OF LOST LANGUAGES

nce upon a time, somewhere far away in the realm of Fultonia, there existed a land called Atalanta. In the northern most part of Atalanta stood a magnificent hall of knowledge or Crista Silva as it was commonly called by its inhabitants. It was to this very hall that young Silvans were sent by their parents in pursuit of the coveted ring. Ah! The magical ring! The process for its attainment was a very serious and revered matter. For five long years the Silvans would be subjected to many obstacles; from lonely mathematical mountain ranges to dangerous language swamps. The course was rough, but each Silvan agreed that their reward — the golden ring — made up for the treacherous trials they encountered. Different age groups could not be expected to meet the same requirements, so the Silvans were divided into four categories, respectively, from youngest to oldest: Idgets, Widgets, Midwidgets, and Gradwidgets. For guidance and protection, it was decreed that they should be entrusted to the elders of Atalanta, and a group fondly referred to as Wizards, by the students. They, the repository of all knowledge, were well qualified to instruct the intense training and discipline needed for the long journey. They transferred their knowledge to the various groups with the same exactness which they themselves had been taught.

Now, about the journey itself, the path was a set tradition passed on by their ancestors, and unchanged since the beginning of time. It was encased by a land which looked, if you can imagine, somewhat like a small continent. Each group of Silvans, no matter which Idget phase they were in, had their own small plot of land where they lived and trained.

This year's Arsenal chronicles the challenges faced by the typical Silvans as they progress from Idget to Gradwidget. Turn the page, and journey with them in their pursuit of the magical ring.

The squad was led by captains Scott Thomas, Scott Chesin, Mark Fitzgerald, Tommy Garner, and David Ingrassia. Coach McClure seemed very pleased with his team's performance this year and said, "This team has the potential to be one of the best teams at Crestwood." The future of football at Crestwood looks good with teams like this one.

TOP ROW: Coach Tuck, Tommy Garner, Scott Thomas, Ken Nations, Creighton McCubrey, Mark Fitzgerald
KNEELING: Lee Elrod, Larry Mead, Spencer Patterson, Scott Geib, Doug Ciuba

The eighth grade basketball team, coached by Terry Tuck, had a disappointing season with a final record of 3-8. The team was led by captain Lee Elrod and co-captain Tommy Garner. With a few more years of experience and added confidence, Crestwood will have some good basketball players.

A.F.S. American Field Service

Since I have to be brief, first of all, I will point out the hospitality and the helpfulness of almost everybody at school, at home, everywhere, and I think this was essential for my interperation and my adaptation to my new way of life.

Many people ask me if I prefer Belpium or United States. Well, I simply don't know. Leave your country is to leave all kinds of things you like, cut ties with your culture, however, nothing is better than to go and live in a foreign country and try to understand the people, their culture and their values. Finally, I am very happy to live this very enriching experience for the knowledge of others as well as myself. I now can more equitably criticize a foreign society, judge my own from outside and try to improve my own reactions and behavior.

Didier.

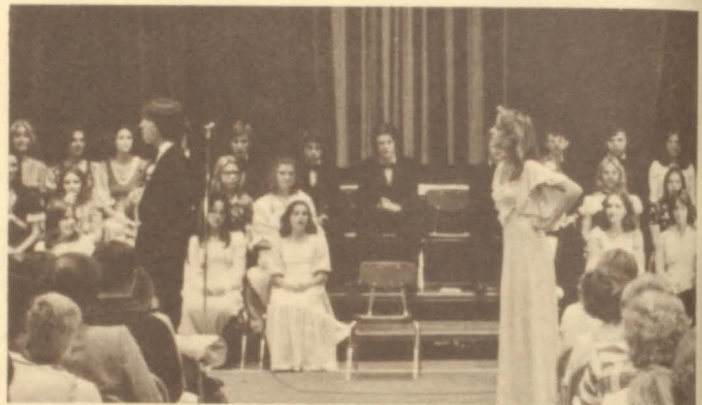

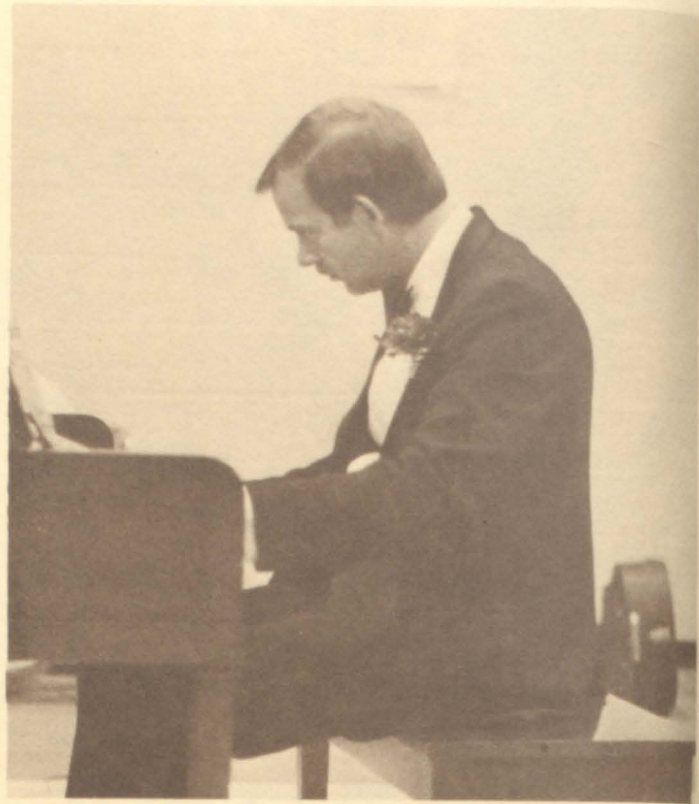

French And Spanish Clubs

The 1976-1977 French and Spanish Clubs, in order to promote interest for themselves, took one day out of the grinding routine, and had an afternoon of pure fun. Members of both clubs dressed up as French and Spanish people, cooked native dishes, and indulged in the food. Also, they learned about old and new customs of both countries. All in all, the events of that particular day are to be remembered by many! Captured on these pages are the festivities in all their excitement . . .

Crestwood's 1976 Junior Varsity football team started their season with a bright outlook on things, dressing out forty players. They played many AA and AAA schools. The two main upsets of the season were Berkmar and Riverwood. Led by captains John Garner and Mitch Furbush, the team showed great improvement throughout the year. Since the team was made up of about half sophomores and half freshman, Coaches Camp and Gann look forward to a good season next year, and feel their players moving up to the Varsity will do very well. The Colonels ended the season with a 5-4-1 record. The awards for achievement went to John Garner, MVP; Steve Andrews, Outstanding Offensive Lineman; Mitch Furbush, Outstanding Defensive Lineman; and Chip Irle, Outstanding Defensive Back.

John Born turns corner sufficiently ahead of Ridgeview's competition.

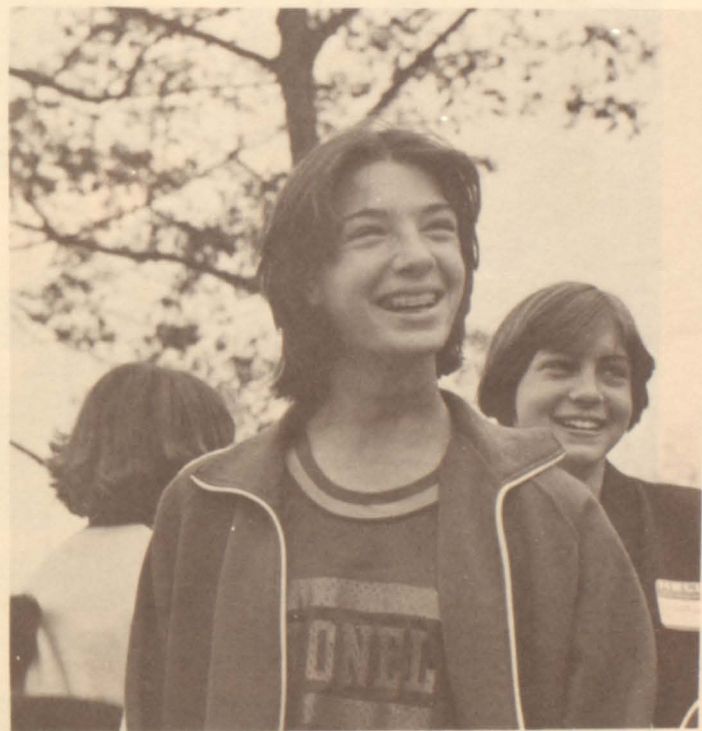

Jennifer Silver placed third out of a field of over thirty girls.

BOYS: This year Crestwood's boys' cross country team had a rather disappointing season. Despite possible high hopes, they were unable to send a runner to state competition. The teams' top runners were Pete Winkel, Tim Derum, Brett Ellington, and Jeff Pinnell.

GIRLS: The 1976 girls' team, coached by Terry Tuck, was Crestwood's second team to win a state title. Taking six runners to state, they were able to clench the championship with thirty points to spare. Emerging from the team were gold and bronze medalists. This makes Coach Tuck's second state championship team.

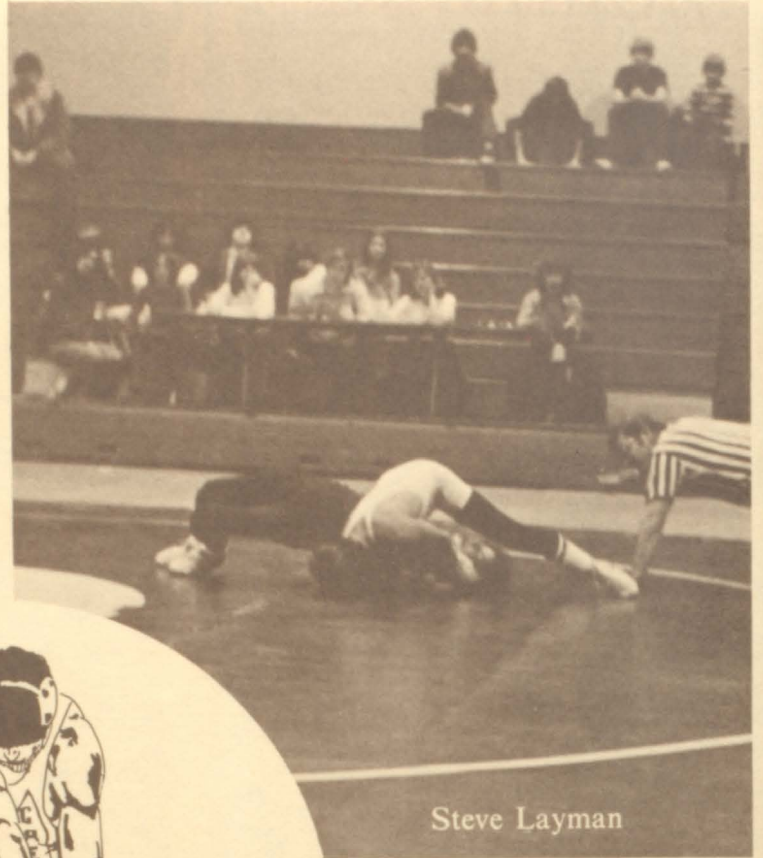

Freshman Dena Spier took the state title beating her nearest competitor by twenty seconds.

This year's wrestling team, under new coach, Ron Camp, had a young and learning team, although it was led by several veterans. The team moved up from Class B competition to the tough Class A competition. Senior Steve Hardy won first place in the North Georgia Wrestling Tournament, and, for the second straight year, Junior Hollis Barton won the state championship. This year it was in the Class A tournament at 180 pounds. The future looks bright with plenty of wrestlers returning for next year. Coach Camp says, "We've only just begun."

As expected this year, the 1976 Colonels did have a tough season. Having moved up a classification from last year, the season was full of thrills and disappointments. Different from the past, every game scheduled was detrimental to the team's standings. Nevertheless, the Colonels started out being recognized as the best football team in Crestwood's short history. The squad was composed of three five year veterans, many other impressive juniors and seniors, a few sophomores, and one freshmen. The high points of the season included an unexpected defeat over Riverwood, 14 to 0, and the winning of the WAGA-TV5 Team of the Week Award. The Colonels, led by captains Steve Hardy, Bill Landers, and Mike Johnson, ended the season with a 4 — 5 — 1 record. The awards of achievement went to Scooter Rainey, Outstanding Defensive Back; Mike Copeland, Outstanding Offensive Back; Steve Barrett, Outstanding Defensive Lineman; Hollis Barton, Outstanding Offensive Lineman; Bill Curry, Coaches Award; and Scooter Rainey, Most Valuable Player.

Crestwood's 1976-77 Varsity Basketball team failed to reach their goal this year of a 500 season, ending with a 9-13 record. However, the Colonels were able to win six out of ten region games, qualifying for the Region playoffs. The team was led by captain and high point scorer Keith Klefstad who averaged 24 points and 16 rebounds per game. Coach Frank Armstrong looks forward to a fine team next year with eight players returning, four being starters.

The 1976-77 Colonels had another successful season in baseball. The Colonels were led by Lee Barton, M.V.P.; Steve Hardy, Most Improved; Billy Butterworth, Coaches Award; and Rusty Robinson, top pitcher for the team. The team started the season off slow, but came on strong towards the end, finishing only one half game out of first place with a 9-10-1 record. The Colonels will be looking to the future with plenty of talent coming back next year.

Crestwood's 1976 tennis team was, in coach Stan Beck's words, "One of the best." Despite opposition of larger Class A teams, Crestwood pulled through with a winning season, taking 1st place in region for boys, runner up for girls, and second place in the region as a team. Crestwood was well represented in the state tournaments by five players. This is more than CHS has ever had qualify in state competition. Outstanding player Brent Hendricks took the state championship in mens' singles. He was joined by John Born and Clint Sneed, who placed third in mens' doubles, and Barbara McKinley and Margie Chambers who took second place in Womens' Doubles.

State Champ Brent Hendricks takes Class B title.

They entered such meets as North Cobb Relays, Ridgeview Relays, and Fulton County Invitational. The final three trophies were obtained at the Region and State meets. There were many outstanding performances in the state championships. Those receiving recognition were: Barbara Apps, Jenny Brewer, Joyce Freeman, Debbie Williamson, Christy Decker, and the 880 yard relay team; Linda Irle, Becky Glenn, Jenny Brewer, and Jeni Fey.

POWDER PUFF FOOTBALL GAME 1976

This year's powder puff football game was quite successful due to the large amount of participation from the student body. Junior and Senior guys made up the unique cheerleading squad for the annual event. Finally, through fun and falls, Seniors defeated Juniors 13-7.

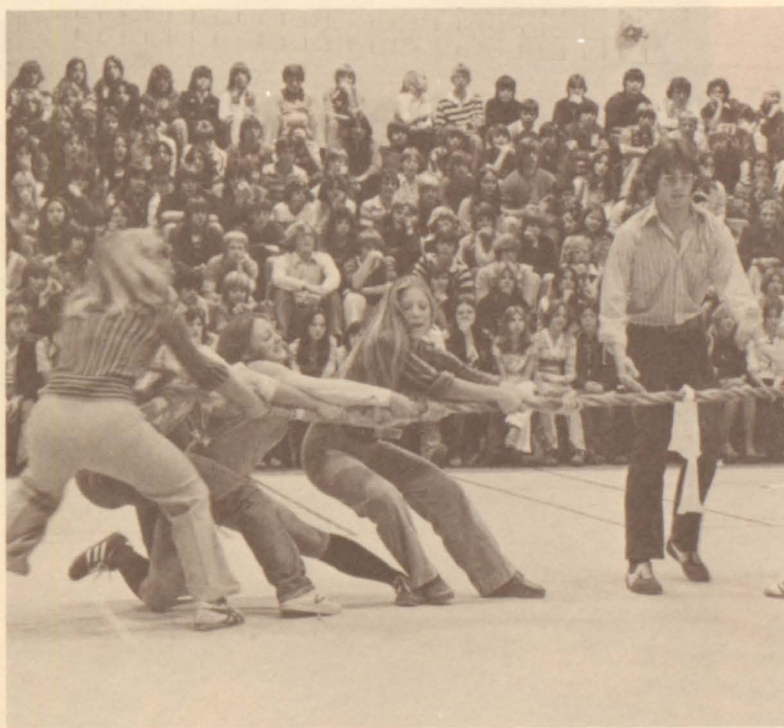

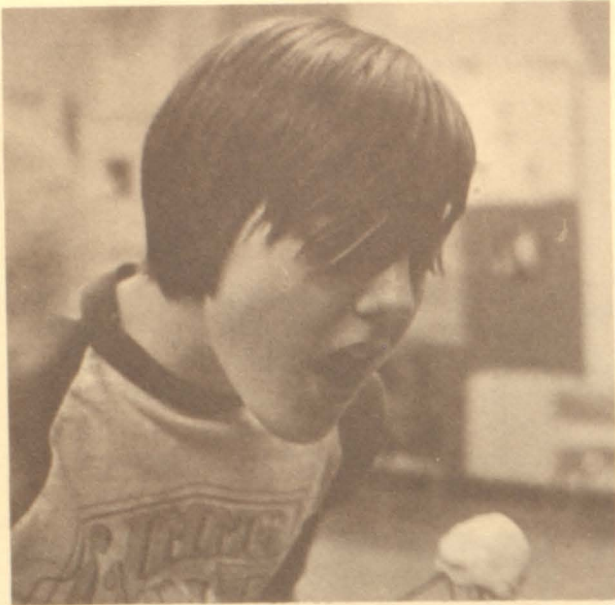

Class Capers

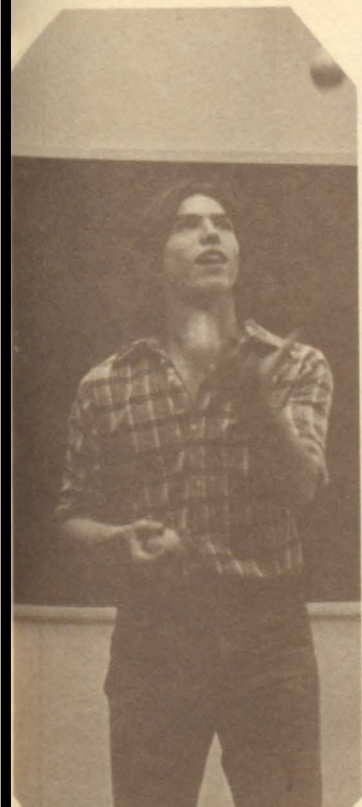

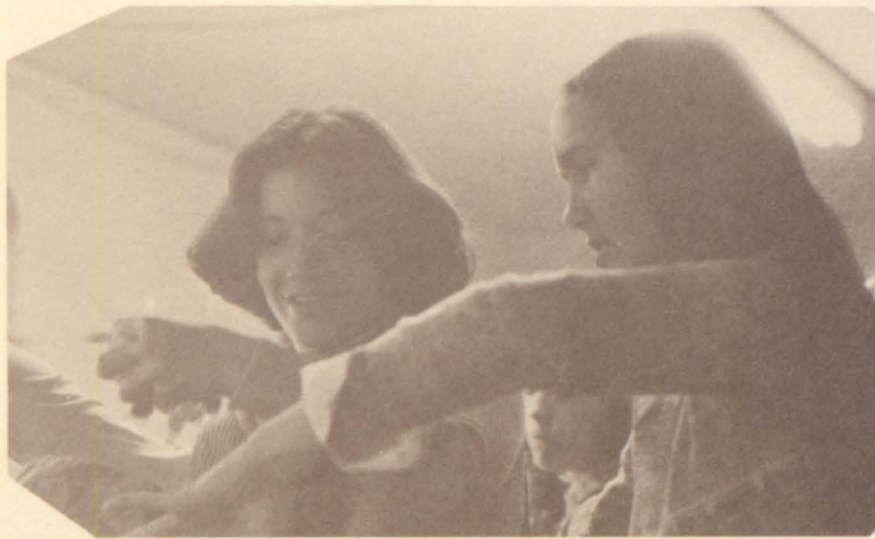

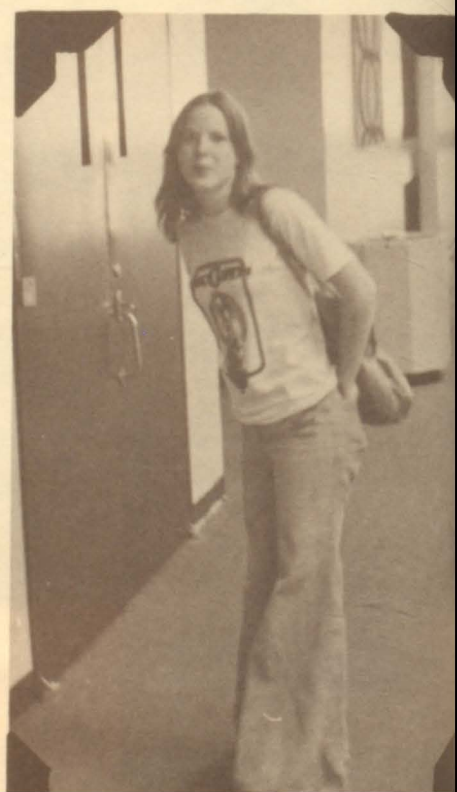

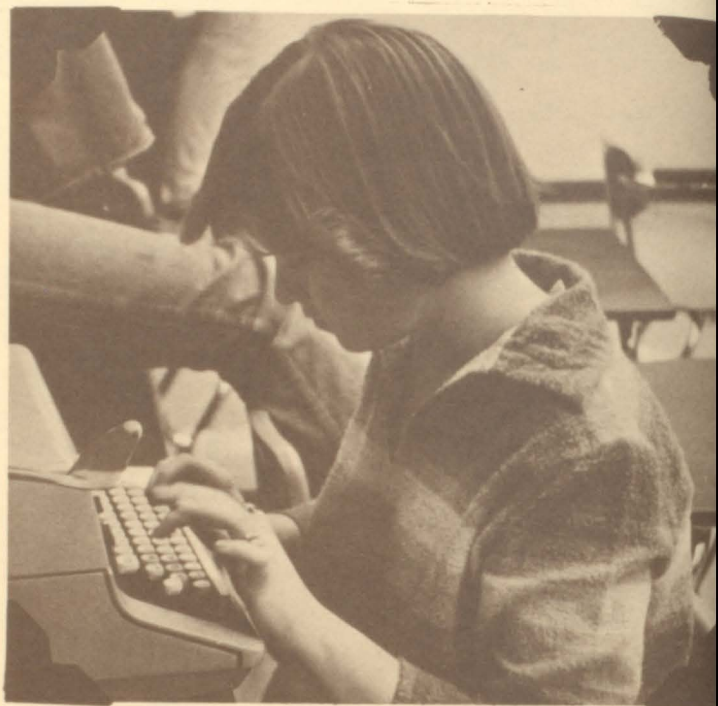

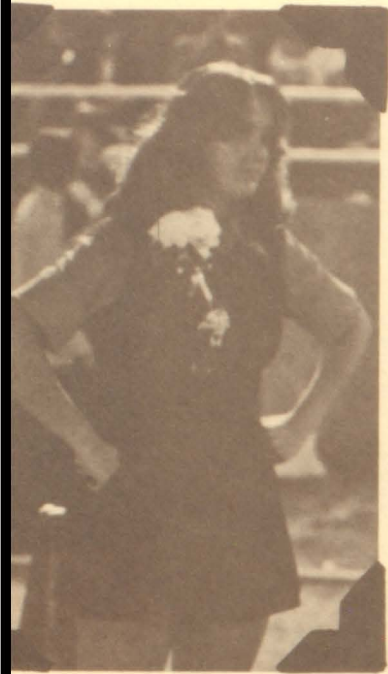

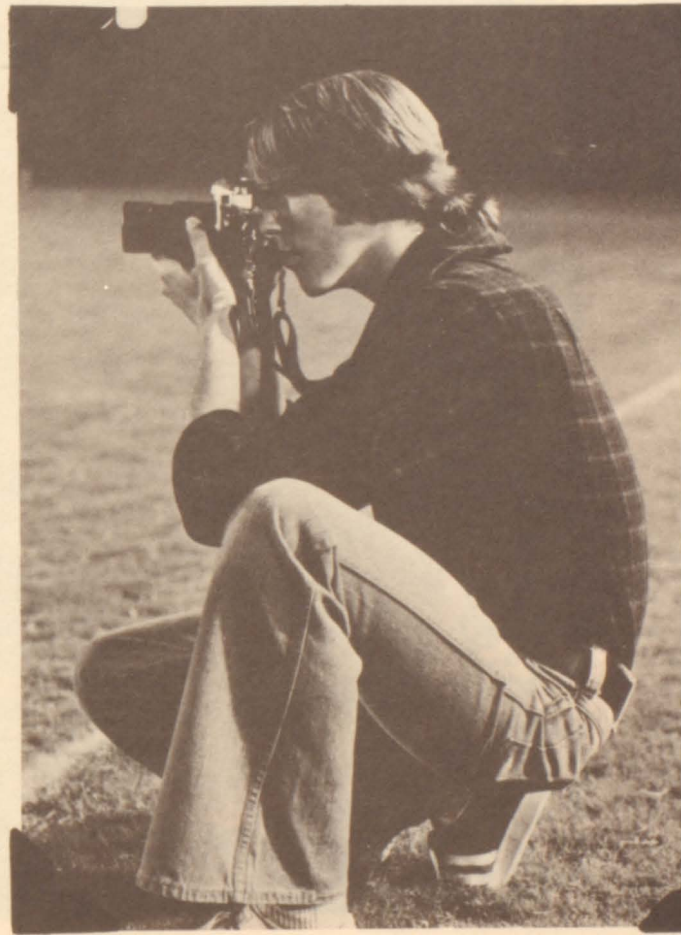

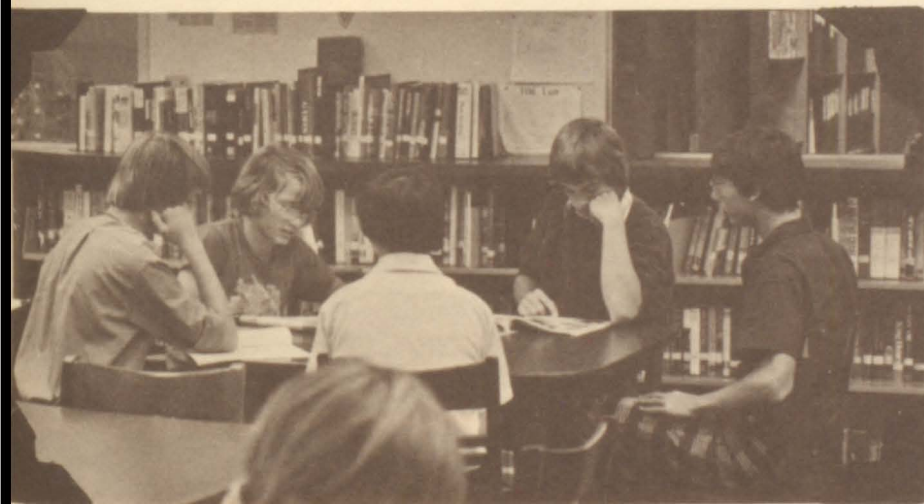

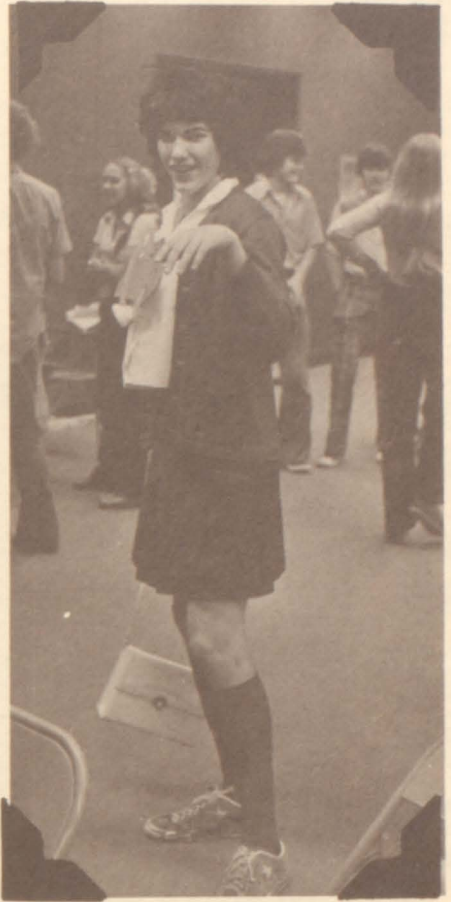

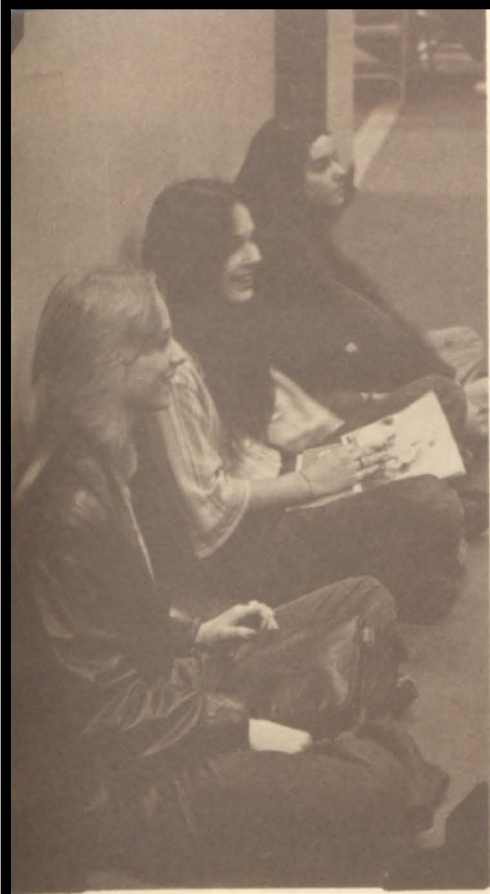

Annually sponsored by the National Honor Society, the 1976 Class Capers provided a lot of laughs for a lot of people. The crazy relays ranged from a messy pie-eating contest to who-knows-what! A tug-o-war between grades highlighted the events.

RENT OR LEASE FROM SAUNDERS

There's a lot we can do for you, at Saunders.

We can rent you late-model dependable air-conditioned vehicles to back up your own fleet. Or we'll tailor a full-service lease to your individual situation. We keep our equipment in top shape with one of the best service and maintenance programs in the industry. And, thanks to our nationwide network of fuel stops and over 100 branches, we can put you on the road and keep you rolling.

Maybe we can do all that because we didn't just get into the truck leasing and rental business. We started it, in 1916. And we've had over a half-century to learn to do it right. Call us for a no-cost, no-obligation analysis of your transportation needs.

*Thanks for the memories
Jodi Robinette*

In closing, I wish to express sincere thanks and appreciation to the students who purchased a 1977 Arsenal, to the patrons who supported us with their contributions, and to Kevin and the staff members who stayed after school for long, dark hours to help meet your deadlines. Also, a special thank-you deservedly goes to our photographers, who captured most of the memories in this book. Above all, I thank Sexton for bearing with it all and for his unique understanding.

In the 1977 Arsenal, we have attempted to assemble a collection of memories in hopes that they might be relived by you as you flip through these pages in years to come.

We have secretly chosen this spot in the Arsenal to recognize a very special person. It is our advisor, Michael A. Sexton, whom we wish to salute, for he is the roots of this book. We would like to thank Mr. Sexton for the insight he has given us, and for inspiring each one of us. We are also thankful for M.A.'s keen wit, which provided the element of fun in this year. With affection and deep respect, we dedicate this year's Arsenal to Mr. Sexton with the hope that he will remember us, as we will never forget him ...
