## *Dedication:*

### *Mr. R. W. Badgett*

We are constantly changing. And sometimes we become so involved in the change itself that we tend to overlook the firm foundations of principle and tradition that enable us to maintain our security in society.

If we can find someone who can make us slow down long enough to realize our oversights; if we can find someone who will unveil to us the realities of life and make us think for ourselves . . .

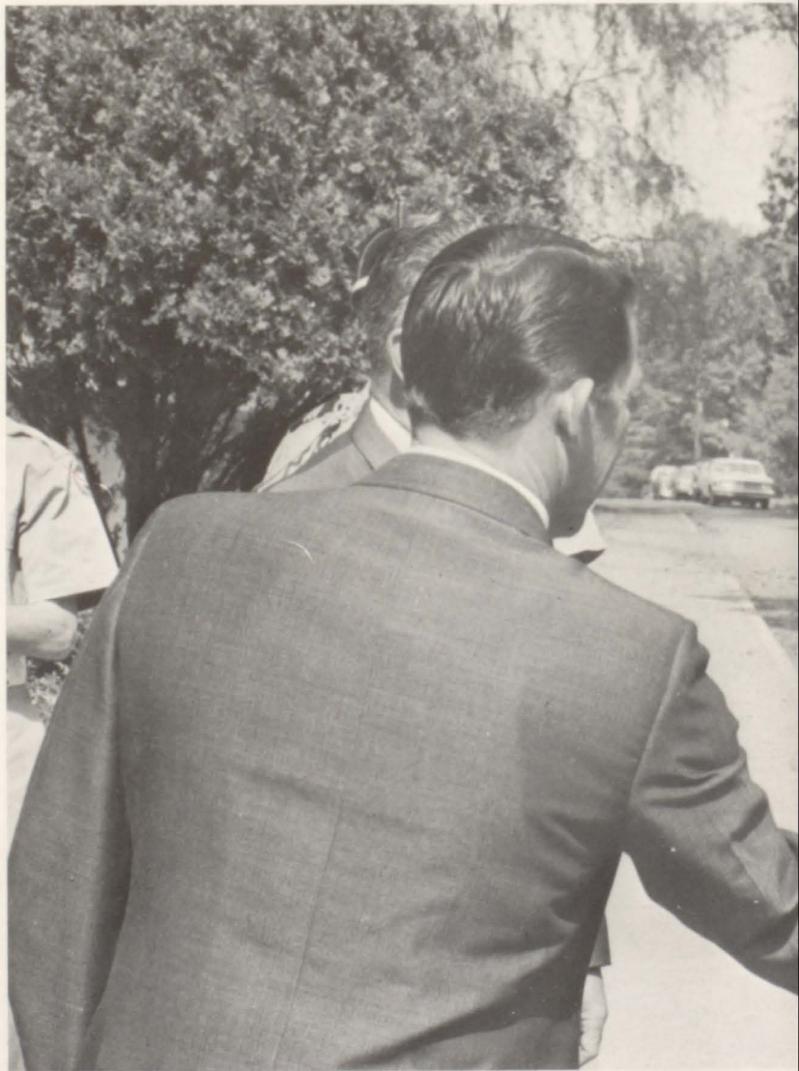

If we can find someone who can teach us through his experiences, and can teach us not only lessons from books but also lessons from life as well . . .

If we can find someone who can strengthen our pride in tradition, one who can show us humility by giving of himself and asking nothing in return . . .

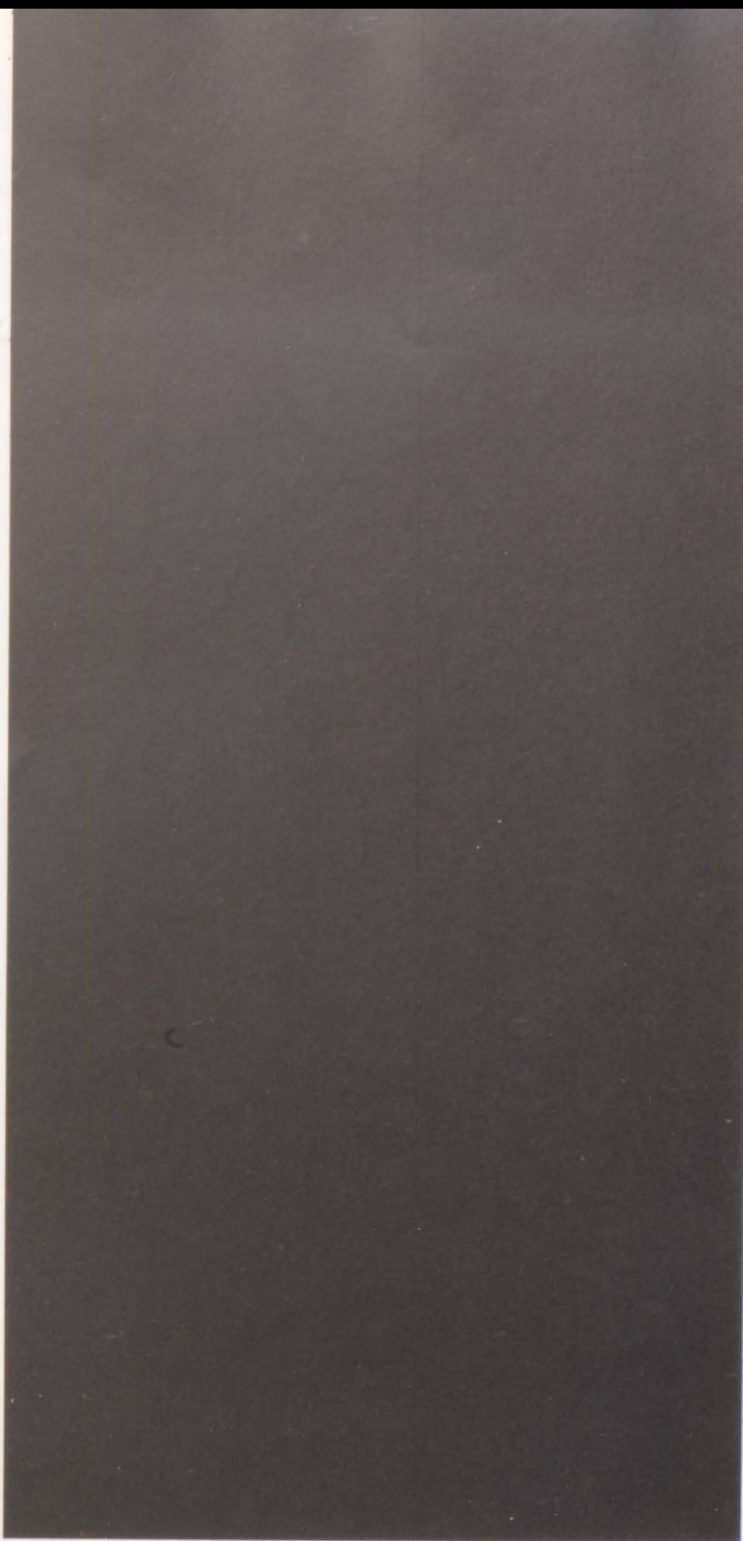

We are indeed fortunate.

— We have found such a person here at College Park High School, and we wish to give him the highest honor that the ARIES staff can bestow. We therefore dedicate the 1968 ARIES to Mr. R. W. Badgett.

## Revival of Homecoming Parade

What is a parade without a band? College Park's marching band, traditionally the head of our homecoming parade, does its best to get spectators into high spirits.

Since last October at College Park passed without seeing the traditional homecoming parade, everyone was in doubt this year as to whether we could re-establish the custom or not. It's a well known fact, though, that this year's administration is reasonably liberal-minded when it comes to granting the student body's wishes, as well as being fairly pro-sports; sure enough, with much postponing of dates (but with no regard to superstition), the parade was held after school on Friday the thirteenth. (We lost the game that night, too.) Rugby Avenue marks the beginning of the parade which progresses down Main Street past the school and turns the corner at the A&P. Those not participating in it either in the band, majorettes, military, or on floats are mainly underclassmen, and the parade gives them an introduction to most of the organizations in high school. Making a float always involves quite a bit of resourcefulness and cooperation on the part of those involved, and the AMCC has managed to combine both and come up with a winner for the past five years, including this one. The non-school affiliated judges award three prizes to the best three floats, and this year the orchestra won second and the Senior Class third prize, which undoubtedly made it worth all of the yelling and frustration on the part of the latter

*Left: Modern-day pioneers ride covered wagon and say "beat bears or bust". Below: Enthusiastic spectators welcome long-awaited parade with cheers and applause.*

*Left: A.M.C.C. float, sporting the theme "American Medic In Vietnam", is a poignant reminder to many at College Park High School of those who have served from here. Above: Art club members frolic on a 1933 Packard and generally act "mod" while throwing candy to eager spectators.*

Homecoming nominees from left to right are:  
*Back Row:* Sharon Forrester, Cindy Griffin, Nancy Bean, Susan Edge, Patrice Smith, Kathy Keel, Elaine Nesbit, Betty McKnight, Suzie Sutton.

*Front Row:* Debbie Steed, Missie Hydrick, Betty Stephenson, Sue Reeves, Beth Fitzpatrick, Audrey Childers, Debbie Patton, Cathy Stribling.

1967 Homecoming Queen, Sue Reeves, is radiant after receiving flowers from Johnny Roberts and Stan Norton, co-captains of the football team.

Nancy Bean, *left*, is eighth grade representative; Sharon Forrester (*middle*) is ninth grade repre-

sentative; and, *at right*, is tenth grade representative, Patrice Smith.

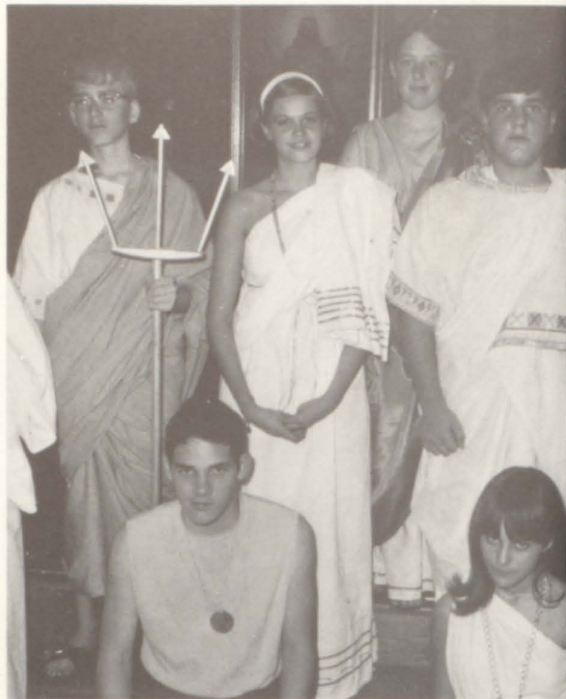

Most people who aren't too well oriented in passing and downs and so on usually look forward to half time because they can understand that. On Homecoming night, though, even the most enthusiastic devotee of the game awaits the time when the girl who will be homecoming queen is announced. This year, as always, the College Park alumni abounded on homecoming night. It's always fun to greet them and find out who is flunking out at West Georgia, who got drafted, married, etc. With the girls crying on the field and all the merriment that prevails, who cares whether we won the game or not? Right?

College Park's chapter of the Junior Classical League, the Latin Club, is always first to get under way its main event for the school year—Latin Week. The week started off with the slave sale. Most of the slaves' services were rendered at the banquet, which took place at the end of the week. The banquet was in true ancient Roman style, on the floor with food as was eaten by Romans in the time of the republic—chicken, fruit, olives, and a birthday cake for Vergil. This year, Latin Week will be particularly remembered as the one during which the governor of Georgia, Lester Maddox, came to College Park and opened Latin Week with an address to the student body. The Latin club officers arranged his visit as early as August. As Mayor Nolan commented at the assembly, he had been trying to see the governor for months, but "Jane and her body" seemed to have precedence! Not content with merely an address by a dignitary, the Latin Club set out to establish another first for the school and held Olympic games and a Roman Carnival. With all these events and reporting of them in the local papers, the Latin Club hopes to win the publicity contest sponsored by the National Junior Classical League.

More people came to the fall fiesta than any previous year. The event was held in the recreation center. Five other schools provided entertainment as well as Mrs. Ruby Sewell, professional flamenco dancer. Authentic Spanish food was served. At the

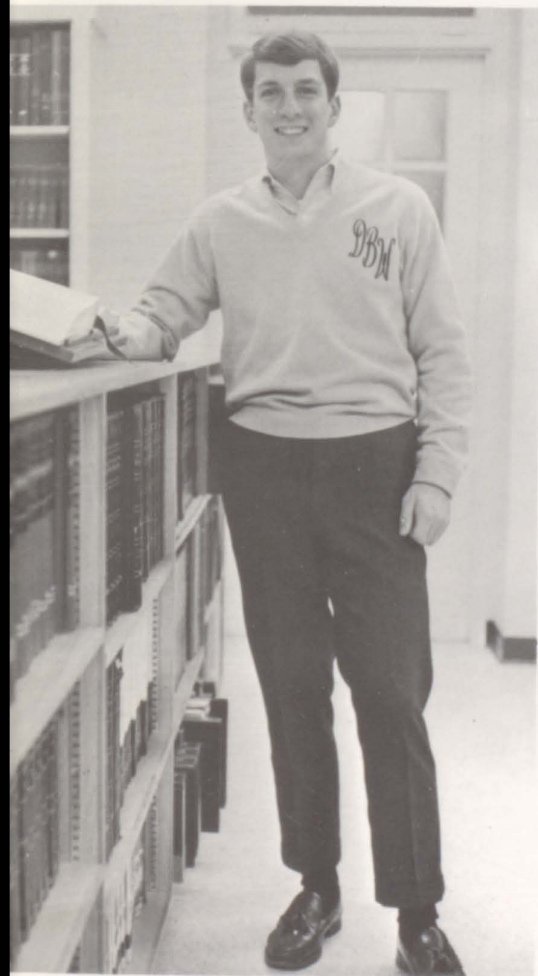

second fiesta in November, twenty-two new members were inducted into the Spanish National Honor Society, and a pinata was broken spilling candy and small books everywhere. Christmas carols were sung and refreshments were served.

## *Outstanding Seniors*

The highest honor for the graduates each year is to be chosen as one of the Outstanding Seniors. Traditionally there have been twelve to receive this honor. This year, however, the number was increased to fifteen

because the *Aries* Staff felt that with such an outstanding Senior Class more than the usual number deserved to be recognized. Each Senior nominates twelve of his fellow

classmates who he thinks are deserving. The names of those who received the most votes are given to each faculty member who then votes for the final number.

## Ram's Horn . . .

This year the *Ram's Horn*, the traditional school newspaper, has undergone change. The members of the staff, with the aid of a new sponsor, Miss Paysinger, report the news differently while still in keeping with their own ideas and with the changing demands of the school. "Walburn's Alley" and the "Horoscope" have replaced the "Vox Populi" and "Platter Chatter" of the past years. As in the years past, however, the *Ram's Horn* staff still must sell ads, meet deadlines, and circulate the publications.

# Sparking Pep

Working to improve the spirit of College Park High School students, the Spirit Sparkers this year have sponsored such projects as the sale of confetti at football games and the making of spirit posters and signs to decorate the halls of the school. Members are chosen selectively according to their exhibition of pep throughout their years in the school.

Organized six years ago because a few students expressed an interest in art, the art club has expanded, and membership in the club is now open to all students. The club exists for the purpose of pursuing cultural attitudes, and activities include seeing a play, gallery visits, and two annual events, the Christmas party for which Miss Drew, the sponsor, prepares casseroles, and the picnic at Piedmont Arts Festival in the spring.

A great coordinating force within the school is the Student Council, the principal governmental body of College Park High. The Council, composed of representatives from each home-room and led by six officers, centers its activities around school improvement projects. Among these are the newly organized lost and found system, this year's lunch-room improvement program, and certain school spirit promotion projects, such as the victory tunnel, school spirit weeks, and the election of Mr. and Mrs. School Spirit. This year, too, the council meets every two weeks during school hours at rotating periods. Suggestion boxes, placed in each home-room, reflect the purpose of the 1967-68 Student Council to serve the students.

Eight o'clock AM seems like an awfully early time to do anything; however, quite a large group of people manage to get up to the mechanical drawing room every Friday for Fellowship of Christian Athletes meetings. Meetings are open to male and female alike, be they athletes or mere spectators. This year they had such distinguished speakers as Jimmy Tumlin, Bill Curry and Ronnie Newton.

Encouraging its members to make strides in the business world, the Future Business Leaders of America has one good starting point—all of its members are enrolled in Business Education courses! ## *Rammettes . . .*

What would half-time be without them! College Park High's drill team, the Rammettes, is selected in the spring by a group of impartial judges. Each girl trying out for the twenty-eight member team is required to perform one actual Rammette routine and is selected on the basis of her poise and skill. The Rammettes spend weeks during the summer learning routines, and the rest of the year they hold dances, car-washes, and the like to raise money to pay for their uniforms. Any afternoon during football season they can be found practicing perfect pivots for their performance on Friday night.

The Future Teachers of America gives one a chance to get a first-hand look at the classroom, as the Junior and Senior members of the club get to visit a class in one of the local grammar schools for a day. This takes place in the spring. During the rest of the year, the group plans service projects, such as this year's scheduled visit to Highview Nursing Home in December.

Girls with at least one year of Home Economics who are interested in furthering their activities on the domestic front usually join the Future Homemakers of America. Plans center around activities that prepare the girls for careers in homemaking, which for many are not far in the future.

## *Pep Club*

This year school spirit reached a new high at College Park. Much of this new enthusiasm may be credited to a spirit group organized only this year—the Pep Club. The first and last years of high school are ones in which school spirit is most prevalent, so it is only natural that the membership of the Pep Club is composed mainly of sub-freshmen and seniors. Membership is, however, open to any student wishing to support the school's various teams and activities. College Park's Pep Club now is a familiar sight at all ball games, waving blue and white pom-poms and promoting pep.

"It is a communications system," explained a member, "acting between administration and students." This is the President's Council, composed of the presidents of each club at College Park High. A form of student government, the Council brings any "gripes" the student body may have directly to the administration, and vice versa, in hopes of clearer understanding, and possibly immediate solving of problems.

## Distributing the *ARIES*

Giving every student an opportunity to buy an *Aries* is the job of the Circulation Staff. During October the staff collected the initial payment for the annual, and in the spring they collected the final payment. Selling annuals was not the only job of the *Aries* Circulation Staff, however. These industrious people distributed the individual pictures of underclassmen and collected the payment for these pictures. This task was not as easy as it sounded, but the circulation staff accomplished it with its usual efficiency.

# Financing the ARIES

Many people have no idea of how much money it costs to publish the *Aries*—everything takes money, and most of the time it is not so easy to come by. Three-fourths of the money for the *Aries* comes from advertising, and someone has to go and solicit ads from the local merchants. This is the task of the *Aries* Ad Staff.

College Park's division of the Junior Red Cross, composed of representatives elected from every home-room in the school, this year exemplifies the old and the new. As is traditional for this group, members worked to make the Red Cross Fund Drive a success in November. Once again the goal of one-hundred dollars was met through individual donations by all students in the school. A new project, too, was undertaken this year by the Red Cross—each representative made small stuffed squirrels to be sent to orphans in Viet Nam.

No matter where his interest lies, one can always find a group of kindred spirits. The Science Club is a good example of this. For the benefit of those wishing to pursue careers in science, the club schedules trips to various laboratories and centers of research and development. This year the club visited the Redstone Arsenal in Huntsville, Alabama. They also entertained several interesting speakers at their monthly meetings.

Future doctors, nurses, lab technicians, physical therapists—these are members of the Allied Medical Careers Club. This group works to further its members' interest in the medical field through various field trips and the visits of speakers in the medical profession. This year the AMCC is planning to make a visit to the Emory Medical School, the Communicable Disease center, and another trip to the state Mental Institution at Milledgeville. On Halloween the group collected over one hundred dollars for UNICEF.

## Co-ed Hi-y

Primarily a Christian service group, the Co-ed Hi-Y is concerned with various aid projects such as this year's activities of sending Christmas cards to servicemen in Vietnam and of supporting Korean orphans. For their main project, however, the group has planned a "paint-up, fix-up" campaign for the Atlanta Humane Society.

Endless summer practices, the strenuous majorette camp, tense Friday night performances—these were experiences of the eight '67-'68 majorettes. Marching with the band at half-time, College Park's majorettes with new routines and with a new uniform presented each spectator with the highest quality entertainment. Their performances were the result of daily afternoon practices and early morning drills three days a week with the band. This year the majorettes sponsored several sock-hops.

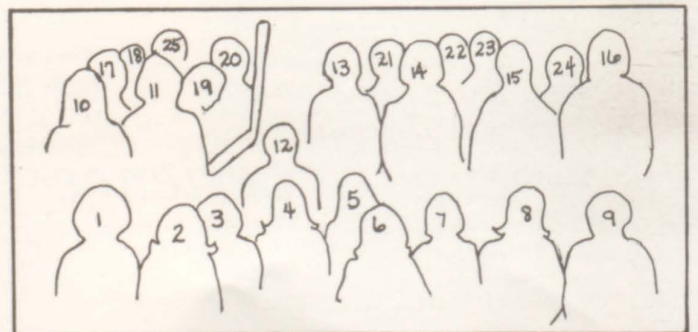

Educators are now saying that a quarter per school year should be given students to gain experience in business. The DCT group has almost done this in that they go to school part of the day and work the rest. Upon graduation many thus have a job ready and waiting, or many go to college.

Spanish Club, sponsored by Mrs. Hamilton, held on September 28 the annual Fall Fiesta in which Spanish clubs from Campbell, Russell, Headland, Lakeshore, and Hapeville participated. During the Christmas Fiesta, held on November 30, the Spanish Honor Society inducted 22 new members. Several Spanish Club students also enjoyed a dinner at the Spanish Restaurant El Palacio and a Spanish play presented at Agnes Scott College. During the first week in April this club sponsored the Pan American Week and Foreign Language Week at College Park High School. Activities consisted of speakers speaking on the value of Spanish and assemblies honoring outstanding Spanish students.

*Instruction in*

Students taking Library Education compose the Library Staff. Members learn how to use the library to its best advantage and attempt to help other students to do the same. One of the members of the '67-'68 staff, Jim Miller, served as president of the Fifth District Student Library Association. Of course, first semester neither staff nor students used the library to much advantage since the books were packed away in boxes in the auditorium. With the completion of the new modern library, however, students and library staff enjoyed the best possible library conveniences.

## *Future Musicians . . .*

Under the direction of Mr. Harold Scott, the College Park High School Band performs for the students and parents at the halftime shows during football season and at the annual Christmas and Spring Concerts. In order to be ready for these performances, the band practices every day at the sixth period and at 7:45 in the morning during football season. This April the band took a trip to Thomaston where they marched in the Rose Festival. The band members then crossed the Ga.-Fla. border and visited St. Augustine and other places of interest.

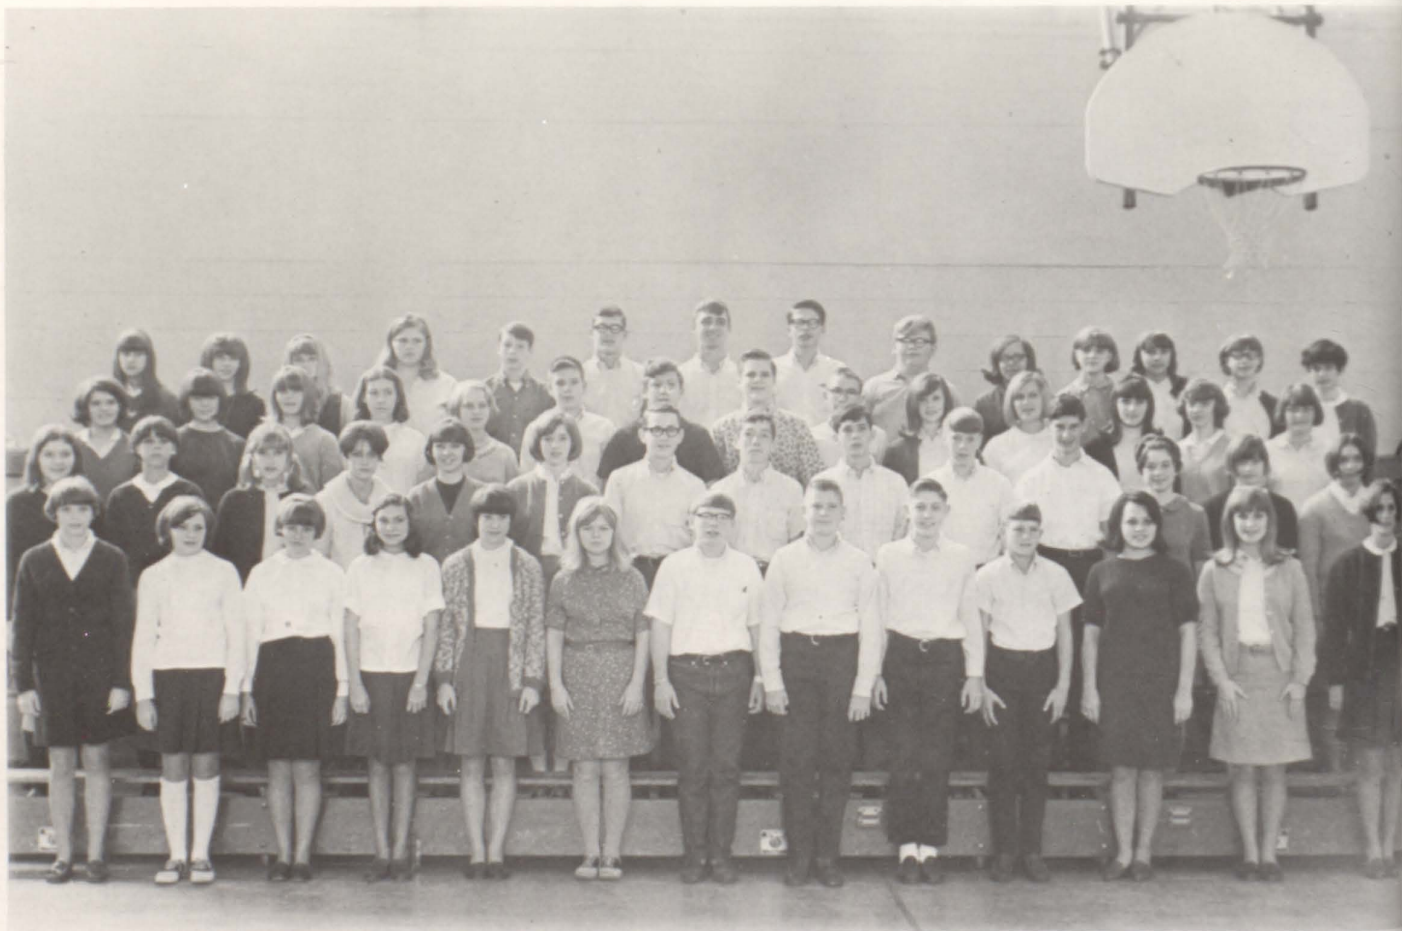

Once a week at 7:30 a.m. the College Park High School Orchestra, led by Mr. Richard Evarts, may be found at practice in the music building. Meeting at fourth period during the school day, the group of music enthusiasts prepares its performances for such events as the annual Christmas Concert and the Fifth District Music Festival in the spring.

## *Classical Musicians*

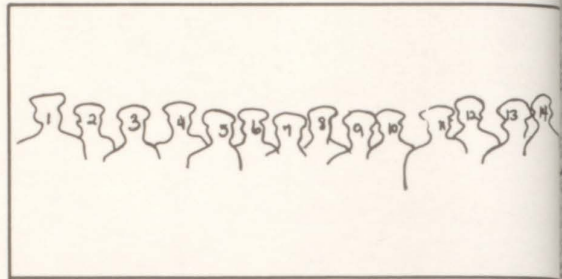

## *Excellence in Choral Music*

With a song in their hearts, many musically inclined students sing in College Park High's school chorus. Under the leadership of Miss Ruth Barron, the Choral Department, composed of the eighth grade, beginning, and mixed choruses, have this year presented the highest quality performances. These groups have performed at Christmas Concerts at Greenbriar Shopping Center, before the Parent-Teacher Association, and before the entire student body. Many individual members of the Chorus attended a music clinic in Athens this year and are planning to try out for the All-State Chorus in the Spring. The entire Choral Department will participate in the Fifth District Music Festival.

# Scholarship; Leadership;

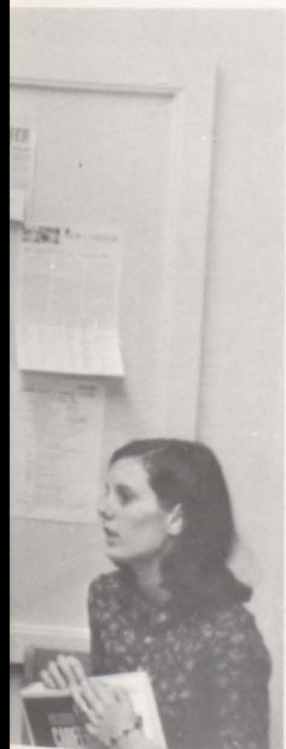

Even though members have "an awful time" trying to get together candle holders, learning to walk in the ceremonial robes, and practicing speeches for the induction, the National Honor Society maintains its status as one of the foremost organizations in College Park High. This fall, on November 22, the eight members, inducted in the spring of the previous year, inducted ten seniors into the Society. Inductees were chosen by the faculty on the basis of leadership, scholarship, character, and service.

# Rams Topple Headlan

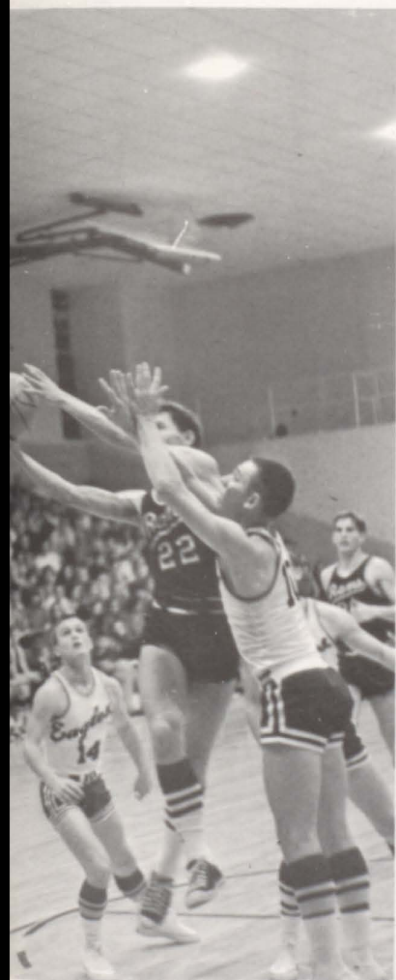

It's no secret that College Park's basketball team did not enjoy a successful year. After a one year absence from the game, Coach Ross took over as head man. Faced with a demanding schedule and few experienced players, he led the Rams through a disappointing season of four wins and seventeen losses. Although we did not win many games, the season did have some bright spots. Few fans will forget how College Park overcame a seventeen point deficit to defeat Lakeshore in the closing seconds of the game. Our greatest moment came on January 12 when the Rams humbled usually powerful Headland by a score of 55 to 50. Despite the poor season, College Park can look forward to next year when several promising juniors return to better College Park's basketball fortunes.

## *Girls Varsity Basketball: Another Successful Season*

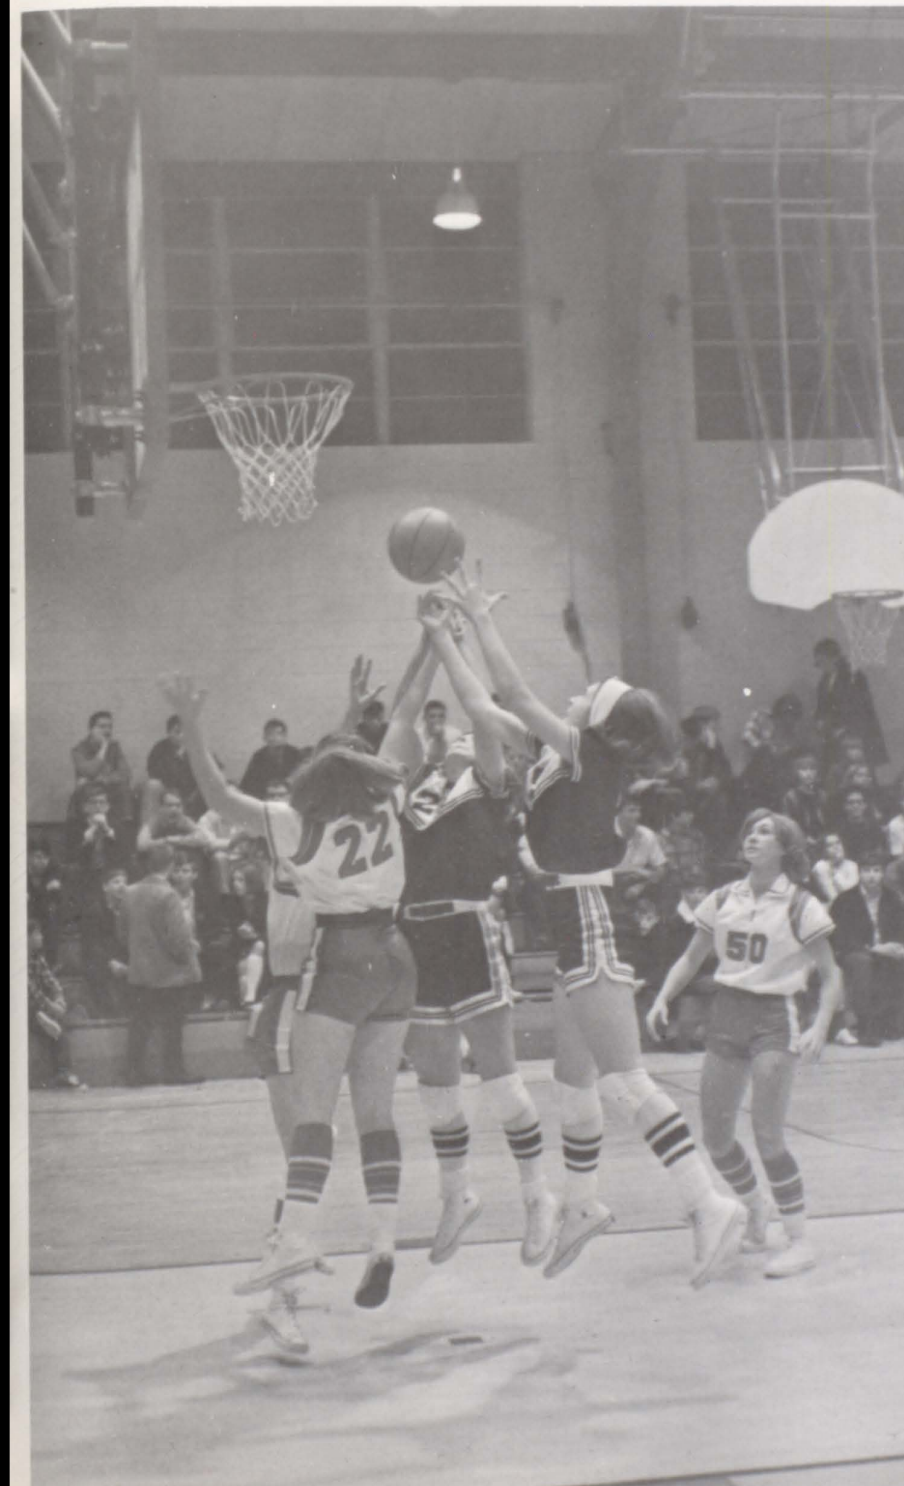

Once again College Park had an excellent girls varsity basketball team. Since only three girls returned from last year's region champions, they were largely inexperienced. What the team lacked in experience, however, was made up for in effort. Captained by Pat Markey and coached by Miss Hardie, they finished with a season record of eleven wins and seven losses and did well in the region tournament. Among other standouts on the team were Carol Nash and Patty Frazier on offense and Jenny Laird, Pat Stanley, and Nancy Shannon on defense.

*Top:* Pat Markey scores two of her many points.  
*Above:* Girls often get tangled up during the game.  
*Right:* Carol Nash jumps against a Lakeshore player.

*Lower Left:* Everybody gets into the act on this rebound. *Below:* Jenny Laird is one reason why we had such a tenacious defense. *Bottom:* Pat Stanley advances ball past the center line.

## Seniors Last Show

Although the girls basketball team has several outstanding players returning next year, it will be difficult to replace its two senior forwards. Pat Markey and Carol Nash. Pat, who played on the varsity for four years, was captain of this year's team. Few have been able to match her average of well over twenty points a game. In her three years of varsity basketball Carol Nash was equally effective. Regarded highly by her team, she served as co-captain of this year's team.

## *Boys B Team Basketball: Future Varsity Leaders*

## Girls B Team: Seldom a Loser

Although largely unnoticed by the student body, the B-Team girls have lost less than five games in the last five years. By practicing with the Varsity each day these girls acquire the skills needed for a winning season. Coached by Mrs. Hutto, our B-Team appears to be excellent material for next year's varsity.

*Front Row:* Dana Poetter, Beverly Garner, Debra Gordy, Susan Blackstone, Maxene Ruch, Pam Scott, Debra Bennett. *Back Row:* Susie Swett, Shane Stephens, Holly Wolfe, Vicky Israel, Carolyn Haley, Brenda Hall, Peggy Shaddix, Joyce Greer.

## Cross Country: 3rd in the Region

Although it took second place to football during the fall months, cross country seems to be a rising sport at College Park. Led by Bill Funches, the eight man team finished third in the region. Only through long hours of practice were they able to compile such a commendable record.

*Front Row:* Ronnie Barnard, Dave Clark, Tommy Waller. *Middle Row:* Tom Sills, Kenny Stephenson, John Nayfack. *Back Row:* Tony Bennett, Coach Ross, Bill Funches.

Not Pictured—Martin Toperzer, Joe Bosch.

Perhaps the most demanding of College Park's sports is wrestling. Since an athlete must have speed, agility, and great strength to wrestle, he must train diligently. Throughout late fall and early winter the wrestling team first lifts weights, second practices various holds and third runs around the track. This preparation comes in handy on the day of the match. Here the best wrestler in each classification battles an opponent for three two-minute falls. Among our most successful individuals were Barry Barron, Richard Ramsey, David Clark, Jon Allen, Earl Golightly, and Stan Norton. The season was highlighted by the region tournament held at College Park. This tournament pitted the best wrestlers in the area against each other. As a team College Park finished fourth. Barry Barron, Richard Ramsey, Earl Golightly, and Stan Norton were region champions.

# *Varsity Cheerleaders: Loyalty They Never Lack*

Composed of five seniors and three juniors, our varsity cheerleaders spread a new feeling of spirit throughout College Park. Their preparation for this year began early in the summer when they began practice. As early as registration the cheerleaders were boosting the student body for the first football game. No one can measure the endless hours they spent making signs for the players, decorating the halls, and perfecting their cheers. In addition to sponsoring the always popular Christmas Formal, this year the girls held a car wash in order to pay for new uniforms and megaphones. Respected by player and spectator alike, the varsity cheerleaders did a fine job of maintaining enthusiasm all year long.

Simple skits were often put on at pep rallies.

Denise Bond, Lynn Mable, Kathy Diamant, Jane Maughon, Rita Powell, Nancy Espy, Becky Maughon, Beth Hardin.

Like the varsity cheerleaders, B Team candidates were selected in the spring and began practice early in the summer. Not only did they cheer at all B Team football and basketball games, but they also sold programs at varsity games. Chosen early in the year, 8th grade cheerleaders were present at all 8th grade athletic events, aided the B Team in selling programs, and generally spread spirit to underclassmen.

# *ACADEMICS*

## *Administration*

William L. Lundy (*right*) and Garland M. Watkins (*below*) as principal and assistant principal respectively, have led College Park High School through the retirement of Mrs. Sara Cochran, the candy sale, the Federal Lunch Program and last, but not least, the Class of 1968. For these and other accomplishments they deserve the Student Body's admiration and respect.

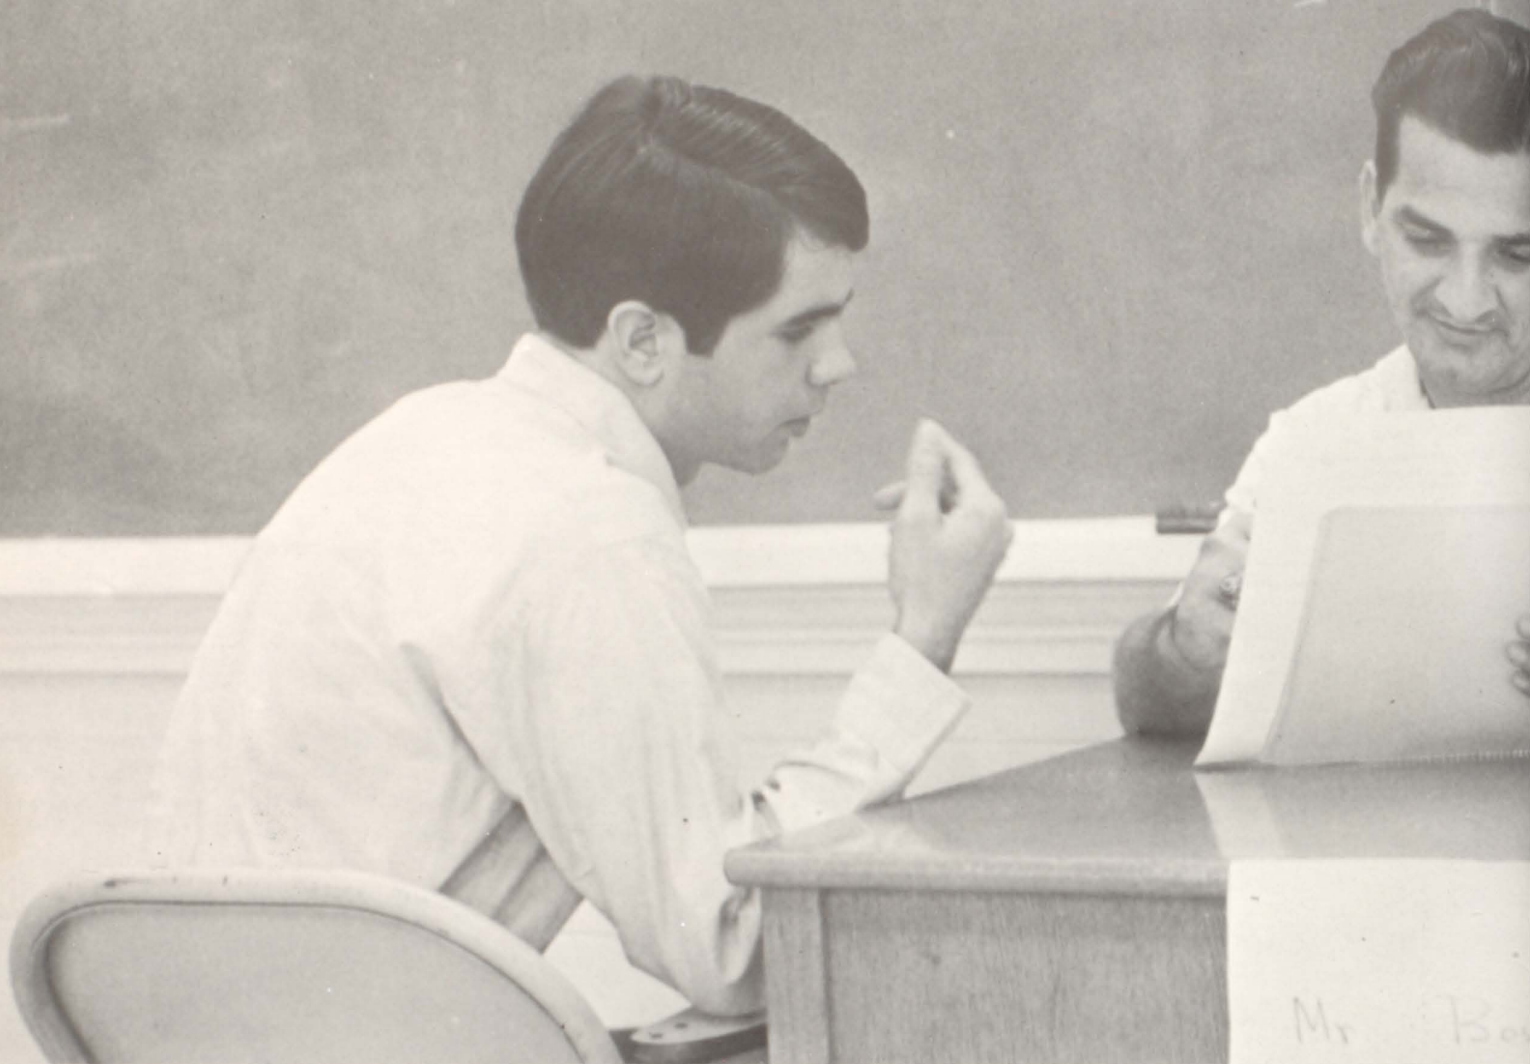

## Guidance and Counseling

The department of Guidance and Counseling at College Park High School has two main functions—first, to help the students with school problems, such as scheduling of courses, and second, to aid the Juniors and Seniors in their search for higher education.

The school is fortunate to have two counselors: Mrs. Gloria Howard (*bottom left*) and Mr. Joseph Bostardi (*top left*). Assisting the counselors are the counselors' aides, (*below*) who volunteer their time for one period each day.

# *Communication Arts*

The ability to express himself clearly and with forcefulness is the mark of the successful student.

To the Communication Arts Section of College Park High School falls the task of teaching future Lawyers, Doctors, Scientists and Businessmen to think, write, and speak clearly, in English, Latin, and Spanish.

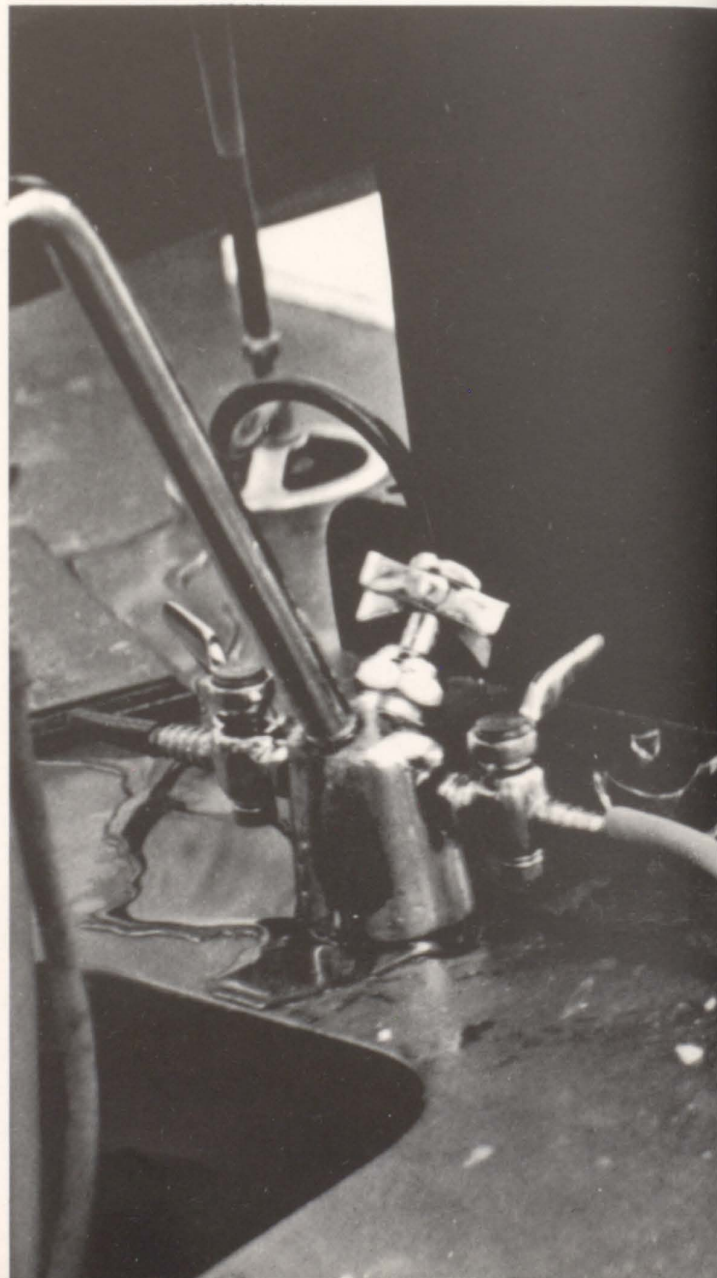

In short, the Communication Arts Section, through grammar and literature, strives to show the student how to communicate with his world.

## *Technology*

T. H. Huxley said that "Science is simply common sense at its best." In the Technology Section common sense is directed toward helping the student to a realization and understanding of the universe and the rules which govern it.

The Math and Science curriculum has steadily deepened and broadened until now courses of study are offered in Algebra, Calculus, Physics, Natural Science, and others.

# Social Science

The Section of Social Science expects the student to be many things in many capacities—he is to be a Humanist, a philosopher, a sociologist, a historian, and, not least, a thinker.

Social Science is the study of people, their histories, their activities, and their customs in relationship to others. The Section of Social Science offers courses examining each of these factors.

Mr. Kenneth Ross—*Physical Education*

The task of developing the physical resources of the student is the job of the Physical Education Section. Along with the six Physical Education teachers, are College Park's excellent facilities. The courses offered by the section are Health and Physical Education.

Mrs. Louise Brown—*Dietitian*  
Mrs. B. Biggers—*Library Clerk*

Mrs. Sally Lee—*Librarian*  
Miss G. Burns—*Asst. Librarian*

Mrs. Annie Oakley—*Clerk*  
Mrs. Irene Redwine—*Clerk*

## *Administration*

The Administration works to give College Park High School a semblance of order. Mrs. Oakley and Mrs. Redwine serve as office clerks. Mrs. Brown supervises the cafeteria as dietician. Mrs. Lee and Miss Burns, with the help of Mrs. Biggers, opened College Park's new library at the beginning of the third quarter.

# Business Education

The Section of Business Education endeavors to give students an appreciation of the business world and knowledge of business procedure. Courses offered include Bookkeeping, Typing, Business Mathematics and Business English.

Mr. W. R. Kimes—*Business Math*  
Miss Billie Beckman—*Business Education*  
Mr. James Freeland—*D.C.T.*

Miss Sue Kendrick—*Business Ed.*  
Mrs. M. Hunt—*Business Administration*  
Mr. Jack Cunningham—*Workshop*

# Culture

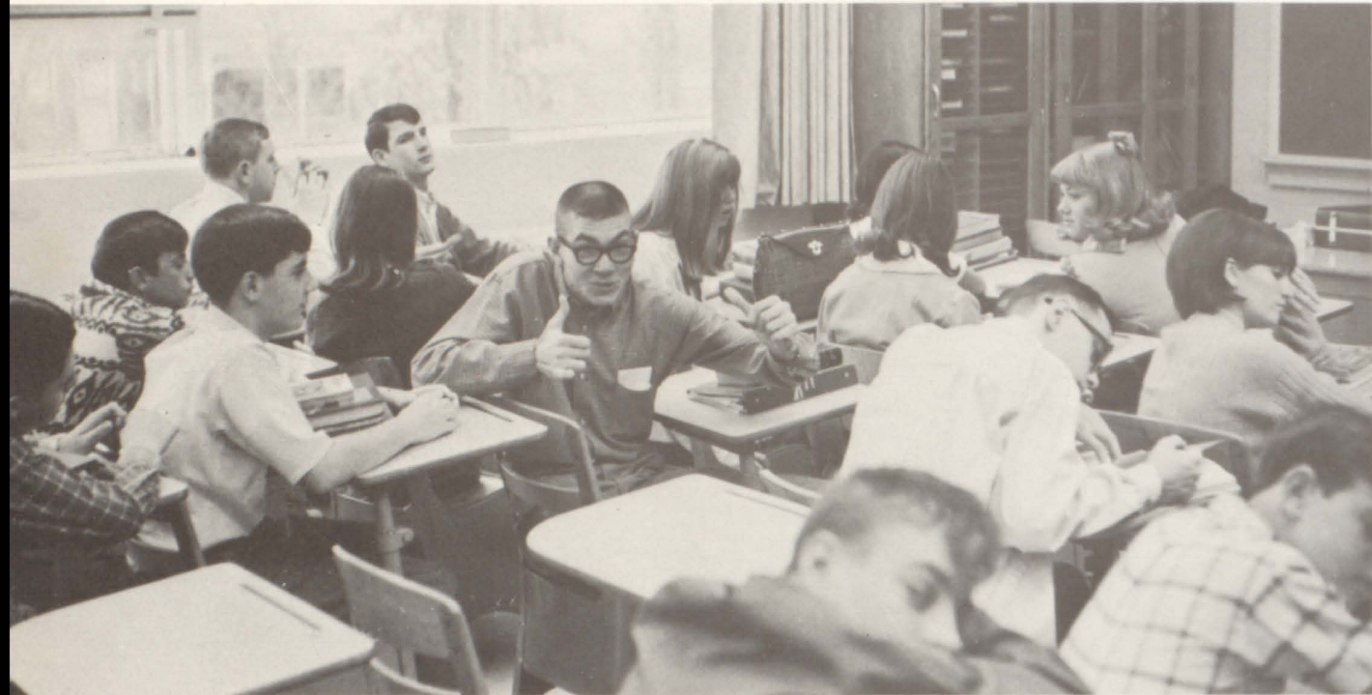

"Culture," according to Matthew Arnold, is to "know the best that has been said and thought in the world." Thus, the Culture Section strives to instill in students an awareness of life and art.

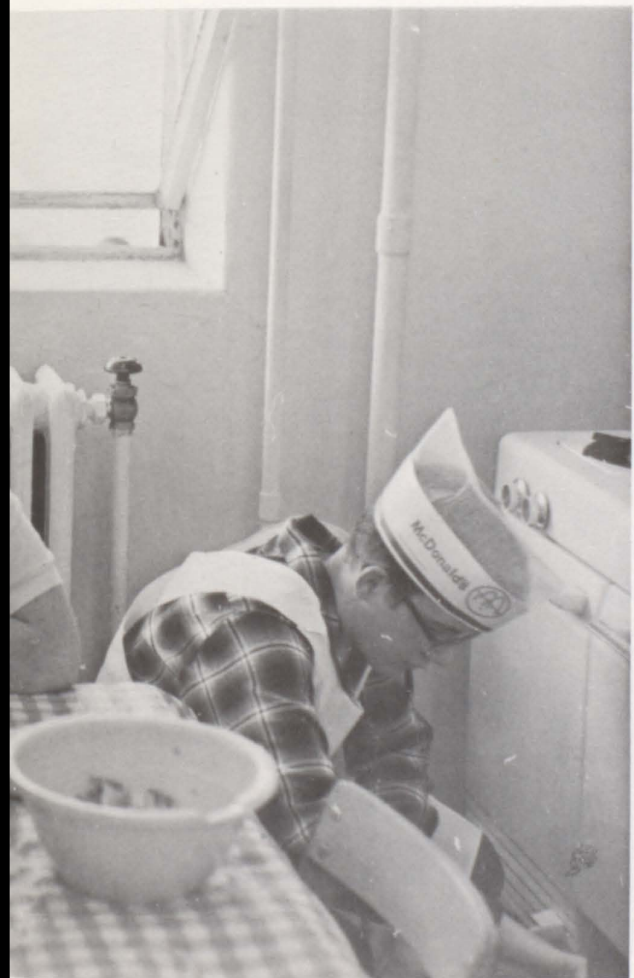

Mrs. E. W. Yarbrough—*Human Relations*  
Mrs. Nancy Willis—*Home Ec.*  
Mr. Joseph Scraggs—*Driver's Ed.*  
Miss Ruth Barron—*Music*

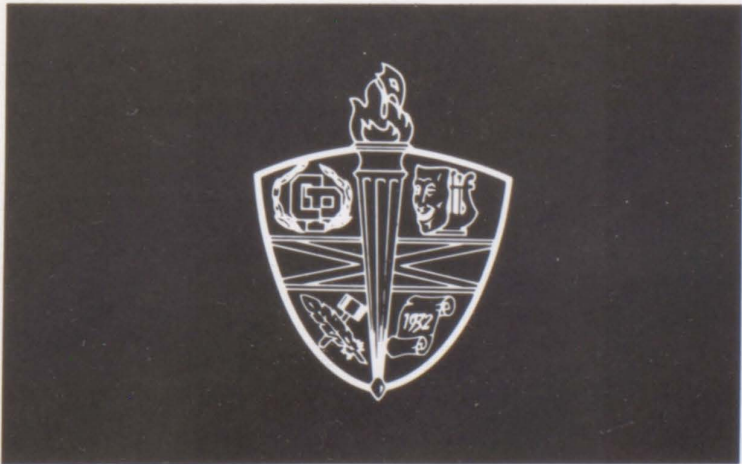

Mr. Richard Evarts—*Orchestra*

**HYMN TO A TURTLE**

(Sung to the tune of "I've Grown Accustomed To Her Face")

I've grown accustomed to your pace!  
 You're like a streak of blazing light!  
 I've grown accustomed to the blast  
 Of wind when you run past!  
 And when you zoom  
 From room to room,  
 You're like a burst of energy—  
 A comet racing through the night!  
 You're just a wild and crazy creature  
 who is uncontrolled and free!  
 No wonder I get dizzy when I see  
 you passing me!  
 I've grown accustomed to the rush—  
 Accustomed to the speed—  
 Accustomed to your pace!

(Sung to the tune of "The Girl That I Marry")

The Dane that I'm feeding,  
 I hate to say,  
 Is costing me 17 bucks a day!  
 He eats a daily meal  
 Of T-Bones and lamb-chops and shoulders of veal!

And when he is finished, he has a bowl  
 Of porterhouse steak and filet of sole!  
 His great yearning,  
 I am learning,  
 Swallows up every penny I'm earning!  
 The Dane that I'm feeding  
 Is constantly bleeding  
 Me dry!

## Epilog

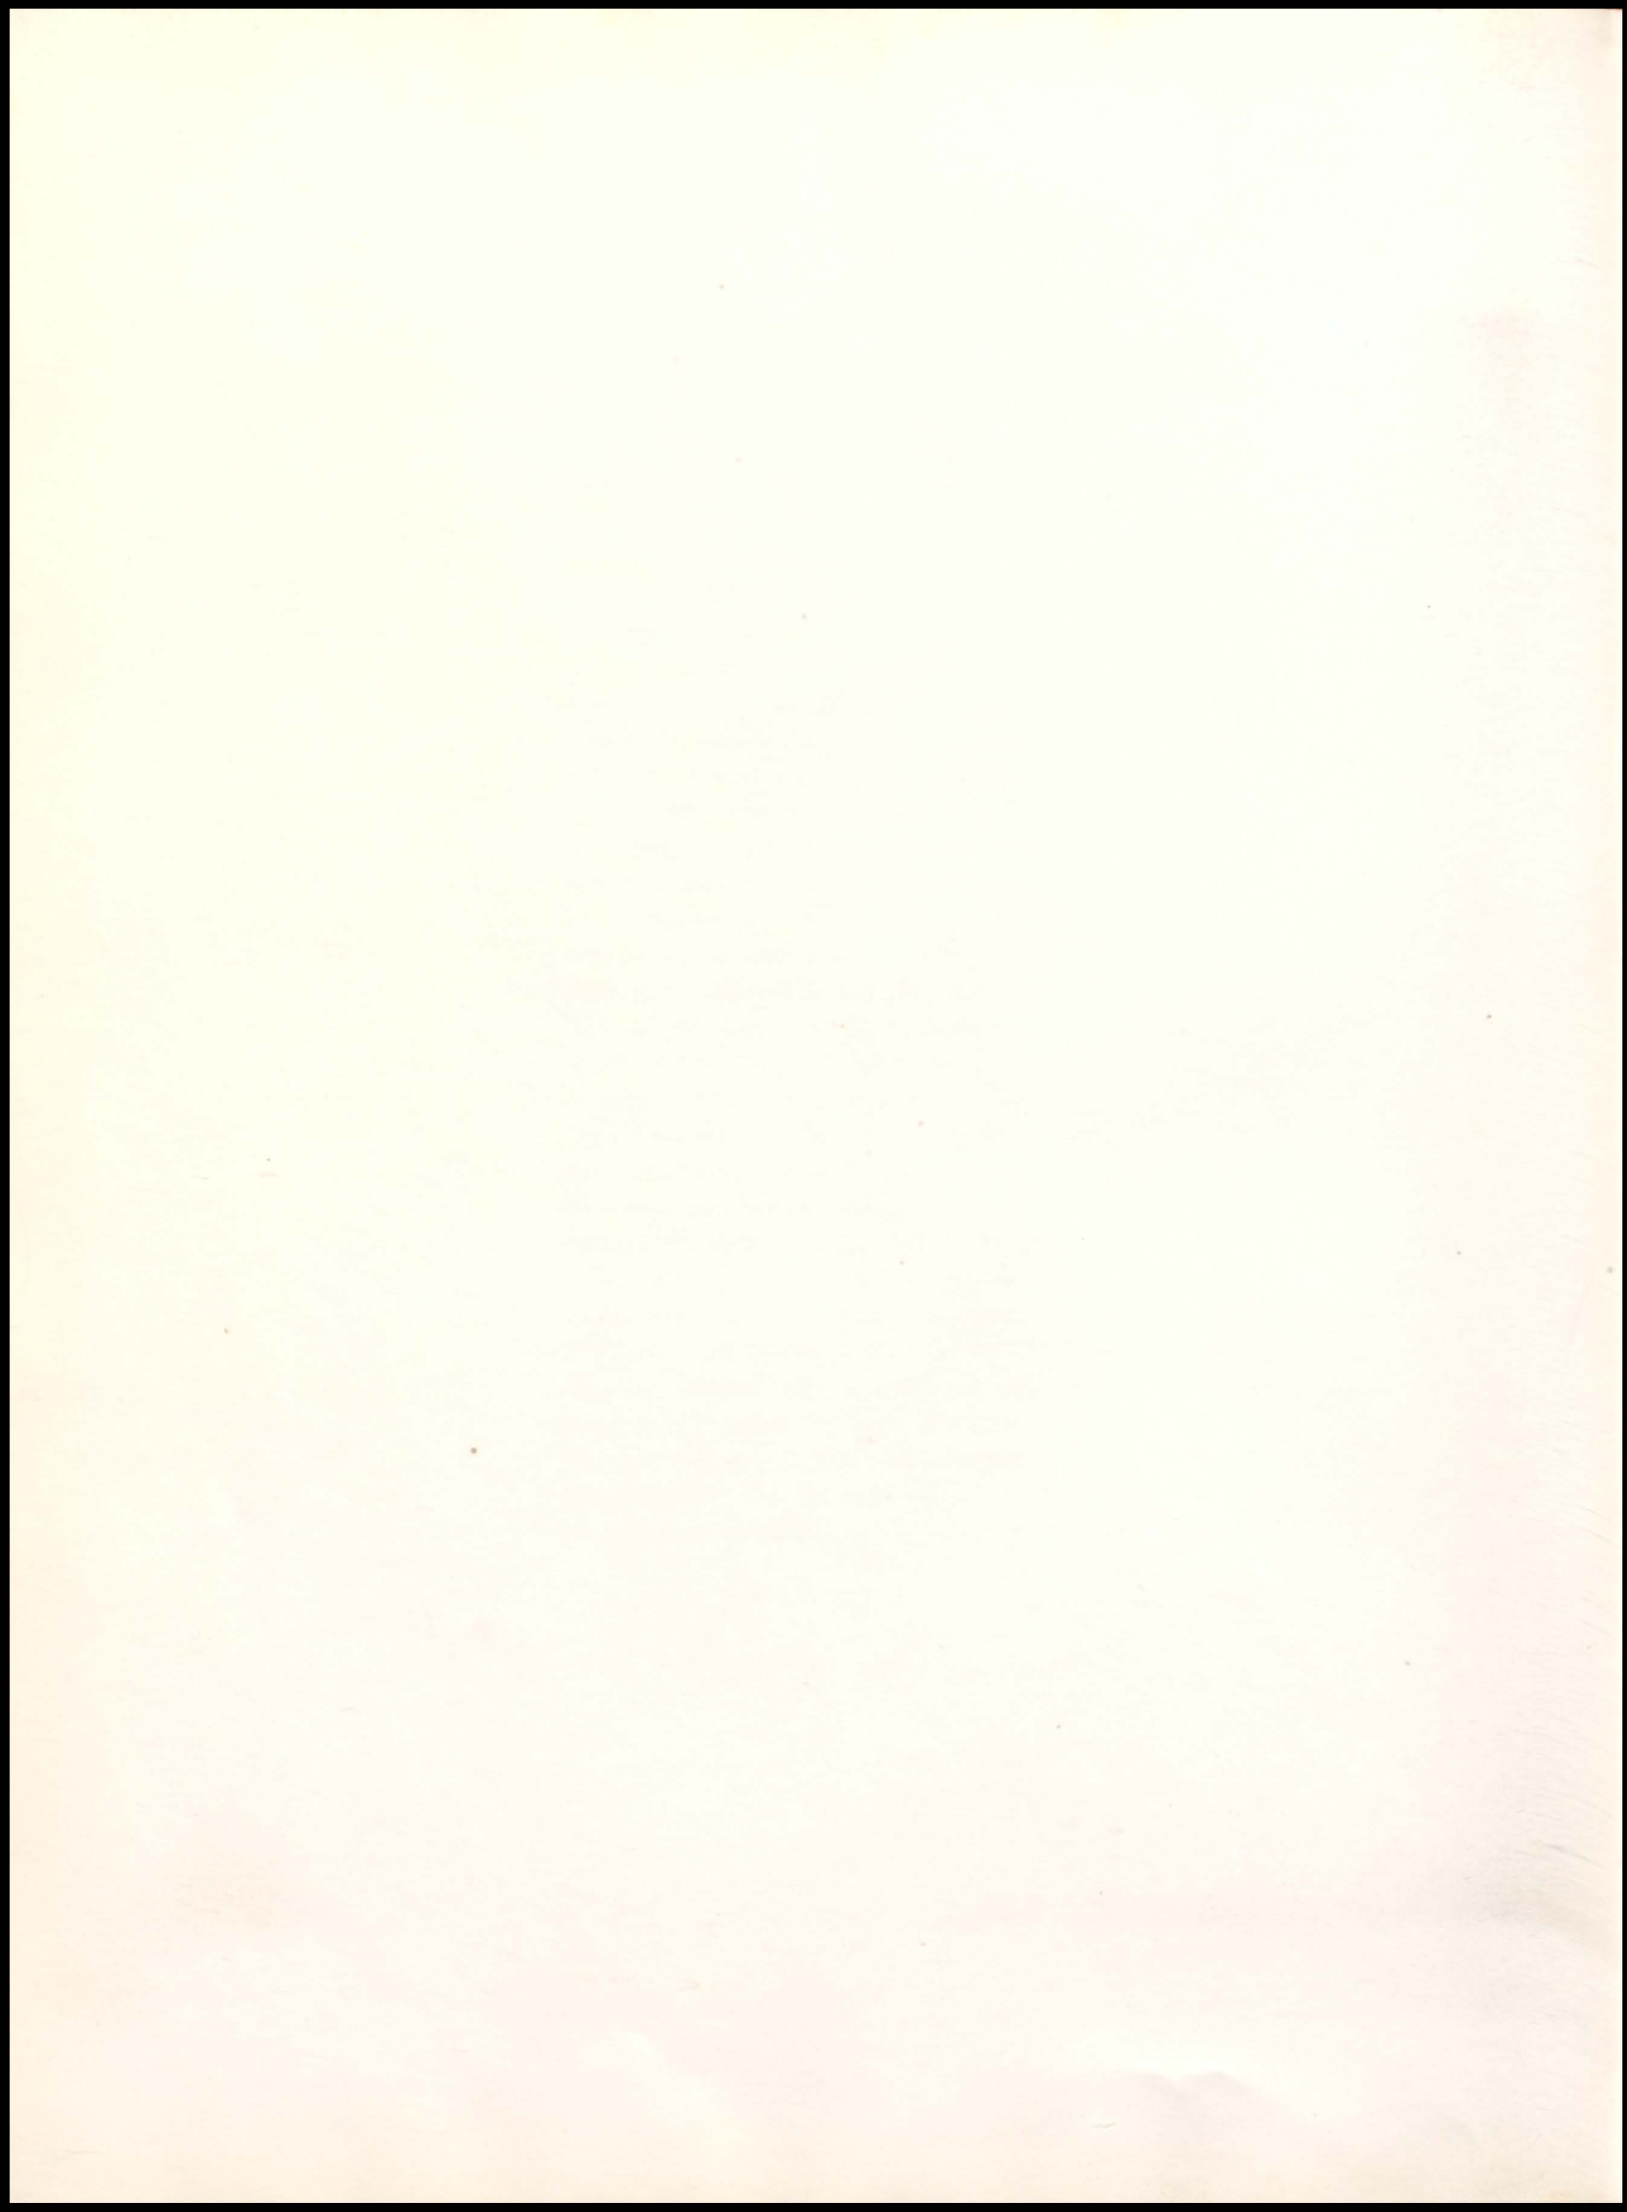

In this book we have attempted to compile and publish a pictorial history of College Park High School—1968. We have thus tried to present a realistic picture of the life of the average individual in his role as student. To accomplish this, we have put more emphasis on the candid photograph and less on the traditional posed picture, thus using pictures that on the surface show only a few students in action but in doing so represent the entire student body. We urge the reader to realize that these pictures are representative and worth much more than face value. Through the use of these pictures, also, we have attempted to reflect the changes that are so rapidly taking place on our campus. We hope that these reflections will serve the reader both now and in the future. In a time of change, we have tried to capture the memories of CPHS 1968.

We also wish to take this opportunity to thank each student and each member of the administration for their constant support and cooperation in helping us prepare this book. We hope that you will get as much satisfaction from reading the 1968 *Aries* as we have from producing it.
