During the year students find many ways to celebrate. Activities such as pep rallies and bon fires help to boost spirit in each individual. The eagerly awaited football season is opened with cheerleaders yelling for the "Mighty Rams"; in addition, the band and supporting auxiliaries supply an unforgettable halftime show. Homecoming is one of the main highlights of the high school year as well as being the most spectacular event of the football season.

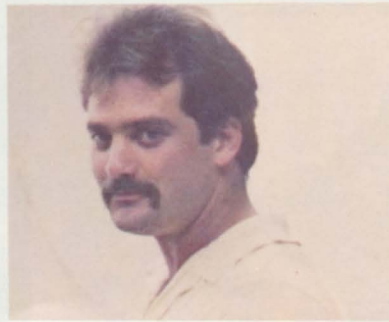

As fall approaches, basketball gets underway with the fans cheering their team to victory. The gym is transformed into a mass of screaming people and skillful players competing to win.

Winter time brings the Christmas spirit into each student. Santa Express allows friends and sweethearts to show their Christmas spirit to one another. Teachers become a little lax on this and allow singing grams to be sung and candy grams to be eaten. Students have a tendency to become slack in their work and somewhat disorderly as Winter Break approaches. A New Year will be celebrated during the break.

The New Year brings with it another set of activities. Juniors sponsor the Queen of Clubs as a fund-raiser for the prom. Representatives from each club are chosen and practices begin. The girls learn poise and charm. The girl who best practices out these two qualities is selected as Miss Queen of Clubs.

Spring arrives, and dates have been chosen for the prom. The girls spend hours getting ready while the guys pick up their tuxedos and buy corsages. The couple become anxious as the parents take too many pictures. Slow songs set the mood for the night, and the aroma of the food fills the room. Couples stay close to each other and think of how perfect the night is. The Senior Walk begins, and soon after, everyone leaves to eat dinner at a romantic restaurant. Memories of this night will last a lifetime.

The biggest celebration finally arrives. School books are put away, the halls are walked for the last time, and memories are locked into the minds of each graduate. Caps and gowns have been fitted, and the ceremony begins. The girls become teary-eyed while the guys keep their emotions to themselves. Each graduate is happy and proud that this day has come at last; but there creeps into each one a sadness because this ceremony marks the end of high school buddies, class sweethearts, and teachers who have become friends during the past five years. The diplomas are given, and the tassels are lifted onto the other side of the caps. The after graduation parties will soon begin. Carefree and happy days have come to a close, and the "real world" is waiting.

Dedication

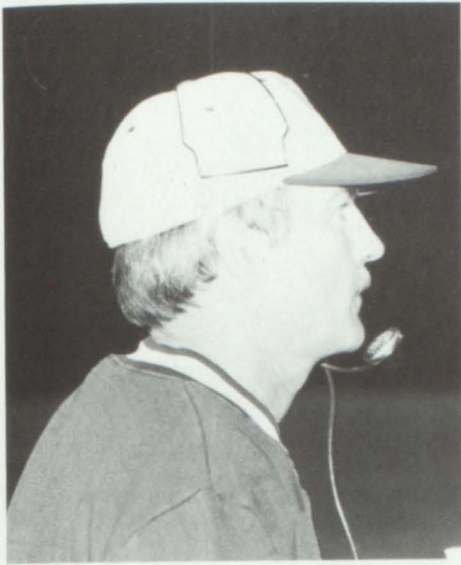

Mr. Richard Evarts

A teacher at College Park High School since 1961, Mr. Richard Evarts, has truly been dedicated both to his job and to his students. Arriving at school each morning at 7:30 a.m., he helps his students in any way he can. Every Friday night we hear his voice during halftime proudly introducing the band and other performers. As far as true dedication, Mr. Evarts is very deserving of this great honor. He is the conductor of the orchestra and he also performs with the community orchestra. Many hours of his time are put into his school work; not only does he do a great job with the orchestra, but he also helps out with the band in any way he can.

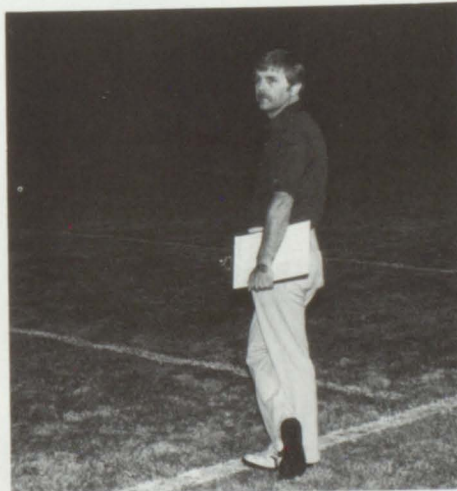

To you Mr. Richard Evarts, we proudly dedicate our 1984-85 Aries.

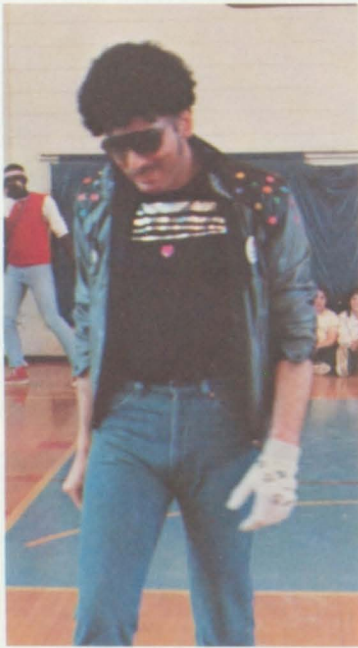

*There's a party going on
right here
a celebration
to last throughout the year
so bring your good times
and your laughter too
we're gonna celebrate
and party with you*

Last but not least to Carla Ross all the desire of success in the future and you will not forget me.

I Noelle Tracey, being of blonde hair and unsound body leave these things to the following people. To Candice Ausborn the ability to get out of bed and graduate within the next decade. To Heather Rainey the best of luck with Jimmy and surviving the next 2 years at C.P. To Amber Diprima the luck to find a decent guy and to graduate in the year of 1986. To Ronnie Young I give the strength to come back to C.P. and the undying friendship we share. To Michelle MacArthur the best wishes and thank you for everything you've done for me! To Billy Pace, hope you find another hugging buddy, and to C.P. I leave willingly.

I Elonda Varner leave my soul mind and body with CPHS. I leave Karmeta Varner my good looks and I leave Wendy Arnold my good grades. I thank my mother for what I am today. And to College Park I leave.

I Joycelyn Williams being of demented, not yet smart enough mind and too short, not yet thing enough body leave the following people the following things. To Ms. Elizabeth I Sweezy I leave a whole new class of "bozos" and "bozoettes". To Song Yon and Young Mi, I leave the ability to get along with wonderful Mr. Johnson. To Mr. Johnson I leave an immensely large, eager for knowledge Physics class with a student whose writing was as intensely visible as mine. To Mr. Hudson and Mr. "Juanna" Robinson I leave a big thanks. You guys have been really nice to me. To Chris Dodson, I leave the evenings in the library, the ability to tell jokes as clean

" BEAT IT "

MICHAEL JACKSON

As we progressed through another year of sports, we hit many high and low notes. We shared the fun, experience, and maturity with our fiends, teammates, and classmates. Although our high hopes of a great year did not crescendo to their highest climax, our RAM warriors struggled through the rugged competitiveness handed to them by the opposition. As our sthletes pressed on and faced new challenges, they gained the experience of competition through the changing beat of fate. Though not always victorious, our Rams deserve a "BRAVO" for their performances.

Coach Ken Ross

Your constant devotion and true dedication to College Park High School for the past 23 years is greatly appreciated. As a coach and teacher, you have enlightened many students with your knowledge and helped them in numerous ways. Your individual attention has made the difference in many students' lives. Working with student athletes, you have an oppotimistic outlook and a generous amount of patience. We, the students of College Park High, thank you for your outstanding leadership and understanding friendship—on and off campus—throughout your years here at College Park. We hope you continue to excel at helping young individuals set their own stepping stones towards career and future life goals.

We are very proud of our 8th GRADE BASKETBALL TEAM which had an undefeated season this year. They were also the first team in College Park's history to score 92 points. We hope that this young team will continue to mature, grow together, and prove to be a successful and victorious team in the future.

The year has come to an end, and the yearbook is completed. Although we thought that we would never meet each deadline, we did—through everyone's hard work and Mrs. Graham's support.

We appreciate each member's contribution to this annual. You all did an outstanding job, and we enjoyed working with you.

*We have
arrived . . .
We are the
class of
"85"*

Don't be dismayed at goodbyes,
 A farewell is necessary before we can meet
 again.
 And meeting again, after moments of
 lifetimes,
 Is certain for those who are friends.

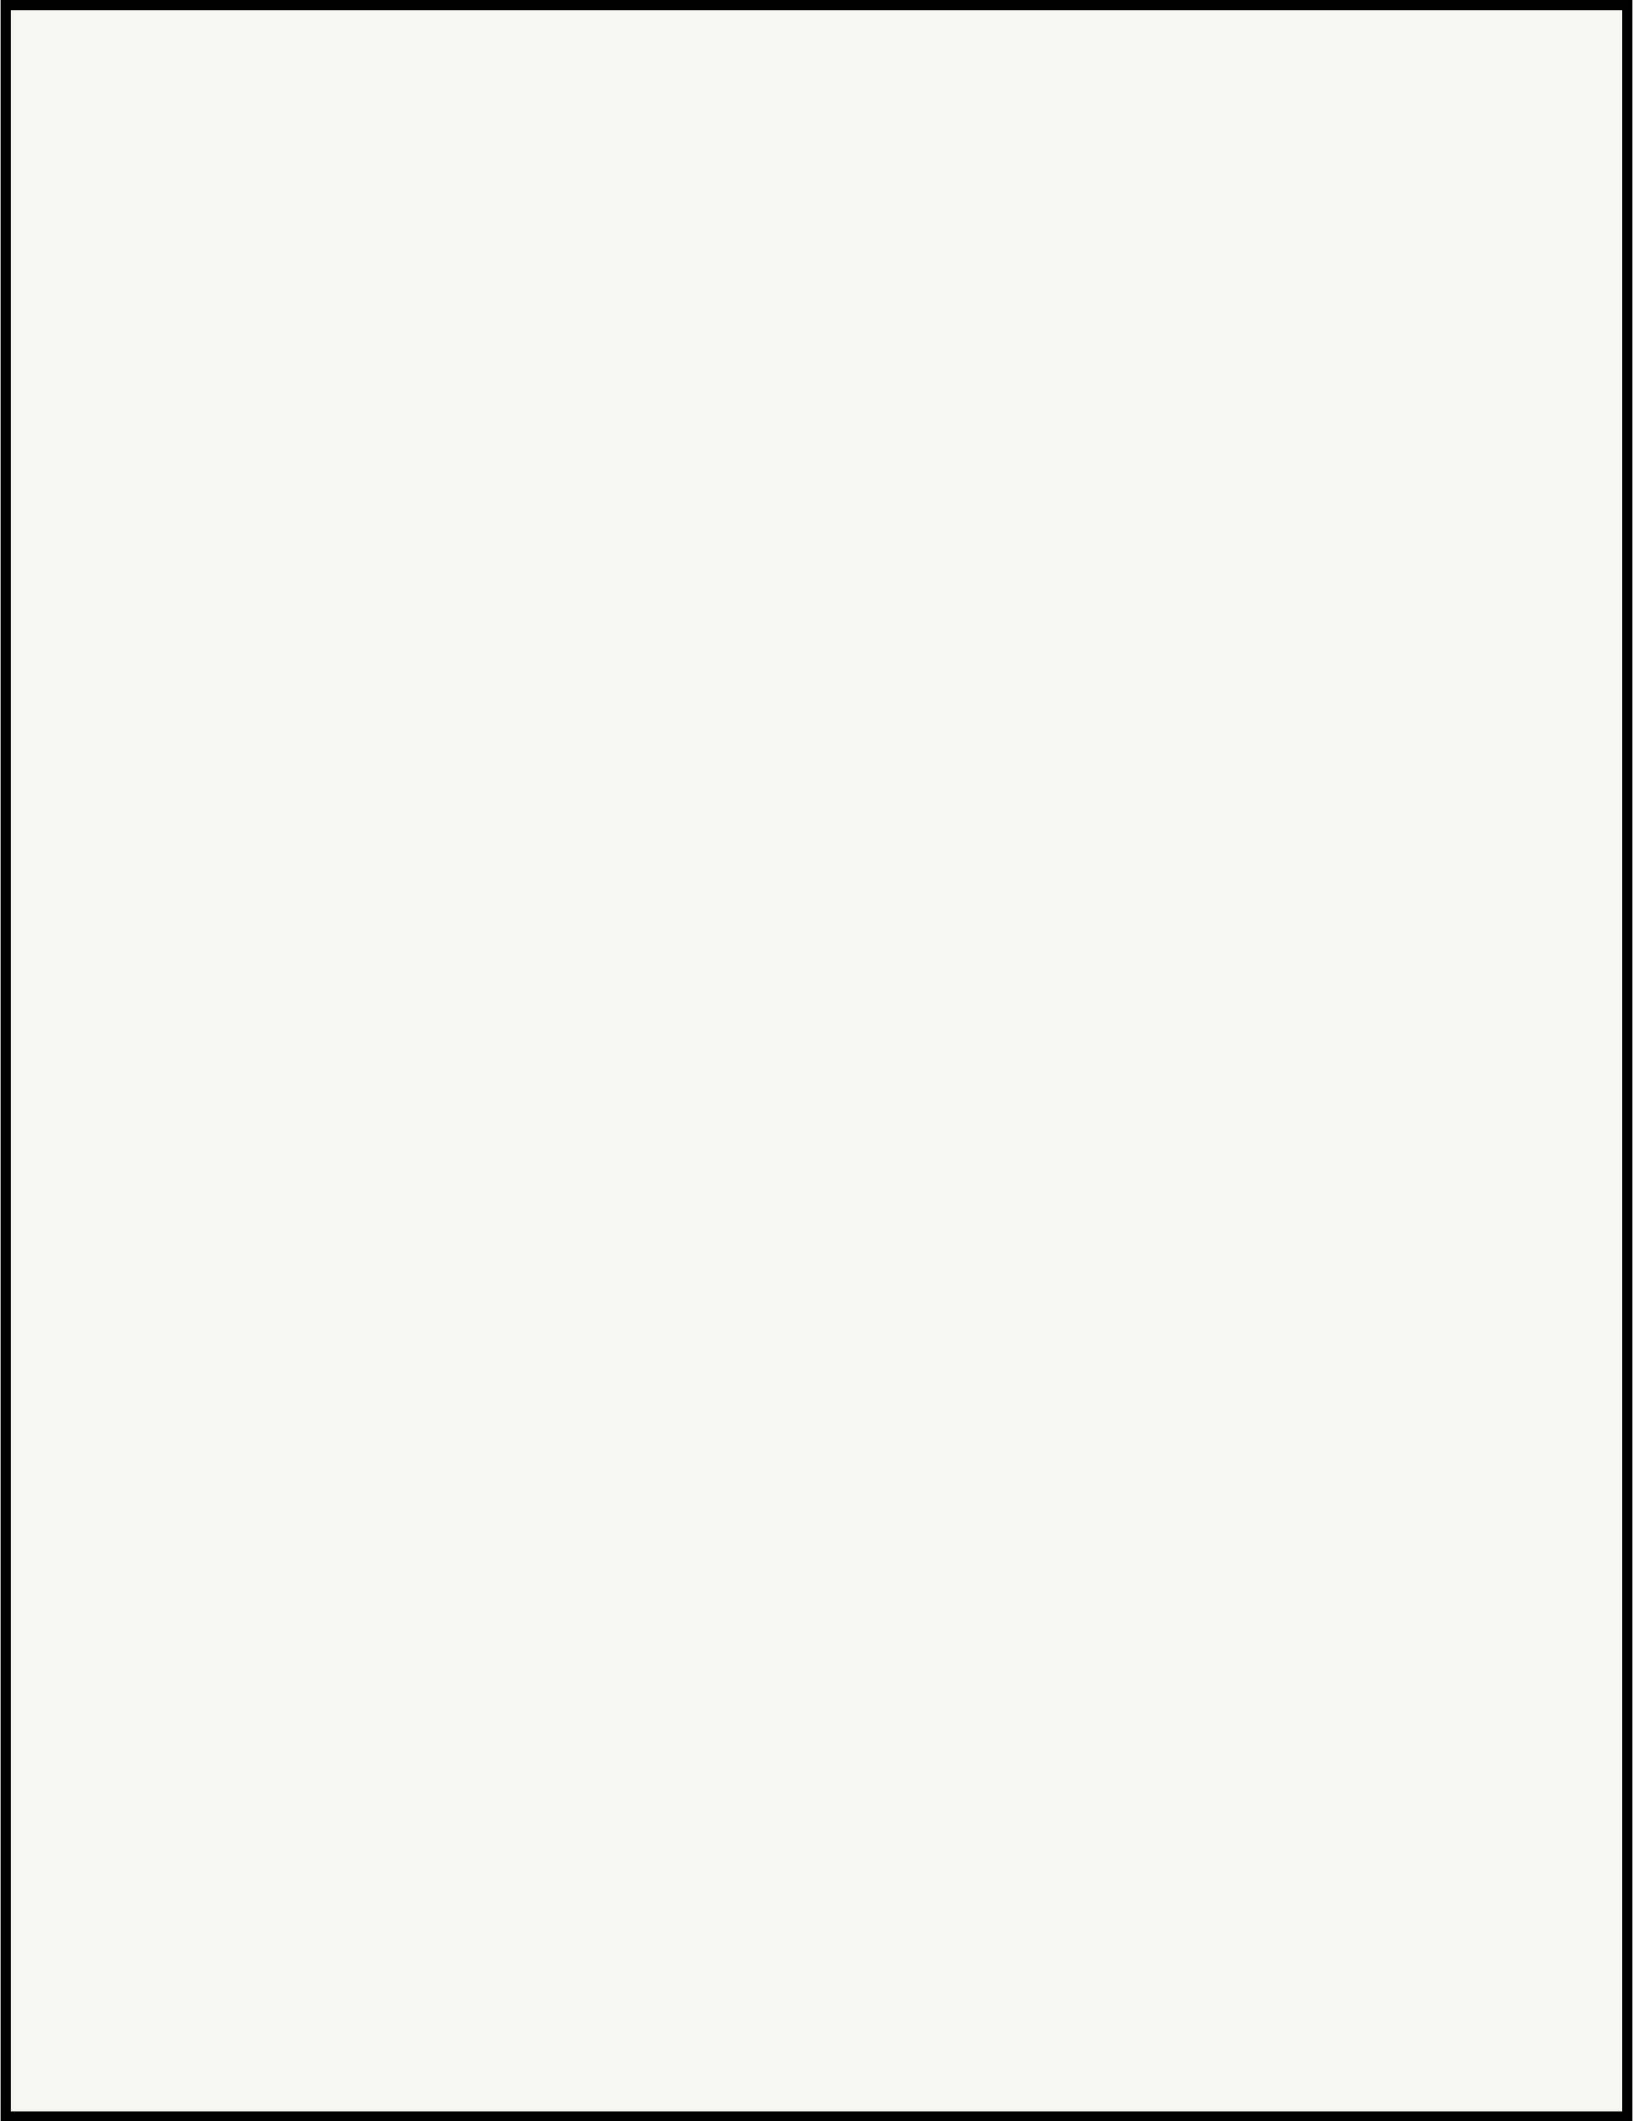

The Aries Staff would like to thank those special individuals who made this yearbook possible: Mrs. Jane Graham for her dedication and her endless "running around" for annual business; Herff Jones for publishing this yearbook; and Bill Kellam for his professional photography. We would also like to thank Bennigan's and Capitol Airport Inn for allowing pictures to be taken at their place of business.

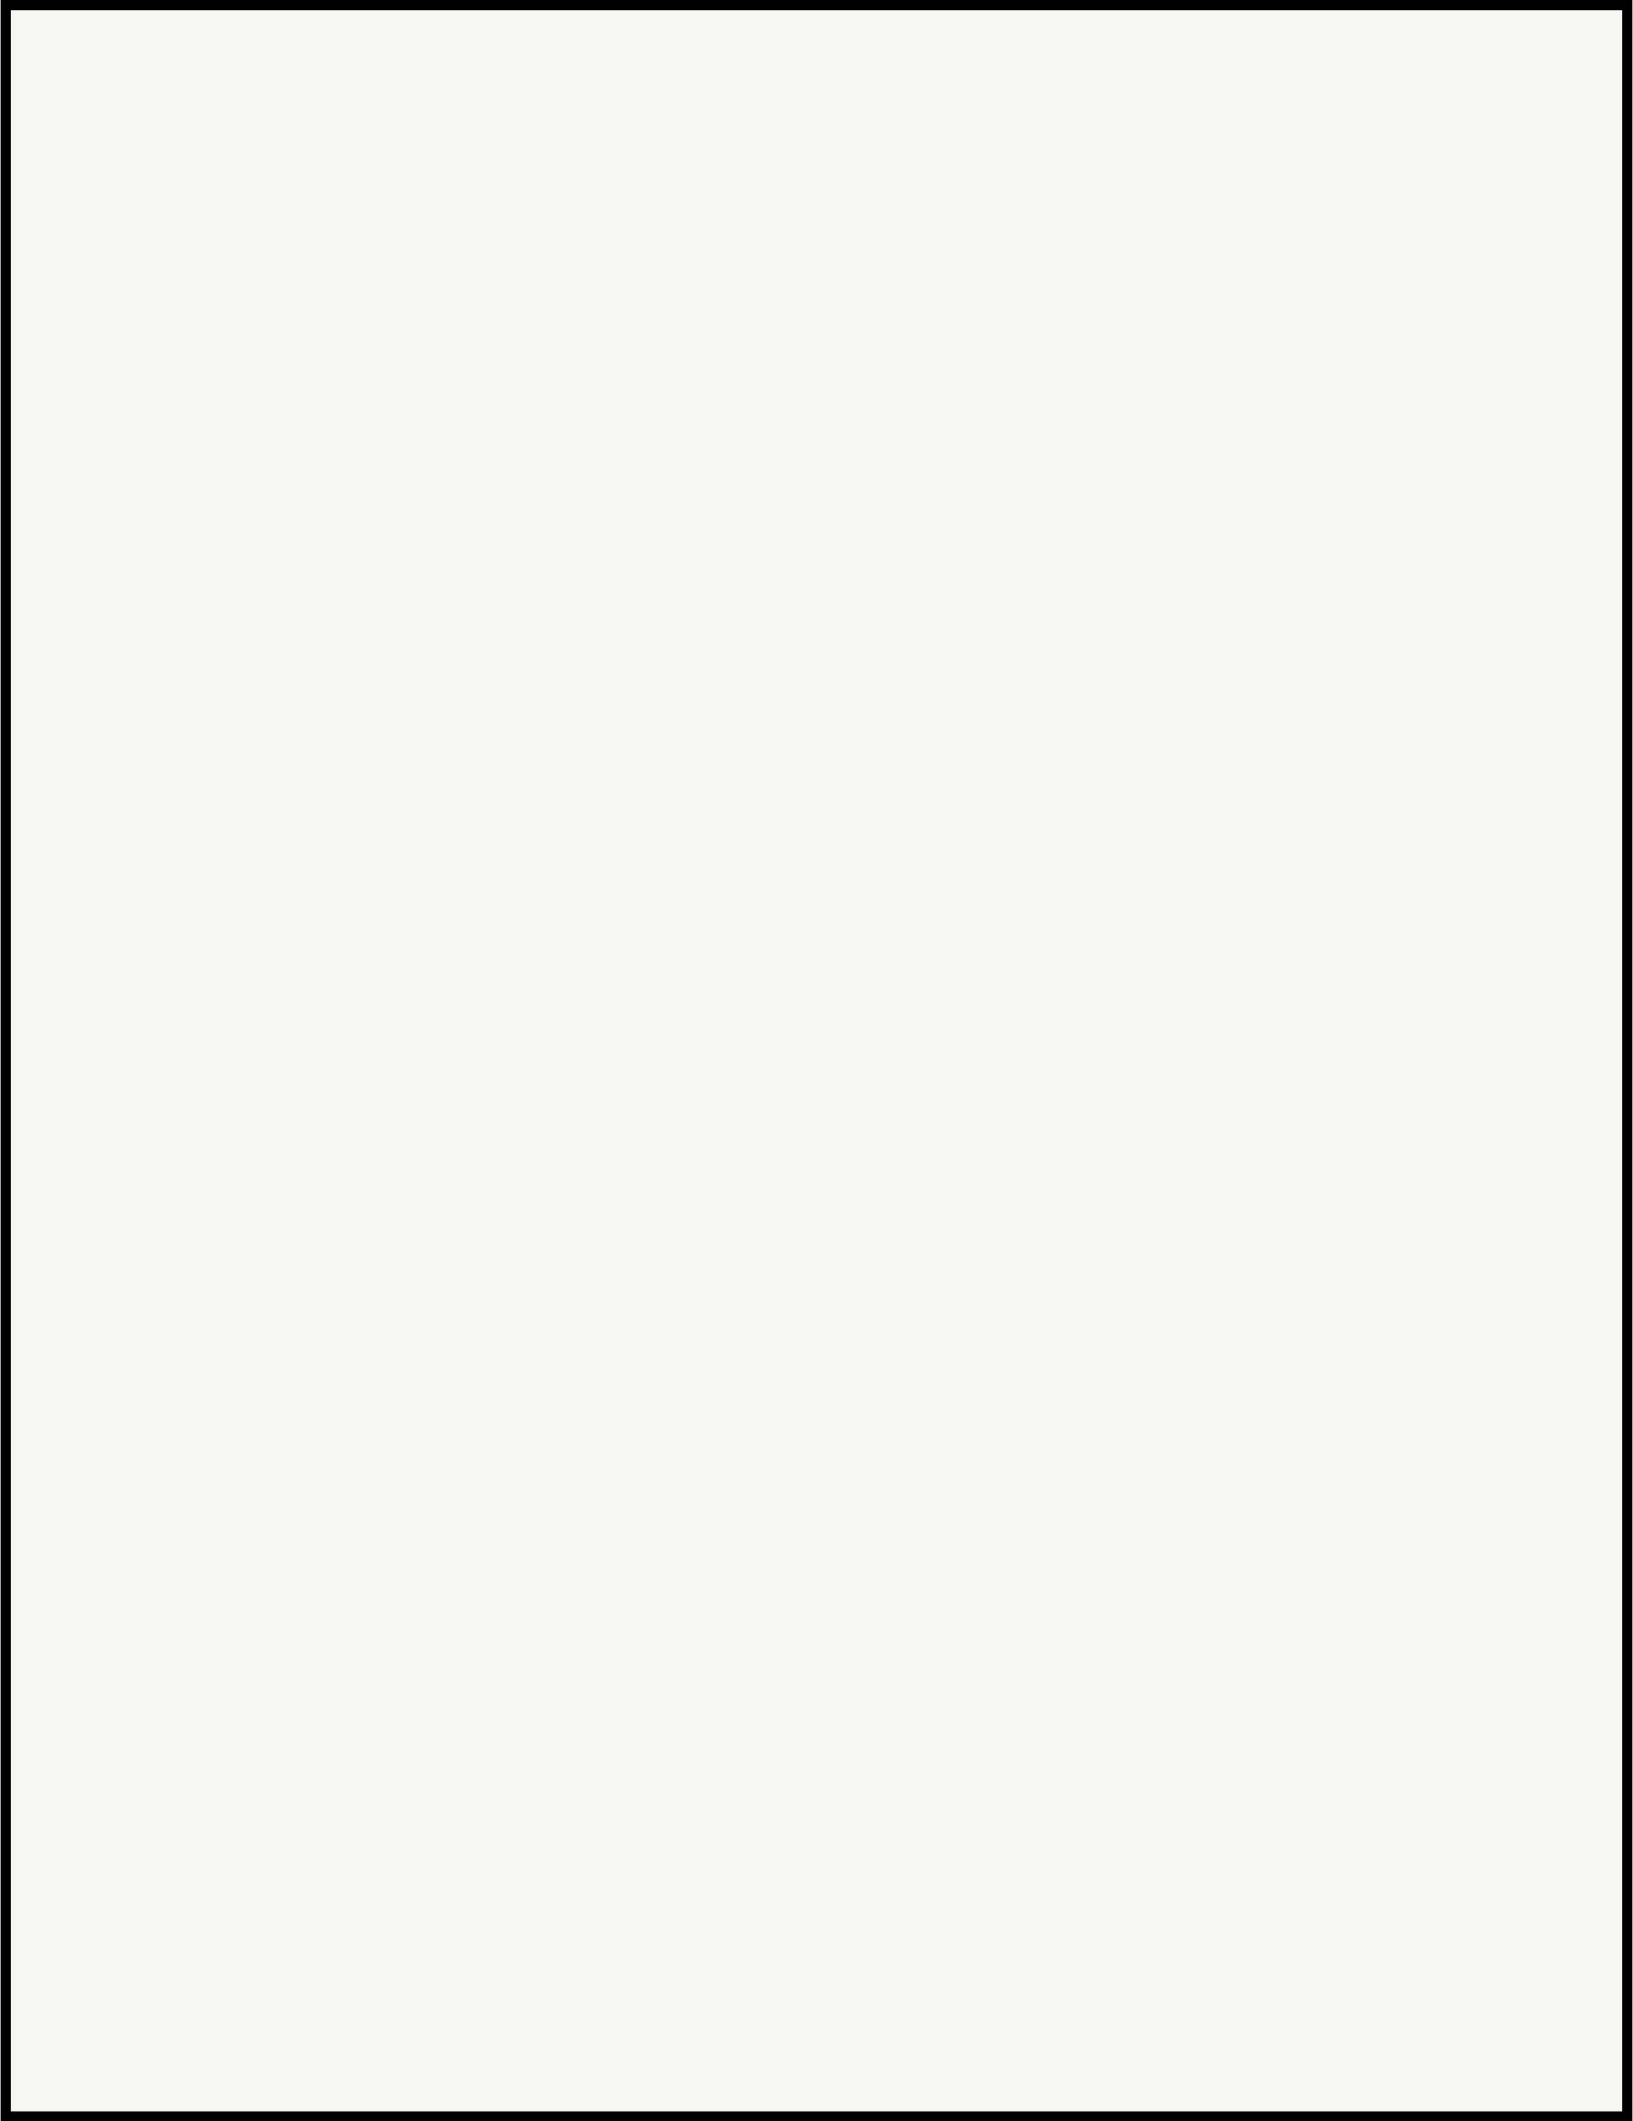

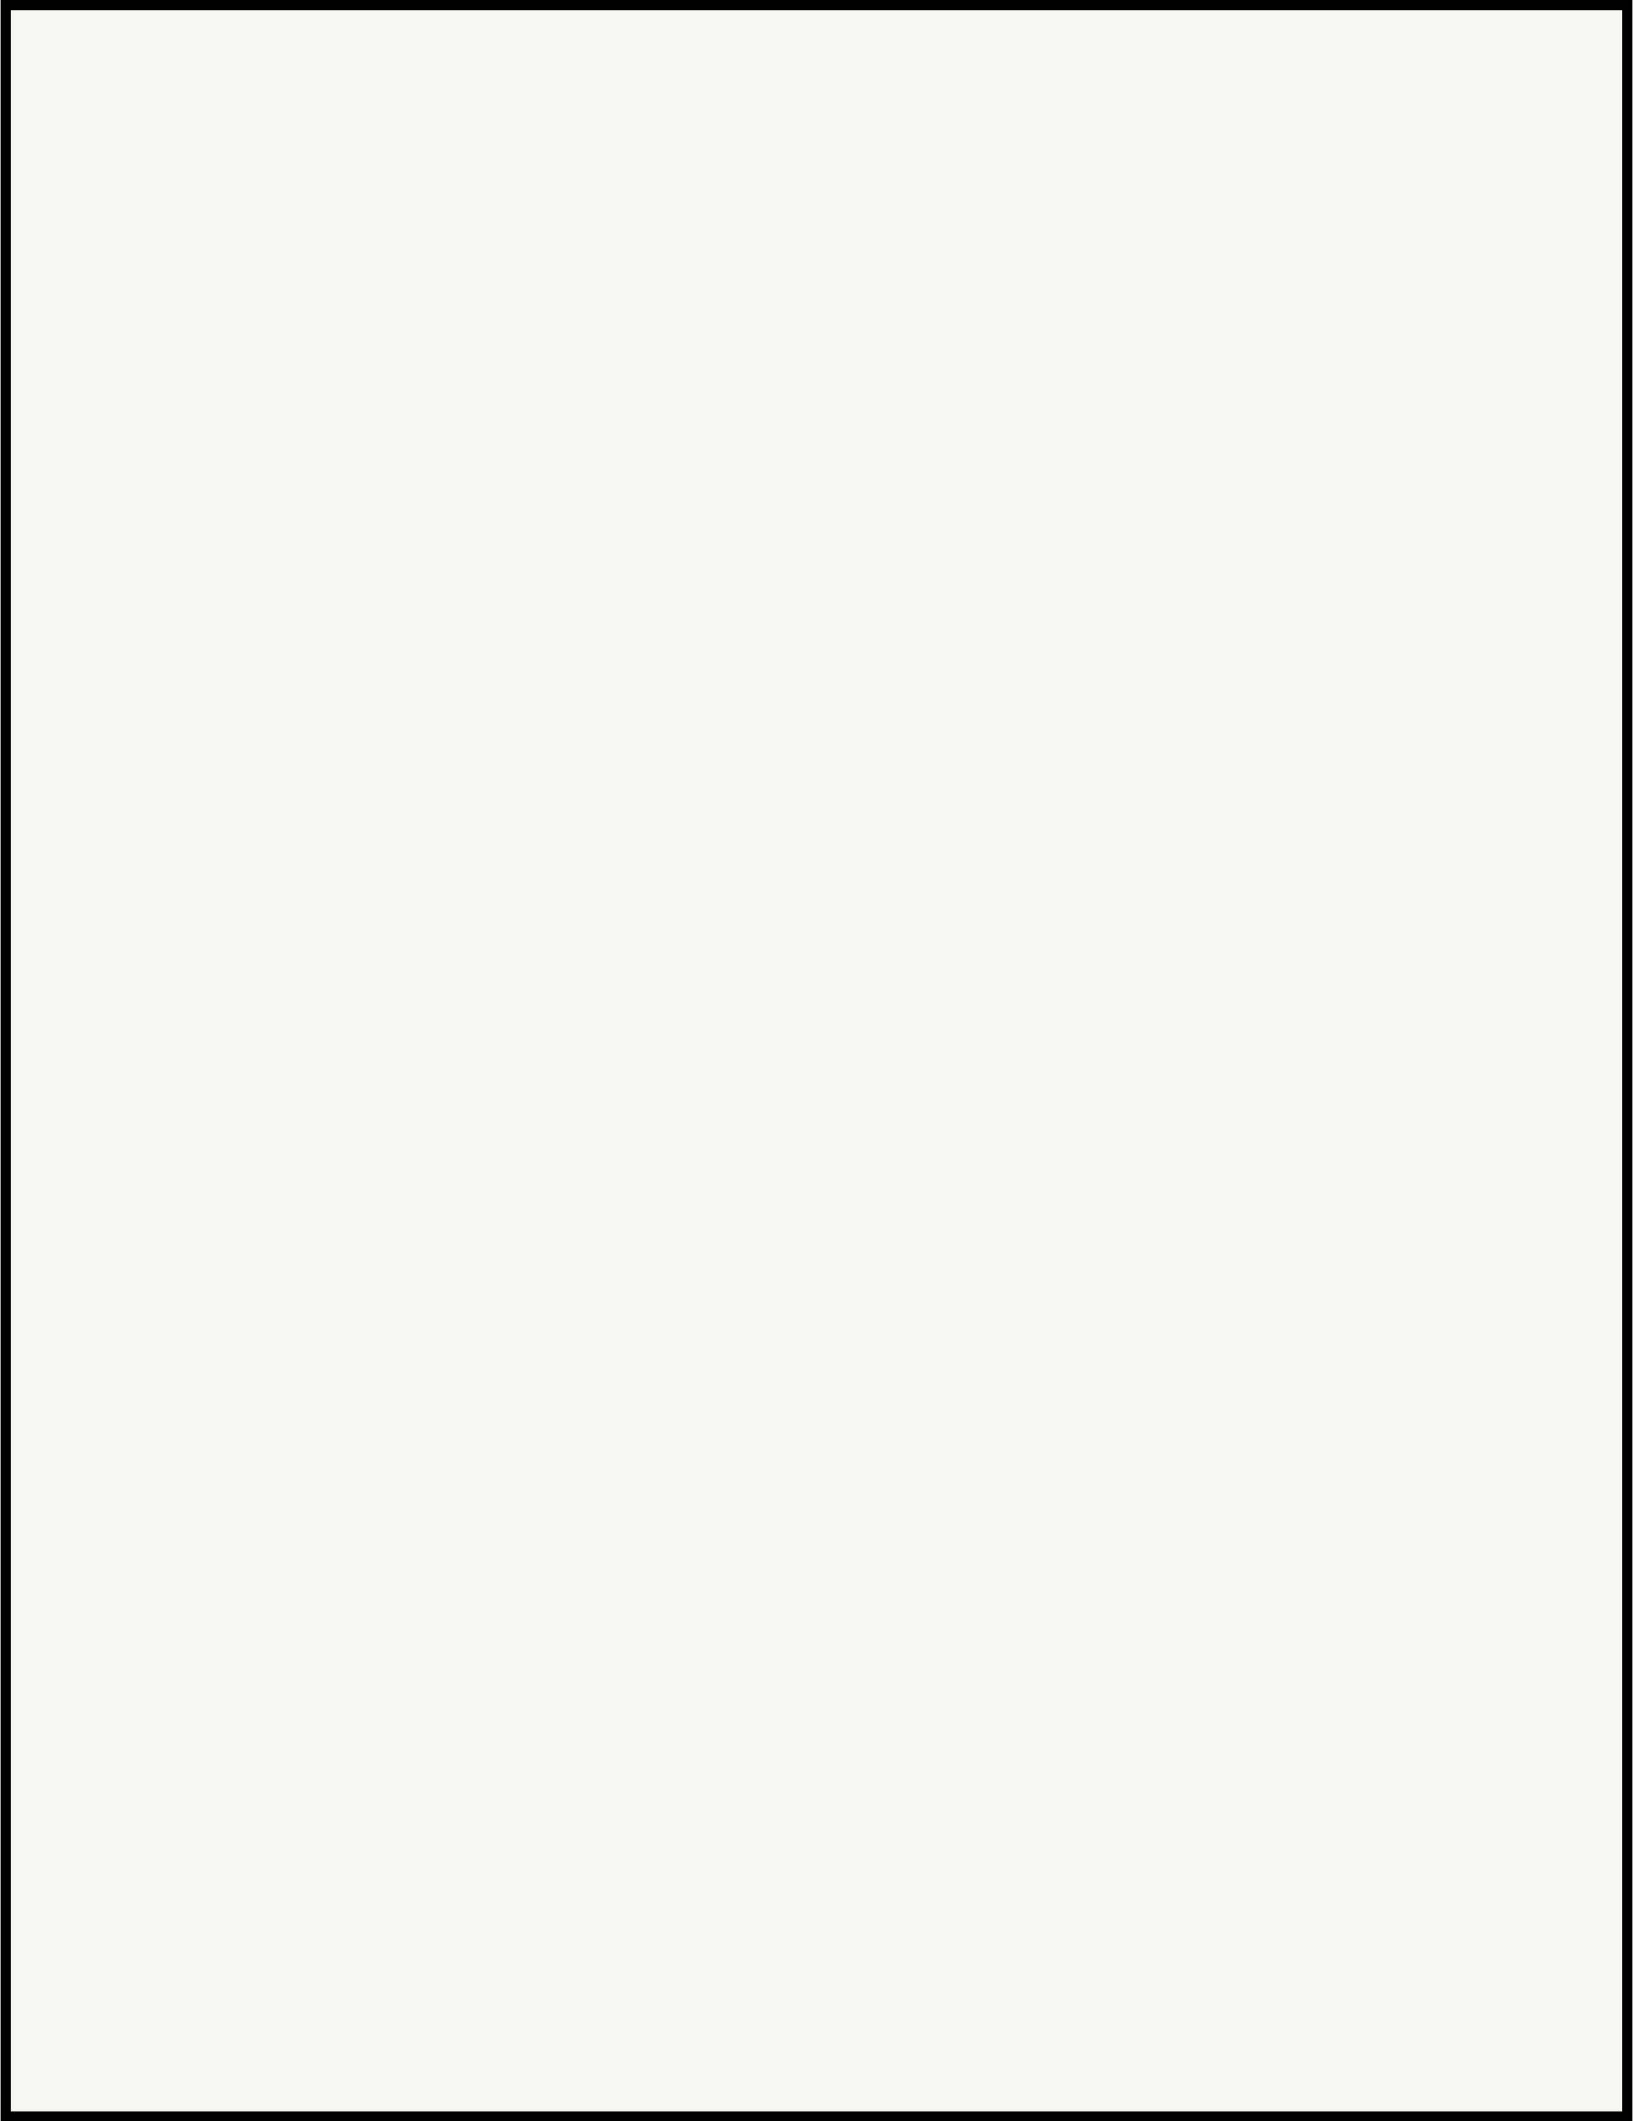

The graduating class of 1985 has surpassed the first movement in the symphony of life and crescendos towards the ultimate finale. We challenge all underclassmen to quicken their tempo and reach their first movement . . . THE BEAT GOES ON.

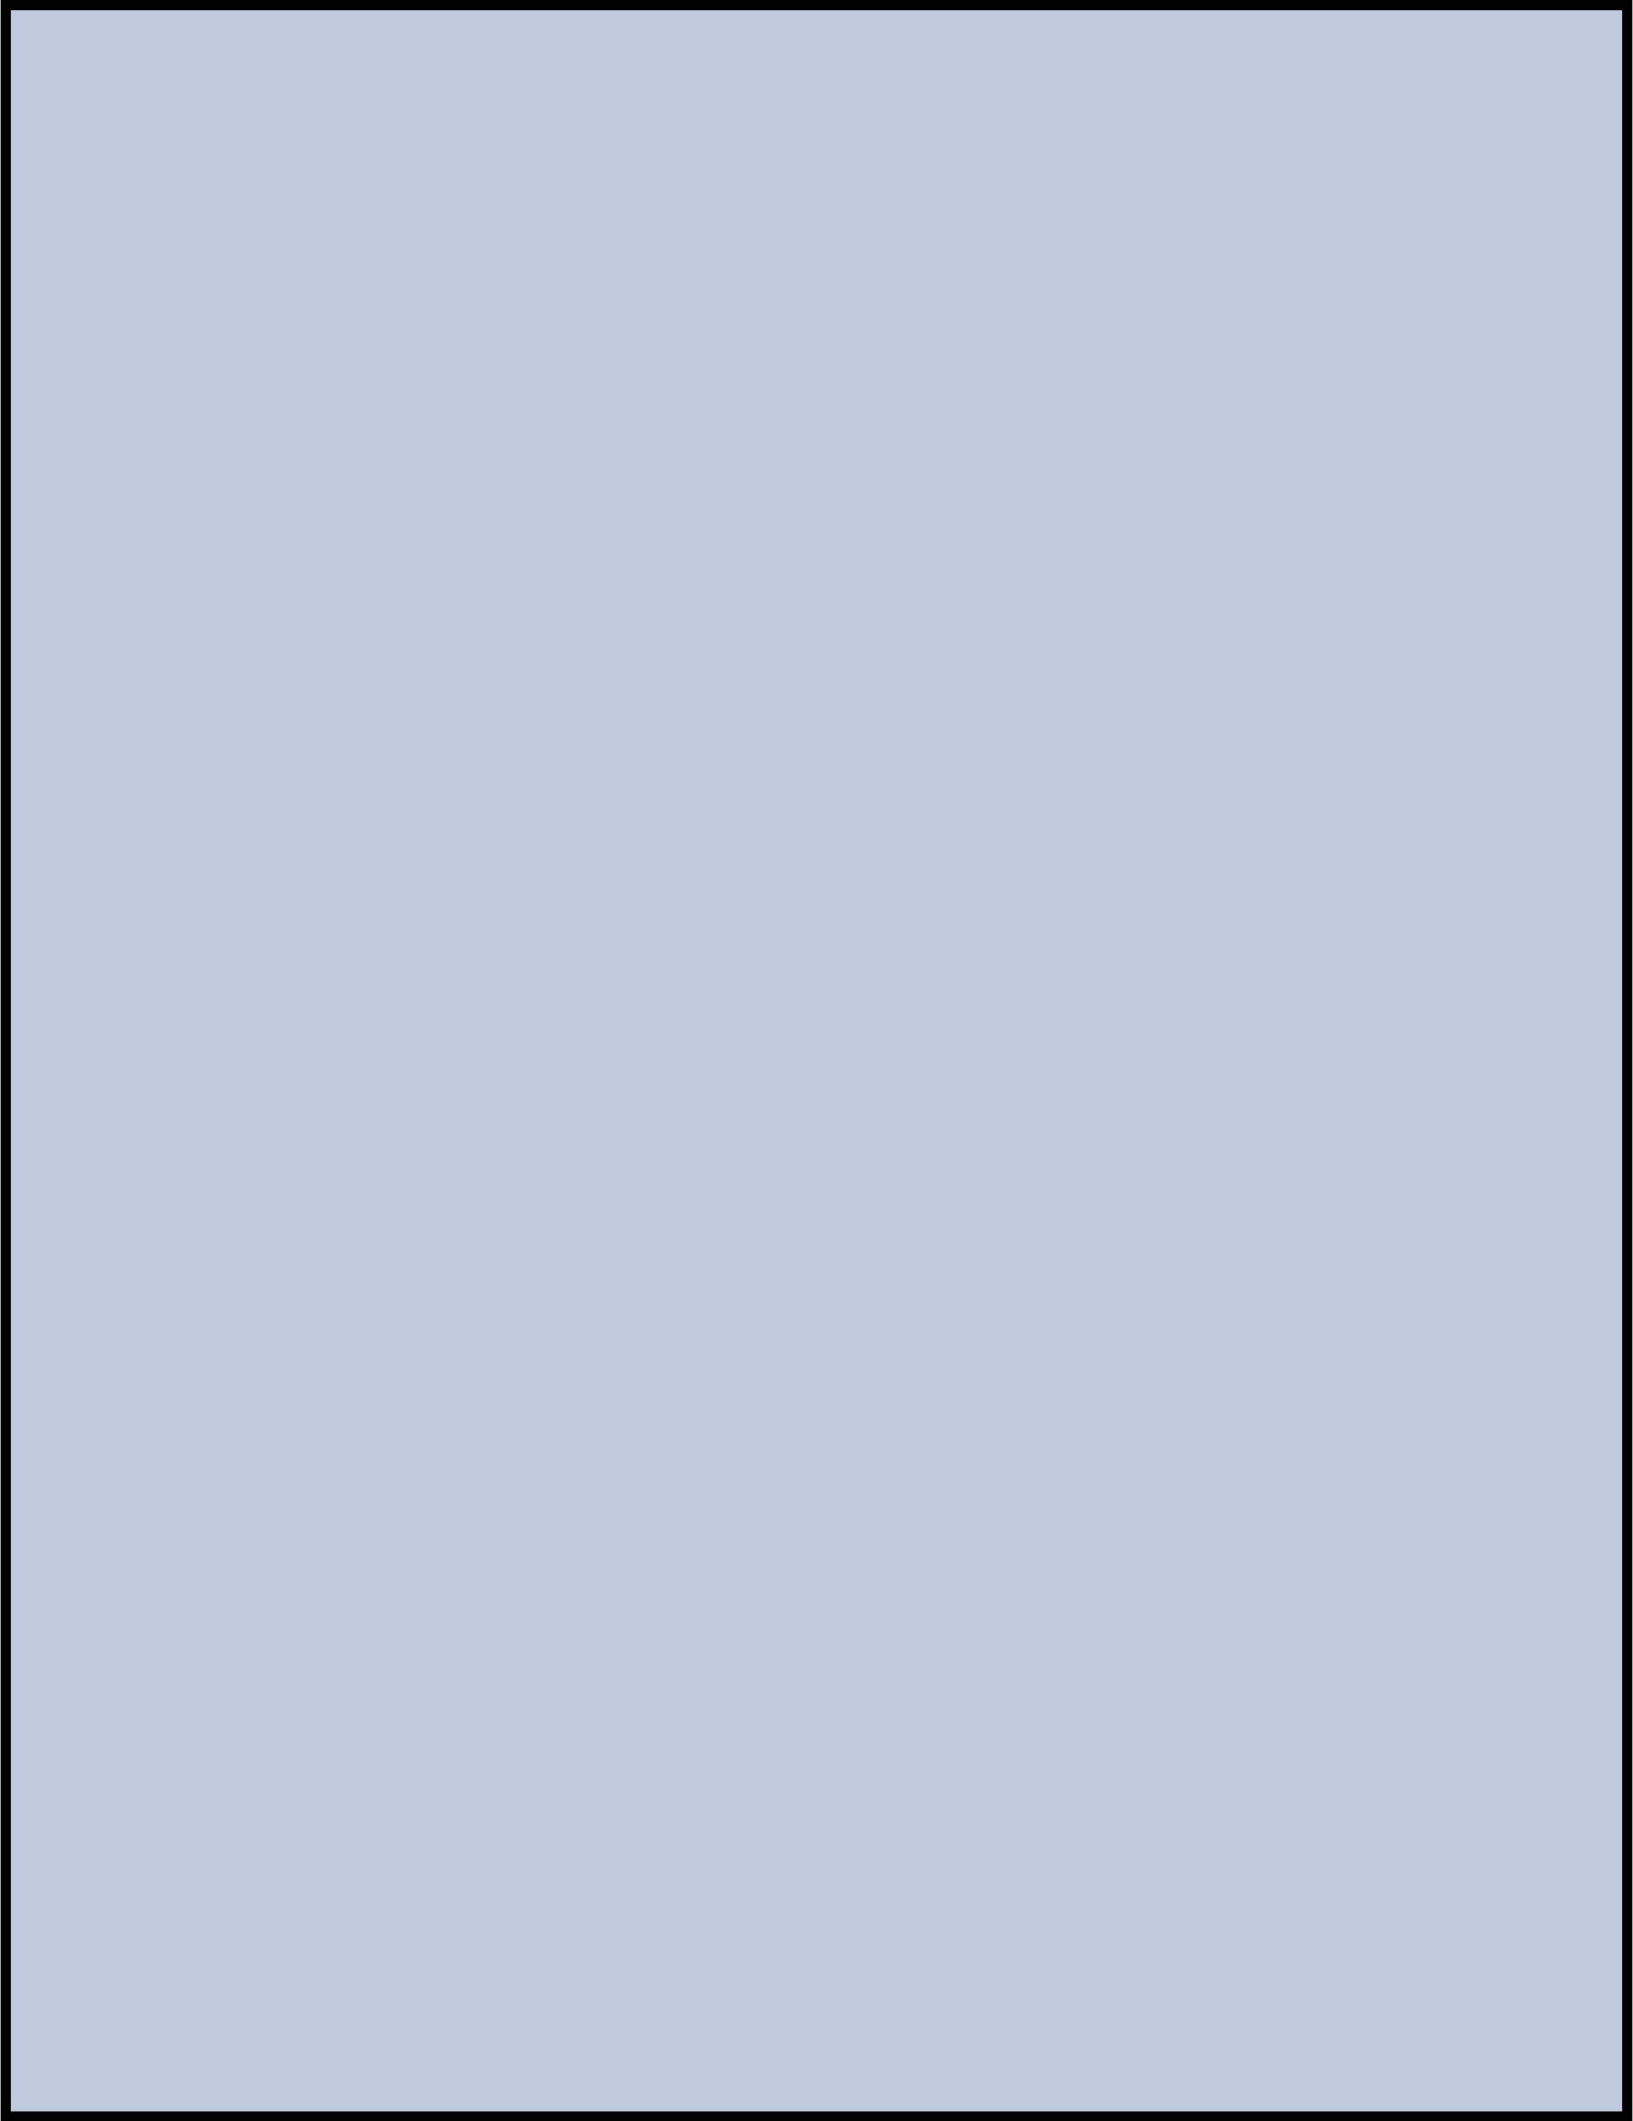

Sincerely,
 Melanie and Kelly (Editors)
