EARTH AND FIRE,
WATER, AIR

WITH GODLY CARE,
MAN'S ADVENT IN THE WORLD —

A soul whose seed

Earth's mottled visage
reaps

FOR WITH THE FIRE
THAT LOVE REVIVES
THE SEEDLINGS INNATE SPIRIT
THRIVES —

ASPIRE,

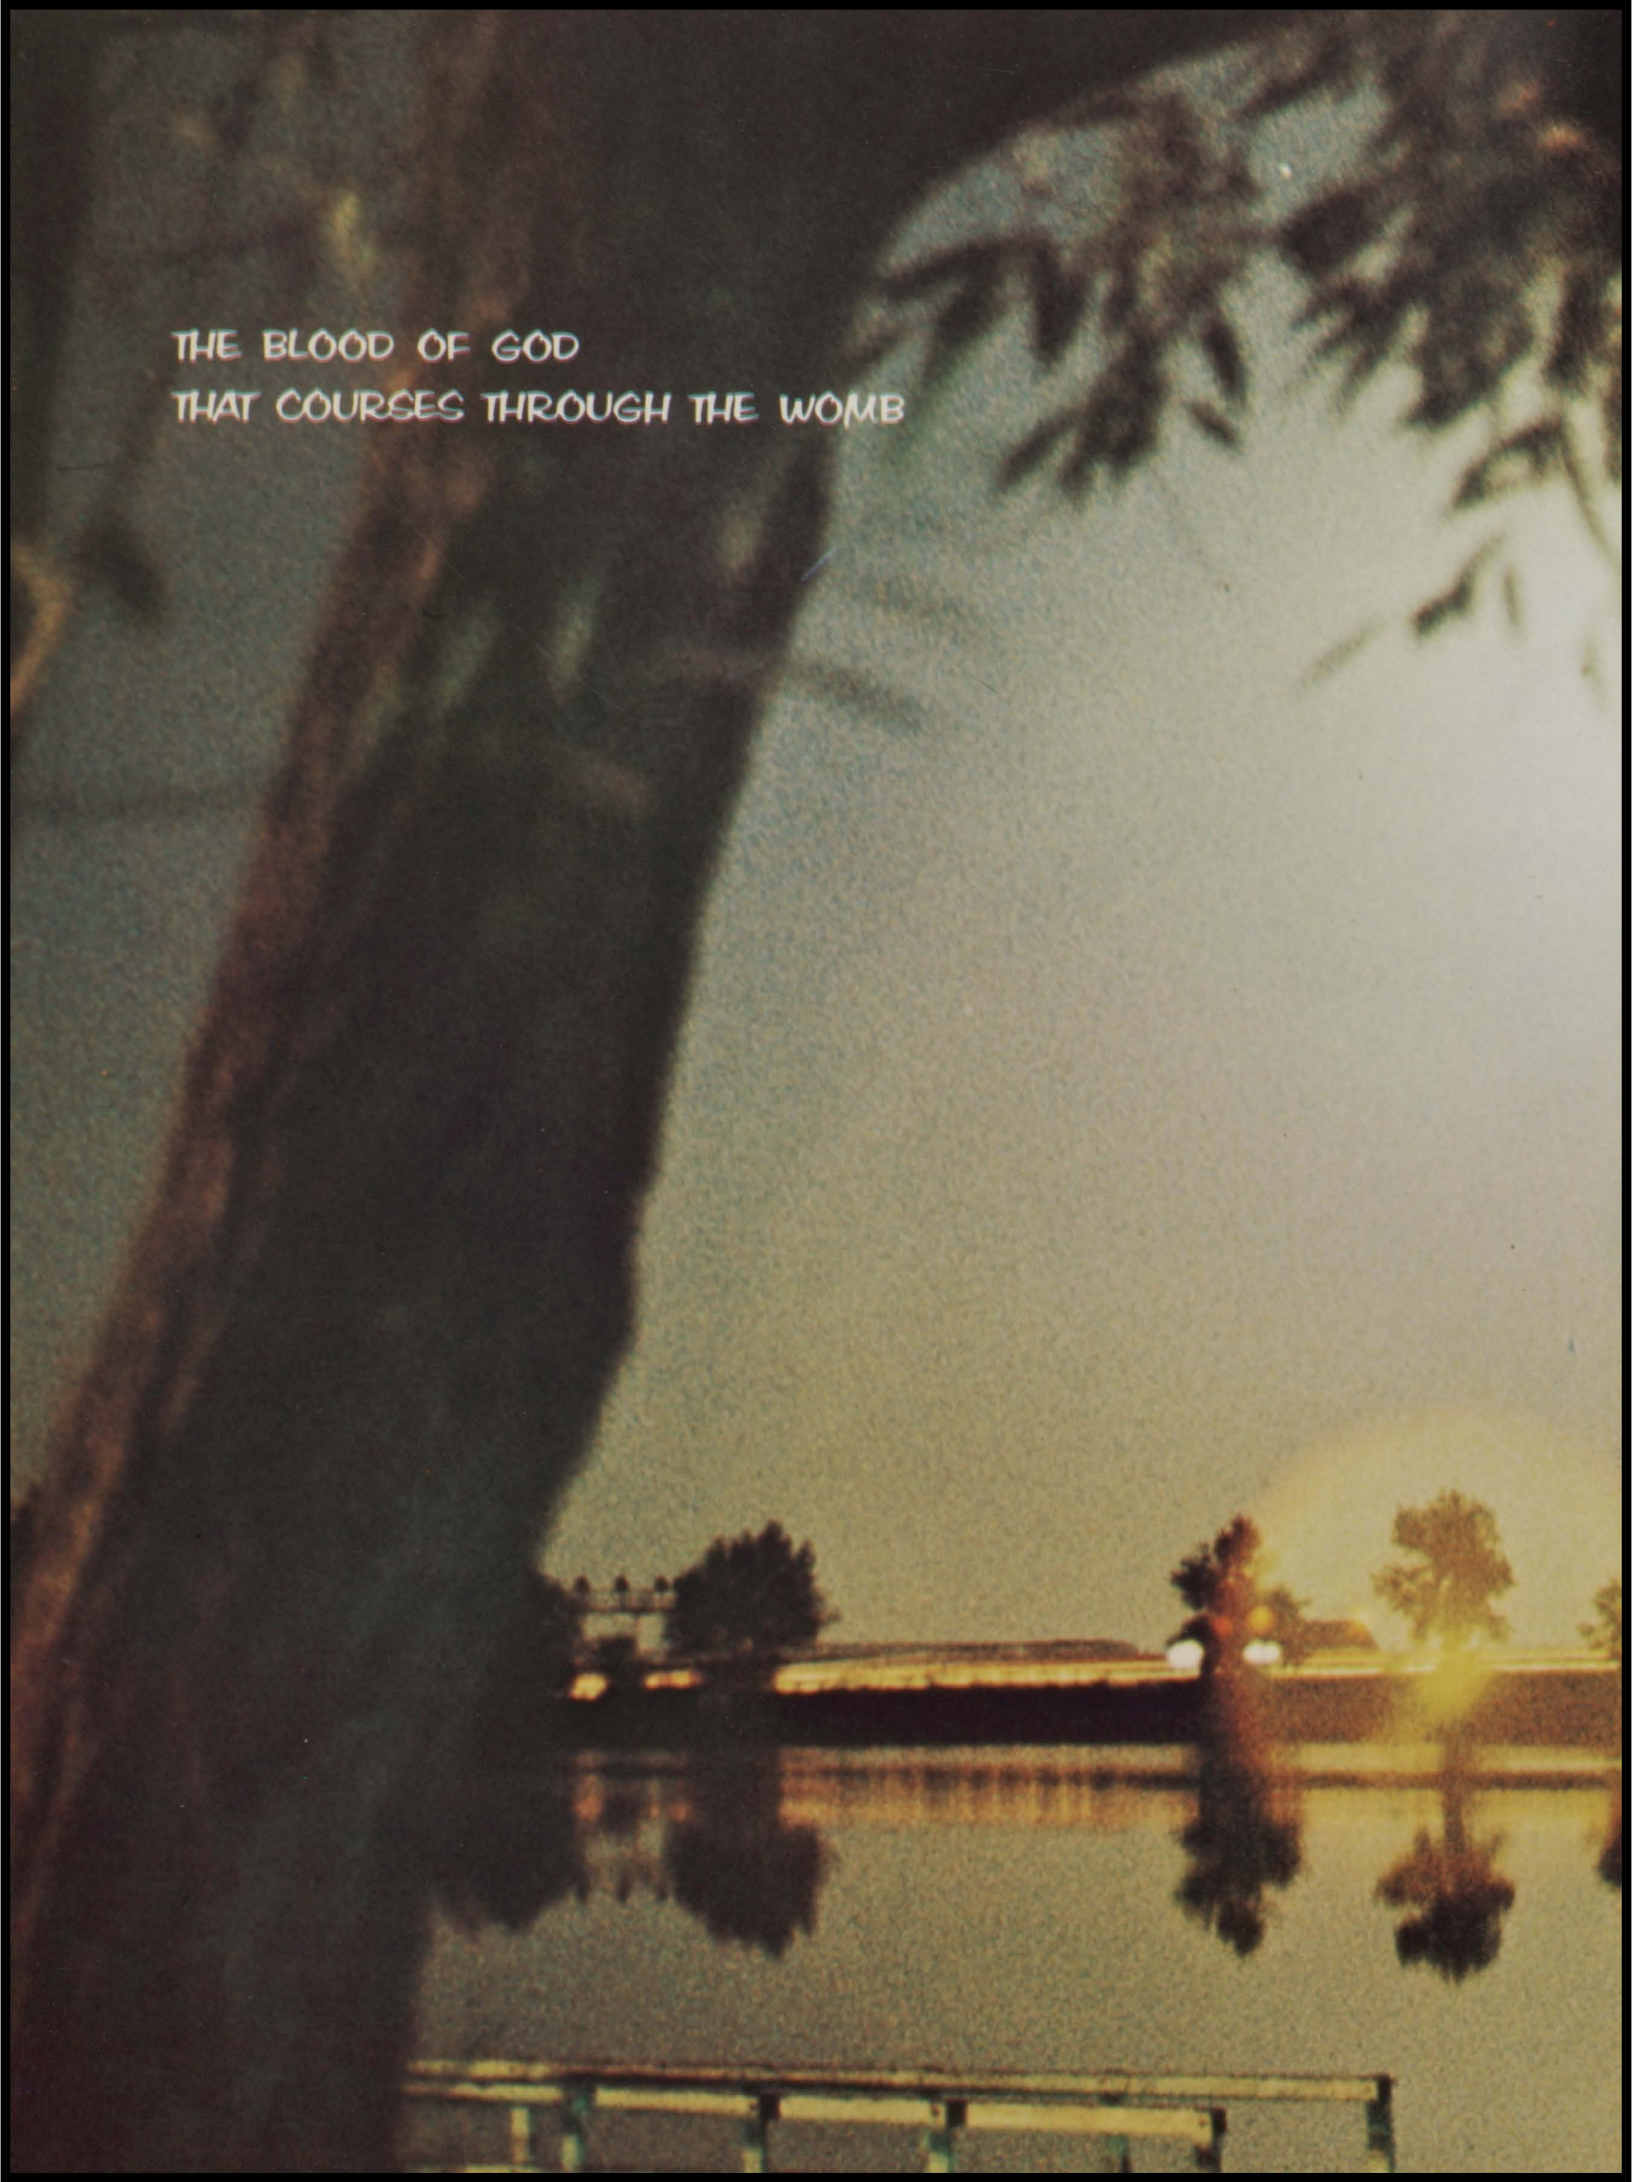

ITS PASSION,

CARE.

THE BLOOD OF GOD
THAT COURSES THROUGH THE WOMB

descends

in

to bloom,

instill a life anew.

Yet, quickly falls away
the time

as soul and sight

emerge in life to
bite the air —

Wahina

seated: Bev Hirsch standing: Kathy DuQuoin, Ted Hernandez, Jackie Williams

This yearbook is the culmination of hard work on the part of the Wahina staff. Few people realize the many hours of work and worry that go into the production of a yearbook such as this. The members of the staff would like to credit the first sixteen pages and all the layouts in this book to Christine Ivey, who was forced to resign in the middle of the year for health reasons. Also a thanks to Bob Mathews for the help given by him before his resignation. One final huge thank-you goes to Linda Johnson, our helpful and determined sponsor.

Seeing things clearly

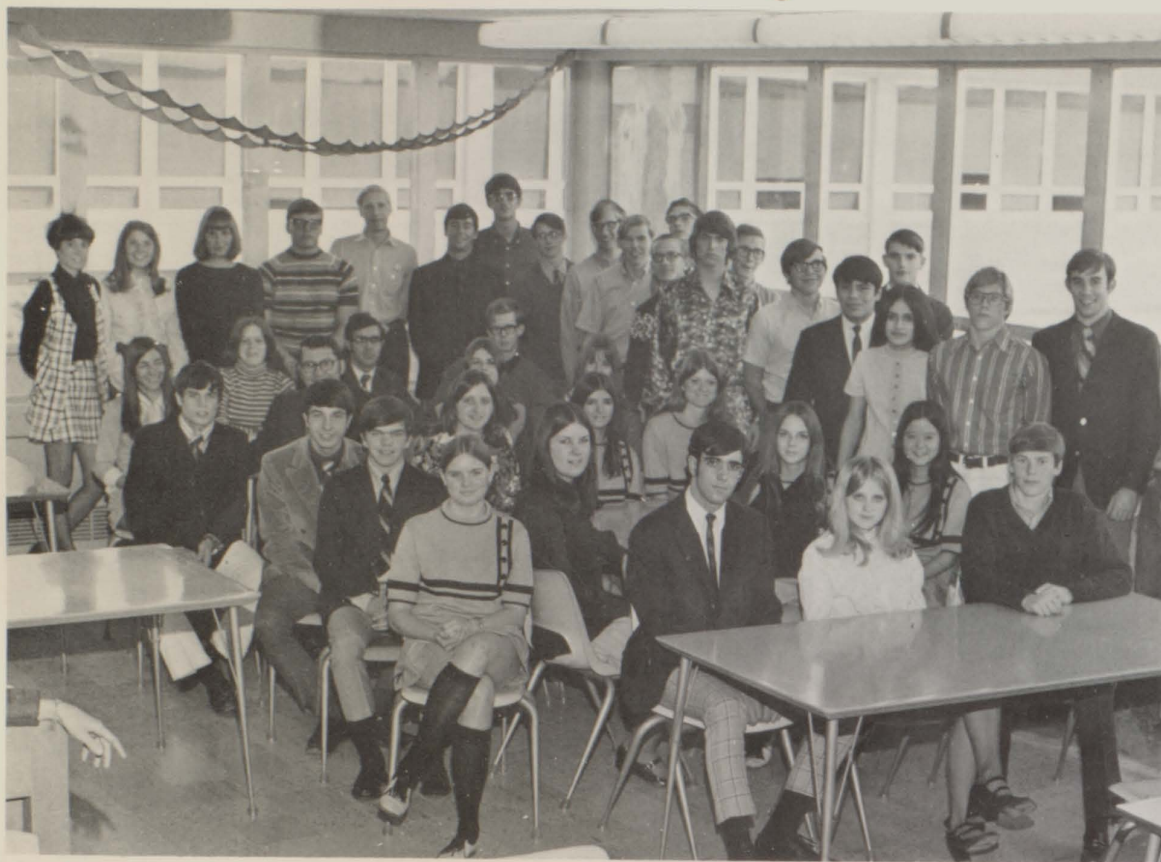

The Thunderbolt is East High's newspaper publication. Under the editors, Ralph Zobell and Jane Brounink, the T-Bolt has given the students of East High an outstanding coverage of the school's events and activities. To insure more accurate coverage the staff also asked each club to pick its own reporter. Along with their service to the school, the staff gained experience in journalism through writing, editing and publishing the newspaper.

Distributive Education is a training program which enables students, upon graduation, to enter the business world as a part of the link between production and consumption. D.E. offers the student an opportunity to study an area in which he wants to make a career, such as sales, merchandising or management. He receives vocational training and practical experience, while receiving his high school education.

Future Teachers of America is an organization whose main purposes are to acquaint young people with the history, ethics and programs of the organized teaching profession as well as to interest young men and women in teaching as a career. Future Teachers held their annual initiation party, and a Christmas party. Many members served as teachers' aides, attended the state convention and participated in Senior Teaching Day.

The Future Secretaries of America develops interest in the secretarial field, with the help of the members of the Indian Paintbrush Chapter of the National Secretaries Association. Students are encouraged to develop their skills and further advance their education in order to be better qualified for secretarial positions. This club gives the girls a sample of those activities involved in office work; mainly typing, bookkeeping and general office work.

Future Farmers of America

The East High chapter of Future Farmers of America is the largest in Wyoming. The basic philosophy of FFA is to accept a boy on his own level and prepare him for living happily and honorably in society. FFA proposes to amplify its philosophy and accomplish its goals through effective classroom instruction and field trip study. This year, for the first time, girls were admitted to membership. The chapter sweethearts this year were Claudia Lummis and Claudia Schleyer.

Only lonely men know freedom.
Love,
as lovely as it is,
still ensnares.
It is better then
to be on the outside
in the dark and free,
or caged contentedly
but still looking
out beyond the bars.
