REGION 4-AA

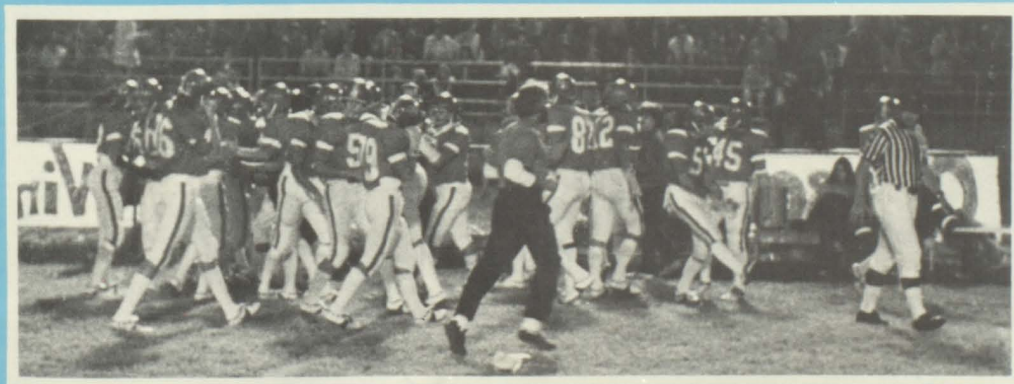

If you think you are beaten, you are;
If you think you dare not, you don't.
If you'd like to win, but think you can't,
It's almost a cinch you won't.
If you think you'll lose, you've lost,
For out in the world we find
Success begins with a fellow's will;
It's all in the state of mind.

If you think you're outclassed, you are;
You've got to think high to rise.
You've got to be sure of yourself before
You can ever win a prize.
Life's battles don't always go
To the stronger or faster man;
But soon or late the man who wins
Is the one who thinks he can.

The day begins and everybody starts arriving at school and waiting for school to begin.

School starts and there is a mad rush in the halls while people stop to do little things and get to class.

**Everybody makes it to class
and settles down to the nitty-
gritty of the day.**

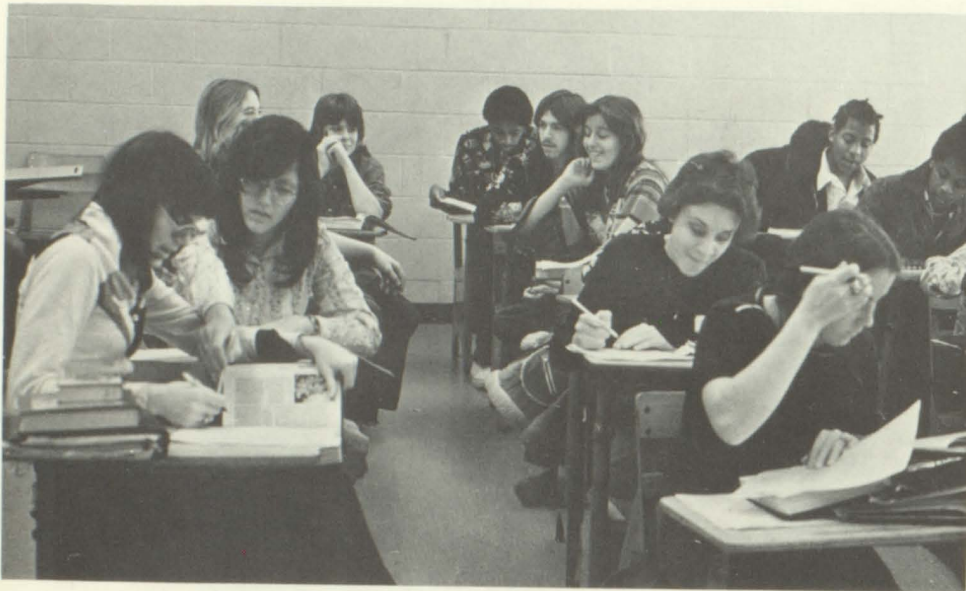

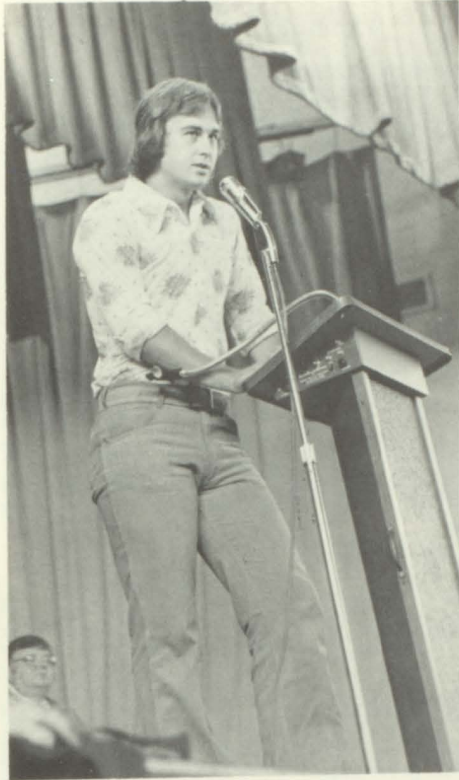

Around noon the school receives a break to eat lunch and relax before classes start again.

Afternoon classes start; it is back to studying and hard work.

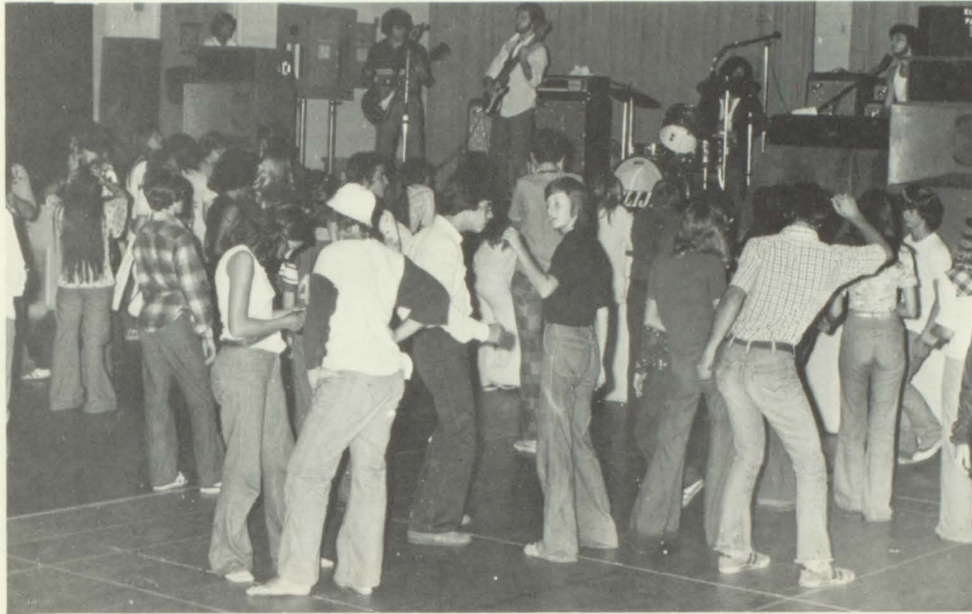

Sometimes the school earns a break in the afternoon with an assembly or a pep-rally.

School ends and the roads and halls are crowded with people trying to leave and go home.

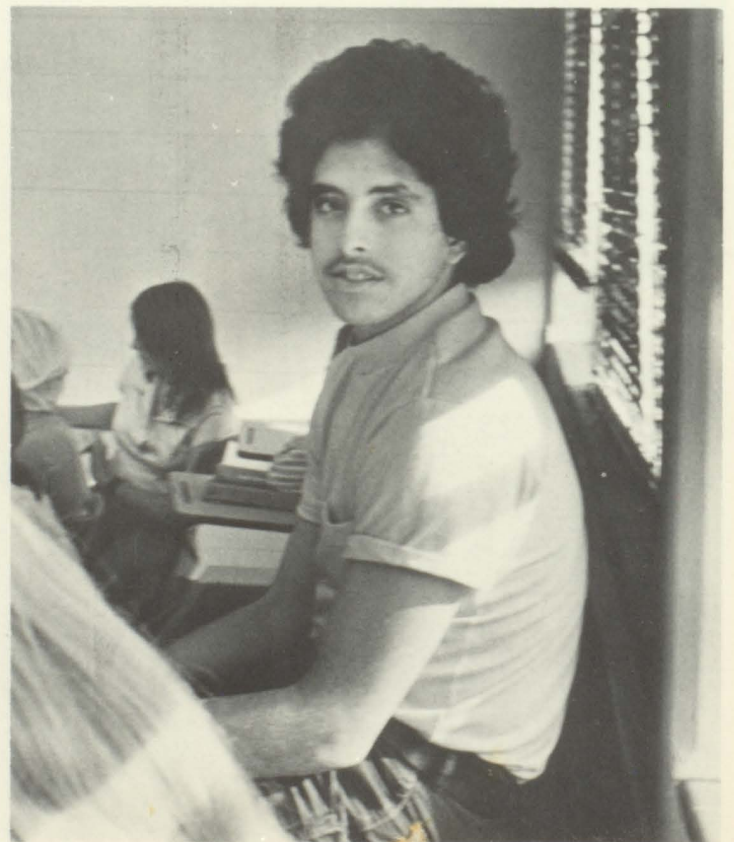

Some students end a good school day by going to games and boggien to the music at dances and soc-hops. Thus ends a day in the life of Lakeshore High School.

CLASS OFFICERS

1) Great! I was glad. 2) There's nothing I like least. What I like most is the responsibility and authority. 3) More ups. 4) Easy and enjoyable.

Tim Steele,
Senior Class President

1) I was really surprised. I thought Ricky would win. 2) Not being able to graduate early. I finally feel like I'm doing something around the school. 3) More ups. I thought we did a pretty good job on Homecoming! 4) It's pretty neat. I understand him better now, and can understand the decisions he makes.

Glenda Harris,
Senior Class Treasurer

The senior class officers were asked a series of questions about their jobs. Here, in print, you will see their actual answers to the following questions:

- 1) What was your first reaction when you found out you won?
- 2) What do you like least about your office? Most?
- 3) Have you had more ups or downs while in office?
- 4) How is it to work with the principal?

1) Oh Goody! 2) Having to leave LHS. Being involved. 3) About the same of each. 4) It's exciting. I got to know him better and got to understand his job.

It all began in our eleventh grade year; rings were given out and we were officially Seniors. The invitations show that we want everyone to know of our great accomplishment; We finally made it. The cap symbolizes the knowledge we have attained through twelve years of

tears, agony, and joy. A diploma is a sign of our step forward in society, and the hopes of future achievement. Our nation's flag is a reminder of our spirit, the nations spirit, and the spirit of the years to come.

Eighth graders spend their days doing many interesting things. Being the youngest students at Lakeshore, they are the most comical students around. They are always seen with a smile on their face and a glow in their eyes. Sitting in class or eating the great lunches served in the cafeteria, there's always a smile on their face.

SIA

SIA (Students In Action) is a unique service club designed to give eighth graders more opportunity for participation in student life. In 1972, Sunny Mandich, an eighth grader, spoke with Mrs. Scott, Mrs. Stapleton, Mrs. Moore, and Mrs. Adams about the possibility of organizing such a club. Together they pursued the idea and, with the help of the College Park Junior Woman's Club, set up the club. Among the many projects of the club are sunshine boxes for the sick, an egg hunt for the Palmetto Children's Home, and several visits to nursing homes. The club also takes an annual trip to Six Flags. The first and third Tuesday of each month is the usual meeting day.

The game of chess requires much concentration and thought. In order for the club to function it is important for both the members and the sponsors to attend meetings and develop a more effective chess game. This year's members are listed below: Mike Price, President, Ed Harmon, Vice President, Ann O'Hearn, Secretary/Treasurer, David Bryant, Jennifer Elliott, Merry Lynne Elliott, Russ Gibbson, Gail Huey, Bart Mellroy, Jeff Ogilvie, Mr. Collins and Miss Outlaw, Sponsors.

Fifteen years ago Lakeshore established a Library Club in the hopes of furthering the knowledge and skill of the student library assistant. The club has been honored through numerous GALA awards; among them first prize scrapbook three times and state honor club six years. In addition, the GALA state treasurer automatically comes from our school. Meetings take place once a month as the students work on sales projects. Mixed Chorus

Mixed Chorus has been in existence for many years. The Chorus is formed by students who have a great appreciation for the art of music. They enjoy singing all types of music ranging from classical to pop. The Chorus is very involved in performances this year. They have already sung at Greenbriar along with a Christmas concert given to the PTSA. Mr. Williams has done an excellent job with the chorus his first year here at Lakeshore.

The purpose of Vocal Ensemble is to promote a high level of music appreciation through public performance. This year Vocal Ensemble performed at a children's home and Highview, a retirement home. On December 13, All State chorus tryouts were held, followed by a Christmas concert on December 15, for PTSA. The Ensemble meets every Tuesday night at 7:30 and has warmups during the morning before school. The Ensemble is planning a Broadway Review soon.

The orchestra is composed of string, woodwind, brass, and percussion instruments. It is under the direction of Mrs. Guinn who has been at Lakeshore for one year. The students have class every day, practices after school, and perform at PTA and the Spring concert. All of the students are very talented and some are hoping to study music in college.

The Lakeshore Symphonic Band has brought many honors to Lakeshore, and is known statewide as one of the top symphonic bands. The band performs many programs throughout the school year; among them a Spring Concert, Christmas program, and Symphonic Band Festival. This year the band continues its record of superiority under the direction of Mr. Michael Geracy.

Lakeshore's Booster Club has always been an important factor in the school's future. Every year the club sponsors several fund raising projects in order to finance many of the school's activities. This year's projects include: selling fresh fruit and a school wide dip supper. Without the Booster Club many of the departments in L.H.S. would not be able to accomplish projects and goals. A special thanks from Lakeshore should extend to the officers of the Booster Club.
 Pres.—John Young—V. Pres.—Rex Miller—Sec.—Corrine Chandler—Treas.—Jean Lindlief

Every month Lakeshore's PTSA meets to discuss business and present a variety of programs for club members. The main objective of the PTSA is to involve parents, teachers, and students in the happenings of Lakeshore High. Often the PTSA and Booster Club join together to accomplish main goals for the school. The success of each project is due to the hard work of the PTSA's officers.
