ARIES

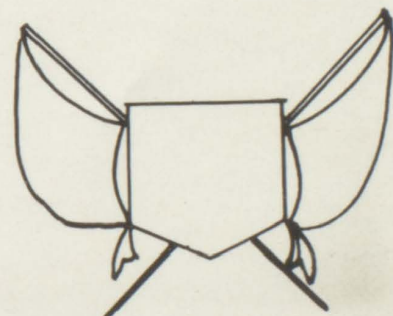

"Hail to thee, our Alma Mater"—thus College Park High is saluted by her school song. As the years go by, these words will remain dear to our hearts, and their melody will linger on our lips. Through them, we will remember the happiness and heartaches of our fleeting high school days.

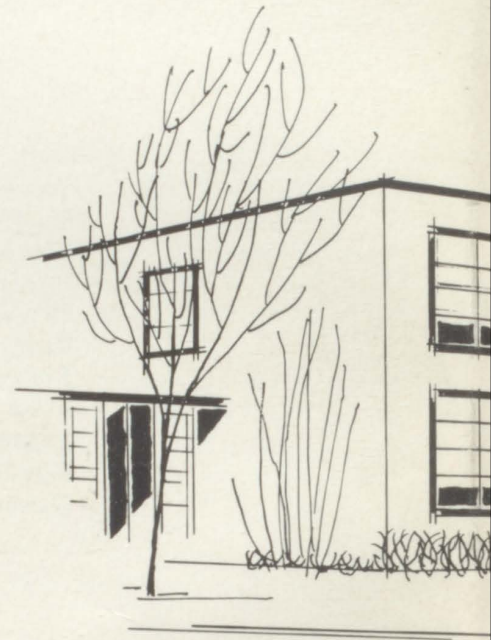

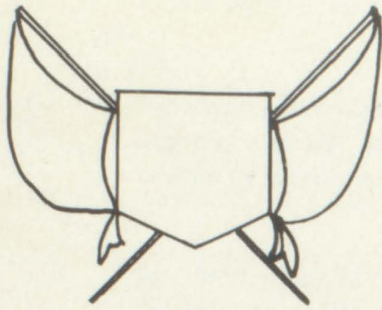

Looking forward, we will be led on by the inspiration and knowledge received here at C. P. H. S. Our Alma Mater will be forever honored as her alumni follow their separate roads in life and strive to obtain their cherished goals.

We hope that this ARIES will serve as a reminder of our school and school song. When read in the years to come, this book will bring pleasant memories of days gone by.
