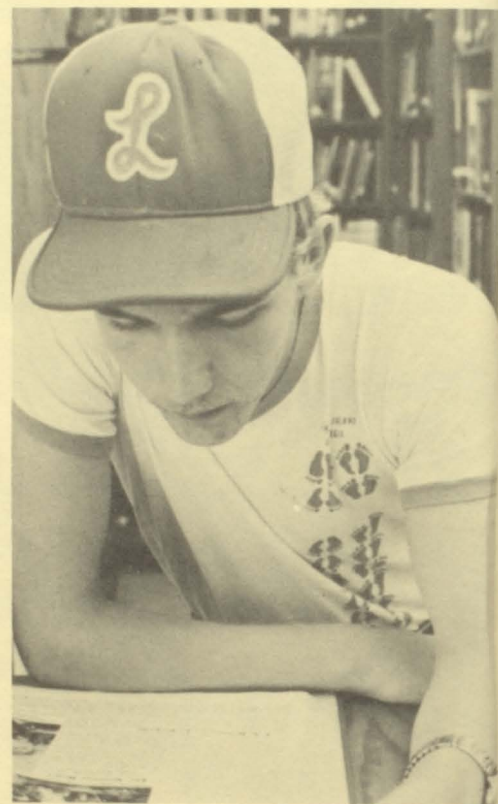

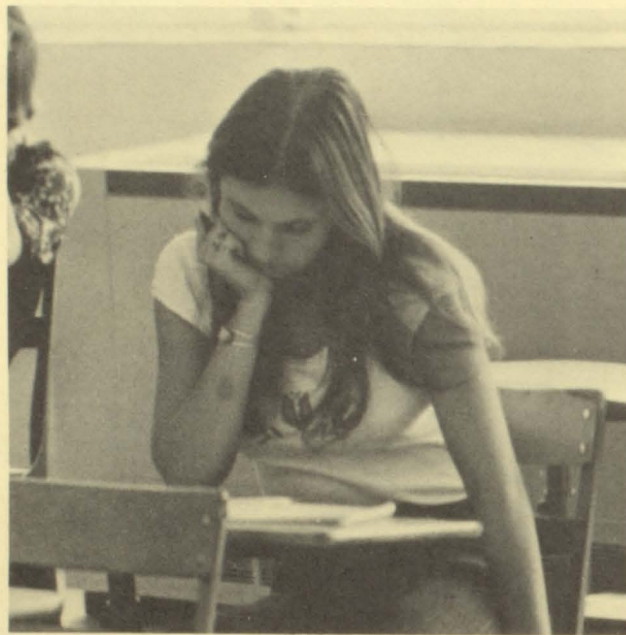

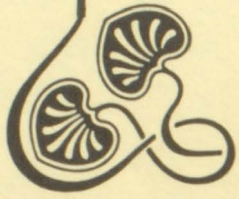

We the students of Lakeshore, are of different backgrounds, sexes, races, and creeds. Per Lindenburg, our foreign exchange student, adds to this Lakeshore tradition. All in all we hold the sincere Lancer spirit in our hearts.
