

the
Aries
1950

On the city's western border,
Reared against the sky,
Proudly stands our Alma Mater,
As the years go by.

Onward, upward, faithful ever,
Conquer and prevail.
Here's to thee, our Alma Mater,
College Park, all hail!

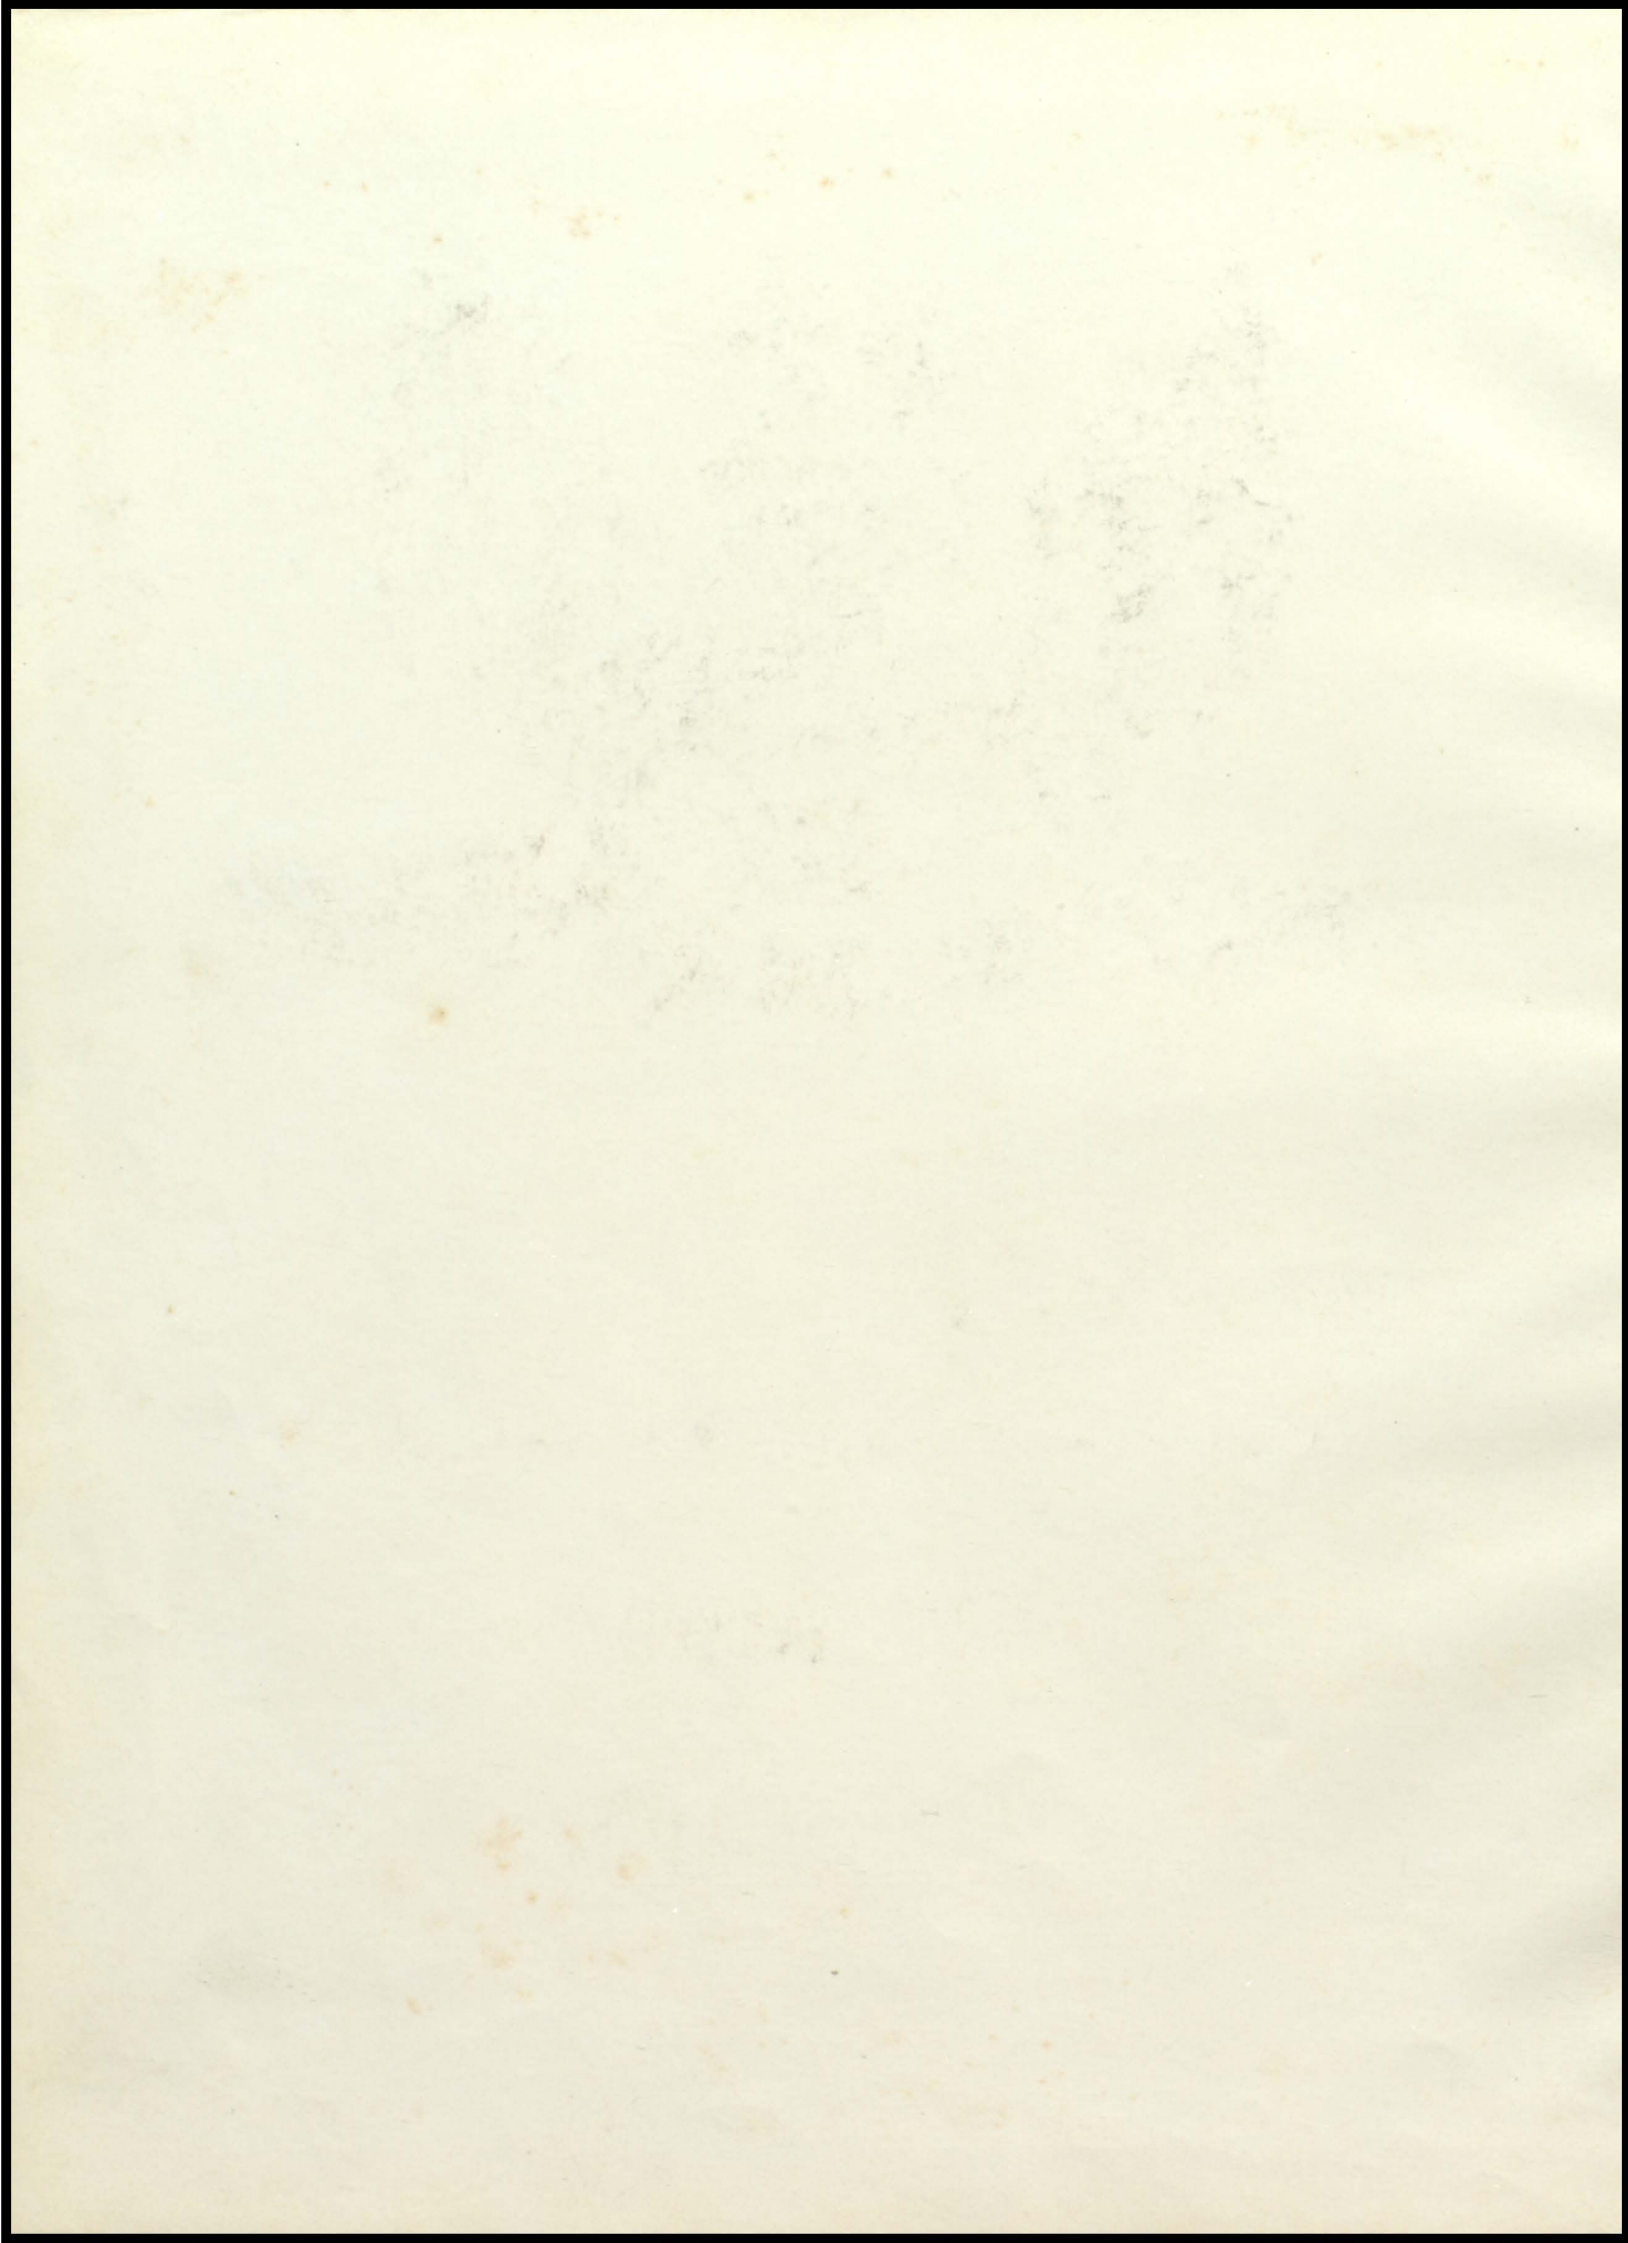

Idus D. Felder

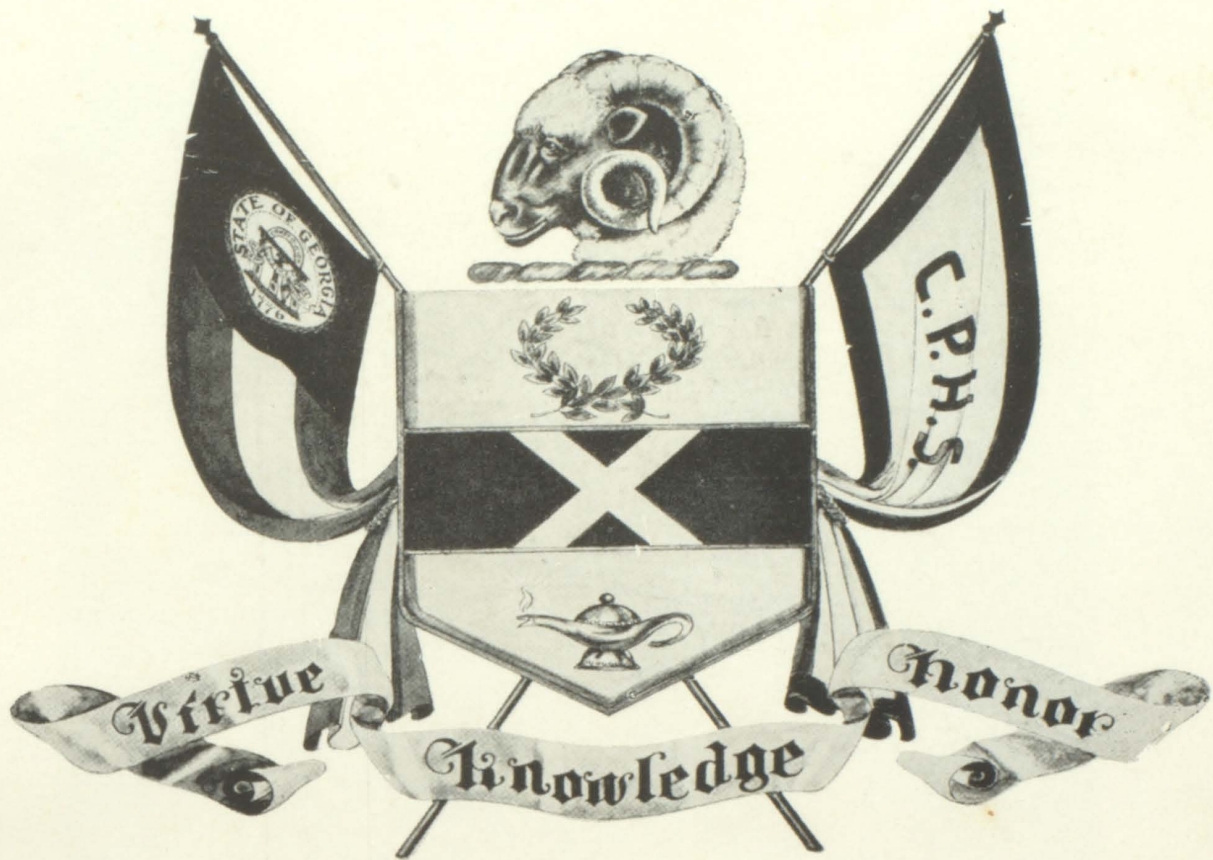

ATER

Friendships here can ne'er be broken,
Nor forgotton be
Far surpassing wealth unspoken,
Love and Loyalty.

Lift the chorus, speed it onward,
Let our friendship tie.
Hail to thee, our Alma Mater,
Hail to College Park High.

Shall steal our pleasures too,
The mem'ry of the past will stay
And half our joys renew.*

OUR MEMORIES

1936—Mr. Deck "started the ball rolling" and Mrs. Cochran agreed to act as our first librarian.

1938—Miss Jones came to old Richardson High as teacher and part-time librarian. The library had 332 books, 6 student library assistants, 15 magazines on the shelves. Library quarters were in a principal's discarded office with reading tables in the rear of the adjoining auditorium.

1943—The library moved into the new building—beautiful new library quarters and equipment—2500 books, 20 magazines, 23 library assistants.

1950—Library room lengthened 30 feet and remodeled—4000 books, 37 magazines, 25 student assistants and Miss Derrick joined the Staff as Clerical Assistant.

OUR HOPES

One's hopes change and grow with the years. Ambition and hard work *do* accomplish things. Now through the cooperation of the Board of Education, parents, and others we have library quarters and equipment to meet our needs. We are free to dream of making our ideal library become a reality. Here is the picture: a quiet, attractive room, full of the best in the world, used by students and teachers who have a real appreciation of the part books and reading play in giving one a well-rounded education, used by readers with a taste for good books and with an ability to use reference books and other library materials easily. These things plus true courtesy which adds its own glow, would make us proud.

March 22, 1960.

Dear Marlene,

I'm certainly sorry you were unable to make the luncheon given for the alumni of College Park High School. It was really wonderful, and I ran into some of our old classmates. I thought you would like to hear what they're doing now, so get settled for a nice long letter.

I met Tat Caffey, who is now president of Bryn Mawr. She has just recently returned from one of her monthly trips to West Point with the girls of her school. While we were talking she mentioned that she had seen Jimmy Blackstone the night before and he had told her that he is now Hadacol's highest paid advertiser.

Just then, we were introduced to the assistant principal, who turned out to be none other than Thelma Mellnik! After we overcame our astonishment, Thelma told us that Larry Thomas is now teaching Radio Workshop, and demands quietness in his classes. The Senior English class is learning Macbeth from Virginia Watson. Another thing, Marlene, Sammy Lawther is down in Red Oak teaching Latin II. Gene Bertsch is now a nurse here at CPHS, mending all the cuts and bruises of the girls on the Ramettes.

Isn't it wonderful about Peggy Koch heading the last Hooper rating? Remember how happy she was when she was asked to replace Bob Hope on the radio?

Mildred Wilson has opened a baby shop where she serves all her friends who are mothers. She and Harvey find the baby clothes useful for their little ones.

The one and only person who hasn't changed in the last ten years is Frances Hopkins. She's still making people happy to be around her.

You remember Robert Griswold, don't you? Remember when he had his two front teeth knocked out in football back in '50? I hear his theme song is "All I Want For Christmas is My Two Front Teeth"!

I had an awful time getting into Arthur's last night. Sue Bull is operating it now, and she caters to College Park High exclusively. I had to see her before the carhop would bring me my order.

Guess who I saw down on Loafer's Corner the other day! Jerry Ball. He sits there and whistles at all the girls hoping one will soon notice him. He told me that Carter Allgood is now a lawyer and serves on the bar, just any bar.

Francis Caffey is raising bees in San Diego. He's only been stung once and that was when he got into the job; Gordon Bradford is manager of a pool hall. His best customers are Chet Brownagle, Eric Silverberg, and Lewis Bruce; Tommy Oxford is owner of a College Park theatre, and Bob Smith is sitting at the desk once occupied by Mr. Hutchinson. He spends most of his time expelling Bobby Nix who is still trying to get out of high school. Ronald Farr is now a janitor at dear old CPHS.

Jim Tucker and Fred Daniell are both running for governor of Georgia. They want to move the capital from Atlanta to College Park. I knew those boys would go far if they just put their shoulders to the wheel.

You remember my ambition was to go to Emory University and afterwards get married? Emory has just offered me a lifetime scholarship to that school. They don't have much faith in me, do they?

Marlene, I do wish you would quit racing cars out in Chicago. Sometime racer 71 is going to quit in the middle of a race and then where will you be? Don't tell me, I know.

Gotta go now, Sis. Hope to hear from you real soon.

Love,

Mary

The value of the telephone isn't just the calls you make. Sometimes the calls you receive are even more important. You'd miss a lot if the telephone wasn't there.

Just on calls you make, the telephone's a big bargain in convenience, security, success and good times. When you add the calls you receive, it's an even bigger value.

ALMA

On the city's western border,
Reared against the sky,
Proudly stands our Alma Mater,
As the years go by.*

Onward, upward, faithful ever,
Conquer and prevail.
Here's to thee, our Alma Mater,
College Park, all hail!

ER

Friendships here can ne'er be broken,
Nor forgotten be
Far surpassing wealth unspoken,
Love and Loyalty.

Lift the chorus, speed it onward,
Let our friendship tie.
Hail to thee, our Alma Mater,
Hail to College Park High.
