This is a story—the story of Milton High School in 1969. It's the story of the school, but even more, it's the story of individual people. They are the "real Milton High School," and that's what this book is all about . . . "the real Milton High School."

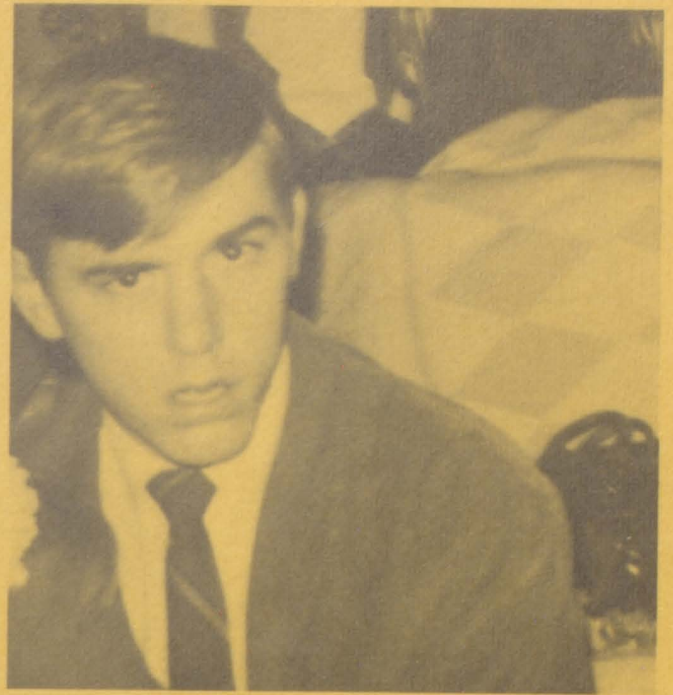

The school is an institution. Some people take this literally and slowly grind through their years at Milton. Others make the most out of their years and experience some of the many opportunities offered at Milton. School can be good or bad and it's one's attitude that makes it.

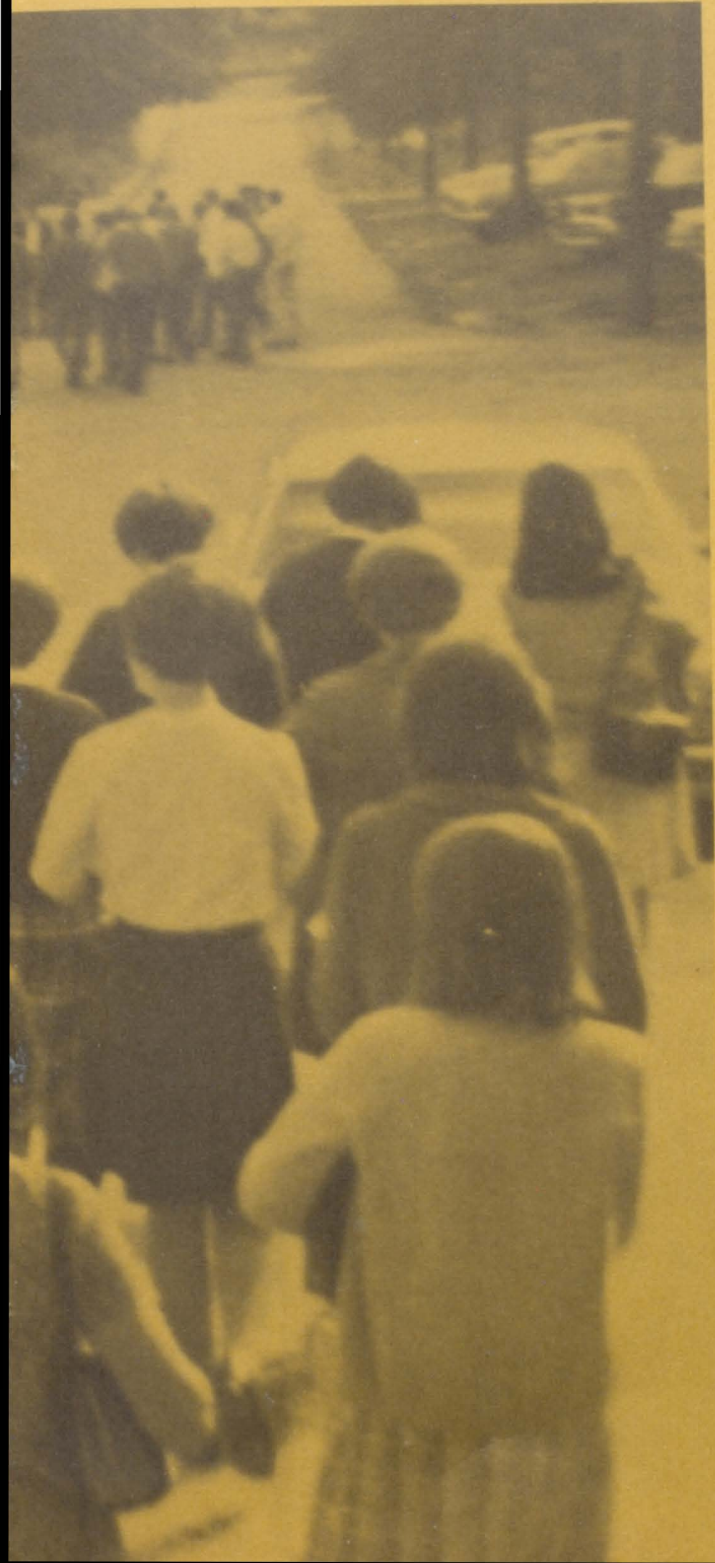

Each person is an individual with certain likes, dislikes, and peculiarities. There are people who like to laugh, ones who hate to laugh, and those who never laugh. When the funny people, the sad people, and the quiet people all get together, it makes for an interesting experience, and indeed, that's what this year has been . . . an "interesting experience."

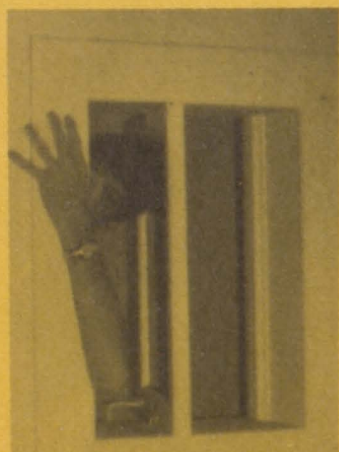

The student body as a group is a dull thing. It's only when one meets each student as a unique individual rather than a "member of the mass" that the experience becomes interesting.

**How different each person is!!!
Some people are intent on attaining
a certain goal and studiously apply
themselves to reaching it. Others
are concentrating on the present,
with no thought for the future or
what might be in store for them.
And then there are those people
who are growing. Growing in
knowledge, maturity, and even size.**

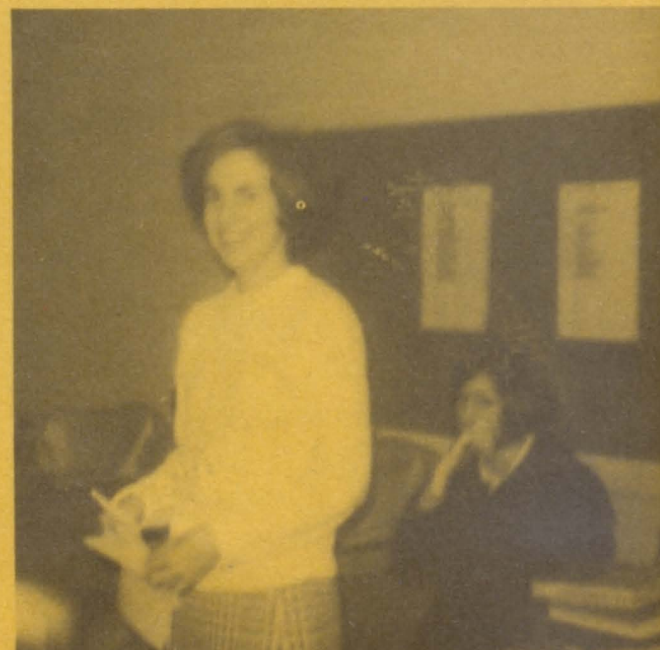

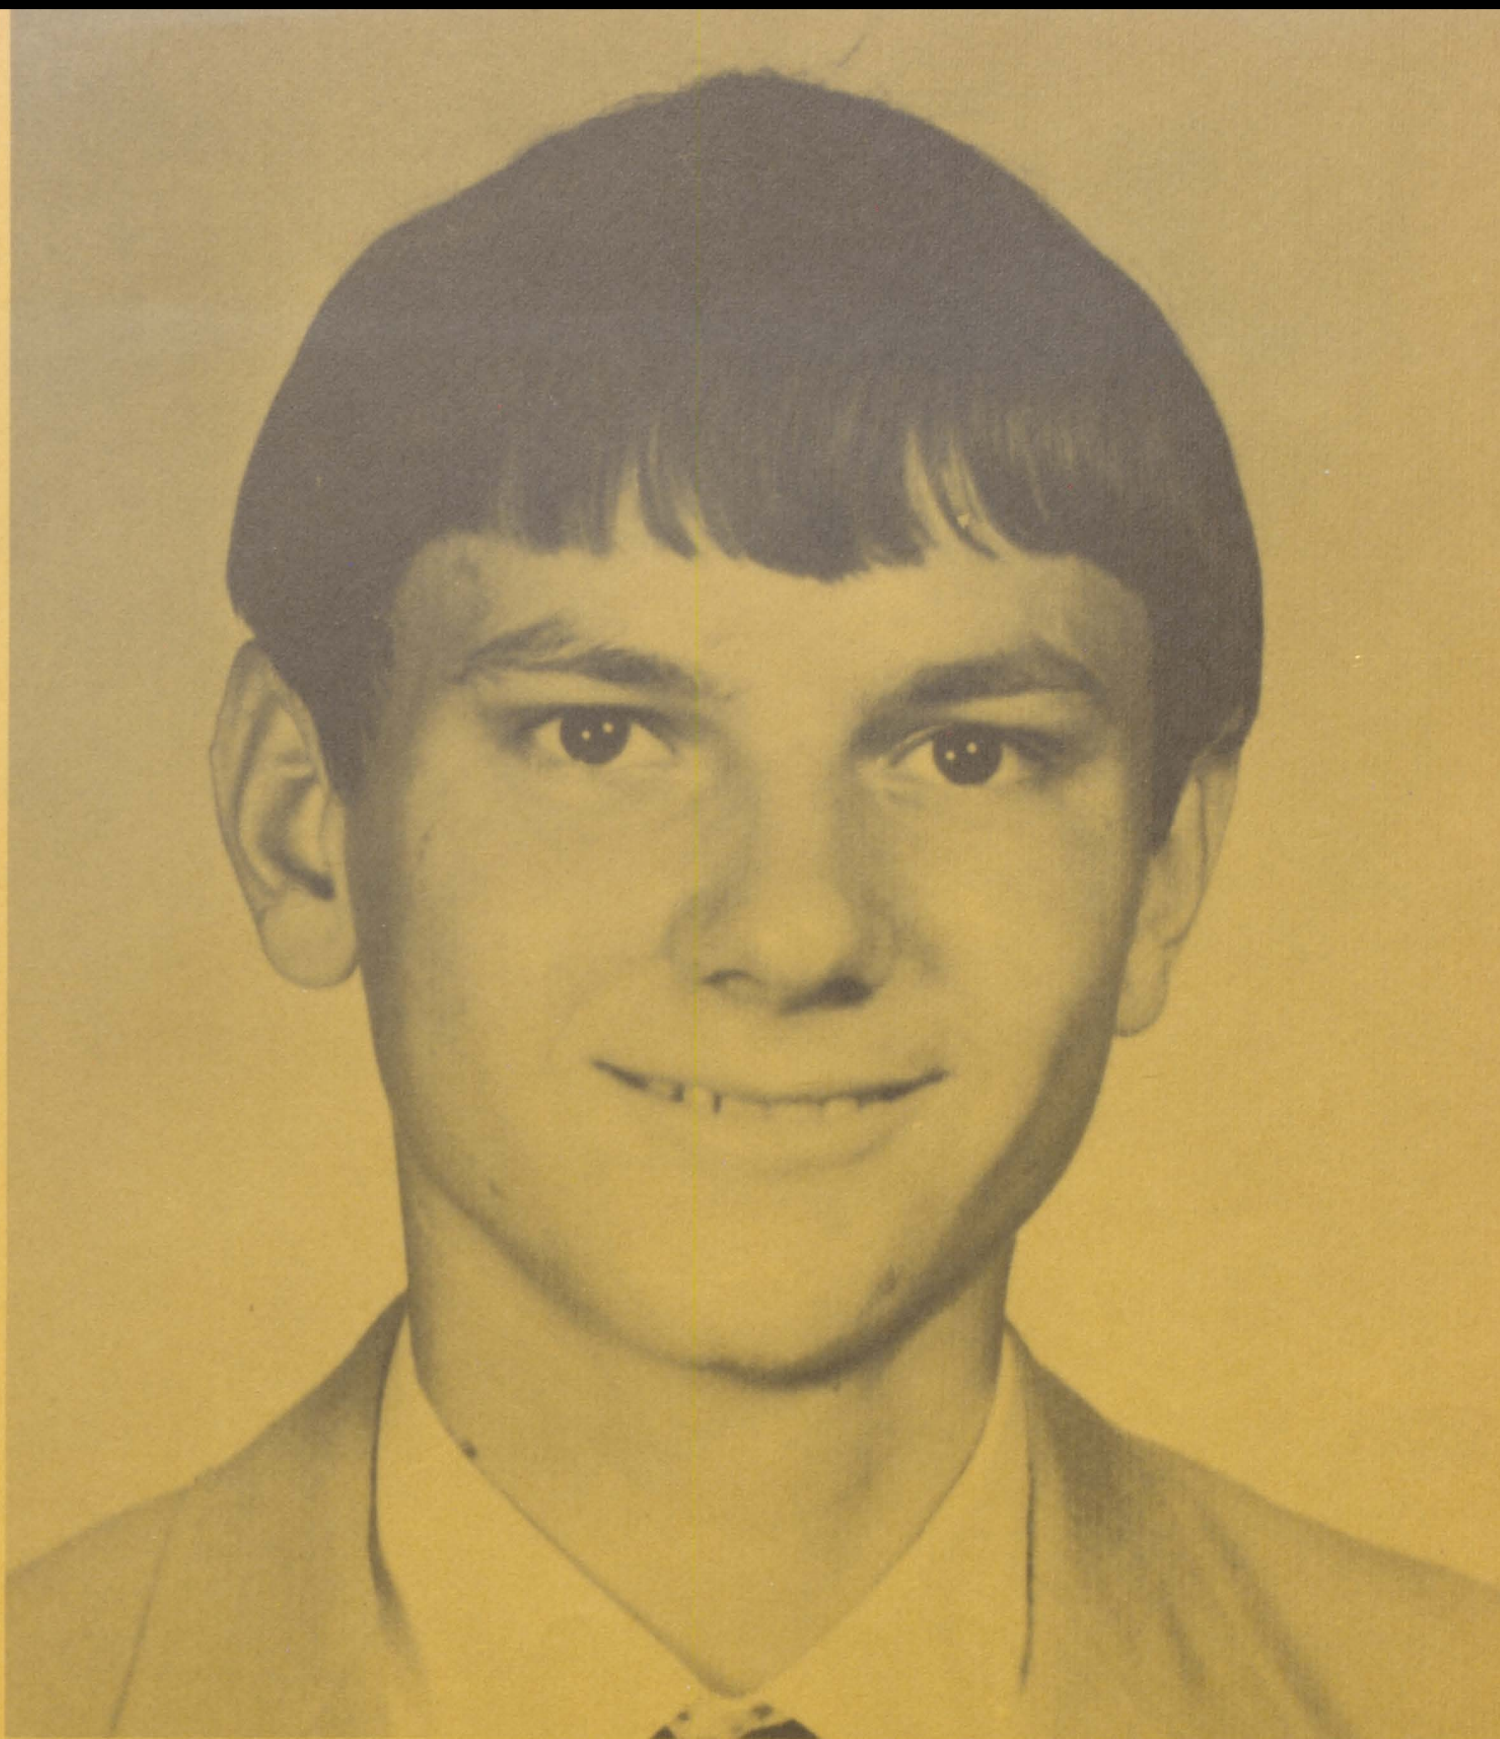

Each person's ultimate goal is getting out. Some people are unaware of this fact, and of those who are aware, each one seeks to attain this goal in his own way. This is the way things are done at Milton High School . . . each person striving for what he thinks is best.

Peace, peace! he is not dead, he doth
not sleep--
He hath awakened from the dream of
life.

Shelley

In Memoriam, Harry Thompson

It takes teamwork to make a football season a winning one. We've got the coach to manage this team. He's the man who drills the football players; he maintains the respect of each player. He knows about quarterbacks . . . linebackers . . . ends, or tackles. He's a cheerleader . . . pep squad leader . . . and the most enthusiastic of all the fans who support the team on the field. He supplied the strategies and guidance to make a winning team and a winning season. To some he's "Coach of the Week," but to us he's "COACH OF THE YEAR!!!"

"Fight on, my men,"
Sir Andrew says,
"A little I'me hurt,
but yett not slaine;
"I'le but lye downe
and bleede awhile,
"And then I'le rise
and fight againe."
Sir Andrew Barton

MADISON 0

The Milton Eagles opened a promising '68 season against the highly favored Madison County Raiders. The Eagles highly spirited young team had its offensive problems to start with but was soon off and "driving." The unheralded defensive team proved to be one of the hardest hitting Milton has had to date. The only score came during the first period on a thirty yard pass to Danny Bennett. The rest of the game was a defensive battle during which neither schools' offensive team could sustain a scoring drive.

MILTON 0 COMMERCE 20

The Eagles had their troubles with the Commerce Tigers: they couldn't get a drive going and the defense couldn't seem to hold the Tigers' offense. The Eagles fell for their first loss 20--0.

MILTON 6 MONROE 0

A crushing defensive unit squeezed Monroe dry and left the Hurricanes far from the No. 1 position in region they had enjoyed previously. With 10 minutes and 30 seconds left in the game, quarterback Mike Jackson dropped back and threw a 34-yard bomb to Danny Bennett on the 1-yard line for 6 points and the most rousing victory of the year. During the game Coach Mike Anderson was chosen "Coach of the Week" by the ATLANTA CONSTITUTION.

MILTON 0 ROCKDALE CO. 14

Phil Christopher, Guy Womack, and Danny Bennett tried inadvertently to shore up the leaky Milton defense. The Bulldogs poured through the Eagles for 14 points and an easy win. By the time the rain stopped and the Eagles got home, their record was even with two wins and two losses.

score. The Eagles quickly journeyed into the land of six points twice during the first quarter. Mike Jackson threw a pass to Barry Pike that was good for 35 yards and a touchdown. During the fourth quarter Danny Bennett intercepted a pass and raced 60 yards for the final tally.

MILTON 0
NORCROSS 19

This was the second loss for the Milton Eagles. The game started with Norcross receiving the ball. The Blue Devils went 67 yards for the first touchdown. Mike Stephens ran the kickoff back 27 yards. The Eagles' offense took over but couldn't sustain a drive all night. Norcross took over the ball on their own 9 yard line and went 91 yards for the second touchdown. Again, the offense took over but couldn't get going. This time Norcross went 47 yards for the final score of the game.

MILTON 13 CENTRAL 27

It seemed as though things weren't going well for the Eagles at Central's homecoming. During the first quarter the Knights rolled up 20--0 score. The second quarter was a defensive battle, leaving the score at half with 20--0. The Eagles came out a new squad and crammed 13 points down Central's throat. But Central came back and scored another touchdown leaving the game a 27--13 loss for the Eagles.

MILTON 0 STONE MOUNTAIN 0

Milton Eagles, led by the towering tackle Phil Christopher, wrestled the powerful Stone Mountain Pirates to tie and scramble up the race for Region 4-A crown. Christopher ravaged the line while Danny Bennett made the passing gain short. Wayne Sims recovered a fumble and ran 74 yards in the second half. The offense moved in a little closer but failed to get a touchdown. Christopher came on to kick a field goal, but it was blocked and the game ended 0--0.

Kenny Moore

MILTON 28 FORSYTH 14

Mike Jackson led the scoring with two touchdowns. Barry Pike and Marcus Jones scored a touchdown apiece. Half-time ceremonies were high-lighted by the presentation of the Homecoming queen, Judy Richards. Judy is Miss Cheerleader and was voted Best All Round. Phil Christopher booted 4 extra points. Forsyth scored in the first and third quarters to end the score 28--14.

The Eagles came into this game with everything laid on the line for a winning or a losing season. For the past two years, the Comets stopped us short of a winning season. The game from the kickoff to the last whistle will be one long-remembered by Milton and South Gwinnett fans. The first half saw the Comets do all the scoring with both touchdowns coming in the second quarter. The second half saw the mighty Eagle's Barry Pike make two touchdowns. This game gave the Eagles a 4--4--2 record.

A Great Young Team

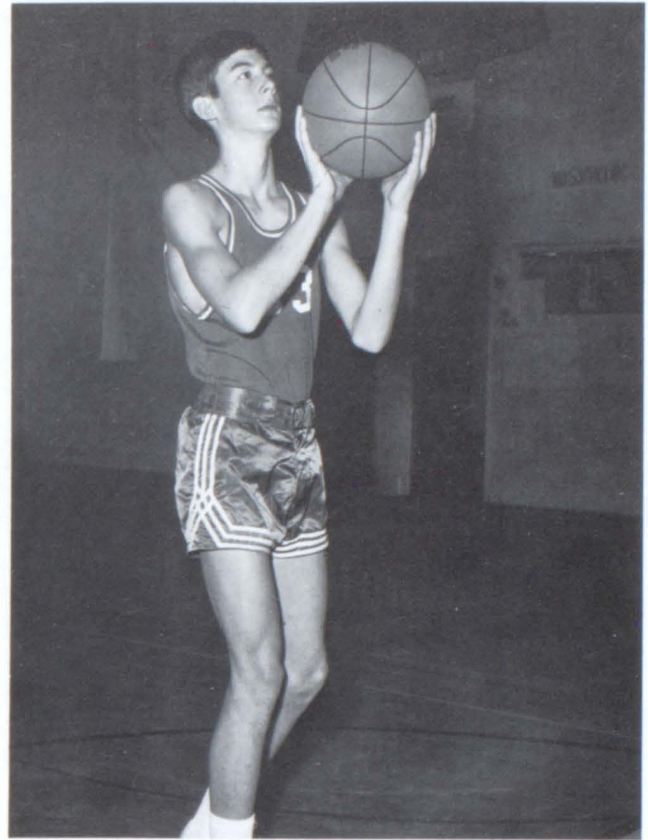

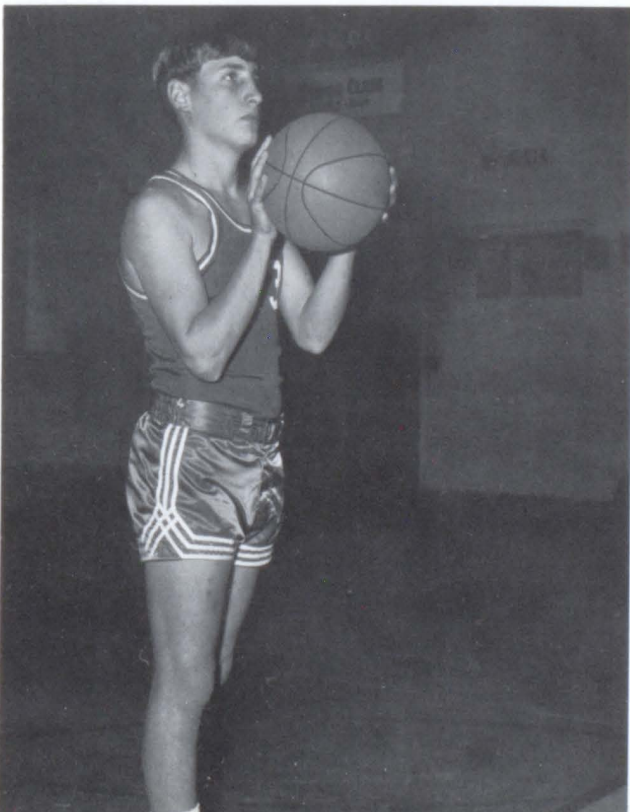

Guy Womack

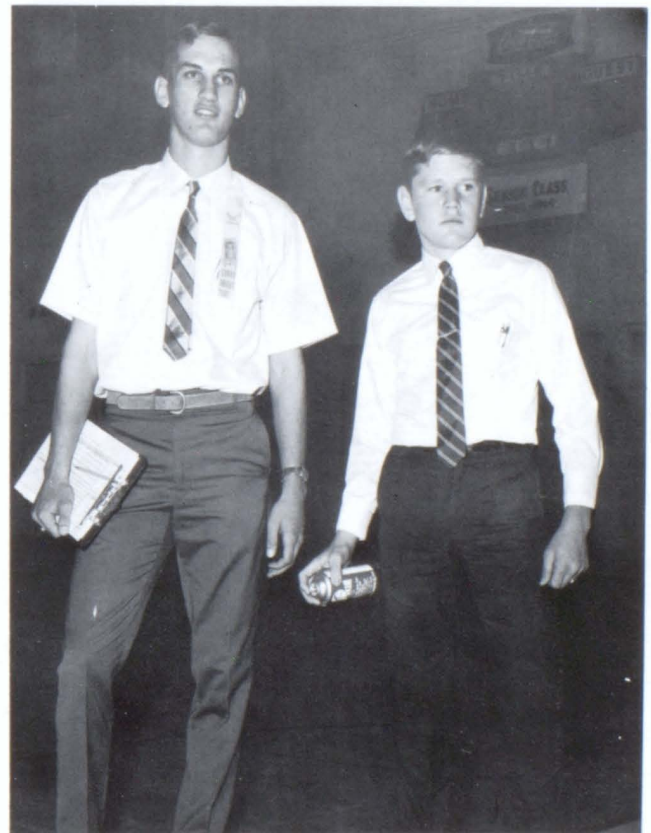

For the first time in 1969, the Milton Eagles suffered a defeat on the hardwood floor. The Eagles were scalped by the McEachern Indians by a ten point margin of 62--52, on January 10.

The mighty Eagles never could ease past the awesome McEachern defense, but maintained its respect thanks to the lightning hands of Terry Anderson, who in one instant of play literally stole the ball from an Indian to sink it down court. Another handyman for the Eagle offense was Mike Jackson. Mike did almost the same thing as Terry, but did it so fast that when the ball was falling through the goal the poor little Indian was still downcourt in awe.

Coach Bearse and Coach Conklin concerning the 1968-69 Lady Eagles: "This is a relatively young team. The Captains, Denise McFarland, and Mary Alice Cox, the only two seniors, have added maturity to a young team. This 1968-69 team has potential--if we can find a way to instill confidence and if we can put everything together. (i.e. offensive patterns and our defensive maneuvers). Then our team may realize the satisfaction of winning."

"Up, Up, and Away with the Eagles," the theme of Homecoming 1968, proved to be a winning title for the SENIORS of '69.

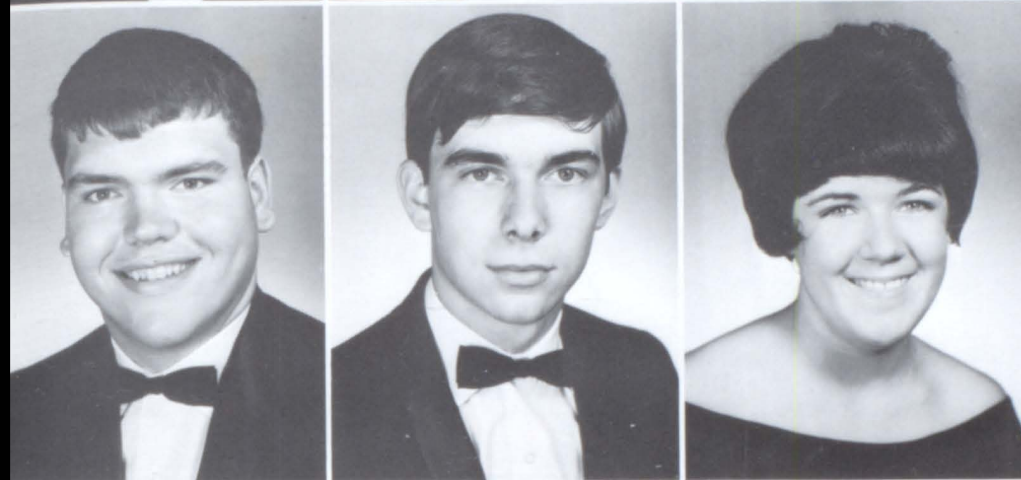

The Student Council sponsored float competition. The floats were judged on originality and the carrying-out of the Homecoming theme. The SENIORS were awarded a gold-engraved plaque for their first-place float.

The winning float depicted a red, white, and blue Eagle going up for a victory on a rocket.

P.S.A.T. Measures Juniors' Knowledge of Academics

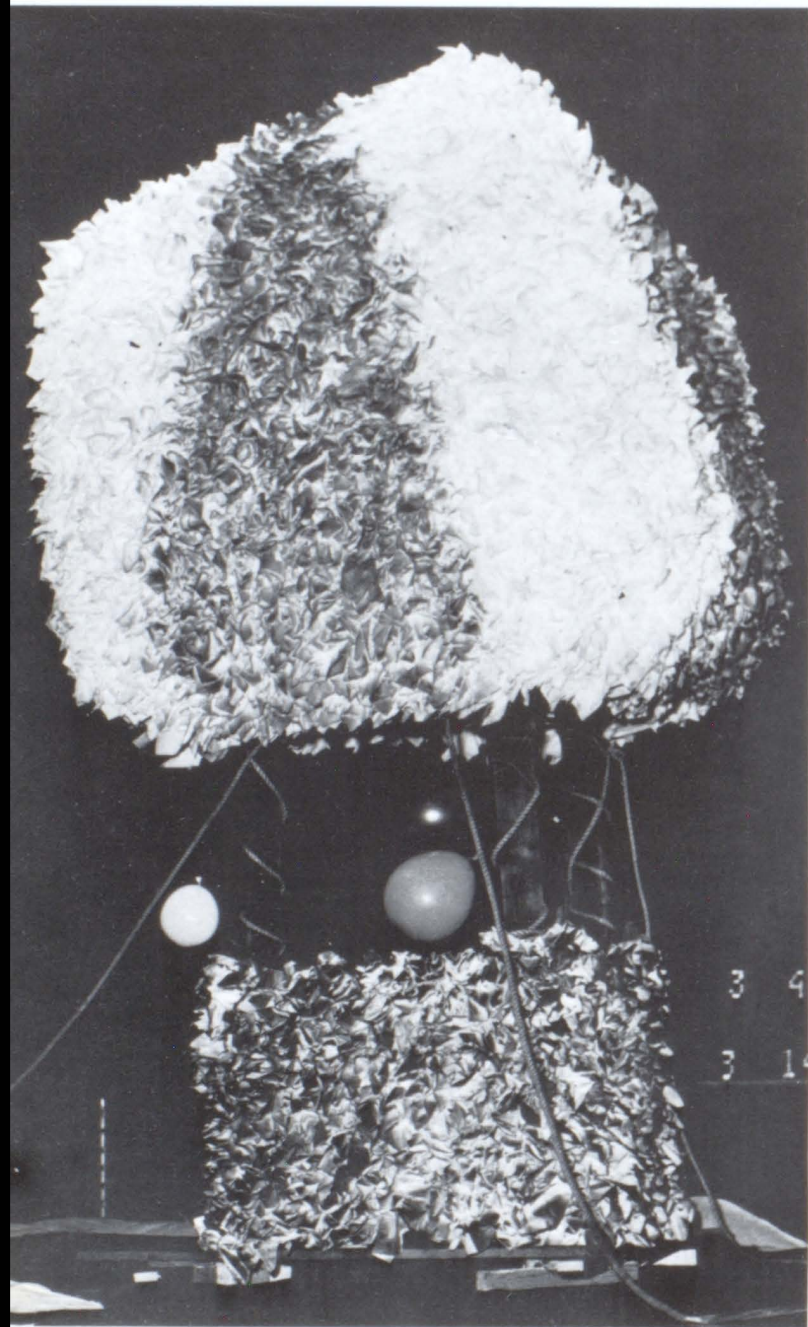

"Since I was a Freshman I've been dreaming of the day when I would finally reach the status of Junior, and suddenly I have."

The Junior year is also a time in which to prepare for the future. The PSAT and National Merit Tests are given during this year. These cause a lot of nail-biting and hair-pulling; however, the results often mean the difference between the draftboard or college.

"Where shall I go from here?" is probably the most recurrent question in a Junior's life.

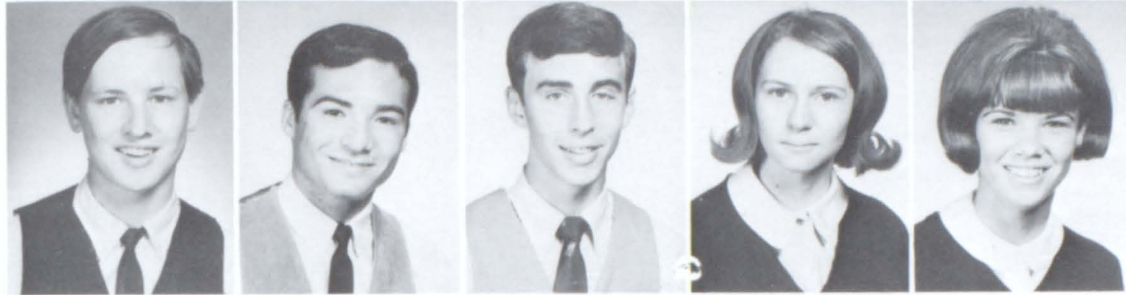

The Junior Class took great pride in entering their balloon in the Homecoming parade.

Sophomores Experience First Date

Being a Sophomore was "it" for the newcoming Sophomores this year, but they soon realized it was only the same routine all over again: study, hard work, crowded halls, and six periods of concentration every day.

But wait just a minute! Being a silly Sophomore wasn't all that bad. Along with that dull routine came pep rallies, varsity sports, sock-hops, and teamwork on the Homecoming float.

Most of all, some Sophomores experienced their first date. The boys proudly drove their father's car to pick their dates up. No longer was "school activities only" the usual statement from the parents.

Freshmen Become Eligible for Varsity Sports

As the Freshmen become involved in the school activities, they begin to contribute to Milton's clubs and activities. "Selected Students" become a part of the varsity squads. By being able to participate in the varsity sports, a few are fortunate enough to earn the coveted school letters.

Also the Freshmen participate in extracurricular activities, such as entering their float in the Homecoming parade. The Freshmen float pictures a paper-mache eagle, carrying a bulldog flying across the field.

Sub-Freshmen Learn Rules of Game

A bell and a quick dash to the next class often confuse and tire the "teenie weenie" Sub-freshmen. New teachers and friends also become a part of a Sub-freshman's life. These events cause Sub-freshmen to relax and learn the rules of the game.

Despite their recent arrival at Milton, the Sub-freshmen anxiously display their Homecoming float. With a red and white rocket, the float develops the theme of "Up, Up, and Away with Eagles."

"OUR" PAGE

"Well, Angie, this is the end--the last page. 'Member how it all started?"

"Yeah, with a fuss. And we've really had our share of those!!!"

"But it's been fun . . . we've made a lot of enemies and a few friends . . . "

"We might thank those few though. How about our great staff?"

"Yeah, it's been a great one. Those kids stayed after school, wore out the typewriters, and bankrupted the coke machine!"

"It's funny how there was always Miss Thompson there to keep everything ticking. Also Miss Tilley helped us meet those nasty deadlines. Gosh, they're great!!"

"Well, it's time to close this book and say 'So long.' Pity we couldn't clean up this messy room and straighten up these dummy sheets. Maybe y'all can--AERIE staff of 1970."

Good luck,

"They couldn't have got anything done without fighting!"
G. Thompson
