*1965-66 . . . at Milton . . . a Full Year . . .*  
*Foreword*

The AERIE staff wishes to provide a lasting memory of the 1965-66 school year by presenting a complete yearbook. Every yearbook is, by nature, a memory book of ever-lasting value, especially to the graduating class. In order to fulfil its responsibility, a yearbook should be presented as informatively and entertainingly as possible. Therefore, the constant purpose of this staff has been to present a candid, yet comprehensive, record of the school year at Milton.

Traditionally, the AERIE has been dedicated to a person who has made a noteworthy contribution to the school in the past year. While there are many persons who are deserving of this honor, this year the staff wishes to recognize another important part of the school. Each student composes a valuable part of the school, for it is the student who has given Milton its achievements. Therefore, the 1965-66 AERIE staff dedicates this yearbook to the student body and each INDIVIDUAL student.

# *To New Experiences*

Perhaps the most significant factor in the life of a high school student is friendship. The student is in constant contact with the friends he makes in high school. Friends are seen together in the halls, at lunch, at the games, and on dates. A student's personality, values, and opinions are influenced by his friends, and his most exciting and pleasurable experiences are shared with them.

Mark Greene makes his get-away!

The History Club's choral line entertains the student body.

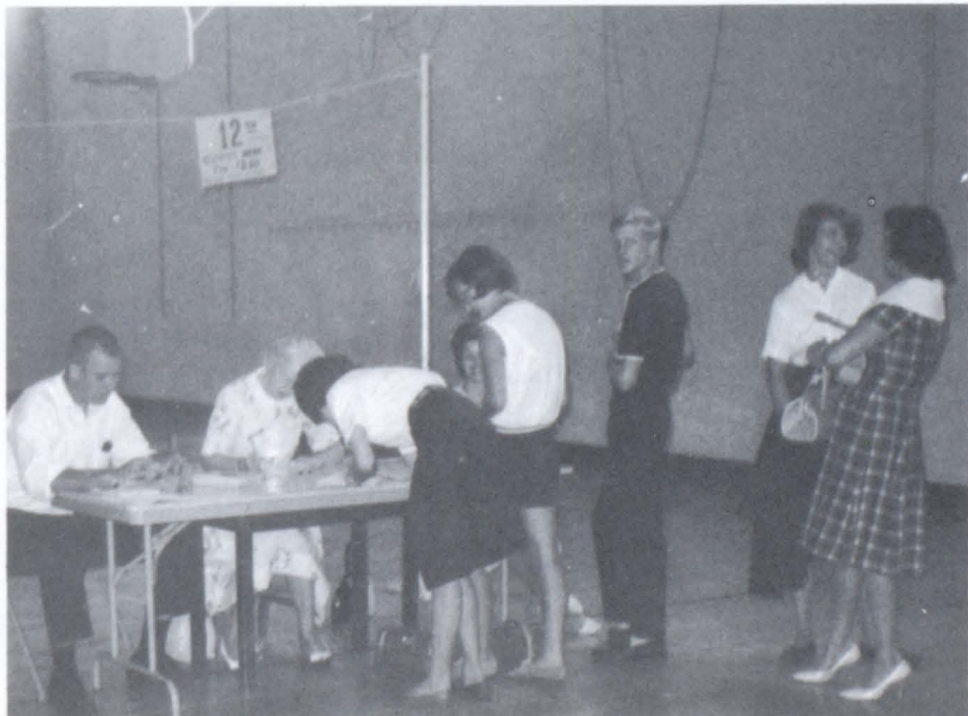

*Influenced by Varied Experiences . . .*

*From the Mass Emerges . . .*

Betty Vaughan and Randy Crenshaw, vice-president and president of the Senior Class, await the climax of their high school years, graduation.

## . . . An Individual

THE MILTON STUDENT . . .

THROUGH INSTRUCTION . . . The student at Milton is taught how to think, not what to think. An excellent faculty insures each student of a thorough training in all academic areas.

THROUGH ASSOCIATION . . . The student learns by associating with others. Just talking with friends, whether it be in the halls, at lunch, at the game, or on a date, is a good way to understand people and build friendships.

THROUGH IDENTITY . . . The student identifies himself with his school, and is, to some extent, a product of it. Every boy wears his red and blue jacket, a symbol of identity. The lively, vigorous spirit at Milton affects each student.

THROUGH ACTIVITIES . . . The students' interest is stimulated, and his abilities are developed through a varied extra-curricular program of activities. The activities at Milton are constantly changing to meet the demands of new interests and ambitions.

INFLUENCED BY THESE VARIED EXPERIENCES, FROM THE MASS EMERGES . . . The total effect of a high school education is difficult to define. One only feels that, as a result of these experiences, an educated citizen is better equipped to face the challenge of the future as . . .

. . . AN INDIVIDUAL.

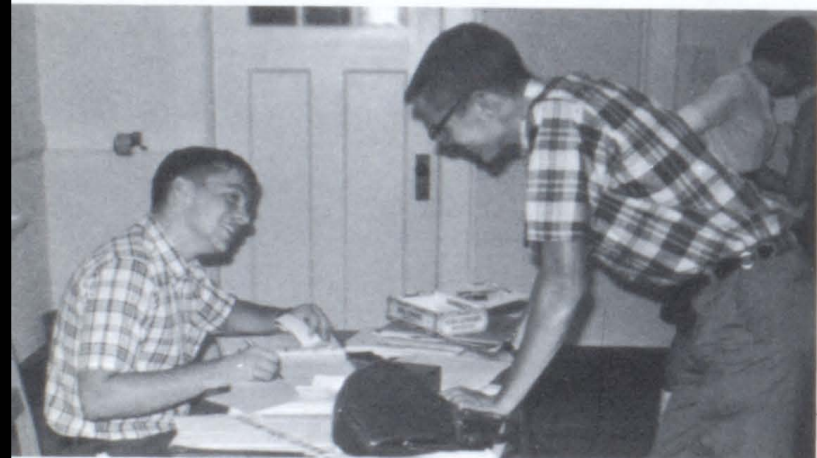

At the beginning of this school year all the students of Milton were pleasantly surprised to find out that one of our former faculty members was back again, but with a rise to principal. Mr. Carrol M. Beavers left Milton to be Sandy Springs counselor for one year and visiting teacher for another. With these two jobs under his belt, he has made his first year as a principal a good one. And many of us, the Milton students, have been glad, more than once, that he did come back.

## *Sheila Estes Captain*

Sheila Estes, 6' tall and the only senior playing girls' basketball, really holds the team together. She has played first string four years and has made an outstanding captain for the past two. Sheila is not limited to one position; she is able to change from forward to guard as needed. Although she is continually improving in every way, Coach Hawkins feels Sheila has "particularly improved in shooting during her senior year." The team will miss Sheila's basketball ability, but her friendliness, enthusiasm, and joyful personality will be hard to do without.

**JANE BURGESS**  
FORWARD

Jane has made a fine all-round player. She has shot approximately one-thousand points in the past two years, and last year she was voted "Most Valuable Player."

**BABBIE GREENE**  
GUARD

Babbie is a three year regular for the defense. She is an excellent rebounder and has a lot of determination. She was voted "Player with Most Spirit" last year.

**SHERRY HAGOOD**  
GUARD

Being a good ball-handler and dribbler are only two of the qualities that have made Sherry a two-year regular. She has improved greatly in all phases of defense this year.

Kathy is a real scrapper with terrific speed. Coach Hawkins feels "Kathy has improved this year in her teamwork and all-round guard play."

**KATHY WORLEY**  
GUARD

Earline is a hard worker who has really applied herself in basketball. She is an inspiration to the younger players because of her effort.

**EARLINE CATO**  
GUARD

Annelle has worked to improve herself in all facets of the game. She has particularly improved in shooting and team play this season.

**ANNELLE JOHNSON**  
GUARD

WANDA PERRY  
FORWARD

Wanda is a natural athlete with great jumping ability. She shows real promise and is an excellent shot.

GAILE REECE  
FORWARD

Gaile is a sophomore and has an outstanding two-hand outside shot. She is a good prospect as a regular in the future.

NANCY FOUTS  
GUARD

Nancy loves basketball and has worked hard to improve herself. This year she has excelled in rebounding particularly.

"Lefty" is very quick and is improving every game. "She is a good driver and shows promise in the future," commented the coach.

BRENDA MARTIN  
FORWARD

Sharon is a speedy 10th grader who could become a fine guard. She has good jumping ability and is an excellent dribbler.

SHARON WALKER  
GUARD

Denise is a freshman with fine potential. She is an excellent dribbler and ball-handler.

DENISE McFARLAND  
GUARD

**KATHY REECE**  
FORWARD

Kathy is a freshman who shows a lot of promise. Coach Hawkins feels that she could develop into a fine shot.

**MARSHA WEBB**  
GUARD

Marsha is an enthusiastic guard. With hard work she should prove promising in the future.

**MAYNITA FOUTS**  
MANAGER

No team is complete without an enthusiastic, dependable manager. Maynita has completed this job for two years.

The tireless energy, hard-work, and good sportsmanship shown by the B-Team Girls is unable to be compared. They have played a fine season and improved every game.

### Mr. Clayton Hawkins

Coach Hawkins has led the Girls' Varsity to a record of nine wins and four losses--a record unsurpassed in several previous years of girls' basketball. Last year the varsity placed second in the Sub-Region; this year there is a chance they will be state winners--either on the scoreboard or in sportsmanship.

Guards struggle for the ball.

Mr. Hawkins coaches on the side.

Wanda scores 2 points.

Lady Eagles are victorious!

Shelia steals the ball!

Mr. Carroll Beavers

Mr. Carroll Beavers' return as our new principal has meant a great deal to both the students and the faculty at Milton High. When he left a few years ago, Milton counted it as a great loss, but his return in a higher position greatly makes up for it.

This has been a year that none of us will soon forget. We owe our sincere thanks to those who have made this year's AERIE possible with their never-ending patience and hard work: Miss Thompson, whose labor never ended; Mr. Beavers, who gave us his full cooperation; Mr. Brandon; and our photographers.

The annual staff should not be overlooked. Each member worked diligently until that final deadline was met.

Again we would like to thank all those who had a hand in making this year's AERIE possible. It was truly a memorable experience and a great honor to be the head of the 1966 AERIE.
