# Foreword

The Senior Class of 1951 will soon be leaving Russell High. The things that have been such an important part of our lives for the past five years will be only happy memories. Some of us will go sadly; reluctant to leave our sheltered homes and understanding friends to face today's uncertain world; but most of us will go happily; with youthful dreams in our hearts and high ambitions in our minds—eager to do what we can to make our world a better place in which to live.

We will remember our high school days as the happiest and most carefree ones of our lives—the exciting games that we saw, the clubs to which we belonged, the friends whom we made, the desks in which we sat—these little things will never be forgotten.

To our comrades of Russell High we submit our yearbook. This is a reflection of your high school, as you knew it and loved it; this is YOU; as you were in 1951 and as your classmates will always remember you.

# Dedication

In recognition of their wise counseling and guidance, their helpfulness, kindness and inspiration throughout our high school years;

Because of their untiring work in the school program and sincere interest in our activities, and for their efforts to pilot us into a wholesome way of life;

We, the Staff and Senior Class of 1951, do affectionately dedicate this volume of the Pointer to our Counselors,

**Mr. Douglas H. Purdie and Mr. E. E. Baker**

# *Our Appreciation*

We, the Pointer Staff and Senior Class of 1951, wish to express our sincere appreciation to

**Miss Clyde Wehunt**

For her faithful service and loyalty to duty, for her accomplishments in the Field of Commercial Education the knowledge of which she has so generously and extensively imparted to students, for her understanding and patient dealing with classes, for her sterling Christian character which is an inspiration to both faculty and students, and for her contribution to the cultural, social, educational and religious life of the community.

*“Cease not to learn until thou cease to live;

GUY DE FAUR PIBRAC

# Class History

For a long time we have looked forward to the day when, our school days here having been completed, we might open the door to a new phase in our lives. We realize now that the same door closes out many of our happiest experiences . . . and that *that* day approaches too quickly.

We shall never live these days again, nor shall we, on revisiting Russell, find it quite the same as when it was *our* school. Yet in our memories, every hall, every classroom, desk or blackboard we possess, because they were a part of something good that we once knew.

Though our high school years have not been unlike those of the many classes that have preceded us, certain changes have been made and a few special events have occurred in our time.

When, in 1946, a twelve year school system was adopted, we became the first subfreshmen. Now we are the first class to graduate from Russell with five years of credit. During those five years we have watched our school progress—we have seen a new library constructed; one of the finest in the state. New classrooms and a modern music room have also been built in time for our benefit.

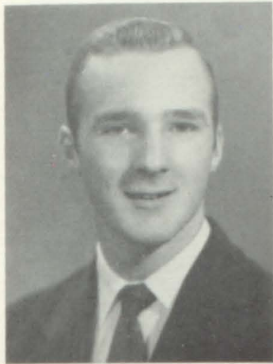

Aside from these tangible evidences of our school's growth, have been many outstanding achievements from every department, each having become more specialized and more nearly complete in its instruction.

Russell has maintained the title of Honor School. The past few years have seen the organization of Coed Hi-Y and Civitan clubs. In 1950 the track team won first place in the county tournament while in basketball we rated second in the county. New classes of Radio English and Driver Training were begun. All divisions of the school joined with the music department to produce the Spanish Operetta in 1950. In 1951, the year of the Evaluative Criteria, Russell was again placed high on the list of accredited schools.

In time we may forget these things; still we can never forget our school *itself* nor the happiness its name represents to us.

The Russell High Bank was chartered in October, 1950. It is sponsored by the Fulton Bank of Atlanta.

Student directors were elected from the stockholders, who had bought shares from the company for 50 cents a share, and a student teller was elected from each homeroom. These students, with the help of the representatives sent from the Fulton Bank, were able to establish a very successful bank at Russell, in which weekly deposits could be made.

The purpose of this educational program is to give teen-age youth experience in organization and management of a bank.

The organizing of this bank is only another step forward for Russell.

## CO-ED HI-Y HISTORY

The Russell Chapter of the Co-ed Hi-Y was formed in 1948 with 20 charter members. The club is sponsored by the Young Mens' Christian Association. Its aim is to create, maintain, and extend throughout the school and community high standards of Christian character. Since being organized it has worked toward these goals through a number of community projects. Among these have been the distribution of Thanksgiving baskets for the needy families in the community. Through its efforts to raise money for the World Youth Fund a rummage sale was held in January. Earlier this year four delegates were sent to the General Youth Assembly, where the students took over the Senate and House of Representatives.

While continuing to carry on useful projects in the community the members have enjoyed many social activities, such as hayrides, week-end parties and picnics.

Throughout the years its members have maintained their standards for clean speech, clean scholarship, clean sportsmanship, and clean living.

## HISTORY OF Y-TEENS

The Y-Teen club of Russell High is sponsored by the Atlanta Y. W. C. A. It is the largest club in the school with a membership of ninety-eight girls from all grades. The present Y-Teen club reorganized in 1949 under the leadership of Mrs. Marie McDavid.

Some of the activities are Fall Conference, which is held each year at camp Highland, holiday parties, dances, and annual trips during Spring Holidays to various resorts throughout the state. Service projects include sending chocolate for Christmas to the children in foreign countries, making holiday favors for a mission home and engaging in a potatoe chip sale for the benefit of the Y. W. C. A.

Members of the Y-Teen club enjoy the privileges of an adult member of the Y. W. C. A., having access to the swimming pool and recreational facilities there.

The purpose of Y-Teens is to mold the lives of girls making them better citizens of tomorrow. It endeavors to give the girls a better understanding of their Creator and their Country.

## CIVINETTE HISTORY

The Russell Chapter of Civinettes was formed in 1949 with twenty-two Charter members. The Club is sponsored by National Civitan through the Tri-City Chapter. Its aim is to promote citizenship. Since its organization it has worked toward this through a number of community projects.

In 1949 the members undertook the selling of Hearts in the Campaign against Heart Disease.

They gave the children at Grady Hospital a Valentine Party in 1950. Later in the same year two delegates were sent to the Civitan Convention in Savannah, Georgia with some of the money earned by the concessions at Civitan entertainments.

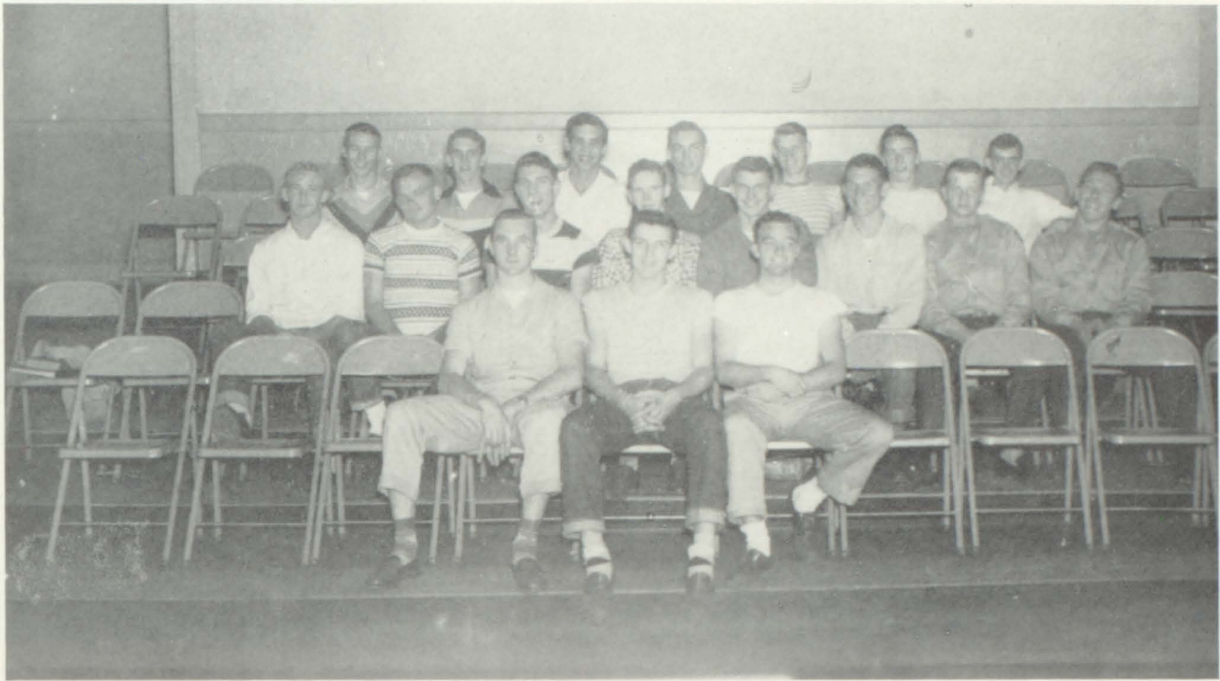

This year, other than the annual children's party, the Civinette Club will award a cup to the best citizen of the senior class.

## CIVITAN

The Russell High chapter of the Civitan club was organized in September, 1949, with 25 charter members. It is sponsored by the Tri-City Civitan Club, and meets once a week.

The Civitan Club is composed of a group of boys who are willing to offer their services around the school at all times. They stand for Clean Scholarship and General Community Services. The boys this year have proven themselves efficient as leaders both in the school and community. They serve as fire marshalls during fire drills at school, and assist in chapel programs.

In March of this year the Civitan Club assisted the other Civitan Clubs of the Greater Atlanta Area in giving a City Wide Dance at the Atlanta Division of the University of Georgia. Our President served on the central planning committee of the dance. In the future the boys will work with the faculty safety committee for preparing East Point for emergencies in case of war.

## FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America is the national organization of pupils studying homemaking in junior and senior high schools of the United States and Territories. It was founded June 11, 1945, with official headquarters in Washington, D. C. The Russell High School chapter is affiliated with the national organization. As an integral part of the program of home economics in the schools of America it offers opportunity for the further development of pupil initiative in planning and carrying out activities related to homemaking.

The Future Homemakers of America brings together state groups interested in working toward better home and family living, provides opportunities to share in solving problems important to home life, and sponsors group projects, local, state, and national in scope; it increases opportunities for the development of leadership and intelligent participation, so much needed in a democratic society.

## FUTURE TEACHERS OF AMERICA

The Paul D. West Future Teachers' Club has the distinction of being the only F. T. A. Club in the Fulton County School's. This club received its charter last year and has been given a seal for 1951.

The F. T. A. Club has many worthwhile projects. Some are as follows:

1. Projects that help the school. Members have arranged and filed materials for the school. They have helped subject teachers in many ways, even to taking over the class for short periods.

2. Projects that help the community projects, such as Junior Red Cross.

3. Study Projects which help the members themselves. They are finding out all they can about the teaching profession in round table discussions. This club has placed strong emphasis on sound living habits. They have included in the program a study of ways of improving along lines of physical vitality, mental vigor, moral discrimination, wholesome personality, helpfulness, knowledge and leadership.

F. T. A. activities offer the student opportunities to learn first hand the nature of teaching, its joys, and its problems.

Sponsors are Miss Flora Bailey and Mrs. H. T. Golightly.

## DISTRIBUTIVE EDUCATION CLUB

The Russell chapter of the Distributive Education was formed in September, 1943. Its membership is composed of all students of the D. E. program and the Alumni graduates of the D. E. program. Its purpose is to develop leadership and respect for leadership, to promote interest in a variety of occupations that are open to high school students, and to promote an understanding of vocational education.

In March of this year the club was awarded for the second consecutive year at the National D. E. Convention a certificate of excellent rating for the year's work.

In the D. E. club it is not all work and no play, the club has one social a quarter, consisting of everything from a wiener roast to a picnic at Indian Springs.

# Art

FUTURE ARTISTS

MRS. MOBLEY  
*Instructor*

The student body is very proud of its art department and of the fine work that the department and Mrs. Mobley have done.

One of the most exciting events of the year was the Exhibit on Mura's of America held November 22, 1950, by the art classes. Every student and teacher was invited to go in and view the beautiful paintings and vote on the one they liked best. The students were as excited as the artists. The exhibit consisted of nine murals in a historical pattern, ranging from the old Indian west to the modern Rotunda of the National Capitol.

Although they didn't do the singing or acting, the art department had a big part in the Spanish Operetta. If it hadn't been for them, what would the Glee Club have done for background? The art students painted the back of the stage in beautiful, elaborate colors that looked as if it were something from Old Spain.

They have a practically new Art classroom, in which to do their work. It is beautifully painted, has new display cases, a large sink and cork board for display.

If the Art Department continues to do in the future as it has done in the past, it will beautify Russell immensely.

# Counselors

Mr. Purdie and Mr. Baker

More than a few students have beaten a path to the counselor's little office at the south end of the back hall! Not only have they received expert guidance in choosing a college, but they have been given the opportunity of taking vocational guidance tests, which will help them in choosing their life-work.

Neither Mr. Baker nor Mr. Purdie is ever too busy to listen to trivial matters that seem import *only* to the students: trouble at home, misunderstandings with their teachers, and even disputes with their boy friends or girl friends. The counselors are well-informed on all these phases of teen-age life, and are eager to help and guide Russell students in making any decisions.

Their purpose is to try to lift the intelligence, morals, and diplomacy of the youth of today to its highest level. The counselors realize that youth is the hope of the future, and have given their lives, as have all teachers, to the guidance of young people. Students who do not take advantage of their contribution to Russell are missing one of the greatest services available to the students.

# Letter Clubs

## THE RUSSELL LETTER CLUB

The students pictured on these pages have won one of the highest honors awarded at Russell. They are the Russell Letter Wearers. These letters have been won for outstanding achievements in various activities.

Eight gold footballs and 15 sweaters and letters were awarded this season to the boys who, in spite of bad weather and serious injuries, played football exceptionally well.

Our basketball team for the year 50-51 ended a more successful season; having played in County, Region, and State Tournaments. Three of the boys made All State Team. At a recent banquet this team was awarded 10 letters.

Baseball, a new sport at Russell, has the same competitive spirit as the other sports. The team this year has 9 letter men from last year.

The Russell Track Team won State Honors at the Official Track Meet held at the University of Georgia in Athens and at Henry Grady Stadium in Atlanta, Georgia.

Although they didn't do any actual playing, the Cheerleaders contributed to the sports as much as the players themselves. During the football games the girls who kept the spirit of the spectators and the players up were the cheerleaders. These girls not only cheered the football team to a successful year, but the basketball team as well.

The music students are also recognized each year. To the students who worked the hardest according to the point system are awarded white letters with a gold treble clef woven on them. Out of three hundred music students only 15 letters are awarded. The Sub-Freshmen Glee Club has the same chance to win letters as the Senior Mixed Chorus for these points are given toward the letter for work done after school hours, in which anyone is eligible to participate.

The Library also awards letters to the members of the Library Staff who prove to be very efficient library assistants.

Although the coaches were not awarded letters, sweaters, or gold footballs they should receive as much recognition as the students because, if it had not been for them and their excellent coaching ability, the students would not have been able to achieve their goals thereby winning their letters.

These letter wearers and coaches are to be congratulated on the fine work and sportsmanship they have shown in this year as in the past. Along with the other members of the student body they are only helping to keep up the old Russell tradition of always being the "cream in the coffee."

All things come to him who waits. For fifty years Russell has waited for an adequate physical setup for her choral groups. This year they have inherited a little bit of heaven. With their spacious room filled with blond furniture and tropical floral arrangements. Among other improvements is an adjacent library room, filled abundantly with appropriate music. Contrasting with our over-used one is our new velvet tone piano, purchased through the efforts of the choral groups. More wonderful still is the new location of our music room. How much better it is to sit in a dry, warm room without danger of drowning or asphyxiation. Despite these conditions we have survived and, as said before, all things come to him who waits.

C. W. LITTLE  
*Director*

Under the superb direction of Mr. C. W. Little, the Russell High School Band has flourished in the past year beyond our utmost expectations. It has not been easy, but Mr. Little's numerous efforts have not been in vain! He often meets the band as early as eight in the morning, and rehearses with special groups at night.

One of these special groups is a dance orchestra, and this is the first year that Russell has had an orchestra of its own to play for its dances. This has helped build the spirit of the school, for the students have responded to the dances with enthusiasm. The Russell High School Orchestra has its own radio program over station W. T. J. H.

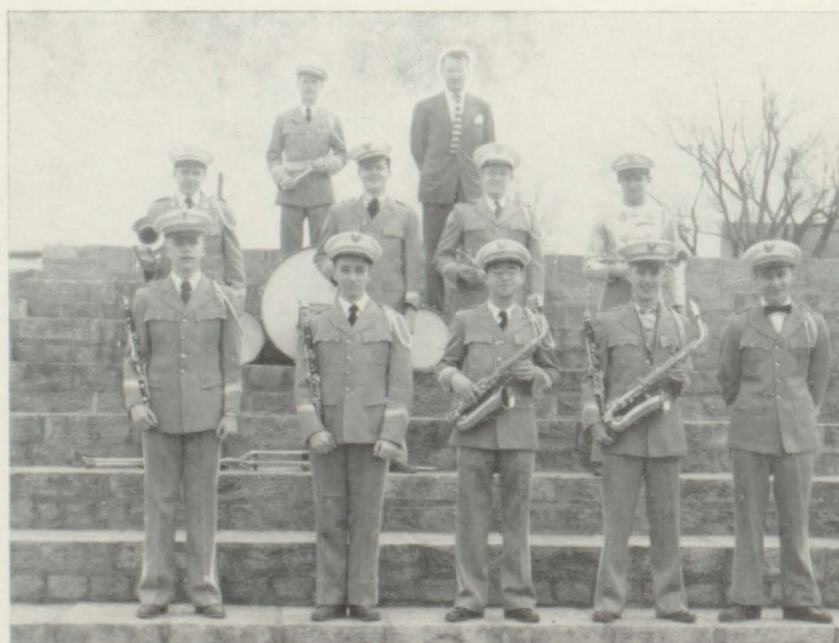

The climax of this year's work was a brilliant concert presented before a packed house at the East Point City Auditorium on March 5, 1951. The success of this performance is due not only to the splendid teaching and directing of Mr. Little, but also to the Band-Parents Club, which has been a very active organization in promoting band activities this year. Congratulations to the band for its splendid work, and best luck and more success for the future!

MR. DODD

Larry S. Dodd was born in Alpharetta, Georgia, June 16, 1920. He finished high school at Russell where he played basketball and football. He played on the '38-'39 N. G. I. C. championship teams. From Russell he went to Oglethorpe University where he played football. He attended Oglethorpe for two years and then served four years in the Navy. Two of these years were aboard ship in the Pacific. After the war he came back and two years later, received his degree at the University of Georgia.

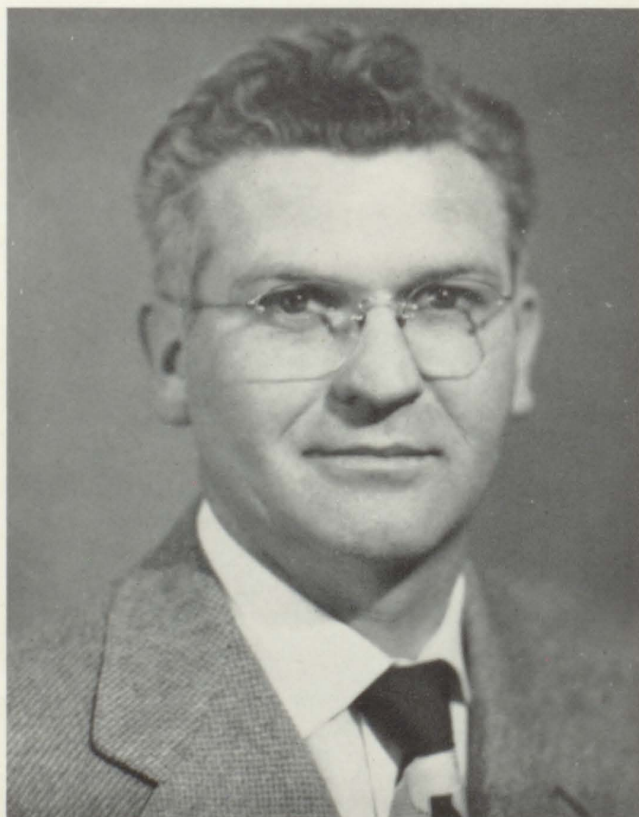

Mr. Dodd then came to Russell where he took over R. L. Bowen's role of head football coach, Mr. Arnston's role of head basketball coach, and revived baseball. After coaching football for two years and basketball for one year, he gave up both to take over as Athletic Director. He is still coaching baseball. His best record is in baseball, winning the Fulton County Championship in 1950. He has produced such boys as Bob Rozee, who signed a contract with a major league team after graduating from Russell. Also several boys from his team have been placed on the North Georgia All-Star squad.

MR. ALDRIDGE

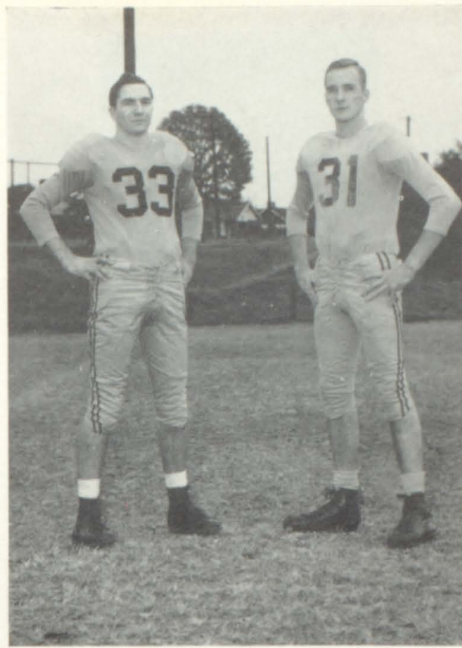

Charles W. Aldridge was born in Decatur, Alabama, October 4, 1919. He attended several high schools but graduated from Lexington High School in Lexington, Alabama. After serving in the service, Mr. Aldridge started to college. He graduated from Appalachian Teachers' College where he participated in Football and Basketball.

Mr. Aldridge came to Russell in January of 1949. He took over Mr. Maddox's place as head Track coach in 1949. The following year he took over as Line Coach of the Wildcat eleven. He has coached the line for two years and plans to continue. His most impressive coaching role, however, has been his leadership of the Russell basketball squad. He took over L. S. Dodd's place and in his first year, had a record of 20 wins and 9 losses. Also the team was the runner-up in the Fulton County tournaments.

This year he has taken a bunch of small boys, the tallest being 6' 2", and molded one of the best teams Russell has had in several years. His style of small boys using speed, so fast that other teams couldn't keep up with them, has paid off. This year Mr. Aldridge has led his team to a 21-7 record to give him a 41-16 record thus far at Russell. Mr. Aldridge has also done well in track. His best product being Gene Griffith, who won the Georgia AA 880 in 1950.

# The Games

## RUSSELL—14 HAPEVILLE—18

Russell opened their season with an inexperienced "Eleven" against a highly experienced Hapeville squad. Hapeville, who, supposedly had the best team in years, was led by speed demon, Tommy Farran. Farran continually swept Russell's ends for gains that set the "Wildcats" down. The most devastating play of the night, however, was a 70-yard end-around by Gene Griffith. Russell's hard luck started in this game. In the first quarter, Joel Lindsay, star defensive halfback, broke a bone in his shoulder that put him out for the remainder of the season.

## RUSSELL—12 ROME—12

The "Hilltoppers" of Rome came to East Point, a heavy favorite, but went back to Rome very disappointed. Yes, they went back to Rome but left the heaviest shock of the Russell season. Fullback and linebacker Hal Homer was sent to bed with a broken neck. The scrappy "Wildcats" started off with what looked like a runaway game by scoring two quick touchdowns. Rome came back with two beautiful passes, one for 60 yards and the next for 55 yards to tie the score, 12-12. From then on it was neck and neck.

RUSSELL—13 SYLVAN—13

Chaney Stadium was the grazing grounds for the next battle which turned out to be one of the best of the season. The "Wildcats," the underdogs in this tilt, fought their way to the second tie of three games. Russell, led by some fine line plunging of Felix Cochran and accurate passing of Cliff Manus, led in the fourth quarter, 13-7. But the excellent running of Stan Cochran and Charlie Rogers was too much for the East Pointiers. Sylvan tied it up 13-13 where it remained until the final gun.

RUSSELL—6 ROSSVILLE—6

Russell took its longest trip of the season to meet a strong Rossville squad led by Glenn Johnson. The "Cats" came back to East Point very disappointed but the fans were excited. The reason for this was the heart-crushing time clock. Russell started, with just seconds to go, and the score tied on one of the most impressive drives of the season. They fought their way 80 yards to the Rossville one-foot line to have the time run out on the way from the huddle to the play that might have brought Russell into the running column.

RUSSELL—12 R. E. LEE—13

R. E. Lee, undefeated and unscored on thus far in the season, came to the Russell stadium boasting a fine team led by 196 pound fullback, Allan Lee. Although Lee weighed 54 pounds more than flashy Clifton Manus, the Russell halfback matched him step by step. Manus hit his stride in this evenly fought tussel while completing 11 of 16 passes. Lee scored twice but then sly Clif Manus also crossed the stripes twice. The frightening "Wildcats" wound up as the gun went off on the R. E. Lee one-yard line.

RUSSELL—0 N. FULTON—14

The North Fulton "Bulldogs" pulled one out of the bag on this one. Russell, training all week to stop the arm of Ed Hamilton, ace North Fulton quarterback, couldn't stop the line-plunging of the fine "Bulldog" backs. North Fulton had thus far depended on Hamilton, but once Hamilton was bottled up they uncorked one of the best running attacks Russell met all year. The "Wildcats" spirit was high but the "Bulldogs" just outclassed them. North Fulton had the strongest line Russell faced all season including six boys over 195 pounds.

RUSSELL—0 DECATUR—34

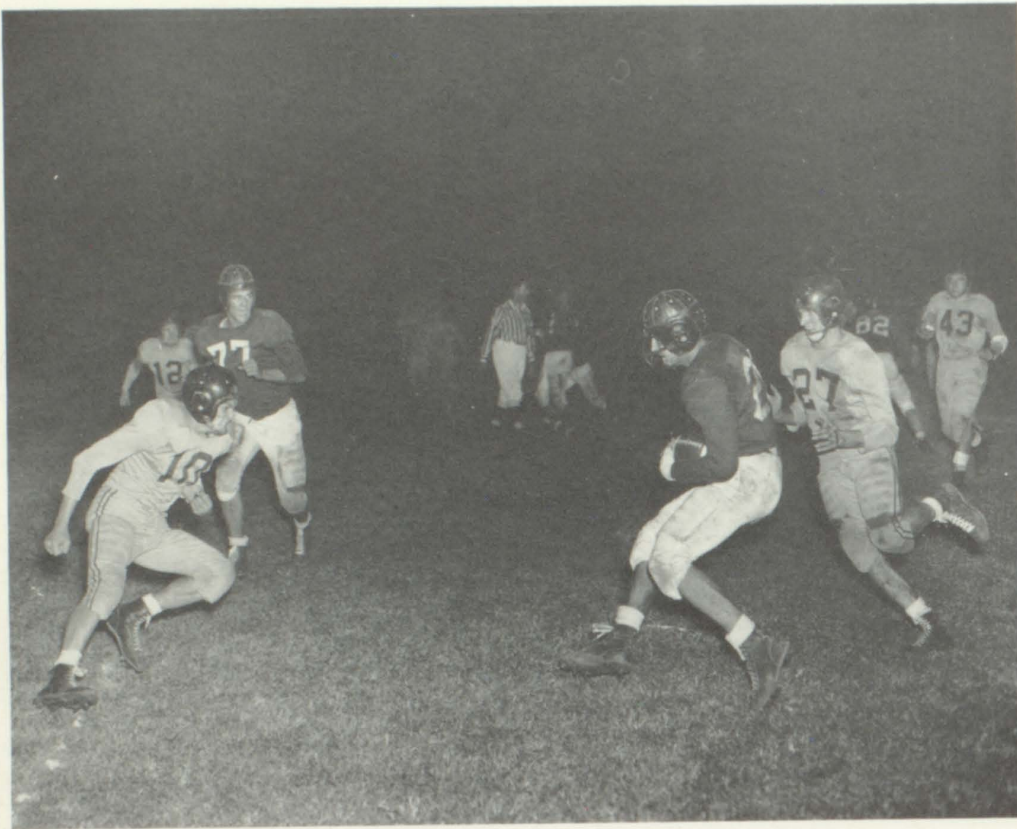

Russell met Decatur on a field which was so full of water the yard lines could not be seen. Decatur paced by a miraculous field general in David Redford, the hard running of Larry Morris, and Pete Johnson fed Russell its worse beating both physically and officially. Early in the game, star halfback Clifton Manus and hefty Reggie Clay were put out of action for the remainder of the season—Clif with a broken arm, and Clay with a broken neck. The Bulldogs went on to win the State AA Championship.

RUSSELL—6 MARIST—12

The Marist cadets roamed to a fine start in a game which looked like a runaway, but the "Wildcats", although they lost, dug in and provided an excellent game for the fans. The standout of the game was Bobby Saade, a versatile lad, who played several positions, kicked, passed and ran Marist to a 12-6 victory which ended on the Marist ten-yard line. Little Jack Quinn was the spark plug of the Russell Eleven with some fine running. He also scored the only touchdown for Russell.

RUSSELL—6  
COLLEGE PARK—19

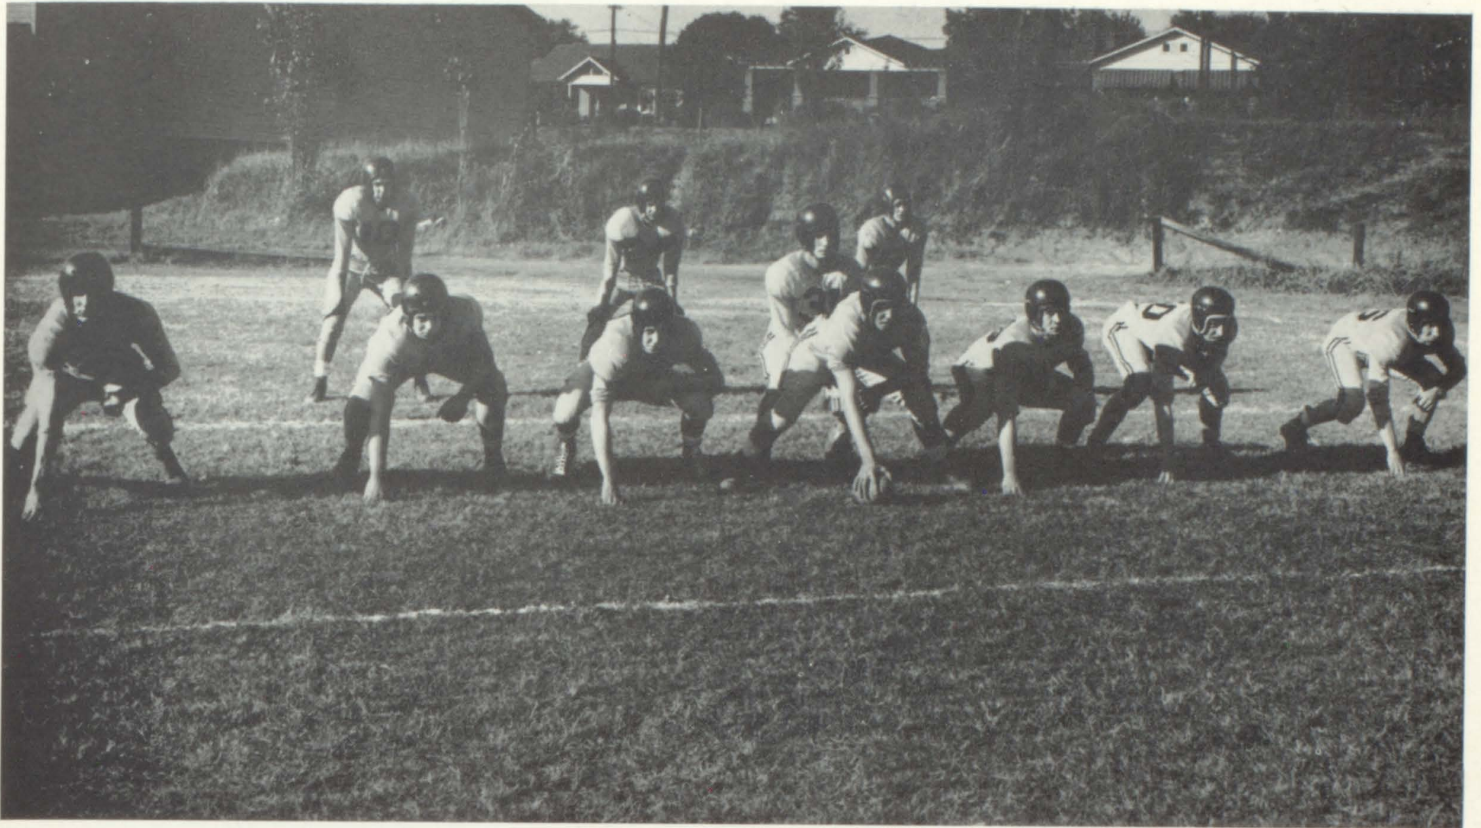

Russell, who looked like a walking hospital by this time invaded College Park with both eyes open but went home with both eyes shut. The Rams picked out the weaknesses in the Russell line, because of the many injuries, and ran their way to the first victory they had ever made over Russell in football. The loss of guard Wesley Foster, who played only a few plays because of an injury received in the Marist game, was a big setback to Russell. Russell never gave up but just had too many limping boys on the field.

RUSSELL—0 W. FULTON—19

Russell, still crippled up pretty badly, took a trip across town on a freezing cold night to face West Fulton, the last game of the year. West Fulton opened with a fine pass. Driskell passing to Thurmond on the third play of the game to score. The only thing that saved Russell from being completely ruined was the unusually fine running of pint-sized Jack Quinn. Quinn reeled off several nice runs but couldn't quite hit the paying ground. Bobby Thurmond, a powerful halfback, was the greatest standout for the Owls on this hard frozen ground.

Right End—Gene Griffith, Right Tackle—Reggie Clay, Right Guard—R. C. Corley, Center—Joe Bell, Left Guard—Wesley Foster, Left Tackle—Richard Jessie, Left End—Lewis Hardy, Quarterback—Ronald Wilson, Right Halfback—Billy Moran, Left Halfback—Cliff Manus, Fullback—Jack Quinn.

## FOOTBALL SEASON

The outlook for the 1950 season wasn't too good at first, for the "Wildcats" had only five men returning with any game experience whatsoever. Clifton Manus, Gene Griffith, and R. C. Corley were regulars the year before, and Hal Homer and Reggie Clay saw limited action. By the time the season started, however, the Wildcats were rated as a dark horse, no one being completely sure of their strength.

In the first game the Wildcats were very noticeably hindered by their inexperience and that was when trouble started. Joel Lindsay, defensive half, was the first boy to succumb the long string of injuries yet to come. Joel was out for the season with a broken arm. The second game was much better, for the Wildcats tied one of the best teams in the state. But again, disaster struck, for Hal Homer, fullback and captain of the 'Cats' was sent out with a broken neck to miss the rest of the season.

The next few games Russell tied, and didn't look too bad doing it either. Then along came the Decatur game. We lost Cliff Manus, our passer and halfback and Reggie Clay, guard, for the remainder of the season. Cliff had a broken arm while Reggie was out with a broken neck. Along about this time, Jimmy Dial, our 220 pound tackle badly bruised his shin in practice, which put him out of action for the rest of the season. We also had a couple of dislocated shoulders which hindered our playing. We finished the remaining five games of the season with only five first stringers left. The lineup was patched with third stringers instead of even second stringers, for many of them were out with various injuries. The 1950 season had more injuries to occur than ever before in the school history. Even with all those injuries we managed to tie three games and lose seven. But that isn't all the bad luck we had—three ball games ended with the ball in our possession within the opponent's five yard line. In spite of this hard luck, Russell won one award—"The Hard Luck Team of 1950."

The Russell "five" from the beginning of the year looked forward to a fine season. Mr. Aldridge, who was coaching basketball for the second time at Russell, led the "Wildcats" to a record of 28 wins and 12 losses. Russell finished up strong by beating Roosevelt in the first game of the state tournament. Then they went on to take Benedictine, the team, picked second in the state. The next night the "Wildcats" lost by five points to Lanier, the State Champions, after which they also lost to Smith. This placed Russell fourth in the State which is the highest they have ever gone. Holcomb, Moran, and Wilson were placed on the All-State team. The "Wildcats" look forward to a successful season next year when they will have Moran and Veal back from the starting five. Thus far, Mr. Aldridge has a 48-22 record since coaching basketball at Russell, which is one of the most impressive records around Atlanta.

The girls basketball team saw one of the best years since they started competitive play. With a good starting line-up of girls who had played the previous year, they came through the season with an even score of twelve wins and twelve losses.

Their winning streak may be attributed to the fine defensive play of the guards, Sue Abercrombie, Barbara Hutcheson (Captain) and Mousey Wheeler, who did an excellent job of holding the other team's score down to a minimum while the forwards gained an eye for the basket as the season progressed.

The forwards, Ruth Abernethy, Myrna Fillingim, and Gwen Simpson have developed a smooth game of passing and shooting. Simpson, the top scorer for the sextett has contributed many valuable points to the winning streak, but only with the help of Myrna and Ruth who kept the ball moving into a position for those long set shots.

All Russell's teams seem to have hard luck. Mousey twisted her knee at mid-season and was unable to play, but contributed her services cheering the team on. Replacing Mousey were Betty Jo Thompson and Marty Camp. Both did a beautiful job.

Time marches on and so ends another season of basketball. For some this will be their last season but that is as it should be. They have given to the experience and have gained from it. Best of luck to those who are graduating and may they look forward to many more victories down every road of life they travel.

The Russell High Rifle Team was outstandingly successful this year, having a team record of nine wins and two losses. Both losses were later avenged. The team also took second place honors in the Fulton County Match. Bobby McElhannon, team captain, was the top individual scorer in the county, with an average of 177 points per match.

Bobby and Ronald Harris were on the team of ten best marksmen in the county which went to Florida for a match with the Florida Military Academy.

This year's team had one of the finest records in Russell's history.

# Senior Prophecy

Aren't these new inventions wonderful? Now take for instance this gadget here—a new "See Ahead" machine. All you do is push a button, set the date you want, mention who you want to see, and there you are! Just like an improved crystal ball—here, we'll turn it on. Set the dial for 1961 and let's see what's ahead for the Seniors who graduated from Russell High School in 1951.

Hey—look at that crowd, cheering for Reba Brown and Christine Haygood who have just been declared "Champion Flag Pole Sitters" of the South. The announcer for the occasion is that renown scientist, Ray Bridenbaugh, who just made his first million with the world-startling discovery that "Flying Saucers" are really the tops popping off of Hadacol bottles. They are having quite a celebration with plenty of entertainment—a lot of it from our own alumni—Now Ray is presenting Emily Fitzgerald with a beautiful trophy for being "Best Grasshopper Gulper" of the year. The famous actor, Murray Barbee, now touring the country with "Willy Shakespoke's Traveling Group", is giving a short reading from his latest play, "Hambone"—Next on the program are those sensational Tiddle-wink champions from Yale University—Norman Bryan, Patrick Chambers and Emmett Danforth—following this interesting exhibition are those two daring chorus girls—"The Black Bottom Dancers"—Barbara Ballew and Patsy Schenck. Now, straight from the Egan Boys' Club, come that romantic torch-singing duet—Pat Tucker and Marcia Leathers.

This must be the half-way mark of the program because here comes Alan Gillon and Ray McCrary, the number one commentators for Lower Decatur Street's exclusive radio station, "P.U.", to make a few welcoming remarks to the crowd. Why, there are Frances Hipp and Helen Sapp, coming to the stage with their new one and only "Cootie-Circus". Let's hope Frances got all the cooties off stage because here come those darling singing waitresses from Hot Corner #2—Joe Ann Adams and Carroll Anderson—Oh, look at the next feature—those heroes of children and old men—Ray Tumlin and Walter Duran—the stars of those cowboy pictures on TV. To accompany their little song are those "ever-ready" drummers from Hot Corner #1—Doug Brown and Barbara Price—Doug and Barbara now are beating out their welcome to that sizzling sister act from Barnum and Bailey Circus—Gayle Norton and Georganna Chance. What's he saying now? Oh—the next act will have to be postponed for Jackie Skinner is still trying to recover from the shock gotten when the "Dart-Thrower's Convention" spoiled her famous "Bubble Dance." As a grand finale, the drums are rolling a salute to those daring girls, Mary Mann and Ann Hemperley, who are off to attempt to be the first persons to water ski across the English Chanel.

I'd like to see some more of the class—turn to station WRUP and let's see what's on—Oh, good—it's the election returns and, of course, in this modern time they can announce all the appointments of offices along with the winners of the elections—Wonder how Russell's folks came out!

After serving on the City Council for ten years, George Lively has just been elected mayor of East Point—Skippy Duffey is a Fulton County Truant officer—Ann Hawkins, Lucile Standridge and DeLois Carver have been appointed as supervisors of the Georgia State Reform School. Speaking of schools—there's Ethel Dickerson, at last, the principal of G.M.A. Several appointments have been made in the police—Gene Griffith has been made a chief while Doug Maloney's the policeman's job is Charles Thornton's new job. Custodian of the grounds at Adams Park—Don Harris, is still in the race for the International Pool and Billard Championship. The first bad returns that we've had are these—William Crawford and John Moss have been kicked out of Congress for the 9,683rd time because of their efforts

to get the North to secede from the Union. Good news again—Jackie Bryant has recently been made the first woman mayor of Cascade Heights. Two more appointments have also come in—Jody Davis, new head instructor at Sumner Park Gym and Stanford Lee, for the next janitor of Russell High. That seems to be all the returns. There are two more stations. Let's try them.

Hey—stop on this station, they're showing some interesting occupations of our seniors ten years hence.

Why right there on Peters Street, next to Joel Lindsey's second hand store, is the Dandy-Di-Dee Diaper Service, run by Ed. Trimble and Ralph Rand. Look at that sign upstairs over Lindsey's place. "The Smith Sister's Cough Drop"—proprietors, Barbara and Louise Smith. On the other side of Joel's is a cute little pink and blue sign saying, "Ye Peek-a-Boo Lingerie Shoppe", owner, Fred Britt. Here comes Wade Horton and Sonny Morgan, still wearing their feet out as Postmen just because someone heard them say they wanted to play "Post Office" and gave them a job. Look, they're being stopped by Dan Lamb, the chief quizzer for that all important question, "Are you happy with your cigarette?" If you listen closely you can hear their answer—"Yes, we smoke only that new cigarette, "Weeds", originated by our good friend, Russell Booth."

Traffic is mighty tied up and there's a reason—Ben Lord and Larry Grant are painting the yellow stripe down the middle of the highway. On the corner is Gene Greer, still playing first trumpet for the Salvation Army Band. The "Minit Car Wash" has two new washers, Mary Bullard and Pat Foy. There's old "Horselegger" Foster, teaching dancing at Arthur Murray's the elevator dance: no steps! Across from Russell are Carlton and Donald Burnett, operators of the Spur Filling Station. Above the station are some offices which include Pat Howell's for her business of renting pin-ball machines to P.-T. A. Parties and Danny James' main location for his courses in "How to Win Friends and Influence People."

Really down and out by now, Richard Nash and Rue Coats are reselling the slightly used chewing gum, collected from the East Point Theatre. Out on the street we also find Angelina Pritchett and Jo Anne Milligan, collecting the money out of the parking meters in East Point. Ray Parks, James Edwards and Tommy Nesbitt have just been made special guards for the "Diamonds" at Kress. Across the street in the Russell gym, Charles Poteet and J. T. Bryant are stacking "chips" for the customers in their new gambling casino.

At long last Lawson Rollins has become president for the Little Nifty Ukelele Co. and is renting "ukes" to James Dowd and Jimmy Badders, caretakers of the Confederate Soldiers' Home so that Barbara Camp and Betty Stewart, the matrons, can teach the patrons how to amuse themselves.

"DEE" Dodson, C. A. Amerson and Charles Mann are joint partners in the Chattahoochee Ice and Coal Company. "Dee" just had one request, that she get to deliver the ice to the Bachelor's Quarters at Fort MacPherson.

Now who is that cleaning the stables at Adams Park? Why, it's Kay Rose. Well, she always did love horses. Over there by the lake are Alice Parish and Anna Malone, posing for the covers of "Peek" magazines. A few more famous models are Mitzi Brook and Jeanette Bryant, now employed as specials for "Lil' Zeke's Overall Factory."

Shifting back to East Point, the camera turns into an exclusive little dump which Duree Jones and Gloria Rosser are working as lady barbers. In the basement is the official office of "Martha's Correspondence Course for Building Bigger Muscles." This course, owned and operated by Martha Powell and Janice Deason has literally taken the place of the "Atlas" series.

Jimmy Dodson, still crazy about riding a bicycle, is a Western Union delivery boy, specializing in singing birthday telegrams.

They've shifted the cameras to the zoo. Look, is that a monkey? No it's Richard Crockett and Eddie Bridenbaugh, combined zoo-keepers and cyclorama guides at Grant Park. Speaking of monkeys, James Holcomb is chief "grease-monkey" at Delta Air Lines.

Oh, oh, here comes the commercial. That Tonsil-Tickling Treat—"Lemon-Ale", advertised in a song by the harmony of Betty Nix and Joyce Hornesby.

Now that that's over we can get back to our program and the rest of our seniors.

There are Fred Ivey and Ed Watson competing with the lady barbers with their own "Tri-City Barber Shop." Shifting up town the camera catches Jean Huggins and Joyce Mitchell busily at work in their duties as chamber maids at the Y. M. C. A. Above their heads is Jim Brooks, swinging in the air, as he tries to clean the cob webbs from the top of the WSB-TV tower.

Always as usual as ever, there is Vivian Marlow, head librarian at the Carnegie Library. Harry Phillips, still in the newspaper business, has gone into partnerships with Bobby McElhannon as they write their own "Lonely Hearts Matrimonial Column" in the local paper.

Aubrey Hollums and Don Shaver have opened the exclusive dude boot factory and are going under the trade mark "The Green Duck."

Down at G. S. C. W. we find Victor Shook, enjoying thoroughly his new job as night watchman.

The "never-say-die" boys, Fred Bell and Jack Waits are still digging for buried treasures through that hole in Miss Galloway's room.

The newly-elected President and Vice-President of the "Shi-Hi-Club" are Ann Crawford and Helen Johnson, but they aren't the only ones who are "getting up" in this world, for, at this moment we see Betty Wheeler and Etoye Parkman playing in the semi-finals for the title "Champion Canasta Card Shark of 1961."

Still being friendly, Bobby Lewis and Fleming Weaver are selling red suspenders and giving away campaign buttons to such unsuspecting people as Ruth Abernethy and Myrna Fillingim, the new officers of the Women's Temperance Union.

Some of Russell's "brains" have gone literary happy. Darryl Aubrey is running a correspondence course in Greek, so Everette Daugherty caught the idea and has just completed a standard dictionary of Geechie dialect. Pauline Chafin and Ruth Coats are now famous after writing the book "When We Were at Russell", or "Our Five Years in Sing-Sing." Writing verses for comic Valentines are those wits, Bobbie Lee Hyde and Omergene Brown.

Looks like it's time for another commercial 'cause here comes those super-salesmen, Joe Barnett and William Mosley, peddling their new soap sensation, "Tide."

Now back to the unusual occupations of our seniors.

The next scene seems to be the fair grounds. Ah-ha in that little black booth are Ann Burdett and Janet Drum, cutting out silhouettes.

There's Betty Walters with her own "Creamy Krisp" do-nut stand.

"Up and at'em" Troy McBrayer and Herman Meir are operating a "bang-up" shooting gallery.

A main attraction seems to be a tiny little dark tent with three swarthy fortune-tellers huddled around a beautiful crystal ball. They are none other than those traveling gypsies Barbara Meade, Gloria Howell, and Marlene Pollard.

Giving free demonstrations of Judo, every hour, on-the-hour, is strong-man, Eddie Rush.

Over in the big tent we have two special features from the Russell alumni. Ronald Harris is co-actor in a "dancing-bear" act and Alice Flynn, star of the new Broadway sensation, "North Pacific, is providing the music.

That's enough of that—let's turn over to the sports station and see if Russellites have any inclination in that direction

A gala occasion is the celebration for Gwen Simpson and Mary Lois Wheeler, who are trying to swim Niagra Falls for the 597th time. Another headline in the sports world is the appointment of Lewis Hardy as track coach for Harris Street Grammar School. Pat Mitchell and Diane Whatley, the "Dynamic Duo" from the Agnes Scott football team are going on an extensive tour, trying to inaugurate girl's football in all the colleges.

Out at Ponce de Leon Park we see Mack Bishop and Glen McLean playing "left-out" with the Atlanta Crackers. Having such loud mouths, Janet Patton and Sarah Ruth Gillham are selling peanuts and programs. For refreshments at the games, Sarah Humphries and Martha Jean Briscoe are vendors for Mrs. Hill's sandwiches.

Some more girls in the sports spotlight are Sue Abercrombie and Barbara Hutcheson, now All-American forwards for the Sports Arena Blue. Charging up the field comes our hero, "Clip" Manus, who is playing "draw-back" for Notre Dame. A few more "sports" are James Herron and Charles Holt, champion pin-ball "titlers" of the year. Perfectly contented are Kenneth Womack and Ronald Wilson for they, after years of hard work and practice, have finally made the Varsity Chess Squad at Clemson. Still helping out her "not-so fortunate" friends, June Loach is continuing in her capacity as head usherette at the "hole-in-the-fence" entrance behind the Russell stadium.

There's just one more station on this machine so let's turn to it and see if we can pick up the rest of the seniors.

Why, yes, still old maids, Jackie Brownlee and Mildred Hemperley have adopted sixteen Tech boys to keep them company. Jane Carter and Lorraine Presley are still lonesome so they have opened a home for disheartened bachelors.

Since they couldn't get jobs as upstairs maids in the Kimball House with Barbara Ragsdale and Joyce Garrison, Louise Avery and Mary Driskell decided to join the Royal Mounties so they could "get their man."

There come Floyd Waits and Harry Holt, just returned from an expedition to "Lower-Slobbovia." To greet them are their old friends, Billy Underwood and Felix Cochran, who have just been caught by the "revenooer" for making moonshine in "them thar hills."

The renown artists, Betty Thompson and Toni Davis, are engaged in the largest job of their career—painting a gigantic "Hadacol" sign to be hung from the dome of the capital in Atlanta.

Leading authorities in food planning, Richard Rayner and Sidney Foster are testing food in the Russell cafeteria.

Finally working, Barbara Bell and Evelyn Bettis are selling "kiddie cars" in Sears' basement. Betty Willingham and Mark Kendall have started giving their expert advice in their new course—"How to be a Safe Driver."

Hal Homer is still trying to put across his "Theory of Boy and Girl," better known as "Wow."

Patsy Webb and Harriette Brogdon have gone into hibernation for awhile after a month's work growing "skonks" for an anti-perfume society.

R. C. Corley and Vara Matthews are married and have 12 All-American boys (they used "Cheaper by the Dozen" as an inspiration). "Papa" Corley took his kids to eat at Arthur's and who should he see but his old friends, Ed Trent and Richard Hill, now employed as car-hops.

Eugene Fitzgerald and Charles Green, still bums, are picking up cigar butts in the "Plaza Park."

Looks like Janice Godbee and Grace Waters are having loads of fun, leading pack burros in Grand Canyon.

The saddest case of all the class is poor James Harbin. He has gone completely crazy reminiscing about those two hit tunes of 1950—"The Thing" and "Goodnight, Irene."

Well, it looks as though that takes care of all of our seniors, but wait—here's the announcer with a word to say to us—"Seniors, this has been a preview of what you could be doing ten years from now, but if you don't like the future you've seen on this little machine, just remember that your future is what you make it—so work hard toward what you really want and I know that some day you will all find success at the foot of the rainbow.

# Christmas in

MRS. BROWN  
Music Director

On December 18, 1950, the quiet atmosphere of Russell was suddenly changed into a flashing Spanish Festival, filled with wide-eyed gypsies, dressed in vivid colors, daring pirates, and beautiful Spanish ladies. They had returned to celebrate their Christmas of old Spain with songs and laughter.

Before the gypsies were ready to celebrate their Christmas season, much work had to be done. This work began last summer when Mrs. Brown practiced with the music groups both day and night. Then when school started it was time for the entire student body to "lend a hand."

Under the artistic hands of Mrs. Mobley and the art department, the stage was turned into the gleaming forests of Granada, complete with mountains, streams and an old castle.

Mr. Edward and the boys in the woodshop built risers for the singers and the English department wrote the plot and dialogues. The speaking parts were directed by Mrs. Virginia Parker.

The Library staff did research on Spanish background and the coat of arms. Mr. Germano supplied the Spanish expressions and a lot of background for the plot.

Several band members, including Mr. Little, helped to add to the music by playing several instruments. Donald Stephens, a Russell alumnus, played the organ while a professional harpist accompanied with her beautiful golden instrument. A guitar, from a neighboring school, two pianos, and an array of castanets, crickets and tamborines completed the music ensemble.

Even the physical education department helped in the production of the operetta. The teachers worked diligently with the girls to perfect several dances.

## **ATLANTA DIVISION, UNIVERSITY OF GEORGIA *congratulates the GRADUATES of 1951!***

In addition to the regular degree programs of Bachelor of Business Administration, and B. S. in Nursing Education, with three years toward any degree in Arts and Sciences, or Education, we now offer several military programs in which you can continue your education:

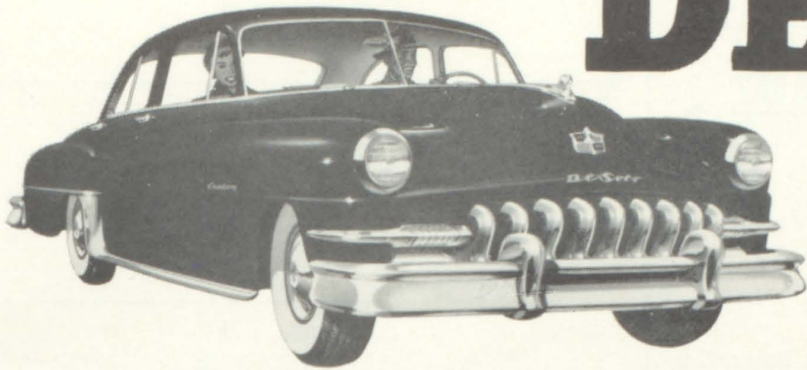

U. S. Army Transportation ROTC  
Reserve Officer Candidate Program for  
Naval Aid Cadets  
U. S. Marine Platoon Leaders Training  
Class

The Atlanta Division, a part of The University of Georgia, receives the same recognition in scholastic fields as The University of Georgia.

Day or evening classes are provided for your convenience in this downtown \$5,000,000 college plant where last year more than 9000 students enrolled.

### LOOKING BACK

*As we walk down these familiar steps  
And look back one more time,  
A thousand fleeting memories  
Crowd into our mind.*

*We see our dear old Russell  
Staunch against the sky,  
We hear the "Alma Mater"  
And a tear comes to the eye.*

*We think back over the years we've spent  
'Tween Russell's well-loved walls,  
The fun we've had; the friends we've made  
And the chatter in the halls.*

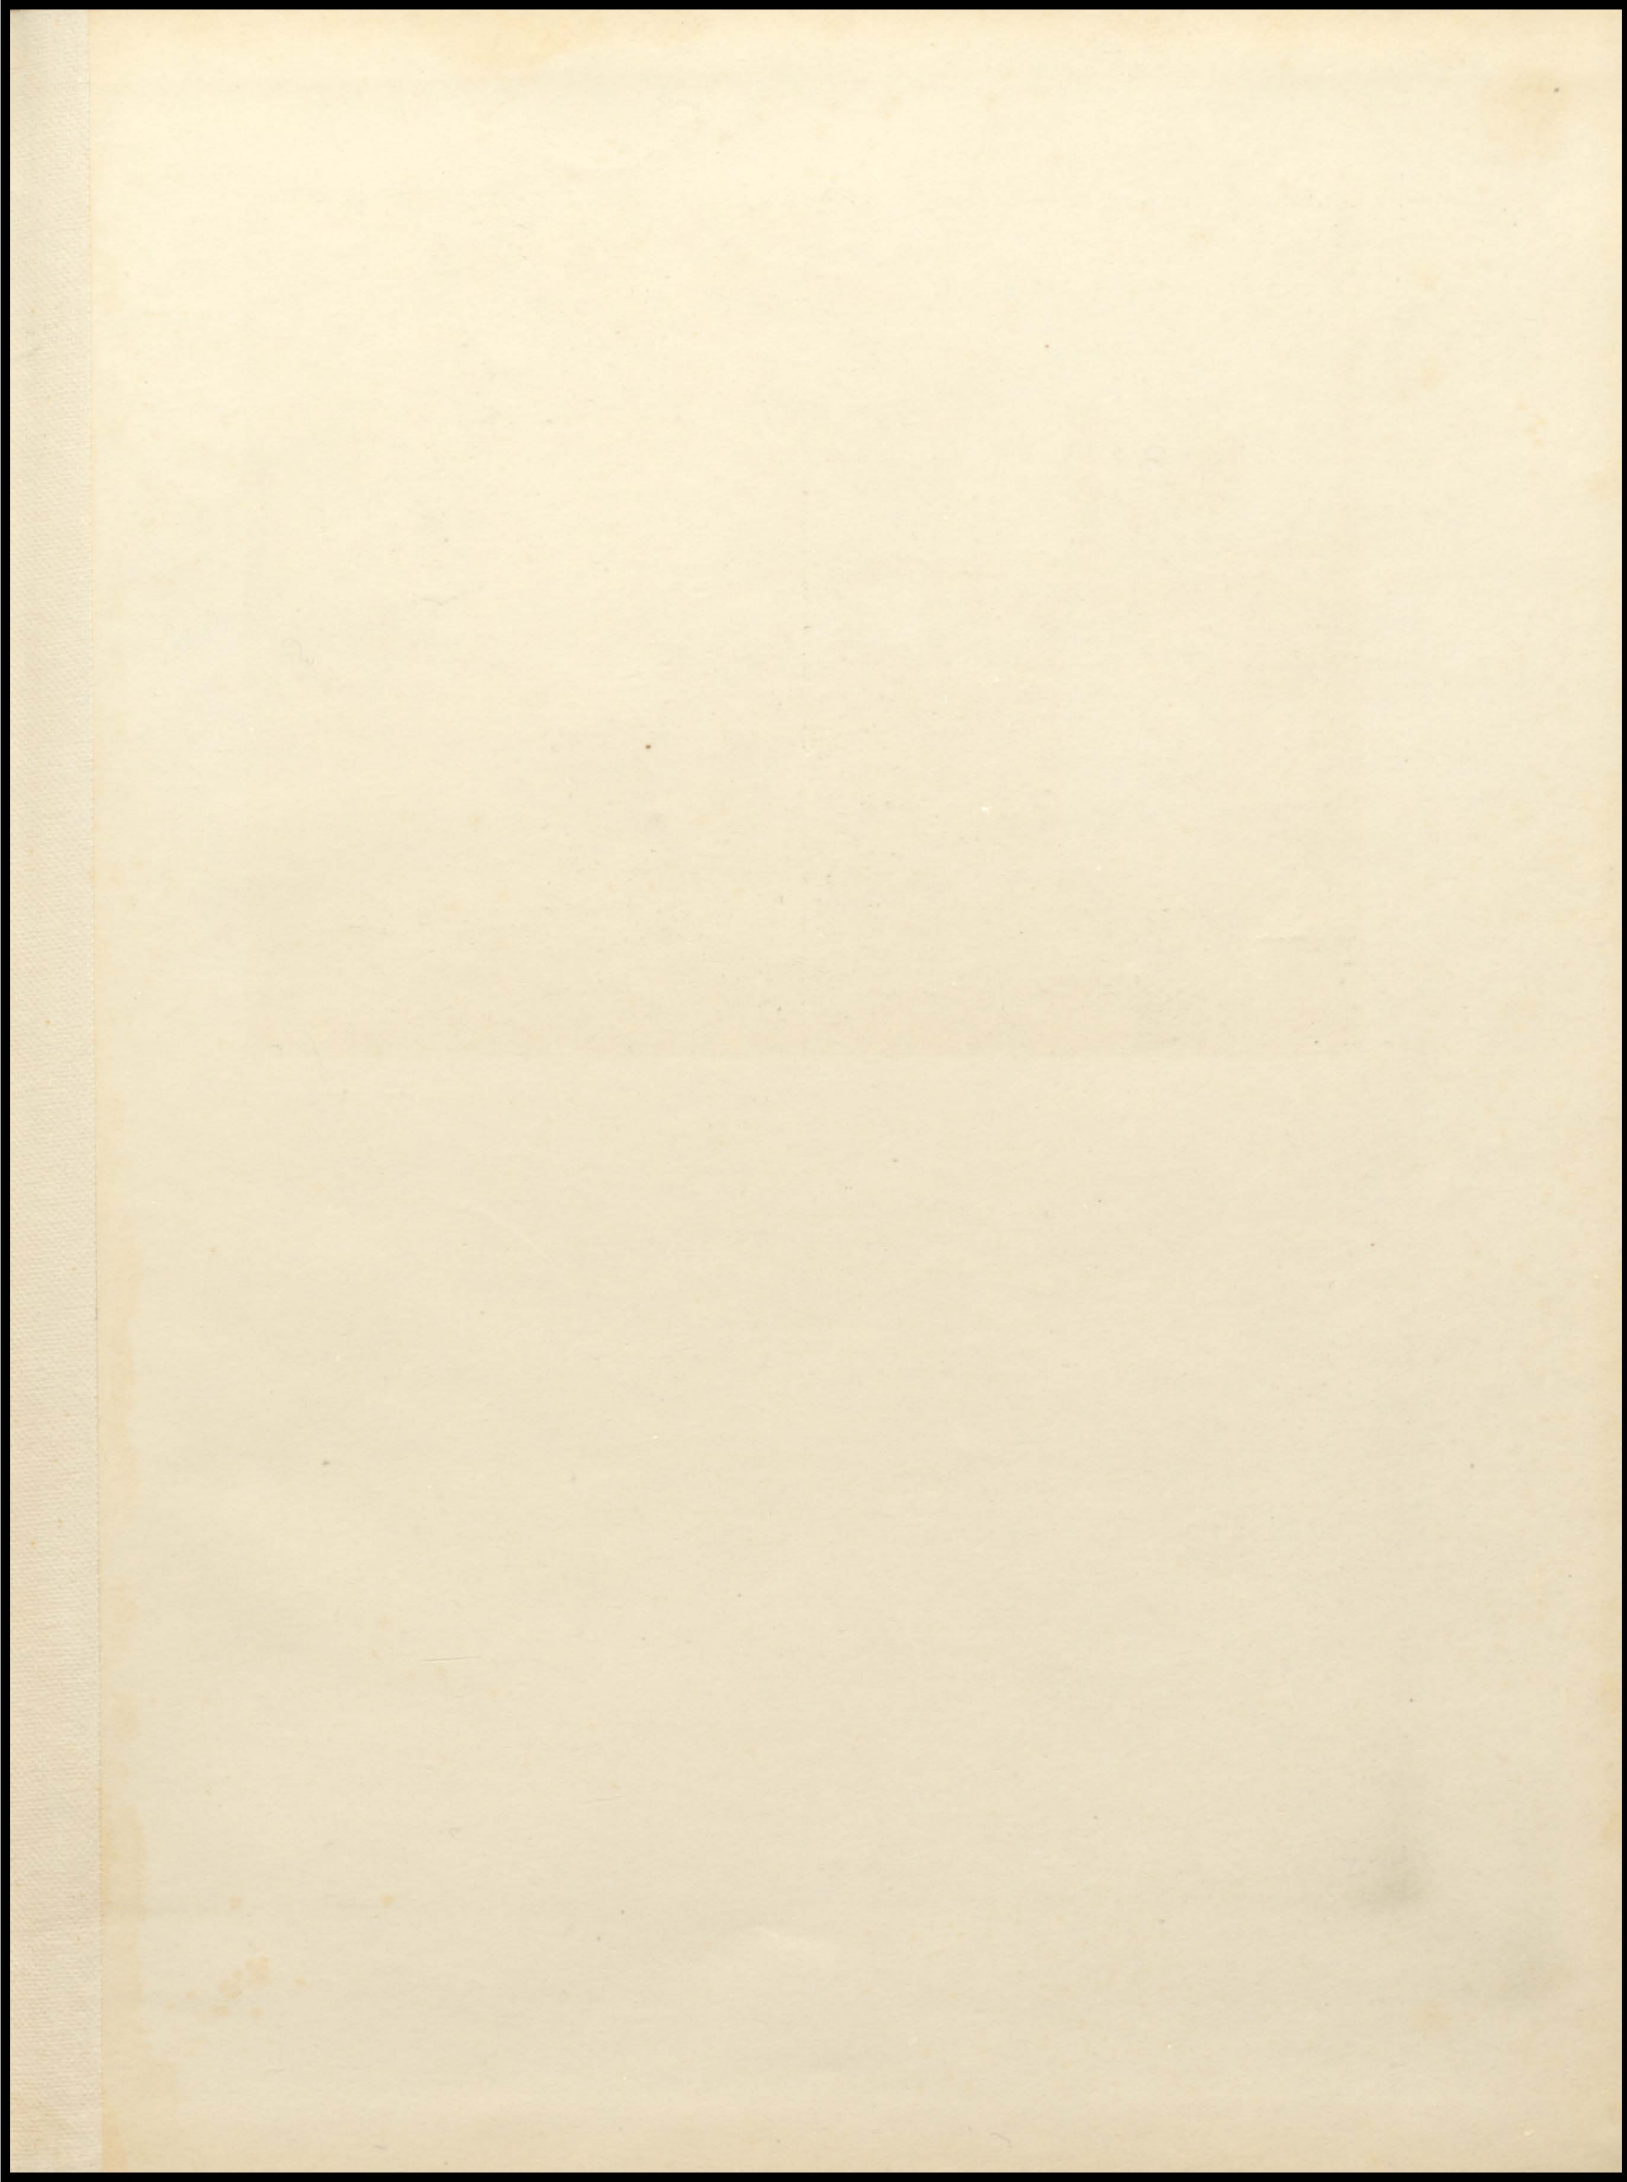

*The day has come when we shall leave  
(And though we say we're glad)  
We find how much we love our school  
And the parting is somehow sad.*

*"Every memory we will cherish"  
Though now we say farewell  
But we'll come back, again and again  
For it's here our hearts will dwell.*

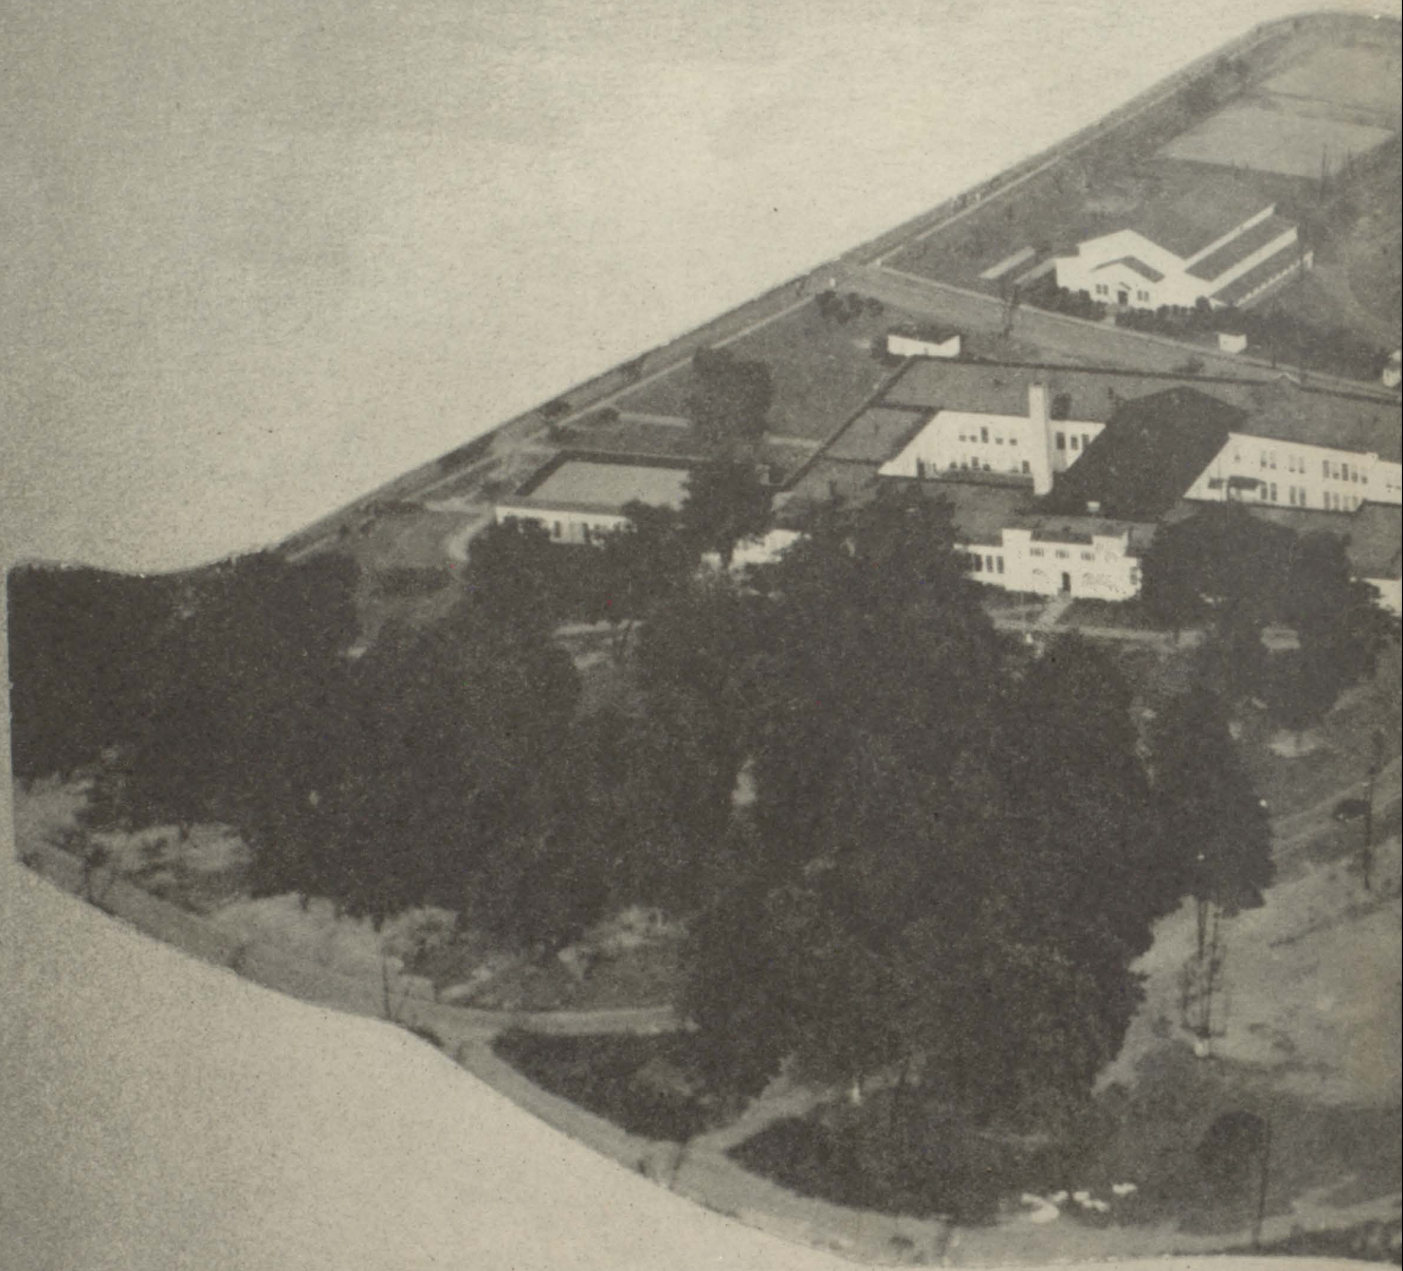

*"Russell, Russell dear old Russell  
We shall ever be  
Proud to claim our Alma Mater  
Russell hail to thee!"*
