FOREWORD

No mere human can assail Wyoming snow drifts eight months of the year, load himself down with five solids, and constantly endeavor to apply the motto, "Excellentia in Omnibus." Admittedly, it's a dog's life. There is, however, a group of uncommon humans calling themselves students, who trudge through everyday school life to achieve an education that they may further themselves, their families, and country. To those unsung soldiers this book is dedicated.

SENIOR CLASS OFFICERS, LEFT TO RIGHT: Vice Pres., John Carmen; Sec. Treas., Sylvia Bush; Pres. Courtney Johnson

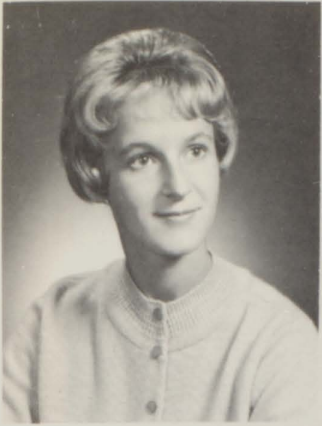

The seniors of '63 have the distinction of being the first class to have attended East High for the entire three years of its existence.

As sophomores we attended the split sessions in the old Cheyenne High building. Girls are not likely to forget the drippy hair or fashionable suits of their sophomore swimming classes. Whether working in Student Senate or playing on the football team, we lent a hand in establishing the new East High School.

In the fall of 1962 we forgot the leaky ceilings and battered desks of the old building as we moved into the new "plant." Many will recall the hours spent on the junior class float, "Clean up the Tigers," for the homecoming parade. Many of the highlights of our junior year were in sports. East won its first East-Central football game, took third place at district basketball tournament, and brought back fourth place from state tournament. East won the state track and golf championships on the same day--the first time a Wyoming high school has done so. The closing months of our junior year were devoted to presenting the Junior-Senior Prom, "Moon River," and participation in student body elections.

With an air of superiority typical of seniors, we returned to complete our last year of high school. One of the highlights of the football season was the tremendous school spirit shown on the day East defeated Central. In spite of the late hour (3 a.m.) and the PSAT tests the next morning, many seniors took the bus trip to Casper and "governed themselves accordingly." Our senior year has been filled with responsibilities as well as fun. One of our chief duties was the presentation of a gift to the school. The measurements for caps and gowns marked the beginning of preparations for our final high school activity, graduation.

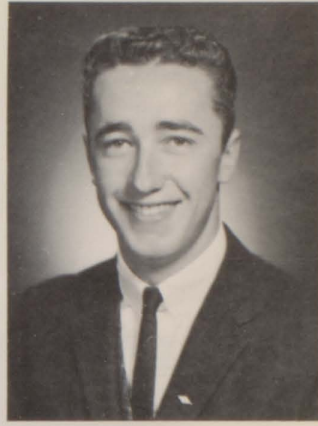

There is no need to consider this an ending; it is the end of a tribute to a beginning.

FOREIGN EXCHANGE STUDENTS

Early in 1962 a train pulled into Cheyenne from the West Coast, bringing East High's first exchange student, Sonia Earle, from Stalwell in Victoria, Australia. It wasn't long before this wonderful, warm girl made many good friends who will never forget her. Sonia stayed with several families of Rotary Club members, the club that sponsored her trip. She also participated in several school activities, including drama, music, and speech.

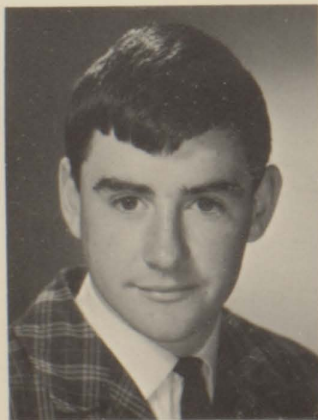

At the going away assembly, "Sonny" was presented with her high school diploma, an East letter sweater and a bracelet from Student Senate. Her good-bye, a light-hearted "Toodle-doo, Kangaroo," hardly made it easier for everyone to see her go.

Rick Peters in Concert Choir class

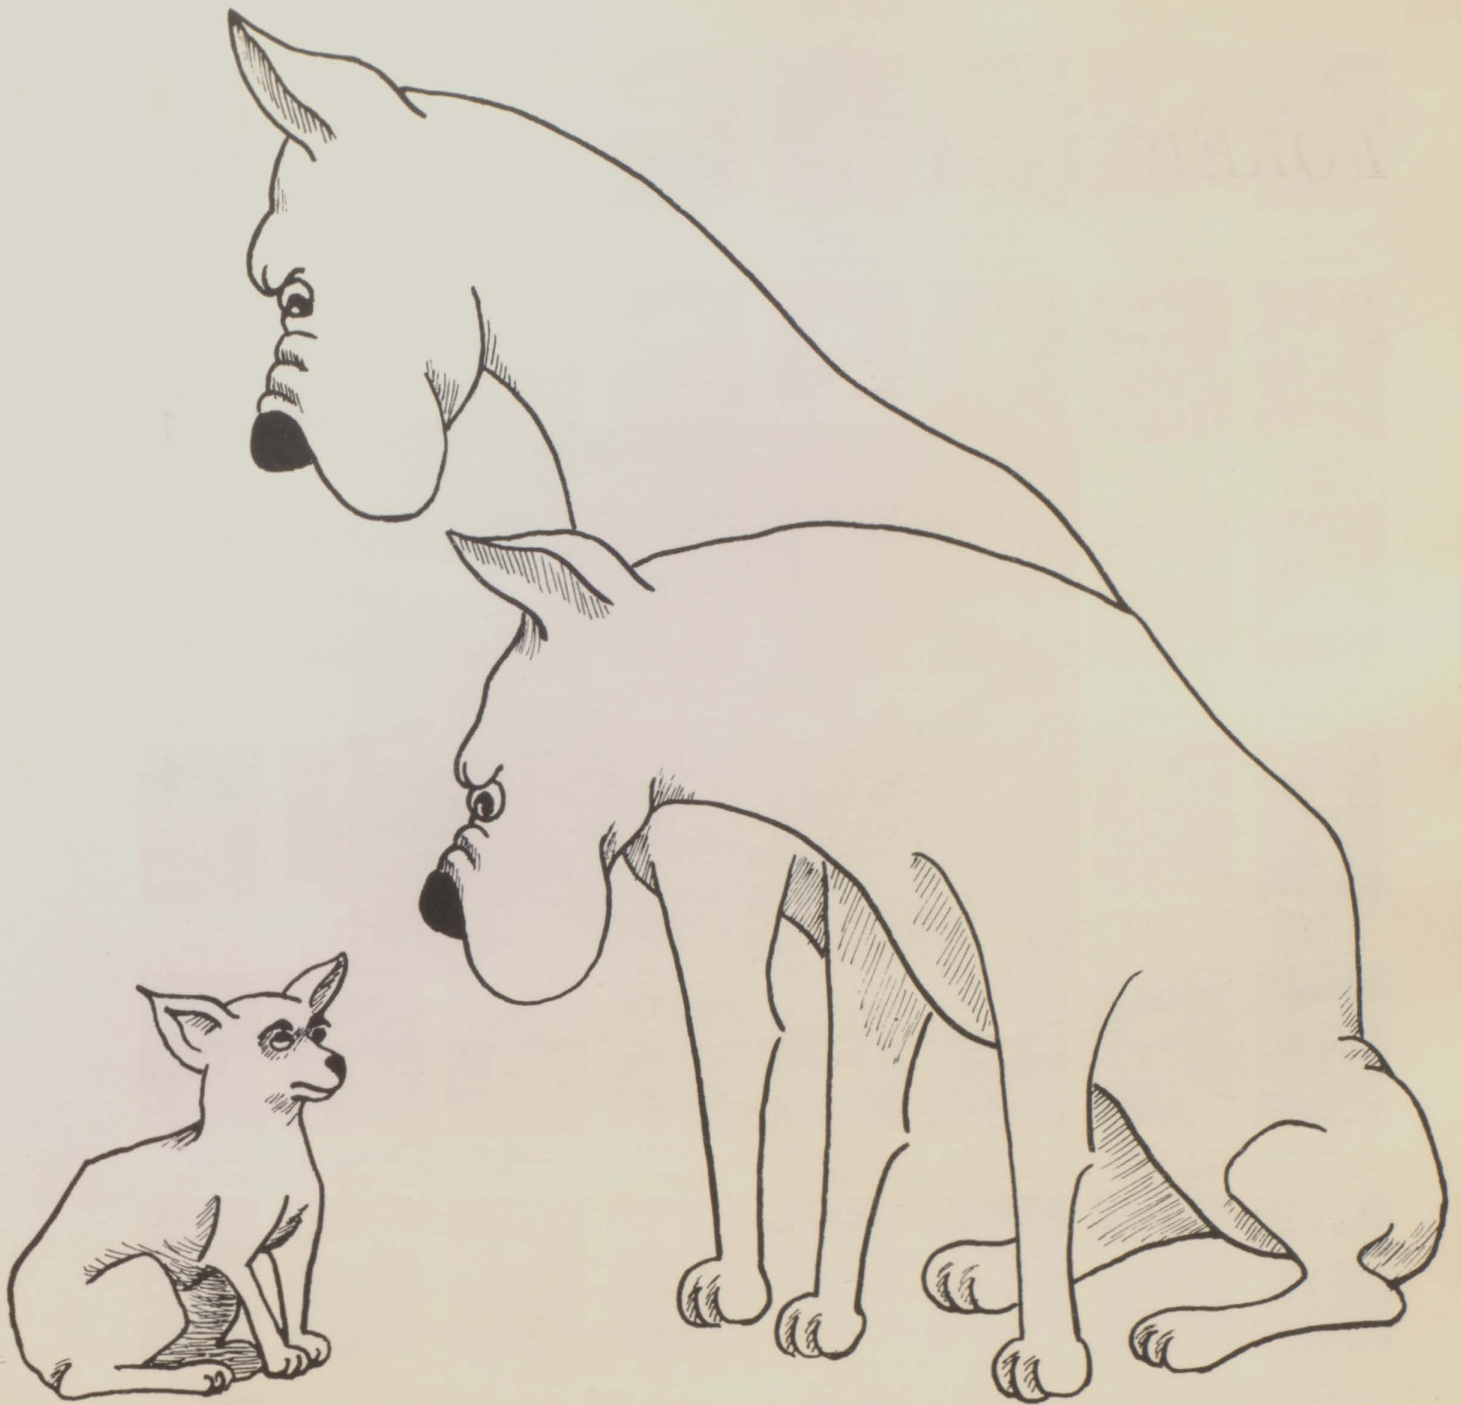

Sonia Earle in the funeral scene of OUR TOWN

January 24, 1963, Rick Peters, our second exchange student from Lake Bolac, another small town in Victoria, Australia, began classes at East High School. He was immediately impressed by the "bigness and newness" of our school as well as the friendliness of the students and teachers. He says that the students have been very helpful to him. Rick seems to be enjoying all of his classes which include English literature, American history, concert choir, speech and typing. The teachers here, he says, have a good sense of humor and are more personal with their students than Australian teachers. We were all very happy to welcome Rick to our school, for he is a genuinely friendly person.

Did you ever have the feeling you were caught right in the middle? Being a junior is a little like being a fencepost. It's a secure position but without the clearly defined power of the barbed wire. We weren't completely buried, though. We got around a little bit. There was that wild, weird, wet float that won first prize, and the class play, and whatever it was that went on in Miss Barnum's fifth period English class. And come to think of it, what could they have done without us?

Nothing Gold Can Stay

Nature's first green is gold,
Her hardest hue to hold,
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf,
So Eden sank to grief,
So dawn goes down to day,
Nothing gold can stay.

--Robert Frost

Sophomores

CLASS OFFICERS, LEFT TO RIGHT: Margaret Tsumagari, President; Bob Weisert, Vice-President; Connie Daiber, Secretary-Treasurer.

Our sophomore year holds many happy memories for us. We began our first year of high school... timidly, but before long we gained confidence, and soon we settled down to work. Our school was young, and we were proud to contribute to the selection of the school motto and the emblems for Storey Gym. We can still look forward to two bigger and better years at East.

Button, button, who's got the button?

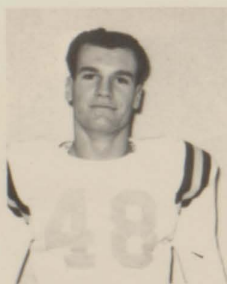

Counting on a fast backfield and fourteen returning lettermen, East High's football team entered the '62 season hoping to better the previous season records of East's short history.

In a preseason game against Central on August 31, over 4000 fans saw the underdog Indians surprise the T-Birds 12-6. East's offensive mistakes allowed Central to take a 2-1 edge in this cross-town rivalry, but did not break our determination.

Breaking the Sterling jinx with a 26-0 victory on September 7 put East in the winning column. Two juniors, halfback Mike Cartwright, and quarterback John Whitney, accounted for all the touchdowns.

East lost its first road game to Sidney, Nebraska, 14-0 on September 14. More offensive mistakes plagued the team in this game, although David James, a new junior, did well at halfback, replacing injured Bob Fintus.

Homecoming spirit and more experience proved a good combination as East defeated Rawlins 26-0 on September 21. Rawlins' defense couldn't hold the East attack led by Bob Fintus, Ron tenBensel, and John Whitney.

All-Conference
Fullback

A series of road trips got off to a bad start as East lost to Sheridan 27-0 on September 28. East came close to the goal line in four different drives, but couldn't seem to crack the Sheridan defense.

The morale of fans and players was heightened as East came from behind to upset its next road opponent, Rock Springs, 33-20.

Supported by three busses of EHS students, the team played one of its best offensive games of the season against Casper on October 19. It seemed another upset was in the making as East held Casper 6-0 going into the fourth quarter, but two desperation touchdowns by Casper gave East its first conference loss of the season.

The second conference loss came October 26 as the Laramie Plainsmen defeated East 35-0. East could not control Laramie's smooth running ground game.

Planning to surprise the skeptics, the T-Birds, prepared for the final important Central game on November 2. Boosted by the 100% support of East Students, the team had only defeat in store for the Indians. Two quick first-quarter touchdowns and Brent Fabians's interception gave East a 21-0 half-time lead. The stunned Indians tried unsuccessfully to come back in the second half. Another T. D. with less than two minutes to play made the score, 35-20, the largest so far in the series, and secured the third place conference spot for East.

This season's ten senior players will be missed next year, but the experienced underclassmen should lead the team through a successful '63 season.

CROSS COUNTRY

For the first time in its short history, East High entered the cross country competition. In early meets East made good showings, but the most impressive placing was a second in the state meet. East students can be proud of this team's first year of competition.

GOLF

Early in the fall, the East golf team was already hard at practice. Attending the state tournament in Riverton in September were Steve Winkler, Louis McBride, Gary Gibson, Mike McNulty, and Mike Bryan, East's low man at the tournament. More matches are scheduled this spring for the East golf team.

Forward

The season record of five wins and fifteen losses does not reveal the many fine games the T-Birds played this year. Eight games were lost by six points or less, and four by four or less. One of the highlights of the season was the exciting game against University Prep. By playing four quarters of consistent basketball, the T-Birds defeated highly-rated Prep 56-55.

The T-Birds steadily overcame their big disadvantage of lack of height, and their improved game was very evident in the district tournament. Though rated "in the cellar," the team surprised everyone by capturing third place with victories over Torrington, Rawlins, and Rock Springs. In addition, two East players, Tom Case, and Bob Fintus, were named to the All-Tournament team. At the moment this copy went to press, the T-Birds were looking forward hopefully to a good showing at the State tournament at Laramie. Five seniors will be missing from next year's team, but experienced juniors, Tom Case, Mike Cartwright, John Whitney, and Don Estes should prove valuable to the team.

SWIMMING

East High's swimming T-Birds ended the '62-'63 season with one of the best performances in their three existing years. In dual competition the T-Birds won four of seven outings. Of nineteen teams that entered the 14th Annual D. U. High School Invitational Swimming & Diving Championships, the T-Birds placed sixth. The T-Birds won first place in the first Cheyenne Invitational Swimming Meet. Cheyenne East placed third in the state swimming meet at Laramie.

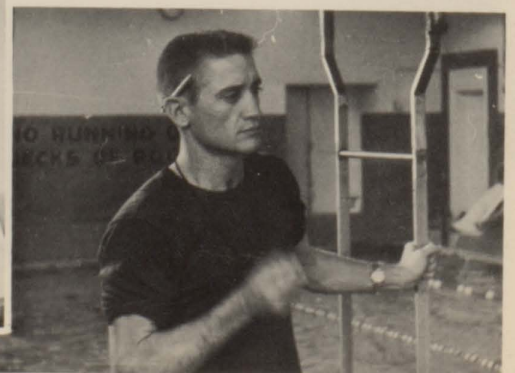

For the first time in T-Bird history, state swimming records are held by East swimmers. Dave Shelton was the first to hold a state record by virtue of his preliminary time. Dave swam second in the finals, losing both first place and his short-lived record to a Powell backstroker. Present record holders for East are Perry Pendley in the 100 yd. breaststroke, bettering the state record by one full second with a time of 1:12.2, and John Carmen in the 200 yd. individual medley with a time of 2:32.0, bettering the state record by .8 of a second. John also broke the state record of 1:05 with a time of 1:04.0 in the 100 yd. butterfly.

WRESTLING

A varsity squad consisting of seven seniors and three underclassmen state winners helped to bring recognition to this year's East wrestling team. The season record of eight wins and five losses was concluded with a fifth place at the regional tournament at Lusk on February 15 & 16, and an eighth place at the state tournament at Laramie on February 22 and 23. At regional, Danny Madrid placed first in the 133-pound division; Rudy Medina, second in the 103-pound division; and Jim Alexander, third in the 138-pound division. These three wrestlers also won honors at the state meet. Madrid and Medina both won second places, and Jim Alexander won a third place. With a promising team of underclassmen, East expects another successful season next year.

TRACK

Although last year saw many of East's finest trackmen graduate, we expect another good season for Coach Strauch and his boys, who, while they lack depth in the field, should remain strong in track events. Unfortunately, this season is only speculation, since at this writing, the team is yet to compete in its first meet.

Put the 'pole WHERE?

One giant step! Mother, may I?

Will you PLEASE blow that whistle?

Strauch says we only have to go around this field 100 times today.

The East High tennis team swings into action in the fall, and then resumes action early in the spring. Mr. Matthews has enthusiastically sought and found interest in tennis. With his program of development, the upcoming players should soon form a well-rounded team. As yet, the team has won only one of four meets. However, there has been at least one individual match winner in each meet. Spring will bring the players back to the courts with new vigor and an enthusiastic desire to win.

FOURTH ROW: Doris Baumfalk, Mary Ann Wiggins, Pat Lund, Nick Nichols, Richard Lacey, Ron Nichlaus, Bob Gottschalk, Rick Finnell, Karen Schurman, Candy Breisch, Carol Rusch, Ruth Ann White.

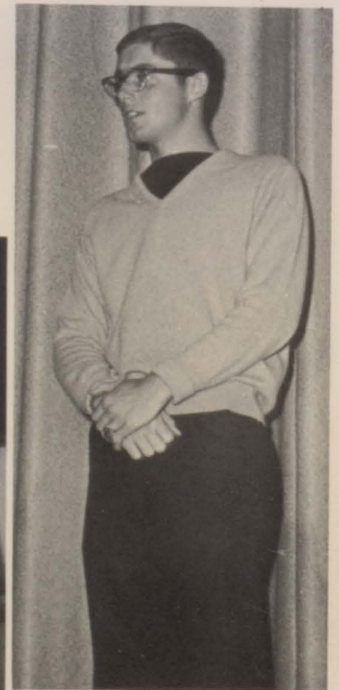

Student Senate is composed of representatives from home rooms and clubs and officers of the sophomore, Junior, and Senior classes. In the fall of 1962, the student body elected President John Kelsey, Vice President Carol Rowley, and Secretary Treasurer Sherry Leeright as officers of this year's Student Senate. Although all members may voice their opinions, only home room representatives and class officers are voting senators. This year under the able leadership of Mr. Cook and Mr. Croker, the Student Senate has sponsored Homecoming, has attempted to arrange a student exchange trip, has organized "Information Students" who direct visitors in our building, and has installed vending machines in the hall which dispense paper, pencils, and pens.

"Well, I think if you amend the constitution to read. . ."

Carol and Sherry check over the minutes before the meeting.

As president, John Kelsey also presides at assemblies.

GIRLS' AND BOYS' STATE

FIRST ROW: Carol Baird, Rita McKee. SECOND ROW: Roselind Lindau, Karen McLaughlin, Lynn Bumgardner.

A talent presentation at Girls' State.

Girls' and Boys' State, sponsored by the American Legion Auxiliary, is held each summer to give high school girls and boys the opportunity to learn about and participate in the operation of democratic government. The delegates are chosen primarily on the basis of scholarship and leadership. In addition to electing city, county, state, and national officials, the delegates discuss bills in the legislative bodies and hear cases in the court branch. The highlight of the week is Cheyenne Day when the girls and boys hold sessions in the state capital building.

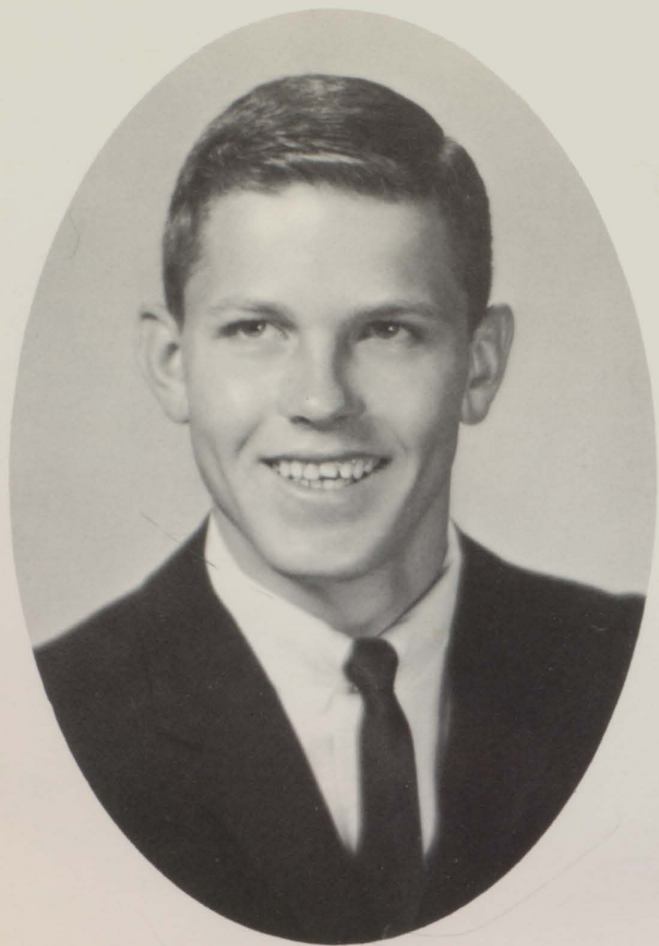

Our newly elected officers of the House.

FIRST ROW: Don Riske, Gary Gysel. SECOND ROW: Ron ten-Bensel, Courtney Johnson, Bob Gottschalk.

With the approval of the fans, coaches French, Strauch, and Phillips threw a Rawlins Outlaw into the bonfire and launched activities for the 1962 Homecoming, "Outlaws Blunder at Day of Big Thunder." After Coach Godfrey and tri-captains, Bob Fintus, Ron ten-Bensel, and Gene Lane, each predicted a win for East in Friday's game, the royalty was announced.

A rainy September 21 did not dampen the spirit as the Day of Big Thunder arrived. The Rawlins "cheerleaders" presented their version of the twist at the pep assembly. Miss Thunderbird, Kaye Dunigan, and her attendants, Suzanne Armstrong and Jerry Shriver, as well as the East Beast, Ken Uhrich, and his Fierce Friends, John Carmen and Fred Emerich, were introduced to the student body. Miss Thunderbird received a bouquet from last year's queen, and the East Beast and his friends received vegetable necklaces.

Fortunately, the rain stopped, allowing the parade to get underway. The junior class proved its worth by winning first place for its float. Taendas and Decca Club won second and third places respectively. Pat Link, the Future Teachers' Car, and Louis Lujan won in the car division.

The football team added to the celebration by rolling up a 26-0 half-time score. Led by Bob Fintus, who scored two T.D.'s and Ron tenBensel and John Whitney with one each, the team made certain the Outlaws did blunder on East's Day of Big Thunder. Half-time activities were limited to a show by the band and presentation of the royalty. The soggy track prevented the traditional parade around the field. Another downpour beginning in the third quarter prevented further scoring and drenched many fans on their way to the Student Senate sponsored dance. The dance, however, was enjoyable and a fitting end to East High's wet but victorious 1962 Homecoming.

ORCHESTRA

The orchestra hard at work for the musical Oklahoma.

The East High Orchestra, consisting of music students interested in string instruments as well as supplemental groups of woodwind, brass and percussion students, who participate in the activities of both band and orchestra, has been presented several times this year and has been a worthy representative of East High School.

Representatives of East High Orchestra participated in the district band, orchestra, and vocal clinic, local state and regional music festivals, and probably the greatest honor, Northwest Regional Clinic, held in Casper.

Serious music students appreciate the opportunity to develop and display their talents and, therefore, have the highest regard for the high school orchestra.

Fashions of the day.

Comprised of senior girls, the main aim of Big Sisters is to extend a hospitable, helpful hand to underclassmen. In line with this aim, all sophomores were invited to a fashion show to present proper dress for different school occasions. A Christmas party at Mrs. Ladd's house was a welcome reward for club service. School pennants were sold to raise money for the Big Sisters Tea. Accomplishing more than any previous president, Pat Lund, with the advice of Mrs. Ladd and Mrs. Chambers, led Big Sisters through an eventful year of school service.

Highlights during the Thunderbolt's publication year were the Miss Thunderbolt and baby picture contests.

NOT SHOWN: Jackie Ottoes, Eddie Rowe, Mary Garton.

The Wahina Staff is composed of interested, dedicated people who record, as accurately and permanently as-is possible, the activities of their school and of their fellow students. No joy was too small to deny the possibility of developing an ulcer. Any journalistic accomplishment has as its background, work-plenty of it-and, as its indirect result, prematurely graying hair and crossed, red eyes.

The artistic quality of this year's Wahina is due mostly to the art work of Ed Rowe and the efforts of the photography editor, Ann McCall. Also to be commended is the co-operation shown the Wahina by the faculty and students.

WAHINA WEEK

"Hi! Beautiful!"

Hush Day, held Monday, proved to be a real battle of the sexes. The girls wore hush tags and if they talked to any boy, they had to give their hush tags to them. The boy that collected the most hush tags was crowned Mr. Irresistible. The girls who kept their hush tags were eligible for the drawing of Wahina Week Queen. The boys ran around all day trying to get the girls to talk to them. It was really surprising how many girls could keep quiet if they wanted to.

"Dress like everyone else, but put a little more into it."

Jack Lane acted as auctioneer for the slave sale Thursday at which they sold the class officers. Courtney Johnson got the highest price which was offered by a group of girls. He was seen Friday and Monday running around with a wheel barrow full of books.

An assembly was held Friday, official color day. During the assembly, the Wahina Week Royalty were presented to the students, and a skit was given, satirizing the senior notables.

The Royalty were presented with corsages and mums. For his hard work, Mr. Irresistible was given his very own little black book, containing the names and telephone numbers of all East High girls.

Since it was also color day those students who didn't wear blue and black were brought on stage and exposed to the faithful students.

"Learning to do, doing to learn; earning to live, living to serve." These words are the motto of F. F. A. and also sum up the purposes of FFA. The main aim of FFA is the development of agricultural leadership, co-operation and citizenship. Boys wishing to join FFA must be students of vocational agriculture in high school, although they may retain membership for three years following graduation. The Frontier Chapter of FFA at East High is one of the most rewarding organizations in our school. It is to their diligent work, numerous activities, and the superb guidance of Mr. Allen we owe many of the trophies in our trophy case.

The proceeds of this year's money-making projects were used to purchase a gift for the school. At the closing of the school year, a party was held honoring the senior members.

In the spring, "E" Club holds its initiation for new members and gives a banquet in their honor. Another event in which "E" Club members and their dates can participate is the annual swimming party held at the end of basketball season. For their money raising project they sold candy kisses.
