*"Go Bootleg—sink it!!"
 . . . Let's not squeeze him
 to death—we need him
 . . . "You can't have it—

Lancetts may not have won many games, but they fought hard . . . Losing with heads up . . . East Atlanta—Frightful start for Lancetts . . . girls show improvement since last year . . . Downed 52 to 28 . . . Headland—a victory long to be remembered in the annals of Lakeshore sport history . . . Lancetts jump to an early lead . . . playing "heads-up" ball the entire evening . . . Lakeshore's first varsity girls win . . . 35-34 . . . Fairburn—Patsy couldn't miss those long shots . . . Lancetts hold Bears down . . . losing 30 to 39 . . . Hapeville—Lancetts play outstandingly throughout the game . . . But, couldn't pull out of fire in waning minutes . . . A loss in reality—but a victory in the hearts of Lancetts 32 to 63 . . . North Clayton—First of Flint River Tourney . . . Leading at half-time . . . Eagles edge by in last second by 1 . . . tears as Lancetts suffer a heartbreaking defeat 30-31 . . . Newnan—Practice pays off . . . Determination and good teamwork give Lancetts a well deserved 36 to 32 victory . . . Henry County—red hot tornado couldn't miss from floor . . . Lancetts have one of their greatest losses 26 to 54 . . . Douglas County—Tigers fight hard but Lancetts fight harder . . . Tight defense along with double figure scoring by all our forwards give Lancetts a 39 to 31 edge . . .

... and then there was action
... "Come on, Ginny, Drive
that ball!" ... "Sink it, Linda!"
... and an expression of hope
is seen on Patsy's face, one of
determination on Carol's ...
that's the way we like it—our
girls up and theirs down
(right, Judy?) ... "O.K.,
Sandy, let's watch that ball!"
... "Take it away—and score!"

Amidst the confusion of remodeling the library: a mound of pictures, two puzzled editors; before graduation and Lakeshore's initial year as an accredited school is complete—the 1963 Accolade bringing pride and satisfaction to all who have worked as never before on such a complicated project: Sheryl Cornell—working with me side by side in her quite, thoroughly industrious manner; Miss Campbell—around whom our staff revolved; Mr. Clements—ever on call with his camera, receipt books, and suggestions; Mrs. Coker—developing a roll of film at a moment's notice; Mr. Jones—how helpful a publisher's representative could be we did not know until he came; Mr. Deck—actively interested in the publication of our Accolade; Mrs. Hughes—so kindly allowing our disorder and confusion; homeroom representatives—giving their time (morning and afternoon) to make collections; committee chairmen—accomplishing the most difficult and important tasks; Ken Montgomery—taking old English pen in hand; typists—not only typing but proof reading and correcting errors; Lynn Small and Jan Rosenburg—handling detailed and accurate sales collections and reports; and so many others—helping, advising, assisting in so many capacities, all can't be mentioned in my allotted editor's page.

. . . a mound of pictures to this 1963 Accolade . . . good luck to those who will make each volume a treasured tradition . . . a smile—wistful, bright, and happy—to all who will read each one—and remember . . .
