# South Fulton: Hearing the Other Side!

**Annual  
Staff**

You cannot teach a man  
anything; you can only help  
him to find it within himself.  
— Galileo

A teacher who is attempting  
to teach without inspiring the  
pupil with a desire to learn  
is hammering on cold iron.  
— Horace Mann

All to myself I think of you,  
Think of the things we used  
to do,  
Think of the things we used  
to say,  
Think of each happy bygone  
day,  
Sometimes I sigh, and some-  
times I smile,  
But I keep each olden, golden  
while  
All to myself.

— Wilbur D. Nesbit

I will study and get ready, and perhaps my time will come.

— Abraham Lincoln

Education isn't play — and it can't be made to look like play. It is hard, hard work. But it can be made interesting work.

— Thomas A. Edison

The talent of success is nothing more than doing what you can do well; and doing well whatever you do, without a thought of fame.

— Henry Wadsworth Longfellow

Hear the other side.

— Saint Augustine
