"Ever-aging time teaches all things"

Mrs. Dabbs,
I have thoroughly enjoyed being in your classes this
year. When I came to C.P. I just knew high school was going
to be terrible. You really helped me get into the swing of things.
You made high school alot easier for me. You will always be one
of my favorite teachers. I really appreciate all the effort you
put out to teach us how to talk right without "aints" and
stuff in our vocabulary. You are true friend. Have a fantastic summer
and I'll see you next year.

I love you

Lisa Van Horn

Mrs. Graham,
 Through the years you
 have devoted your pa-
 tience and time to the
 Aries Staff. You have
 guided us through the
 course of the year with
 your smiles, frowns, and
 of course your hope. The
 yearbook would not be
 such a success without
 you. To you, we say
 thank you!

Mr. Christoff Hudson

Dear Mr. Hudson,

Thank you so much for being a bright, optimistic, innovative, encouraging inspiration in our lives. Though you are a husband, father and friend, you have always been devoted to your profession and your students. Hopefully, your many fine qualities will reflect on your students in their later lives in the "real" world. Although we "make our own future", how could we forget you. We must learn to "hang in there" and "get our acts together, and keep them together."

For these reasons and more we dedicate this yearbook to you, Mr. Christoff Hudson.

T I M E

Ms. Dabbs!

You know what, you are so nice and kind, I don't know how to describe all of my thoughts about you, but I hope that you understand me!

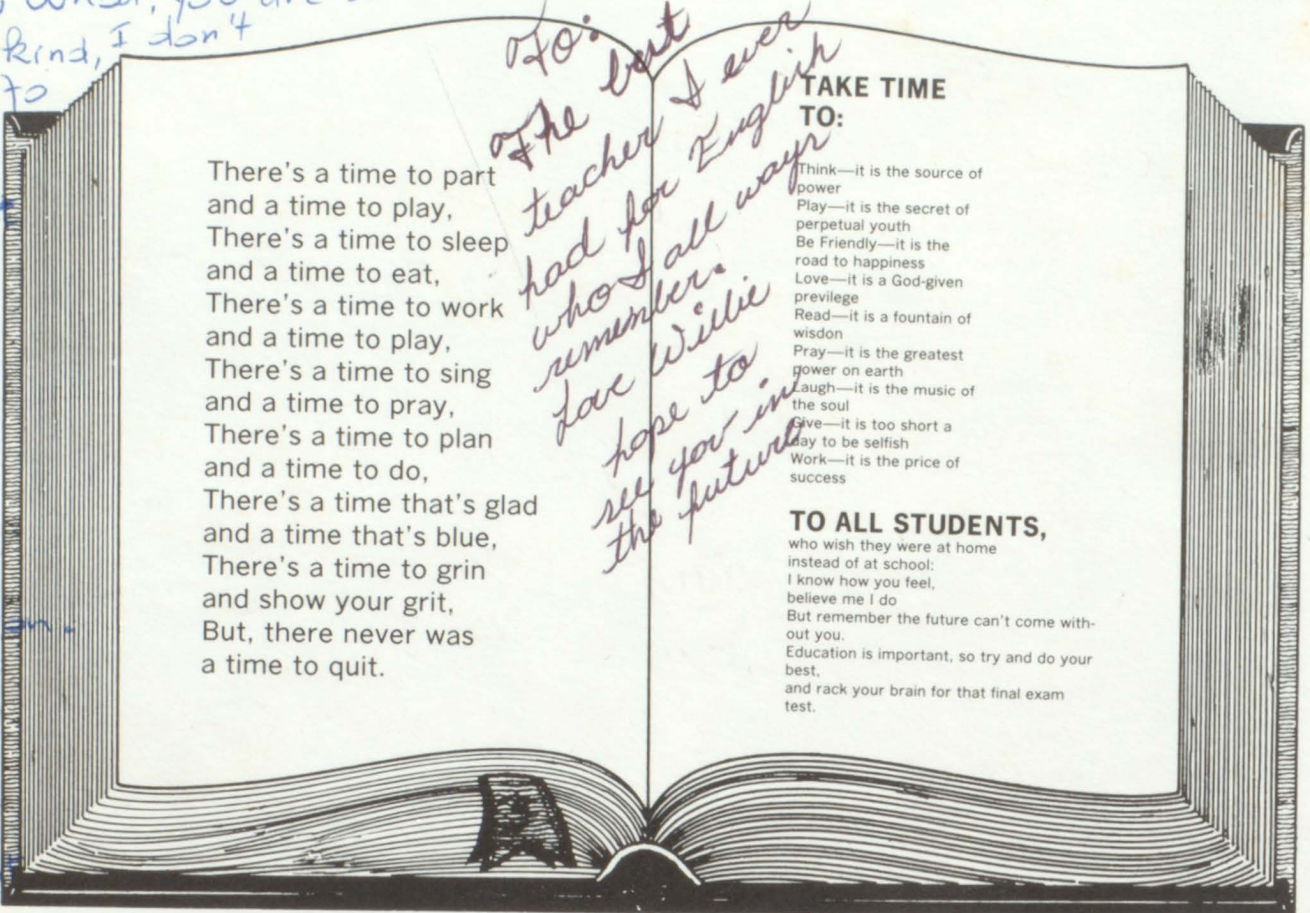

I wish you will have a nice vacation.

Good luck!

A Little Note from the Editors:

It seems so strange that soon we will be saying good-bye to College Park High. Many times we three have wondered if our day to leave would really ever come, but it has. So now we leave, saying thanks to all who have been a part of our progress.

Sincerely,
 Connie, Katheryn, and Tracy
