# Senior Prophecy

The startling news has just reached the press. Two famous scientists, whose names have not yet been revealed, have invented a Time Machine! Russell's roving reporters JUNE WALLER and JOYCE GILBERT have taken the names of the 1956 seniors, and secretly run them through the machine. Wait 'til you see the results! Stand by for the shocking news of the future! The first name to go into the machine is JERRY SCRAGGS. The machine grinds and poof!! JERRY is to be a mistletoe merchant no less. First try a success, more names are put through. They are ANNE ALLISON, KATHY MORRIS, and BETTY DUNCAN. These girls are to be the owners of a famous resort hotel in Sun Valley.

Now for sure the machine works. All the names are poured into the machine and the news begins.

The first names to appear are BOBBY JONES, DON McGUIRK, and GENE MIXON who are department heads for the Women's Store at Zachary.

The next names on the list are ROY QUINN, a pale Harlem Globetrotter, and his managers, BARBARA PHILLIPS, BOO VAUGHN, and SANDRA SADLER. ROY has just broken the individual scoring record for one game with 123 points. He is accompanied by his old classmates, JIMMY EAGLE, WENDELL JOHNSON, KENNETH NEWSOME, BOBBY WEAVER, LARRY BAXTER, KENNETH BROWN, and BURGAN REVELL who are the defensive line of the Cleveland Browns.

The two most originally dressed men, LARRY ANDREWS and CHICK HELMS are seen talking to MARTHA BISHOP and JEANENE BROWN, those humorous joke writers for "The Shaggy Dog News."

MILTON KUPFER and JAMES STEWART salesmen at Capitol Motors are giving their sales talk to SHIRLEY DANIEL, SANDY SANDERS, and NORMA BAILEY, the recently chosen secretaries of the month.

We now see JOE EMORY, who directs the band at Tech, JIM COLLINS, head of the Emory School of Medicine, and DAVID ARNOLD a well-known Physics teacher trying to pump some education into the minds of THOMAS BRAYTON, KENNETH GODBY, LARRY HAMMOND, and RUSSELL McELWANEY, retired students who now own all the schools.

BARBARA COOMBS and NANCY LEE the interpreters at

the Mason-Dixon line are talking to LEE ANN BUTLER, who is secretly attempting to smuggle Yankee currency into the South.

NANCY BROWN, the solo piano player with Bill Haley's orchestra is trying to teach music to ELAINE DAVIS and BEVERLY DAVIS, the singing "Davis Sisters." Close by LOLA RAGSDALE and PEGGY JOHNSON, test pilots in Lipstick Factory are talking to BUDDY STITH, inventor of "STITH-muscle corset for men," who is about to buy BUDDY ALLEN'S famous automobile that won the Indianapolis 500 race.

JIMMY YARBROUGH, creator of the comic strip "Dixie Dunce," or "Virtue Unrewarded" is showing his new yacht to WILLIAM VANDIVER, the famous cushion manufacturer, who is going to upholster all the seats in the yacht.

We were invited to GEORGE BURN'S 50th anniversary party in honor of his wife Gracie Allen Burns. Among the invited guests were JEANINE WILKES, music teacher at Joliet; DICK McCRITE, toothpaste advertiser; BARBARA HASSELL and LOUISE RICE, now sportswear models at North Pole; DONALD BANNISTER and WARREN MAYO co-champion pool players. The entertainment was furnished by MARIE GOOLSBY, the famous clown, BARBARA PITTMAN, winner of Bellview talent show, and EDDIE MORRIS, famous Metropolitan opera whistler, along with CHARLOTTE HAGAN and PAT COX exotic dancers. It was paid for by TELFORD BROWN the multi-millionaire who kept the first million that Michael Anthony gave him.

MOLLY GEORGE, VICKI THOMPSON and PAT RAFTER the famous vets are consulting with JERRY STEPHENS and RICHARD WHITE the famous Journalists on the condition of their trained fleas.

JOAN SOWELL, BARBARA PARSONS, and ANNETTE BAREFIELD, fashion models for what not to wear after five, are studying algebra under MARY ANN KING, LINDA BAXTER and SANDRA NESS, teachers of Florida sub-normal.

MAURICE BENEFIELD and HAROLD POPHAM, chicken pluckers for KITES, INC. are making a screen test under the directors of TEDDY and TOMMY WALSTON. The supporting cast will include DICK SPEERS, GARY WRIGHT, and JOHN BREWER the smartest men at Milledgeville.

LINDA DUREN, DOT STANLEY, and GENIA RAE

# Senior Prophecy

HARRIS have introduced a bill to annex Ben Hill at this session of the East Point Council. The representatives of Ben Hill are council women, MARY RUTH ANDERSON and BETSY PALMER. Among the interested observers were: PAT COOMBS, Vice-President in charge of paper towels at Sears, DAVID JACKSON, post master of the U. S., CECILE BOGGS, holder of M.R.S. degree, MYRNA HOCKERSMITH, JEANINE GILBERT, PEGGY RAGAN, owners of East Point Alley Cats, the worlds champion bowling team.

The machine seems to be over heating as it keeps sending out the same message over and over. LAMAR SEALS is now pitching for the world champion Kansas City Athletics, and MARIAN CHAPMAN is part owner of the team. The machine also says that the Atlanta Crackers, managed by BETH TIMMERMAN, are a cinch for the National League Title. This news makes the co-owners BARBARA WITHERINGTON, RUTH WARD, and NORMA WARNER very happy.

CLEVELAND JOHNSON, JOHNNY JOHNSON, EVERITT MOSS and TED MURPHY are questioning BARBARA STALLWORTH, MARIAN FLYNN, MARGARET MITCHELL and PATTY TRUITT, all famous authors of a book about wind, as to the correct English usage of go, went and gone.

TOMMY LOWRY, RONALD LOWE, BILLY BUFFINGTON, BOBBY PRATT, BOBBY CORLEY, and TOMMY WILLIAMS dare-devil drivers at Lakewood are now attending traffic school by special invitation of the Speedway Recommendation Association.

JIMMY BISHOP, BILLY CROOKS, LUTHER DANIELS, WILLIS CALLAWAY, GERALD BOOTH, HARRY GRAHAM, operators of a sponge boat on the Great Salt Lakes are eating dinner at a drugstore owned by SYLVIA WAMPLER, JOYCE ROBINSON, SYLVIA McCOY and JERRY ANN KNIGHT.

BOBBY JONES, WAYNE EUBANKS, and LARRY GRANT are trying to sell JUNE COLLNS, famous water gun manu-

facturers, some uranium stock. The owners of the mine are EVOLINE CHRISTIAN, JOAN CAMPBELL, ANNE BUFFINGTON, BARBARA HURTT, and JANET SMITH. The mine was discovered by MARTHA BURGESS and CAROL COLLINS.

NANCY RAGSDALE, BARBARA LEWIS, REBECCA MANN, GEORGIANNA KERLIN, and PATSY SCOTT are now attending Vassar and are taking Physical Education under the direction of BOBBY HUFF and JIMMY STEWART.

BETTY CROCKETT, MANELLE BLACKSTOCK, and BETTY ARCHER are working at a drive-in owned by LANGDON HUFFMAN. The annual meeting of the antique car club is being held at this drive-in. The meeting is attended by DAVID BACCHUS, LEON FARMER, HAROLD ANGLIN, JIMMY TUCKER, GLENN HYATT, EVERETT MORROW, RALPH ETEN and WILLIAM MONCRIEF.

The last group of names to come out of the machine are LORETTA SCOTT, BEVERLY ALSING, BARBARA DILLARD, JUDY MAHLE and SANDRA RENFROE, all winners of the safe driving award; CARLTON FURBUSH, JOHNNY FOWLER, JACK WINGO, DOUG WEAVER, CLYDE OLVEY, LOUIS OLIVER, and JERRY PARKS are first members of the social register at Mars, DONALD GARRETT, RONNIE GILES, RAYMOND GRAY, and DON GILBERT are operators of U-Drive -it service for bank robbers. DOLLY CALDWELL, MARTHA WHITMIRE, ANNE VICKERY, BARBARA HANEY, and CYNTHIA and ANN THORNTON have invented a wheel-less convertible; it floats.

The last names to come out of the machine are two famous inventors, PAUL GREEN and ROYCE JONES. These two were the inventors of our Time Machine so now we know this ole machine may not be so good after all.

The time machine coughs once and then spits out one last line:

THAT'S ALL KIDS!!!

Mac . . . Barbara . . . Mike . . . Sandy

## ... FOOTBALL ...

... We are very proud of our 1955 football squad. An unknown team in early September, they fought from the opening whistle, and by the middle of No-

vember were 4-AA Region Co-Champs: Winning 8 while only losing one, and tying one; they had one of the best seasons a wildcat eleven has ever enjoyed

## *Dedicated To Our Departed Buddies*

For God and country, we associate ourselves together for the following purposes: To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a one hundred per cent Americanism; to preserve the memories and incidents of our associations in the Great Wars; to inculcate a sense of individual obligation to the community, state and nation; to combat the autocracy of both the classes and the masses; to make right the Master of might; to promote peace and good will on earth; to safe guard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to our mutual helpfulness.
