FOREWORD

As we entered East High for the year of 1965-1966, we found many changes. It began with the new wing of classrooms that was added during the summer and we had our cafeteria back in operation, a big, big change from last year.

Our school is a symbol of education and the gaining of friends, and as students we were proud of our school and the contribution we could make.

Clubs and organizations sponsored dances and other school activities. Members attended various state and district conventions where they gained knowledge, a name for themselves and their school.

Class officers had a year's work cut out for them. The classes competed in the homecoming parade, poster contests, and attendance at the games. These were a reflection of our school spirit.

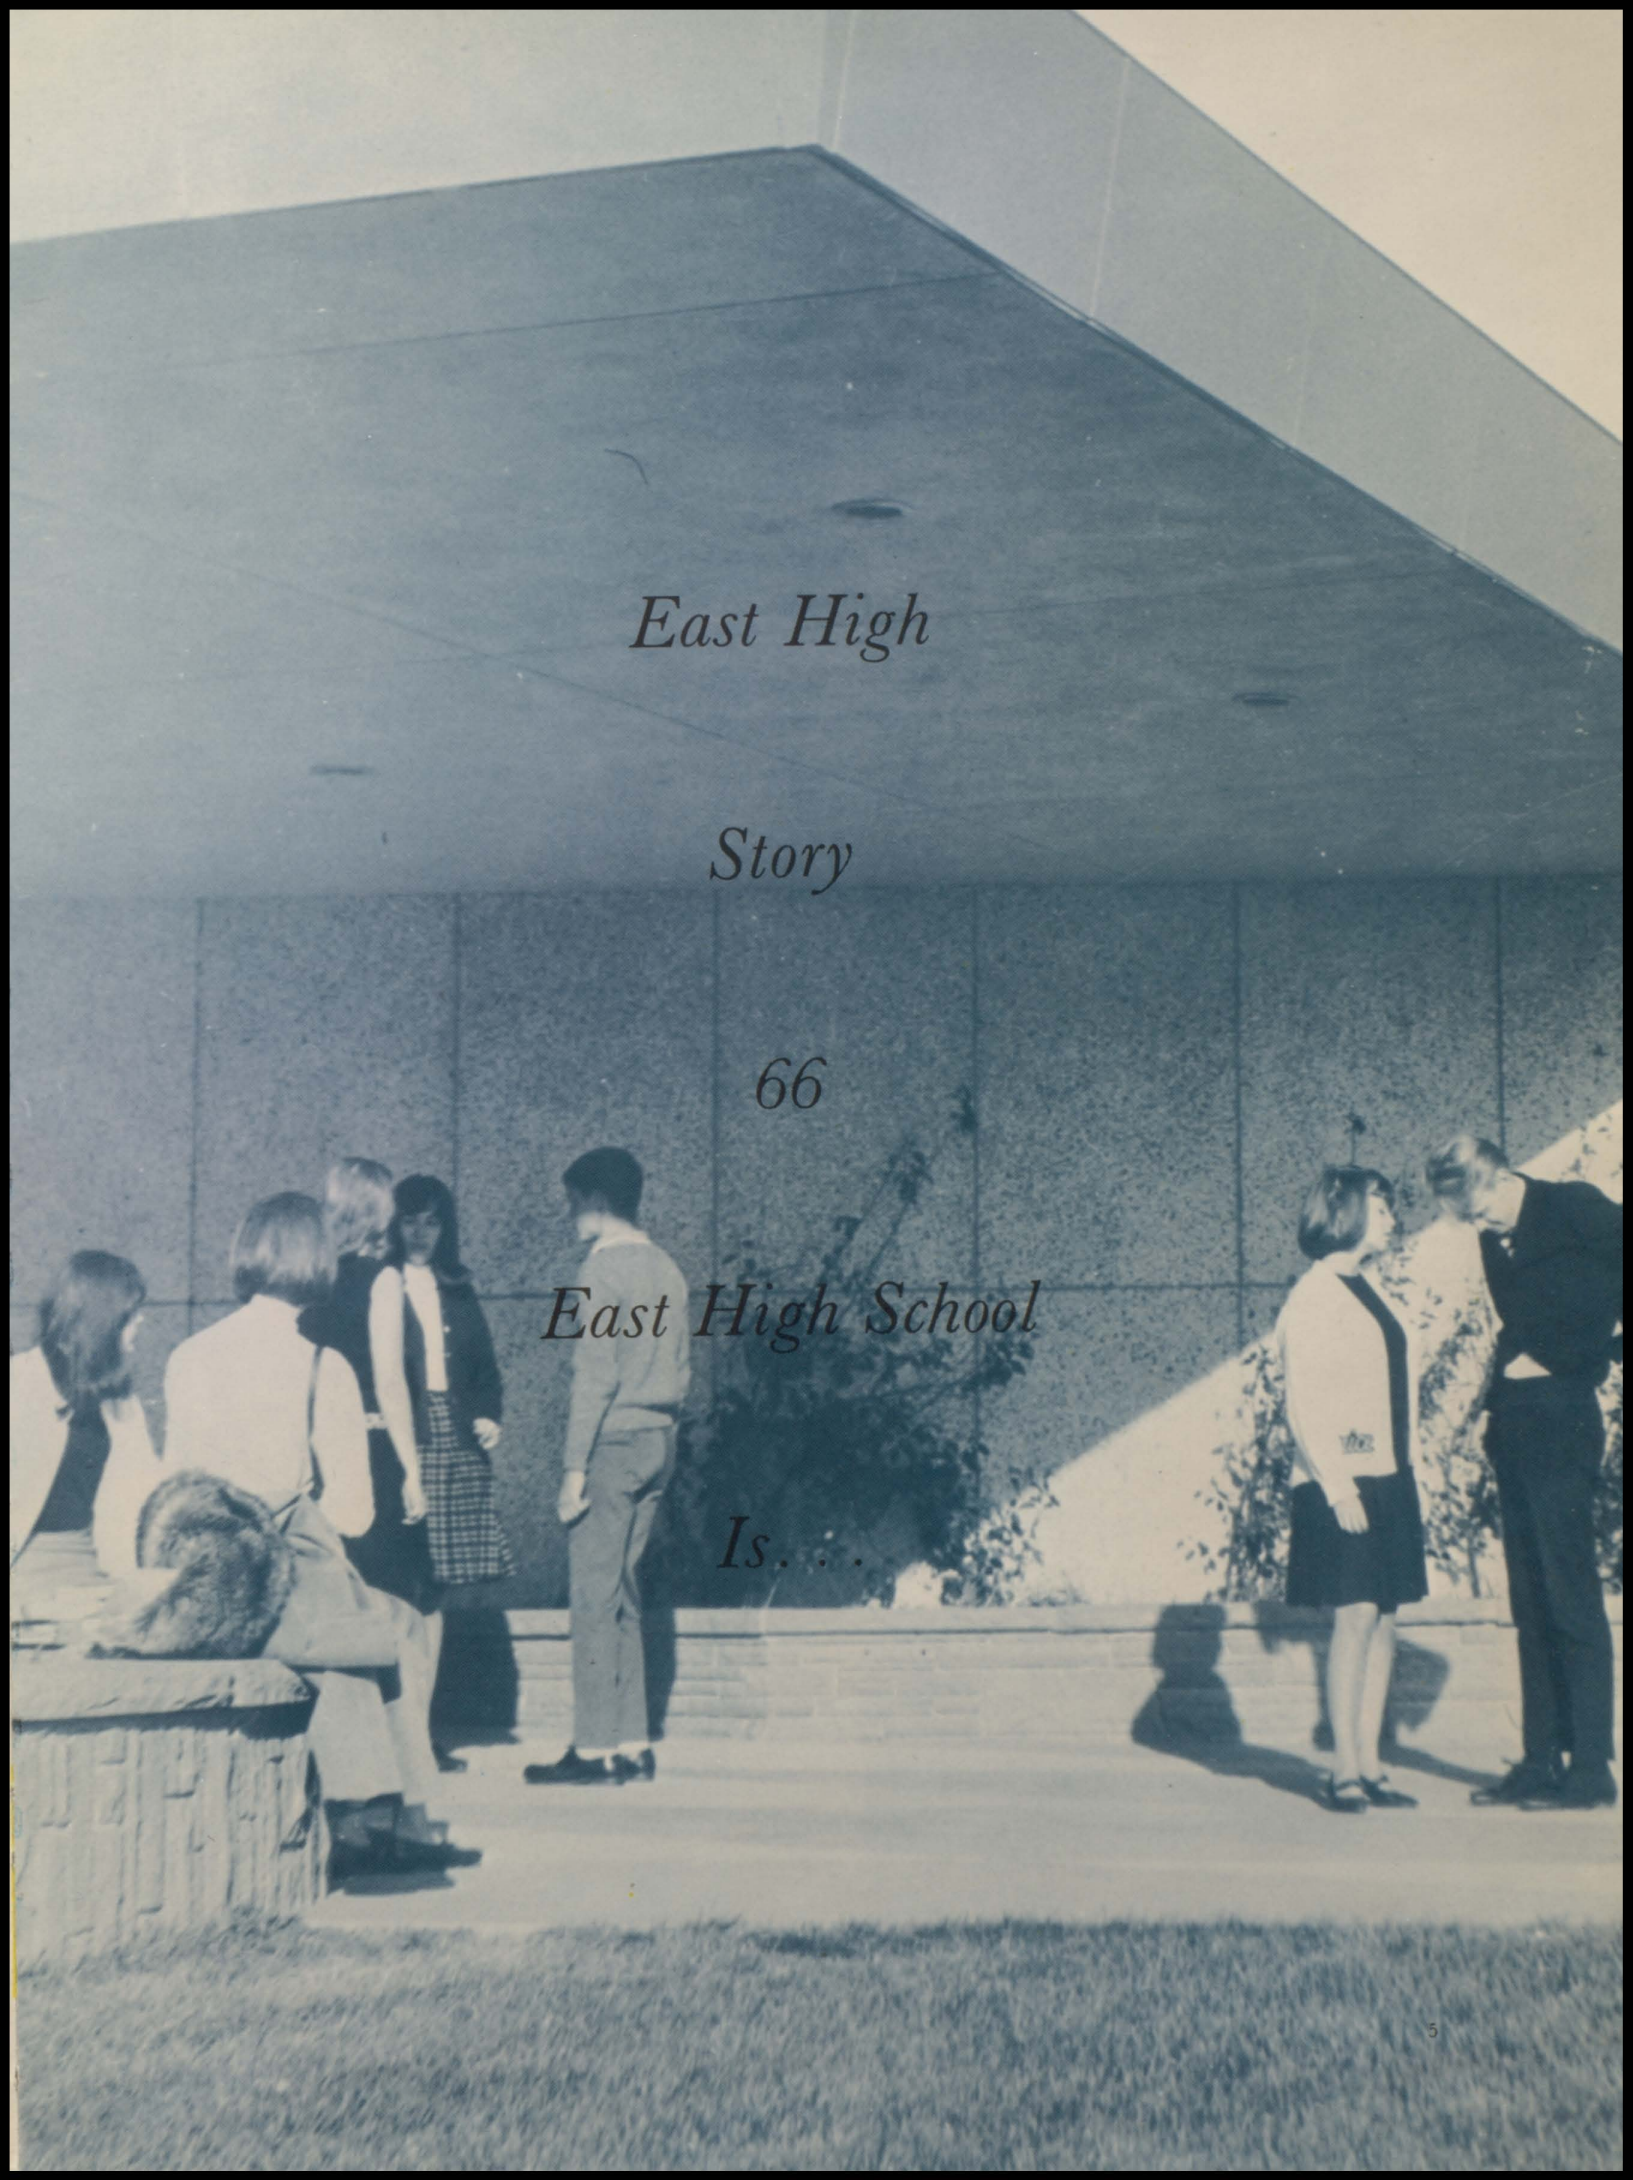

Our athletes competed for trophies, ribbons, and honors. As the year progressed, we found them representing our school to the best of their ability.

The Wahina of '66 is a reflection of our pride and progress, and we wish to dedicate this yearbook to the school and the students of East High.

A black and white photograph of a school building with a large, flat roof. The building's facade is made of large, rectangular panels. In the foreground, a group of students is gathered. On the left, a group of four students is standing near a stone ledge. One student is sitting on the ledge, and another is leaning over them. On the right, a young man and woman are standing and talking. The overall scene is a candid moment at a school.

East High School

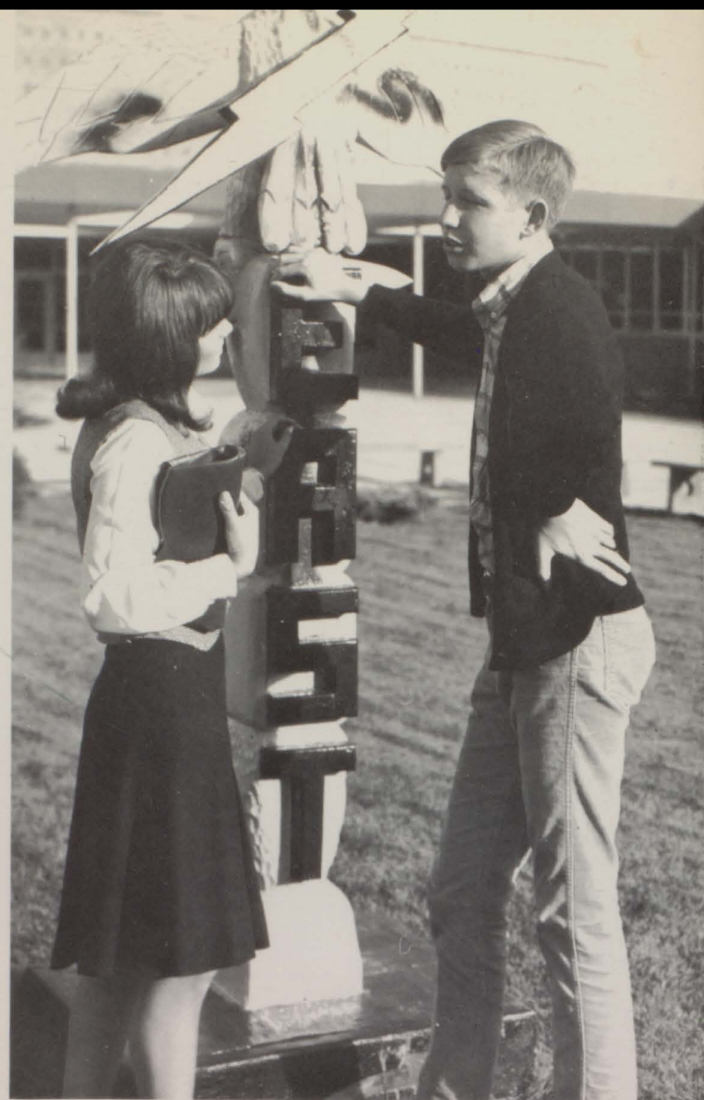

Is...

... *The Students*

Under the noteworthy direction of our fine faculty, East High Students' academic achievements are reaching new heights. As we mature in stature, we also find that our quest for knowledge constantly becomes more insatiable.

On the more obvious side of things, student attitudes haven't changed much since last year or any time in the past. The Sophomore, to the Juniors, and Seniors, are still "things" to be endured or stepped on; but they are certainly carrying their share in making East "the best". The Juniors are at the peak of their glory, entering into high school life with zest incomparable to any; the Seniors are, of course, the top, they are, for the first time in their lives viewing a major goal- the completion of high school and the entrance to adulthood.

The Student Body of 1966 is really causing the pulse of East High to throb with anticipation and excitement.

... The Faculty

The already excellent East High faculty has been supplemented this year with 13 new instructors. These additions have been in most all of the departments in our curriculum. This new "blood" injected into the life stream of East has really assisted in improving many aspects of our school. In addition to the new faculty members we also have a member of student teachers serving within the walls of East to complete their own education as they compliment ours.

Although, we lost several mentors during the transition between last year and this, the current educators are certainly "proving their worth" by, keeping the quality of this year's education standards on an equal level; if not above, those of past years.

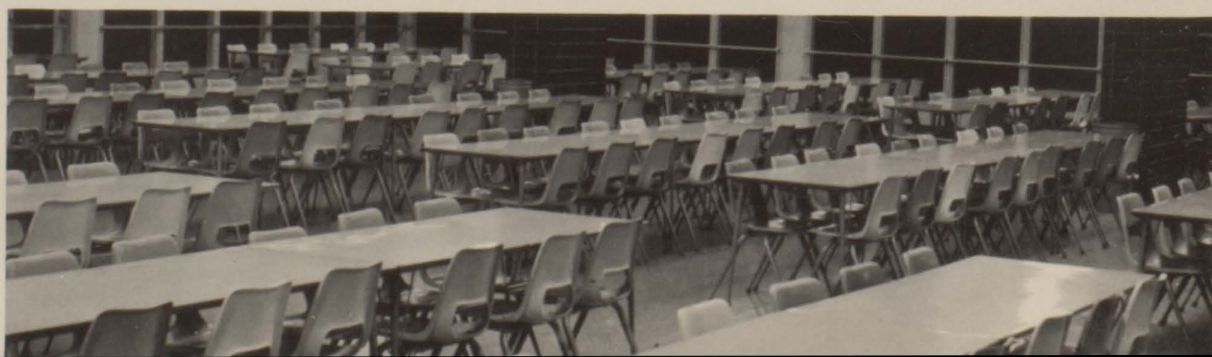

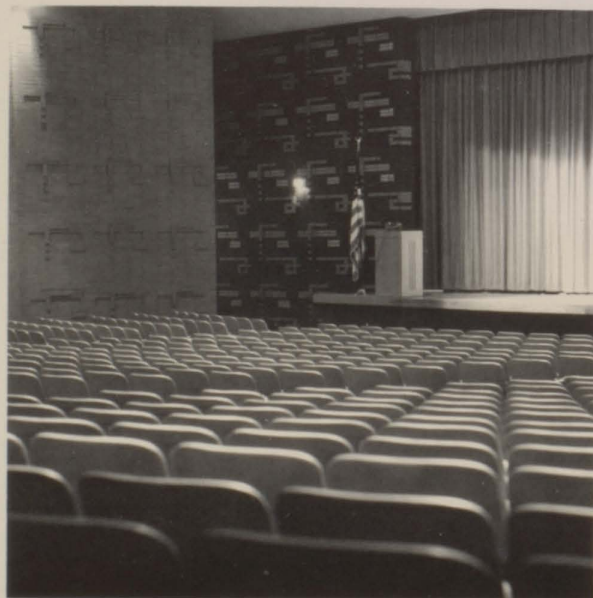

The Building

The building of East High is no longer considered a new building--after all, it's withstood five years of energetic students. However, because it was not used last year, the cafeteria of East is new not only to the Sophomores but to the veteran Juniors, also. The cafeteria has been put back into its initial use instead of being used as study halls as was the case last year, due to crowded conditions.

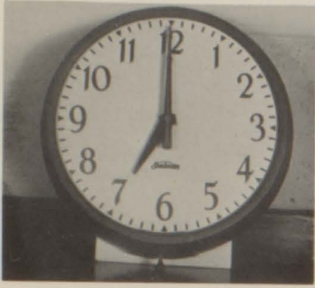

... The T-Birds
New Wing

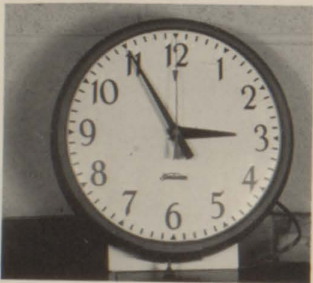

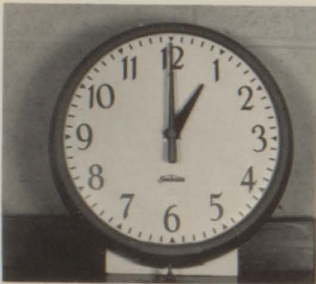

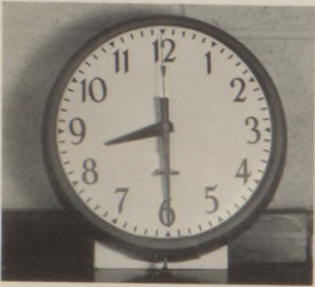

Of course, a school system such as East High grows. Evidence of this is the new addition located on the northwest corner of the original building. The new addition of the building consists of 10 rooms with a team teaching room which is used for Math. The team teaching room is large enough to seat approximately 100 pupils. The team teaching method is a moderately new idea for teaching Mathematics.

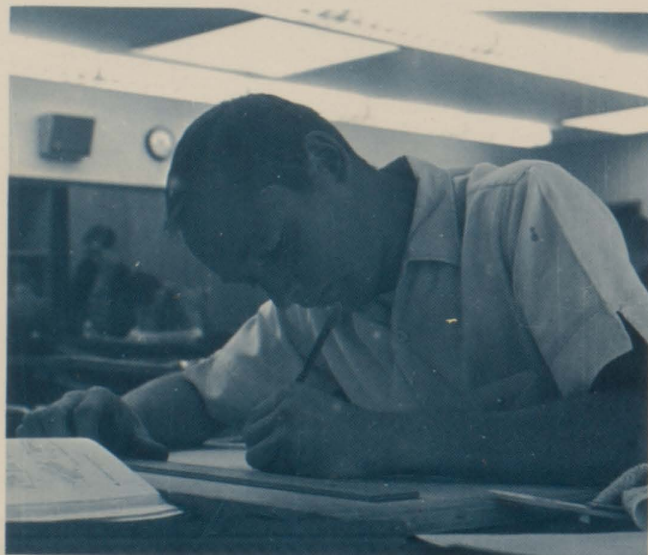

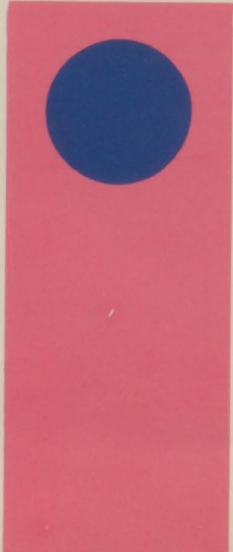

...Student Life

The school day begins with parking lot pandemonium as the students of East High attempt to steer their sports cars, model-T's, sedans, convertibles, coupes, and trucks in to some semblance of order.

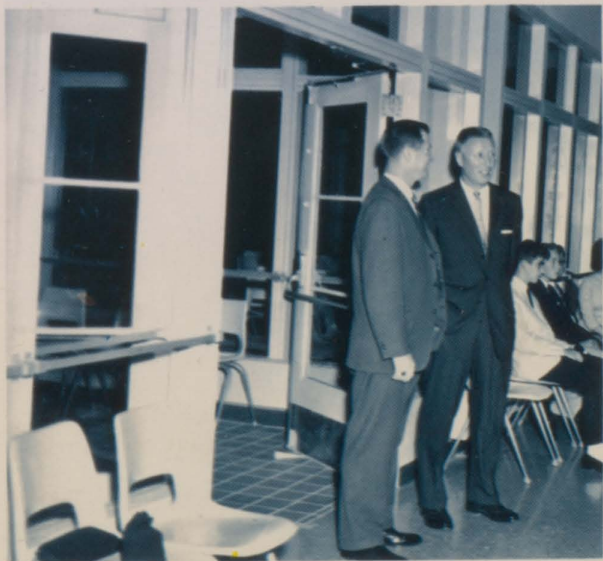

*These Are The Times
That Try Men's Souls.*

The lobby is the site of the next major congregation of students in an average school day. Here students meet to gossip, flirt, argue and in general, compile the business of the day.

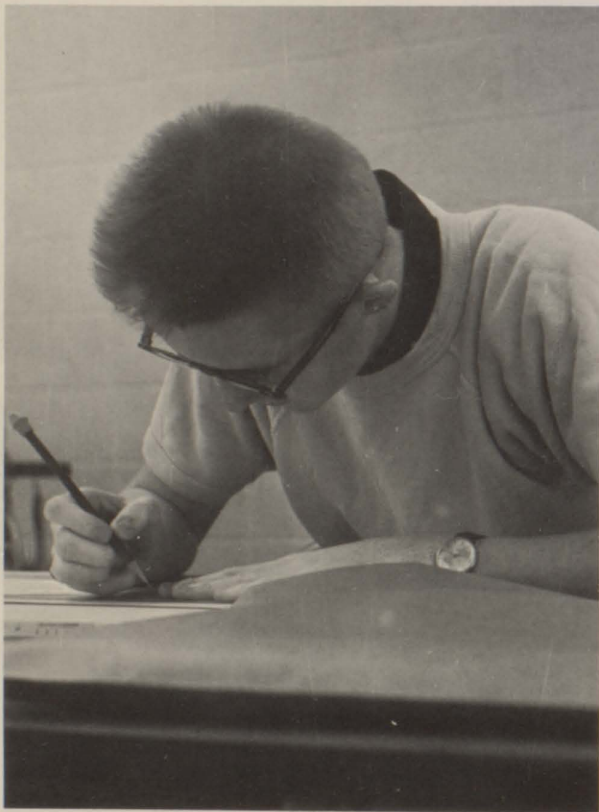

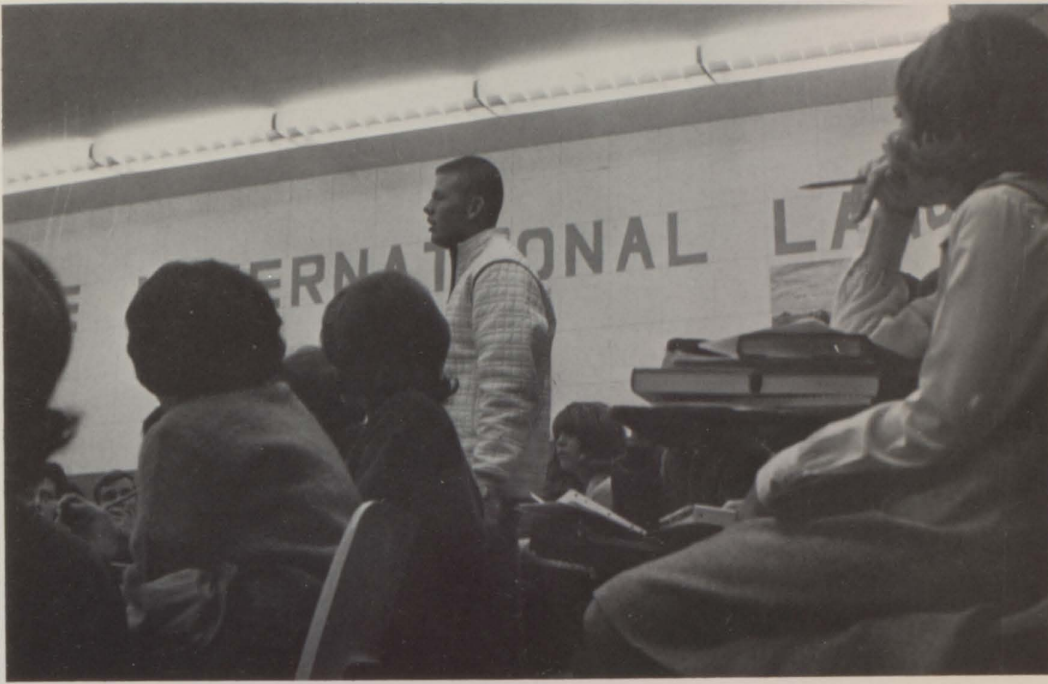

When the first bell rings students begin to disperse and make headway in the general direction of first hour classes.

The next convention of students begins at 11:30 with first lunch. This is mainly a repeat performance of the morning meeting in the lobby. Lunch is divided into three half-hour periods and second and third lunch are carbon copies of first lunch.

After completion of classes, and for the final time in the day students convene in the lobby to review the days happenings.

For the closing act an encore of the morning parking lot scene is performed-in reverse.

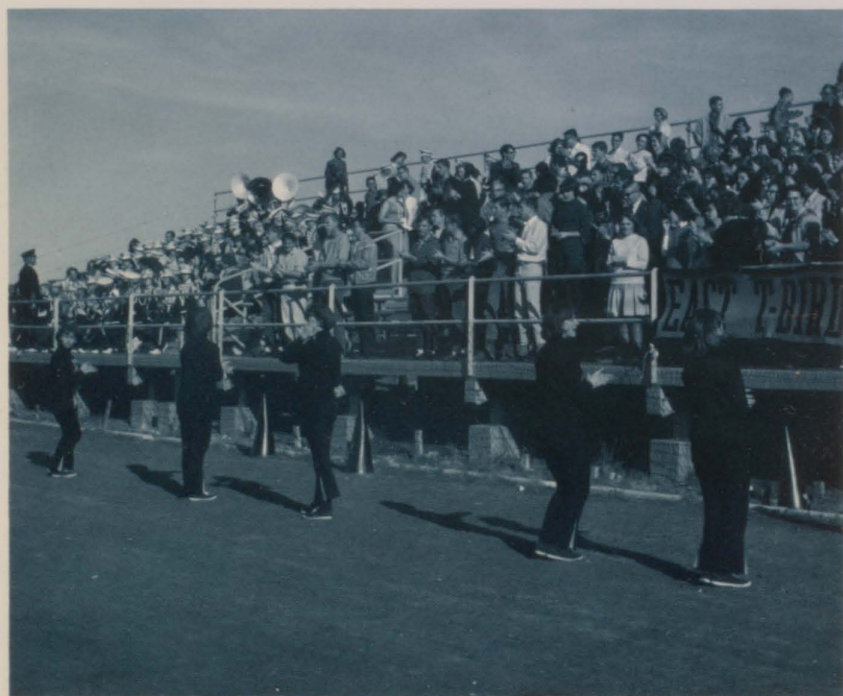

In addition to the normal procedures of the day, students also take part in many other activities. Almost every day either before or after school, at least one organization meets to plan its activities.

Before athletic games, one finds the loyal T-Bird fans rooting the team to victory in a pep rally.

Various other assemblies are also held periodically.

Out of school, the students flock to athletic games, school productions, etc. Another function found after games is the student mixer where students are seen avidly portraying their talents in producing a wild frug, jerk, watusi, etc.

The mathematics department at East High consists of six members teaching courses that range from Sophomore math to Mathematical Analysis II. The staff is well qualified with all members having worked on or already obtained advanced degrees. The members of the department are willing to experiment with new ideas and new concepts that will help the student. This is evidenced by the introduction of the modern concepts at the instigation of members of this department. Other members of the department are working on "team teaching" in geometry. The members of the department feel that the mathematics program here at East is one of the finest available for the benefit of the student. They are always willing to use something new or different in methods or classes if they feel it is for the improvement of the instruction and of the program available to students at East High.

Senior Class History

With only twenty seniors making the honor roll the first quarter, it didn't seem as if we would be one of the smartest graduation classes. Yet we will be remembered as being one of the most vivacious classes to leave East.

We were the first class to elect a president of the student body through the nominating convention and by write in votes. The new wing was officially finished even though we never heard the announcements of the day; and the famous Indian totem-pole painters were caught. As seniors we hurried through the year's activities; senior pictures, applications for colleges and scholarships, homecoming, dances and sports all made the year seem to pass as quickly as a moment.

We were the best of classes and the worst of classes, and now we are going to pass into another world, but we will always remember and retain those fond memories of East High School.

UNDERCLASSMEN

JUNIOR CLASS HISTORY

When the Juniors of 1965-66 entered East High School on August 31, 1964, we introduced to East the class destined to be the greatest ever to pass through its halls. We participated in school activities and proved to be very valuable to our school. We helped to make East the great school it is. Now, as Juniors, we are determined to be even more enthusiastic and vivacious than before. We have thoroughly enjoyed our past years at East and are looking forward to our last year with great anticipation. It is obvious that if we continue, as we will, the outstanding performance we have given the last two years, we will surely be the "best bunch" East High ever turned out!

Sophomore class officers (L. TO R.): Larry Garrett, President; Elaine Berg, Secretary; and Steve Ellenbecker, Vice President.

SOPHOMORE CLASS HISTORY

We were treated the way sophomores are traditionally treated, and we were bewildered. But under the leadership of Larry Garrett, Steve Ellenbecker, and Elaine Berg, we gained the enthusiasm we needed to compete with those above us. We started by placing second with out Homecoming float-the only class float to place. We then won the poster contest during school spirit week and also sponsored open house. There were still crosses to bear, such as having to yell the battle cry when an upperclassman asked.

Despite these trials, we enjoyed our year and are looking forward to our remaining years at East, contributing and working to see that our class is not soon forgotten.

Led by the superb running attack of senior all-stater Russ Judy, the fine quarterbacking of senior Steve Mordhorst, and the outstanding offensive and defensive teams, the East High Thunderbirds compiled their best football record they have ever had. Coach Jerry McMillan and his fine coaching staff directed the team to third place in conference play. This year saw many sophomores on the first teams thus showing much promise for the coming years. In the last game of the season, the team made a fine showing against the cross-town rival, "Brand X," but were defeated.

Coach McMillan came to East from Green River High School, where he compiled a fine record of 45 wins, 26 losses, and 5 ties in nine years. He obtained his B.A. degree at Colorado State College in 1954, and his M.A. in 1961. In December, Coach McMillan received an offer to coach for his Alma Mater, which he took. We are sorry to see "Coach" go, but the short time he was here, we were proud to have him.

This Is "Joe"

Joe Ferrelli is one of the best known and most liked persons at East High. Not being a regular coach, Joe is usually seen only after school in the gym or on the athletic fields. Joe has coached in Cheyenne for 23 years. Coaching is a hobby of his.

He first coached at Cheyenne High School. Since then he has coached football, track, and occasionally wrestling. Joe has coached the fathers of nine boys at East.

Some of the track boys hold or have held state records for the mile, pole vault, 100-yd. dash, and the low and high hurdles under Joe's direction. He has also coached several championship teams. Joe has also worked with the summer recreation program.

Joe stresses to all the students he has come into contact with, that athletics teaches the cleaner side of living. Joe lets it be known that none of his athletics have ever turned out bad. In case you have never seen Joe, he is the man who works the popcorn machine at the athletic events here in the school building.

We of the WAHINA staff would like to say, "Thanks, Joe," for a job well done.

The wrestling squad, as the football team, was in a rebuilding year. The varsity team lost 9 of the starting 12 from 1965. The team shows promise for the coming years because of the large number of underclassmen who participated this season.

Homecoming 1965

Homecoming 1965 got off to a booming start with an assembly held October 14 for the purpose of introducing royalty hopefuls. The Bonfire was next on the agenda. To the theme of "What's New Pussycat," the fire blazed and the royalty was crowned.

Led by the East High Marching Band and cheerleaders, the 1965 Homecoming parade moved through downtown Cheyenne on October 15. The activities commenced and the rivalry of the football game was felt by all from the first kickoff. The Rock Springs Tigers met their match as they fell to the T-Birds.

What a better way to end the Homecoming activities than dancing to the fabulous Jesters from Laramie. East High welcomed its alumni with a week of activities fit for a King!

From Russia

With Love

"From Russia With Love," was the theme for this year's most spectacular dance, the Key Club Ball. The music for an evening full of fun and memories was provided by the famous Moonrakers. In typical James Bond fashion, Queen Mary McCracken and her attendants were crowned at 10:00 p.m., November 13. The Key Clubbers worked hard to once again make the ball the highlight of the year's social activities.

My Fair Lady

The East High student body presented "My Fair Lady" on Friday and Saturday February 18 and 19, at 8:00 in the East High Auditorium.

"My Fair Lady" is Lerner and Loewe's most popular musical. "My Fair Lady" is generally conceded to be the greatest musical comedy hit in theatrical history. It set two records not likely to be challenged in our time. Its run of 2,717 performances is the longest of any musical on either side of the Atlantic. The New York ticket sales of "My Fair Lady" amounted to \$20,257,000 and exceeds by almost \$5,000,000 the combined ticket sales of both "Oklahoma" and "South Pacific". Only fourteen musical shows have run as many as 1000 consecutive performances in the last 100 years. Of these, "My Fair Lady" is the "champ".

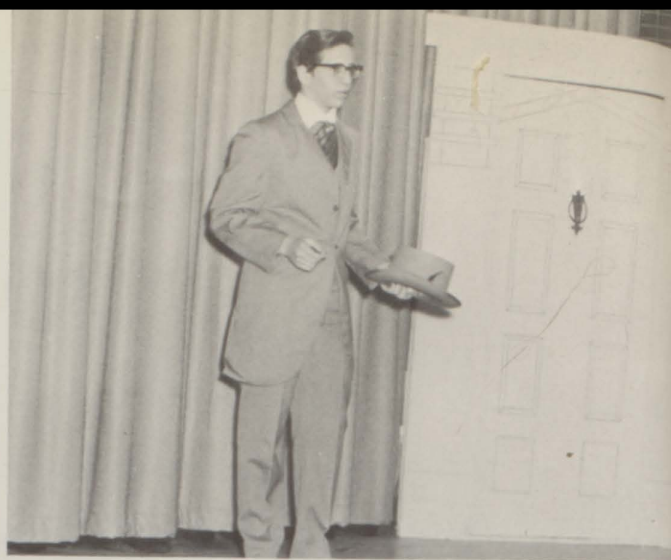

This famous musical includes such well-known songs as "Why Can't the English", "Wouldn't it be Lovely", "With a Little Bit of Luck", "Just You Wait", "The Rain In Spain", "I Could Have Danced All Night", "I've Grown Accustomed to Her Face", and "Get Me to the Church on Time".

Leads in the show were Mary Hanson as Eliza Doolittle, Jim Clark as Henry Higgins, Ivan Fox as Colonel Pickering, John Briggs as Alfred P. Doolittle, Phil James as Freddy Eynsford-Hill, Mary Hardy as Mrs. Higgins, and Ann Murphy as Mrs. Pearce.

Senior Class Play

On the night of January 16th Bjorn Faulkner, the richest man in the world, died. Was he pushed off the top of the world's tallest building by his ex-secretary or did he commit suicide? Such was the basis of this year's senior class play, "Night of January 16th" a courtroom drama turned comedy.

Standouts of the senior class play were Magda Svenson who practically stole the show as Karen Andre's housekeeper. Roberta Van Rensselaer, "Lefty's" wife, took the audience by surprise as a terpsichorean and Larry Regan out-did himself as the "unemployed" gangster. The performances of both the District Attorney and the Defense Attorney were, of course, tremendous.

Controversy! Apathy! Unchained Emotion! Excitement! Righteousness! Equality! The righting of wrongs! Peace! Tranquility!

These are only a few of the adjectives to describe the dynamic double duo(x12 1/2) or...by the more infamous name...the Student Senate.

What have they accomplished? "Controversy, apathy, unchained emotion..." Would you believe a highly successful Homecoming? How about a tremendous Exchange Trip with Springfield, Ohio? Or an alma mater, or music in the halls, or a letter to the Viet Nam troops, or a T-Bird mascot, or the land-scaping of the median in front of the school? Well, then would you believe fifty flags sitting in the workshop, or maybe the most successful March of Dimes project in the entire history of our fair city? Are you satisfied? Really satisfied? If not, remember the pom-pon amendment to our constitution, the State Student Council Convention the first School Spirit Committee, the first Interschool Committee, and the first Constitution Committee. And then there was our bus to Laramie for which seven hundred students missed school...remember that? And of course, there was our discussion on the holes in the parking lot, on our cold cafeteria, on sophomores at the Prom, and the East Wings(sigh!) Remember that? No? Well, then you have to remember the "controversy! apathy! unchained emotion! righteousness..." of the 1965-1966 Student Senate.

NATIONAL HONOR SOCIETY

National Honor Society is an organization whose object is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students. Members are chosen by the faculty on the basis of four ideals: SCHOLARSHIP, SERVICE, LEADERSHIP, and CHARACTER.

Candidates eligible for election into National Honor Society must be in the upper third of their class, and must have maintained, up to the time of election, a scholastic average of at least 2.0. Although these are rigid requirements, National Honor Society is even more selective as not more than 10% of the enrollment of the junior class and not more than 15% of the enrollment of the senior class may be elected to membership.

The National Thespian Society was actively engaging in the many phases of drama again this year. Thespians started off interestingly enough with six members, but the membership grew as a new crop of actors filled last year's vacancies.

The officers were proclaimed at the first meeting to be Jerome Hernandez, President; Ivan Fox, Vice-President and Treasurer; and Karen Noyes, Secretary. At the semester initiation Ivan Fox was named Best Thespian.

The Society worked hand-in-hand with the newly established drama class to produce the Senior Class Play, *THE NIGHT OF JANUARY 16TH*, the Musical, *MY FAIR LADY*, and the Junior Variety Show. These productions turned out to be very successful.

Thespians also won the second place car prize in the Homecoming parade, helped speech and music departments stage the annual Christmas show, participated in speech meets, produced a show of one act plays, and aided other organizations that needed help backstage.

East High can take much pride in the outstanding performances of this dramatic troupe.

Leadership, citizenship and scholarship are the three main factors in being chosen for Girls State. Upon arrival at the University of Wyoming's campus the girls were divided into three cities, two preties and either a member of the House of Representatives, Senate or courts. The highlight of the week was "Cheyenne Day". After mock session in the capital, there was a luncheon served at the Plains Hotel and a tour through the Govenor's Mansion. At the end of the week these girls returned home with knowledge of our government and many new lasting friendships. The boys qualifications are the same as the girls. However they attend their meetings in Dougla and Cheyenne.

Key Club, above all is a service organization. A number of projects were undertaken and successfully completed this year. The Student Directory, an assembly for the freshmen, helping on fund raising drives and furthering the co-operation between the other clubs of E.H.S. are just a few of the projects which Key Club did to help E.H.S. and the community. This year was the most successful yet for the E.H.S. Key Club.

Taendas, the service organization for girls, serves East High School and the community in several ways. In the fall they work diligently constructing a homecoming float and selling mums. The girls also usher for open-house in the fall. At Christmas time the organization donates a tree to the school and decorates it. In February, as close to Valentine's Day as possible, the annual Turnabout Dance is held. This is one of the biggest dances of the year. As the year comes to a close, a scholarship is given to an outstanding member. Other projects are carried on during the year, but these are the major ones.

The standards by which the members are chosen are a high grade average, good citizenship, and having a desire to serve the school. It is a great honor for any girl to belong to Taendas.

Each year the F.T.A. has many activities for the purpose of obtaining their goals. Some of the activities this year included the state convention held in Casper, guest speakers, such as Mr. Cecil Matthews who spoke on "Operation Headstart", and a few field trips. The F.T.A. also took part in the senior teaching day and sponsored the bookrack. The officers this year are Lynn DeCastro, president; Sandy Witters, vice president; Ivan Fos, secretary; Sharon Vaudrey, treasurer; Alison Northcutt, librarian; and Chris Ston, historian. With the assistance of Mr. Miner, Mrs. Gibson, and Mr. Hesson the F.T.A. had a very successful year.

Distributive Education is a program of instruction which teaches marketing, merchandising and management.

DE students have common objectives and interests. Each is studying for a specific career objective in marketing and distribution. The DE student receives classroom instruction plus practical, on the job work experience. Many businesses favor hiring DE students because of their interest in training and their related school study of that particular business.

DECA Club activities are school-centered, this contributing to the school's purpose of preparing well-adjusted, employable citizens.

"E" CLUB CREED

I believe in East High School, her traditions, her standards of scholarship, and her devotion to sound clean manlihood and sportsmanship.

As a member of the "E" Club, I will challenge my courage and test my skill, and by doing so I will learn to be more patient and self-controlling. I will strive to be fit in body and mind and expect to achieve this by building sound and efficient physical and mental habits.

I realize my personal responsibility for the attitudes and standards I set for future athletes coming to East High and for the esteem which the community holds for East athletes. I also realize my responsibility for developing the best sportsmanship for all students of E.H.S.

As a wearer of the "E" I will at all times remember to fulfill my duties by keeping my standards and reputation high.

Remmebering that this is an honorary organization of men who have earned their letter in one of the inter-scholastic sports sponsored by East High School, I will work to stimulate and encourage the highest type of athletic, by striving to fulfill to the best of my ability, my school citizenship, character, sportsmanship, obedience to training rules, and otherwise contribute to the betterment of athletics in East High School.

An Afterthought—

Another school year has passed; another graduating class has left the halls of East High School. New friends have been made and old friends have departed. Another yearbook has been completed. We of the WAHINA 1966 staff take pride in presenting this book of history - the history of East High 1965-66. We hope that in years to come you will treasure it and be able to relive just a few moments of the past as you leaf through its pages. The struggles, the panic, the tears, the hardwork and fun are over for another year. We would like to express our thanks and appreciation to everyone who helped in the over-all production of this book. To the students, faculty and staff of East High, to the local photographers, to the local businessmen for their support and to the American Yearbook Company go our special thanks.

FIRST ROW-Bobbie Bedont, Sharon Vaudrey, Mary Murphy, Linda Wasson, Robin Leeright, Susan Curtis. SECOND ROW-Connee Grantham, Connie Gysel, Mary Ann Benson, Mary Hardy, Cathy Smith, Nika Miller, Miss Drake, Lynn DeCastro. THIRD ROW-Mr. Varra, Bill Berryman, Jack GrandPre, Joe Fabian, Jerry Bayne, Monty Behel, Glenn Garrett. FOURTH ROW-Russell Judy, Terry Wells, Tom Fitzpatrick, Richard Johnson, Ed Prosser, Bryan Tarantola.

The last Sunday in March proved to be an exciting one for East High exchange students. The long awaited moment came to twenty-three anxious students as they were re-united with their Springfield, Ohio, counterparts. After quite a memorable reunion at the train depot, students went "home" to clean up, rest and reminisce. An exciting week followed including a tour of the missile bases near Scottsbluff, Nebraska, a trip to Remount Ranch and Estes Park, and a big swimming party on Wednesday night. The Exchange proved to be cultural as well as social, but the purpose of the exchange program was highly an educational one. Many fast friendships grew out of the periods of fun and education.

Junior Variety Show

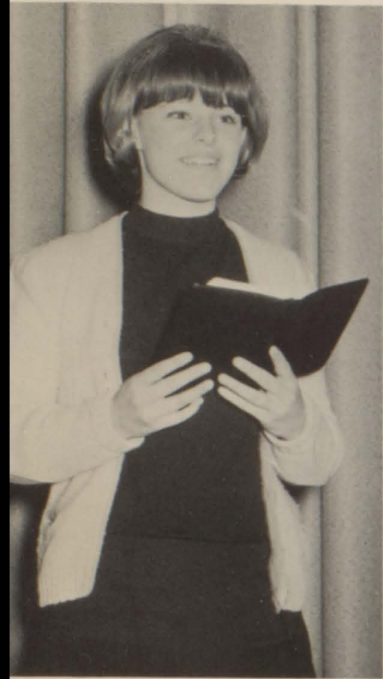

This year's Junior Variety Show performances were held on May 30 and April 2 in the East High auditorium. The theme chosen by the highly creative Junior class was "The Great Race". The spontaneous wit of two junior boys, Ric Martin and Pat Kirk, acting as Masters of Ceremonies, added much to the enjoyment of the show.

The acts included: pantomines, oral readings, folk singing, honky tonk piano, hill-billy music, baton twirling, and a faculty skit that-although this writer hates to admit it-stole the show!

The enjoyable and delightful performances were displayed after a week of hectic, sporadic preparation which continued during the course of the show under the guise of "back-stage pandemonium".

Due to the heroic efforts of this year's fabulous Junior class much talent, heretofore buried in the everyday routine of school-work, has been uncovered and the fame these people have brought to East High can never be put asunder!

Key Club Sweetheart

Miss Paula Benedict was elected this year to serve East High School's very active Key Club in the capacity of Key Club Sweetheart.

Perhaps one of the most important roles of the Key Club Sweetheart is to lend a feminine point of view to the workings of the club. Her advice on projects undertaken by the club often helps the members realize points sometimes missed by an all-male group. Although she has no vote in club proceedings, she may offer her advice through her speaking privilege.

The Sweetheart represents her club in competitions for District and International Sweetheart which are held at District and International Conventions. As in the club selection, the District and International selections are made according to the candidate's poise, personality and intelligence.

The Key Club of East High wishes to extend its most sincere congratulations to all the girls who were candidates for this great honor.

F.F.A. Sweetheart

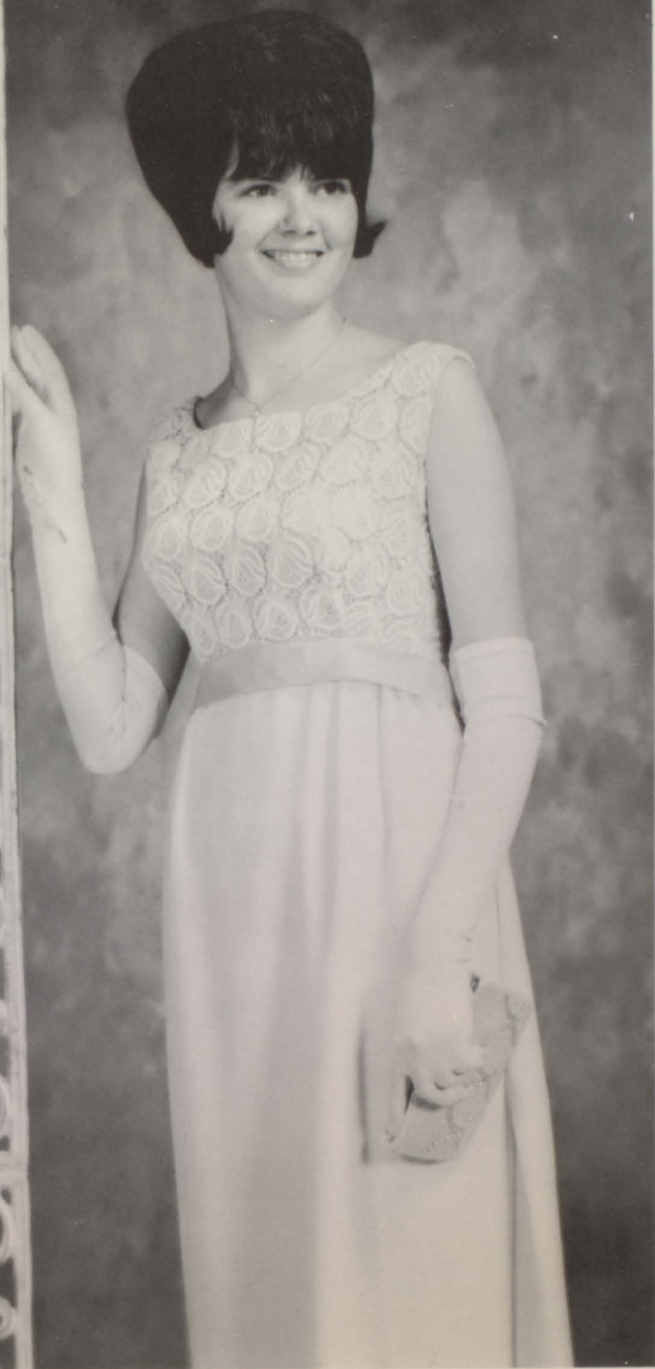

Miss Nancy Flinchum has been Chapter Sweetheart of the Frontier Chapter of the Future Farmers of America for the past year. She was installed into this office at the Annual Awards Banquet which was held on May 4, 1965. She has served this chapter very willingly for the past year.

Nancy began her year by reigning over the Project Show, which was held at East High. She has spent much of her time helping the FFA boys with their speaking contests, banquets, and other activities. Nancy did much work at the County Fair by presenting the boys, who had winning livestock, with their honored awards. She also attended the State Fair at Douglas and she visited the Denver Stock Show.

It is evident that Nancy has had a very worthwhile and successful year.

The picture and copy to the right states that Rich Abeyta was an attendant at the Jr.-Sr. Prom. Regretfully, this is an error made by our staff. While Rich was an attendant at Teneda Turnabout, Jim Higgins was 2nd Attendant at the Prom and this is what should be recorded in place of the present information.

I would like to take this opportunity to apologize to Jim for omitting his name and picture and to you, the purchaser of this book, for a partially incorrect record of the 1966 Jr.-Sr. Prom.

Junior-Senior Prom

This year's Junior Prom was held on May 7, in the gaily transformed East High Cafeteria. The Prom was devised, planned and executed by the Junior class. The theme chosen was "Springtime in Paris" and the decorations successfully set the stage for a memorable evening. The mood was enhanced by a garden scene, a charming sidewalk cafe, flower carts, a splashing fountain (with blind goldfish!) and an Arch de Triumph suspended over the traditional throne. The throne was occupied by Linda Wasson and Rick Hunnicutt, king and queen for the evening.

The pace for the dance was set by one of the best bands East High has ever hosted-the Boenzee Cryque (who could ever forget their polka-dot shirts?)

Despite all of this splendor, the most delightful performances of the evening were by the students who attended. Satisfaction and pleasure were clearly evident on the tired but happy faces as the couples straggled out the doors at the close of the best Prom ever held at East High.

Baccalaureate And Commencement

The graduating class of 1966 was formally dismissed at 8 o'clock P.M. on June 1st at the commencement exercises at William Storey Gym. The solemn group was attired in pale blue caps and gowns as they made their final appearance as a class. John Fey, President of the University of Wyoming was guest speaker on this very memorable night. And although the members of the class will soon be parting, each his own way, the memory of the class of 1966 will linger on for many years to come.

Senior Party

June 1, 1966, was a very memorable night for the graduates of East High and their dates. This was the night-and the morning-of the Senior All Night Party.

The party-goers met, after graduation, at Little America in the glittering Banquet Room for a delicious dinner followed by a really swinging dance. The pace for the dance was set by the Eddies from Casper. By the end of the dance-about 1:30 A.M. - the band was practically the only thing moving in the room!

Sleepy as the group was they, nevertheless, tramped downtown to the Lincoln Theater for a movie billed as "destined to be one of the funniest movies of the year" and it very

well might prove to be! As anyone who attended can verify the comments from the audience were often as funny or funnier than the movie itself!

At the termination of the show the group, who by now were getting giggely they were so tired, shuffled back to Little America and the Banquet Room that didn't seem so glittery in the morning. Here they were served a breakfast that, while it may have been good, not many people remember too much about it.

By 5:30 most people had straggled out to their cars and were on their way home, though there were some reports that it took some a long time to get there due to blurry eyes.

Mrs. Alice Swift

I BELIEVE in boys and girls, the men and women of a great tomorrow; that whatsoever the boy sow-eth, the man shall reap.

I BELIEVE in the curse of ignorance, in the efficacy of schools, in the dignity of teaching, and in the joy of serving others.

I BELIEVE in laughter, in love, in faith, in all ideals and distant hopes that lure us on.

I BELIEVE in the present and its opportunities, in the future and its promises and in the divine joy of living.
