... Then, just past the curve, there's our school.

(No, not to Douglasville) ... You'll pass a white Baptist church on the left, then a Methodist ... Turn left there on Union Road (Yes, it's paved.)

Ceremony, Open House Draws Large Crowd

Westwood High School, which opened its doors to students for the first time in September, 1969, was opened for a special ceremony Sunday, the dedication of Fulton County's newest high school.

What's That Round Thing?

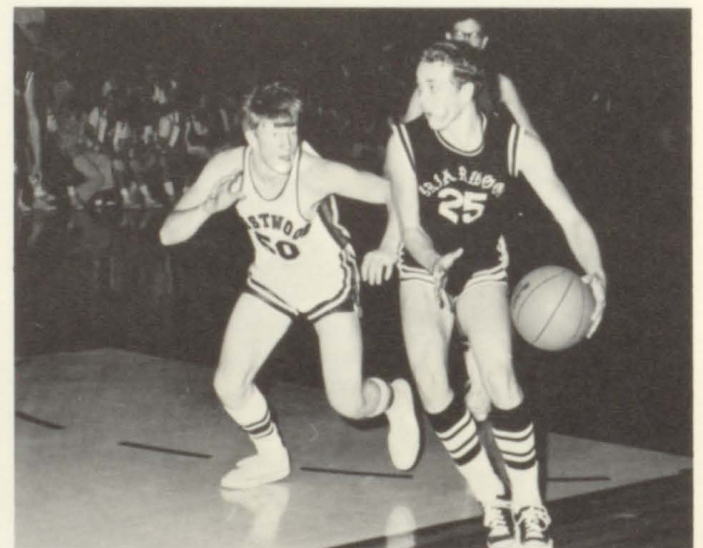

A sculpture patio - you know for art ... Yeah, we think it's big too ... The gym?

Go through the cafeteria and then the locker rooms ... You'll see people on ladders - they're always around.

Have Ya'll Got A Football Team?

Of course! ... We did pretty good considering we're new ... Sure they came - I've never seen so many people at a Junior Varsity game before.

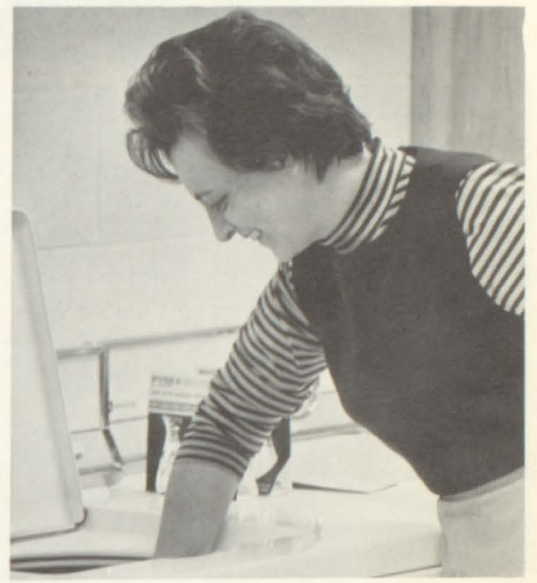

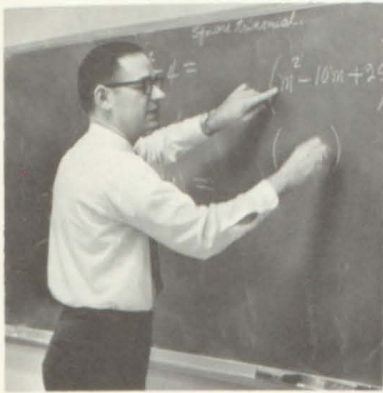

Are The People Friendly?

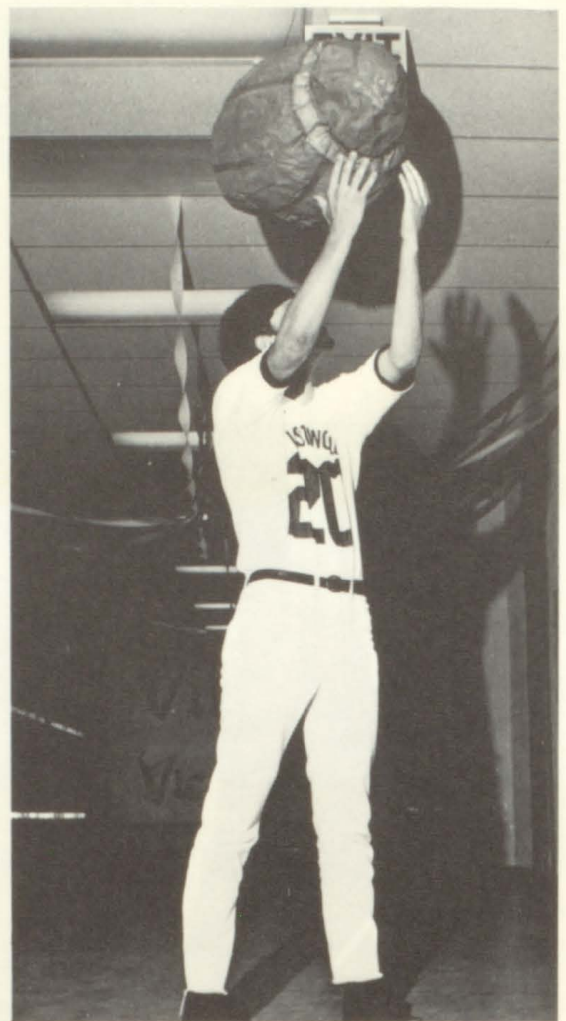

Hey! Aren't you new? ... Thought I hadn't seen you around before ... What's your schedule? ... Oh, well see if you can get English third.

What Are The Teachers Like?

Most of 'em are young and friendly ... Mr. Lewis? - He even kids around with us ...

Oh, ... I guess we did pretty good after all ...

We surprised everybody this year ... Just wait 'til we're Varsity ... If it hadn't been for Ridgeview we would have a terrific record!

A Yearbook?

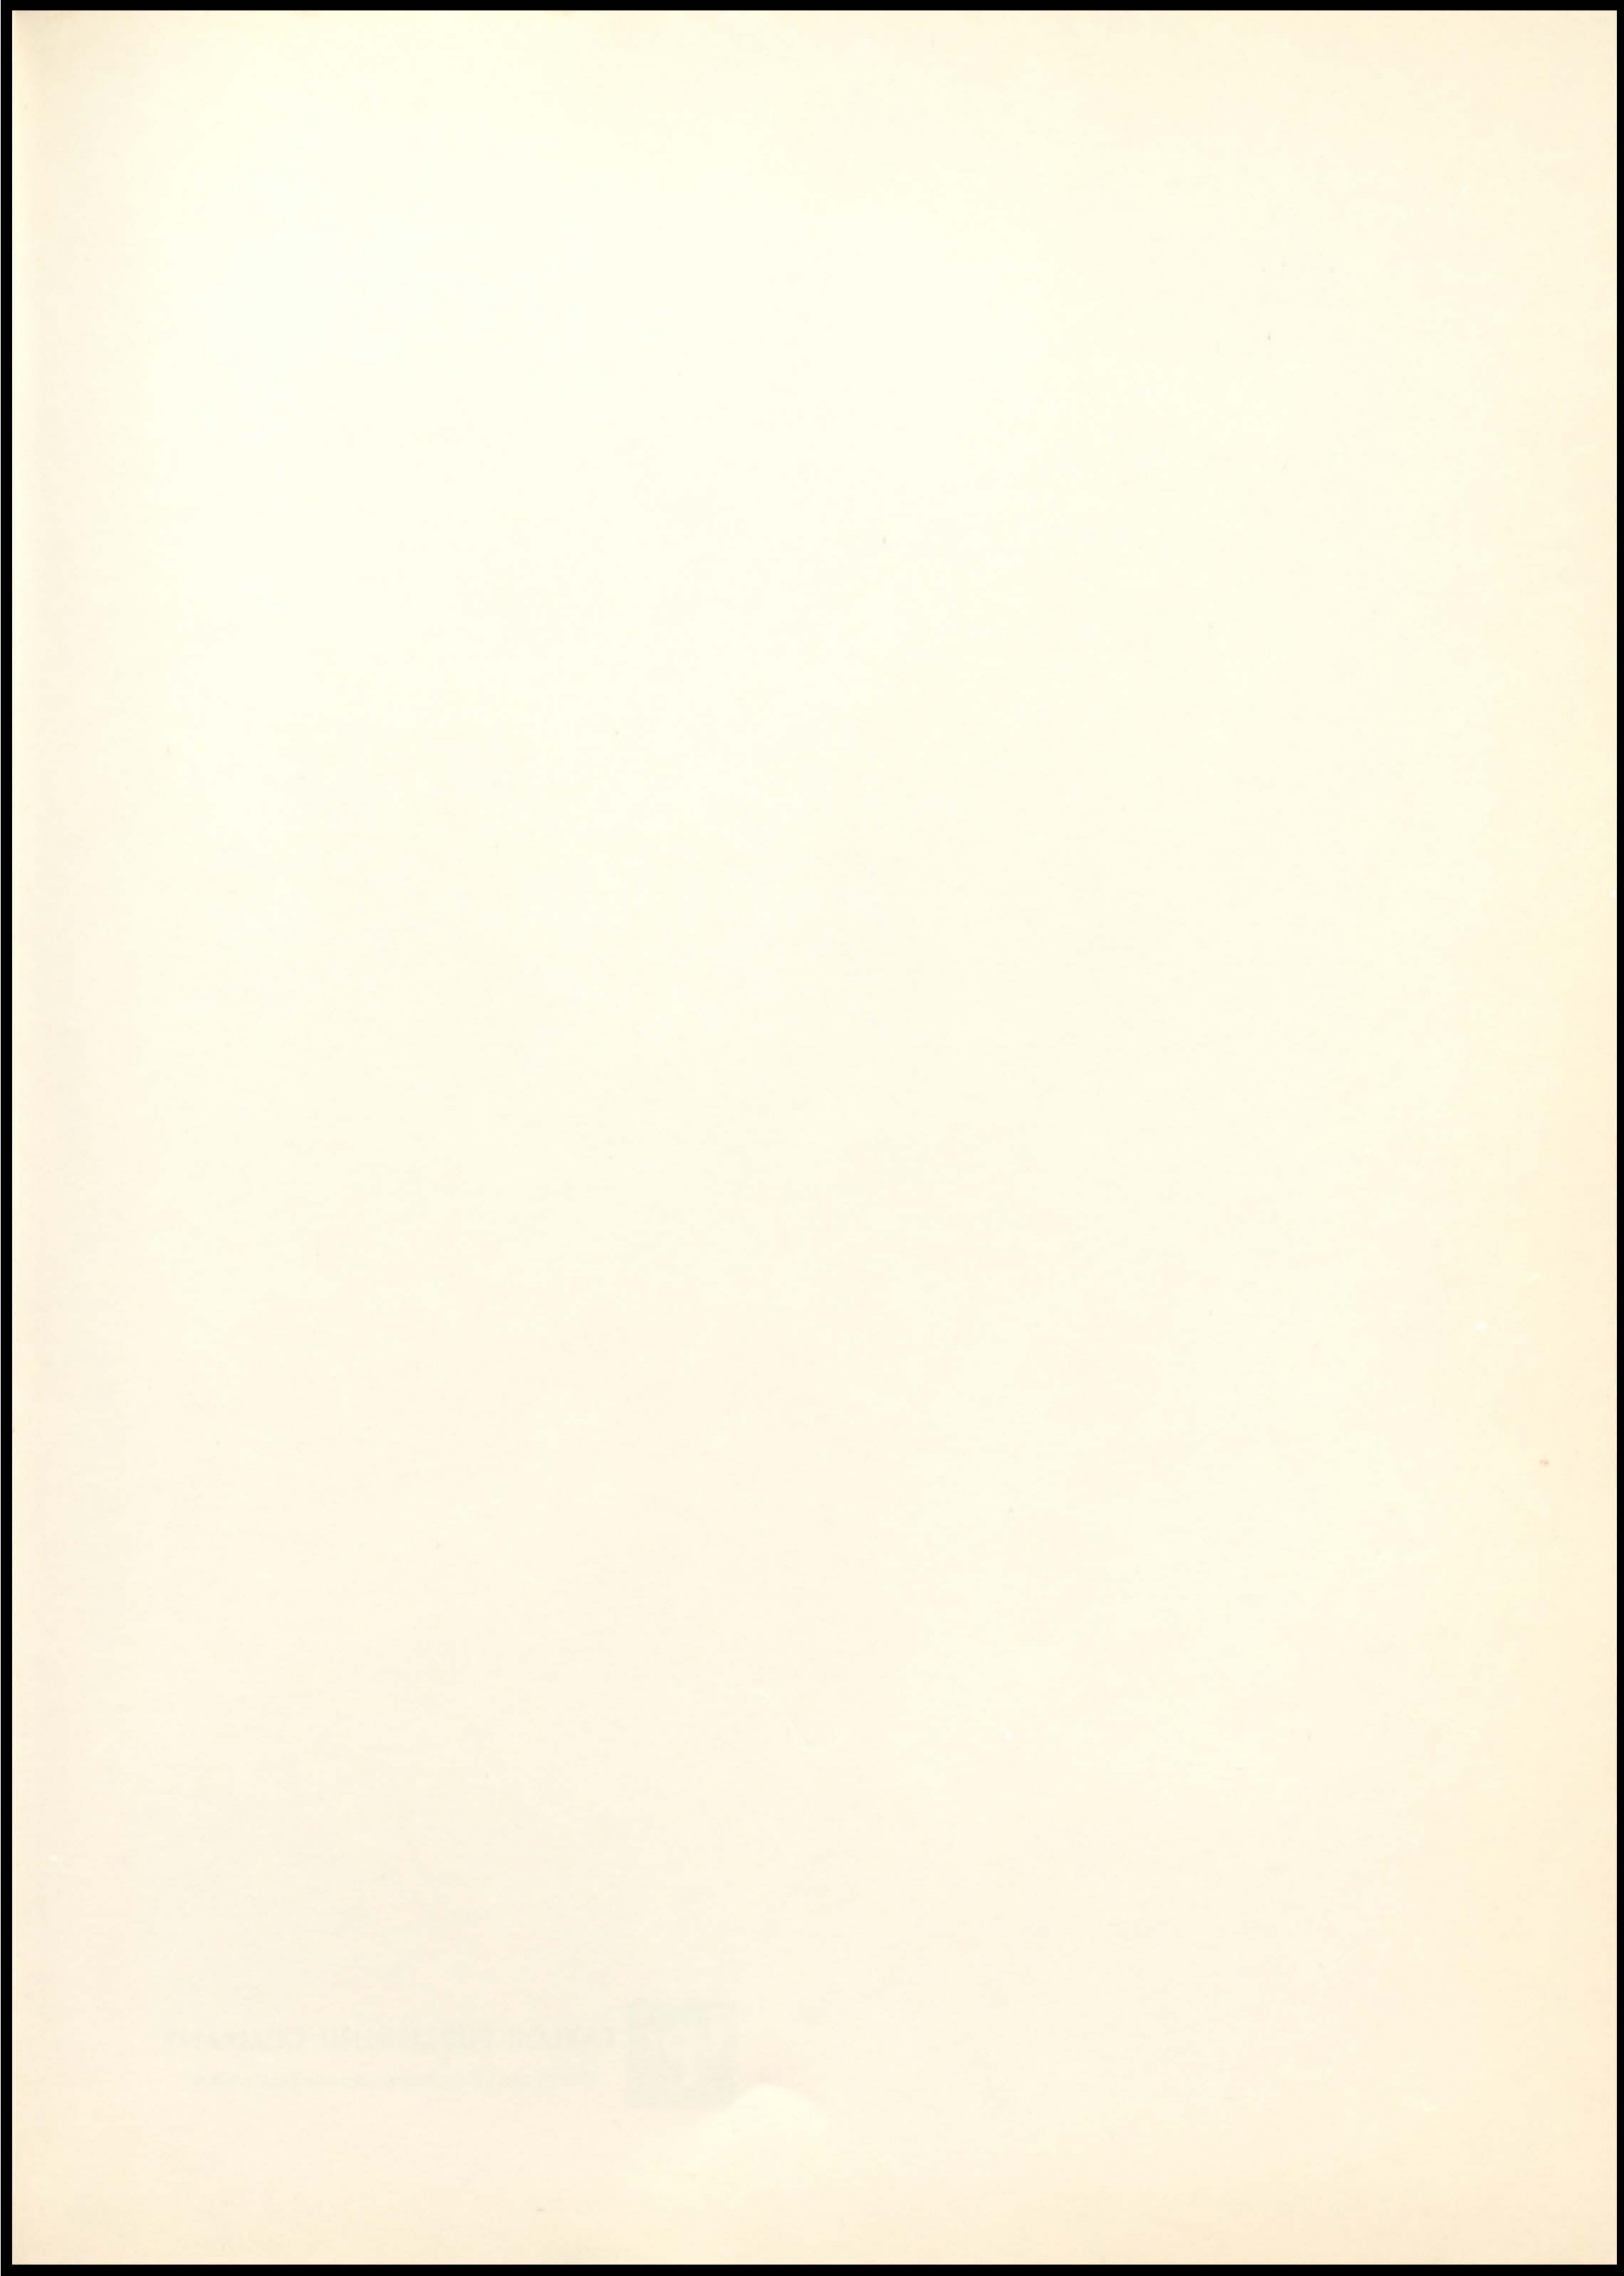

A yearbook is PICTURES - Not enough ... too posed ... COPY - Are you sure that's what he said? ... LAYOUTS - Use mosaic-put white space outside ... CROPPING - If I shrink it one way, won't it get bigger the other? ... CORRECTIONS - But Mrs. Fix, do I have to do it again? ... TRANSFERS - Why didn't you tell me three pieces of carbon smeared?! Our first try ... what an experience! It'll be even better next year.
