UP A NARROW FLIGHT OF STAIRS  
IN A NARROW LITTLE ROOM  
AS I LIE UPON MY BED  
IN THE EARLY EVENING GLOOM.

IMPALED ON MY WALL  
MY EYES CAN DIMLY SEE  
THE PATTERN OF MY LIFE  
AND THE PUZZLE THAT IS ME.

FROM THE MOMENT OF MY BIRTH  
TO THE INSTANT OF MY DEATH  
THERE ARE PATTERNS I MUST FOLLOW  
JUST AS I MUST BREATHE EACH BREATH.

LIKE A RAT IN A MAZE  
THE PATH BEFORE ME LIES  
AND THE PATTERN NEVER ALTERS  
UNTIL THE RAT DIES.

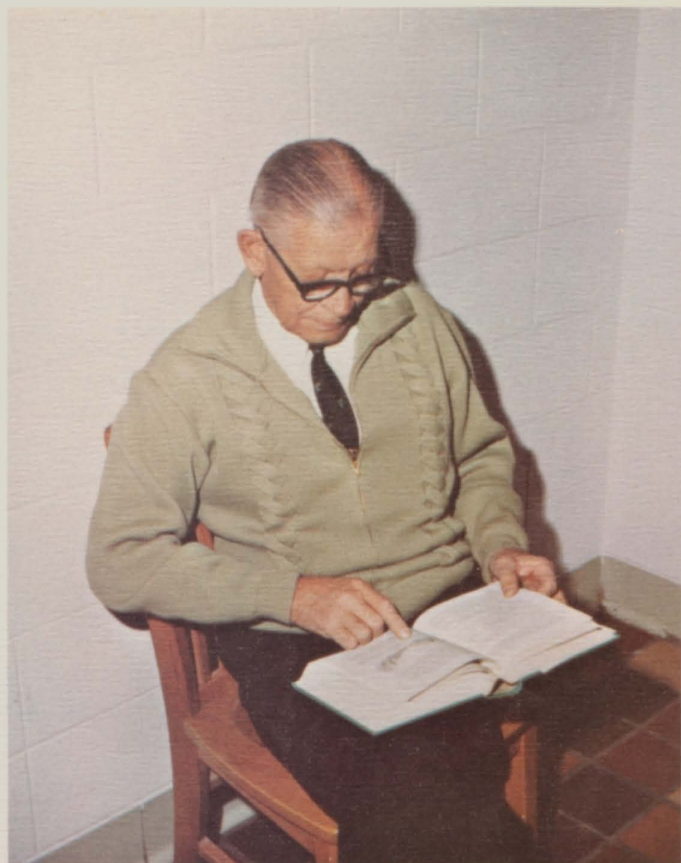

AND THE PATTERN STILL REMAINS  
ON THE WALL WHERE DARKNESS  
FELL  
AND IT'S FITTING THAT IT SHOULD  
FOR IN DARKNESS I MUST DWELL.

LIKE THE COLOUR OF MY SKIN  
OR THE DAY THAT I GROW OLD  
MY LIFE IS MADE OF PATTERNS  
THAT CAN SCARCELY BE  
CONTROLLED.

Growing up brings with it some experiences that are mild and pleasant. It also brings some that are difficult and painful . . . What we learn from these experiences determines what kind of people we become.

Growing up is an individual matter.  
Maturity comes early to some and  
late to others.

Only when we are faced with a  
serious challenge do we know when  
we have reached maturity.

In the world of imagination  
we can be whatever we wish.

But no make-believe world is  
really safe from reality.

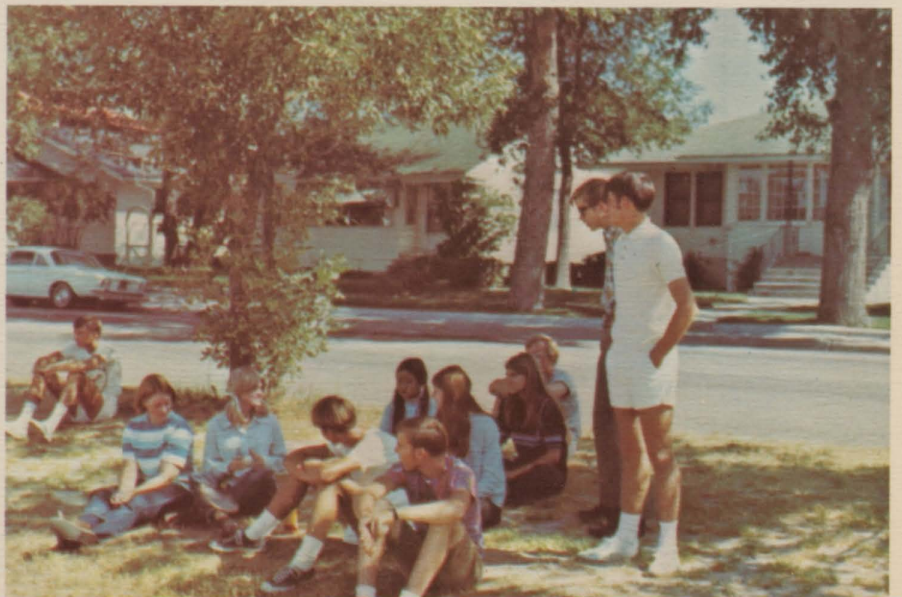

Some of life's obstacles are real, and some are imagined. It is only when we face them directly that we live in truth. We can overcome seemingly impossible odds if we only try.

The making of friends who are real friends, is the best token we have of a man's success in life. Life should be fortified by many friendships, but true happiness consists not in the multitude of friends but in their worth and choice.

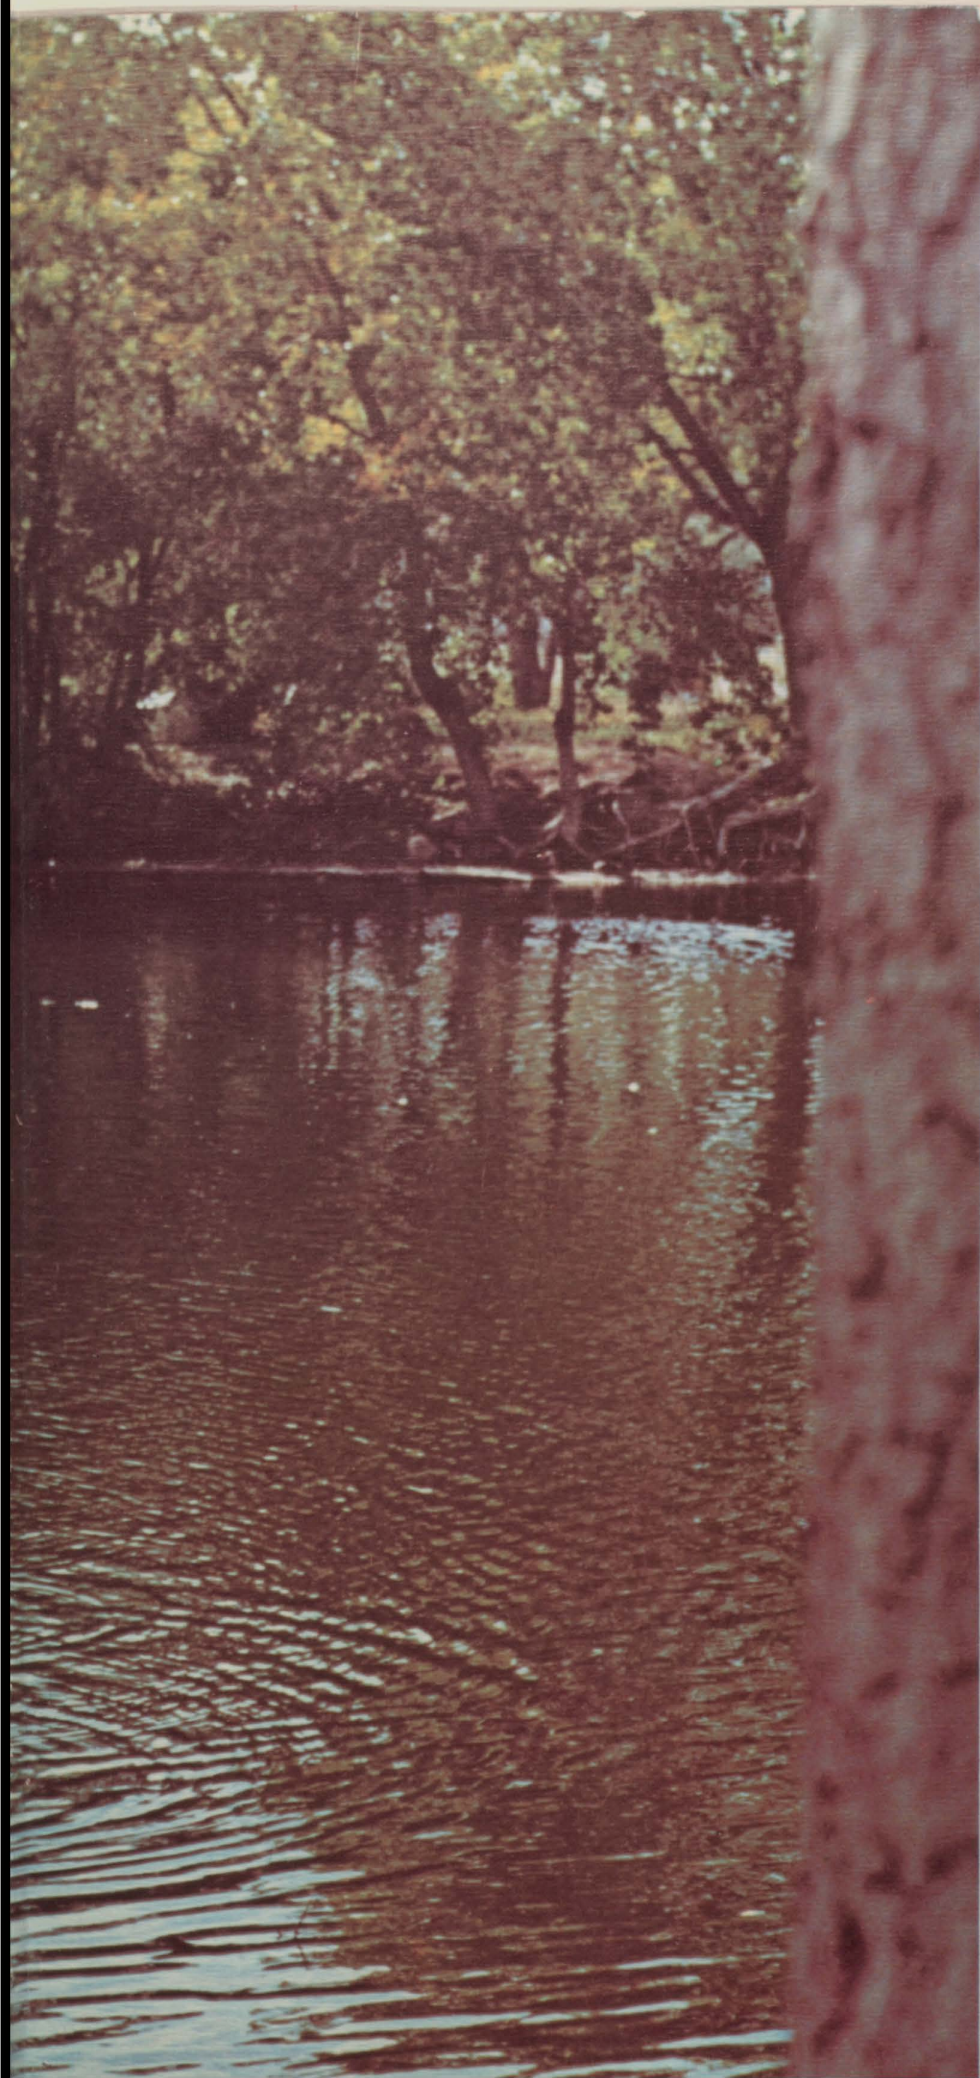

With each day we grow and change  
molding our lives for the future. We  
follow the pattern set before us, aware  
that our lives are just beginning.

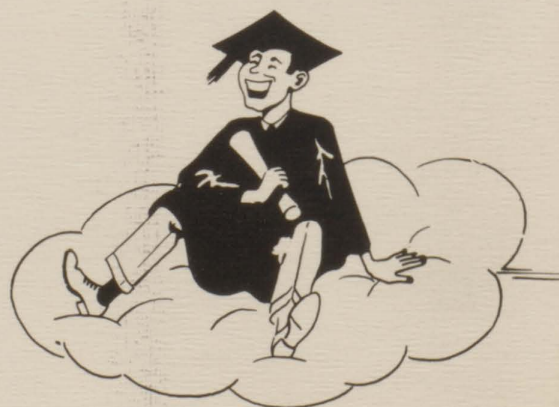

Our life is not a land locked lake enclosed within the shorelines of seventy years. It is an arm of the sea, and where the shorelines seem to meet in old age, they open out into the infinite. And so we must build for these larger waters. We must lay our life plans on the scale of time, the infinite, not as though we were only a pilgrim of time, but as a child of eternity! We are immortal! How then shall we live today in prospect of the eternal tomorrow?

# SENIORS

# Senior Class

SENIOR CLASS OFFICERS: Craig Shanor, V.P.; Rick Lewis, Pres.; Tommi Baker, Sec.-Treas.

Our first year of high school, although it seems an eternity ago was a busy and fruitful year. Our Thunderbird band played at the Sun Bowl. East High participated in our first intrastate exchange with Riverton High. As for athletics, it was a very good year. Our cross country team was second in SWAC and state. The swim team was first in SWAC and state. Wrestlers took second in SWAC. Casey Bartels began his winning record with his first state wrestling championship. Our vocal music department presented *West Side Story* as its annual musical.

Our junior year crept upon us. Again the year was great. The vocal music department presented *George M!* We had our first opportunity to participate in the Jr.-Sr. Prom. The theme was "We've Only Just Begun." Perhaps the highlight of the year in athletics was our state championship in football. Cross country placed second in SWAC and state. Swim team remained first in the state and SWAC. Casey again placed first in the state. Our homecoming float took second place honors.

With mixed emotions we met our senior year. It was our big chance to run the school in the positions of Student Body President, yearbook and newspaper editors. Casey Bartels was elected Student Body President. Kathy DuQuoin and Jackie Williams were yearbook editors and Bill Holmes was the newspaper editor. Our classmates also held leads in plays and musicals. The athletic department kept up its good record by beating Central at least once in every sport. Our homecoming float won first place. The senior class play was *Exit the Body* and the musical was *Carousel*. Casey Bartels completed his record and won his third straight wrestling championship. All too suddenly our year was over.

Now only graduation ceremonies remain. How has it felt to be a senior? It is comparable to standing in the front doorway of a home. Behind us, so close yet so distant, warm, familiar comfort lies, while before us, so distant yet so close lie the icy, challenging reaches of unknown mountains. In this yearbook we have as chance to savor and preserve one last memory of the past before the door is closed behind us. But as Shakespeare said, "All the world is a stage." Our long years of rehearsal are over and now the call is "Curtain going up."

## RHODESIAN REPORT

Have you ever

traveled half-way around the world to live with strangers?

been a member of six families in 11 months; calling six women Mom and six men Dad?

written an A level exam?

been a prefect?

been in a class designated LVI?

been to a 21st?

seen a jacarahda or a flamboyant?

attended abraai?

walked on the veldt?

observed zebra, wildebeests, or rhino at less than 15 yards?

attended an annual Rotary party?

been the guest speaker at a Rotary luncheon and presented a banner from the Rotary Club of Cheyenne, Wyoming, USA?

I have. I am a Rotary exchange student in Salisbury, Rhodesia, from September 1971 to August 1972. The above are a very few of my experiences as an exchange student. It would take me a year to relate everything that has happened to me since I left Cheyenne because there has not been a day during which I have not experienced something new, done something I have never done, seen a new sight, or made a new friend.

The changes that have occurred in me in the few short months that I have been in Rhodesia are as incredible as the distance between Salisbury and Cheyenne. I have acquired many Moms, Dads, brothers, sisters, uncles, aunts, friends and pets. I have cultivated an ability to meet people and to be at ease in a group of people I've never seen before. I have developed and practiced expressing myself forcefully and effectively (part of the credit goes to Mr. J. Albro). The ability to compare, contrast, decide, and think has been developed through much practice (thanks to Mr. R. L. Ferguson). My outlooks on racism, international politics, career, government, Communism, recreation, life, love, religion, people, and myself have changed drastically. The biggest change of all is in my feeling for America. I had always thought that she was great but I realize that I took my citizenship very much for granted. All the patriotic songs and days, Pledges of Allegiance, student councils, studies of Communism, studies of history, Girls' State, didn't and couldn't have made the impression on me that the last few months have. I've looked at America from without, have gained an understanding of her policies, and am a staunch supporter of those policies. I am proud of my country and appreciate the privilege of bearing an American passport.

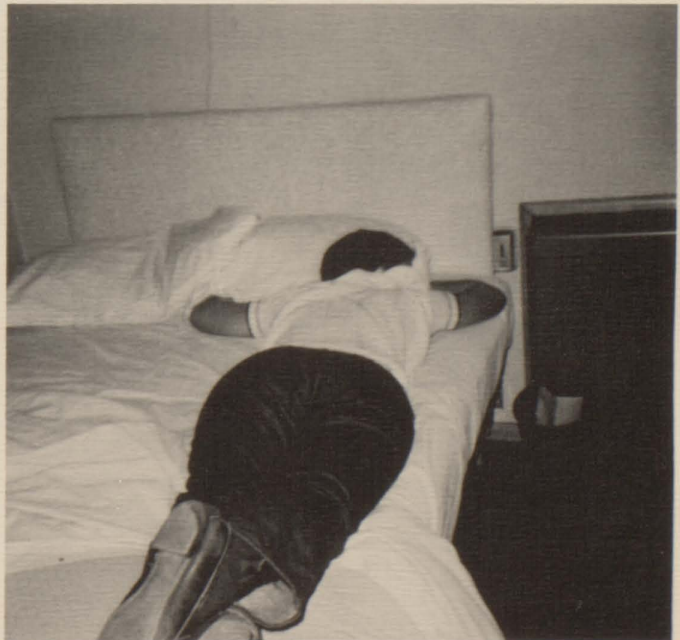

I have gained an understanding of Africa, her people, and her problems. I have been given the true picture of this part of the world and have in return given a true picture of America to my hosts. This two-sided exchange of facts leads to understanding and understanding on a large scale leads to peace. I have spent this year in giving and getting understanding.

I have only given you a minute part of the problems and rewards of being an exchange student. If you want to get an education in the true sense of the word, I suggest you talk to any Rotarian and ask about becoming a Rotary exchange student. He can lead you to a remote corner of the world and to a new way of life.

My sincerest congratulations to the Class of '72!

ROBERT W. BROWN  
May 22, 1953 — Sept. 12, 1971

We cannot say, and we will  
not say  
That he is dead — he is just  
away!  
With a cheery smile, and a  
wave of the hand  
We say, he is wandered into  
an unknown land.

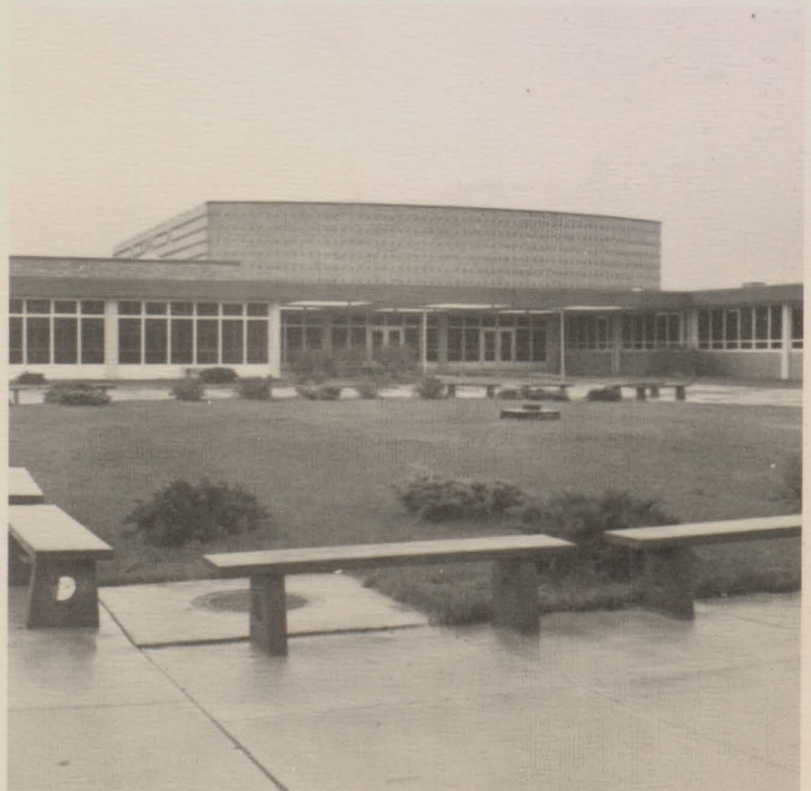

# *DEDICATION*

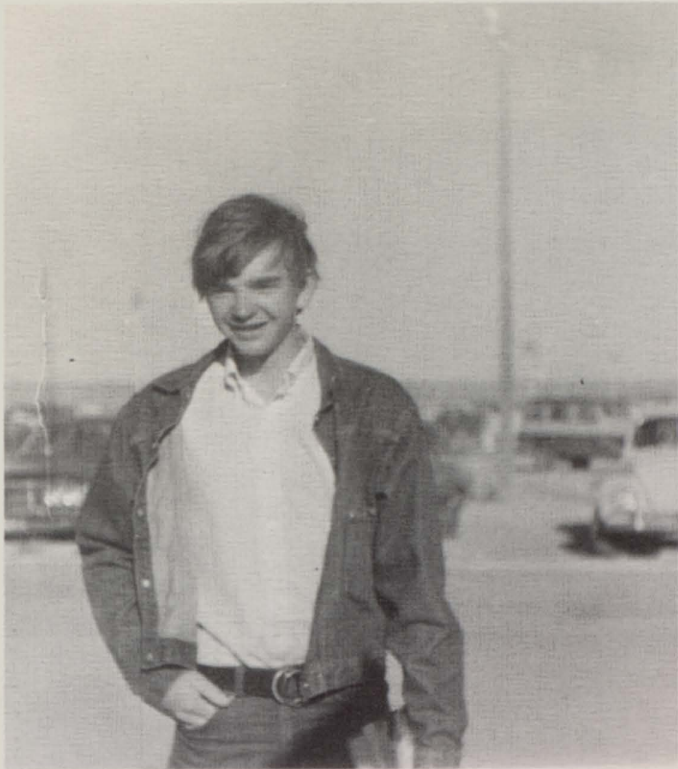

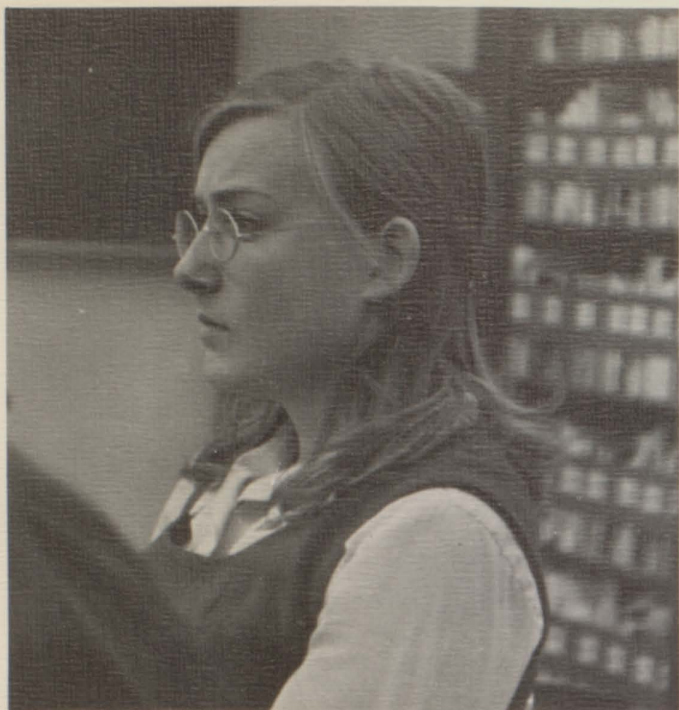

To make East High come alive we need people . . . people who really care for their school and their fellow T-birds. East High is not just a building, a place to spend eight hours a day, five days a week, nine months a year . . . it is a place for learning . . . a center for friendship; it is alive and growing with people . . . students.

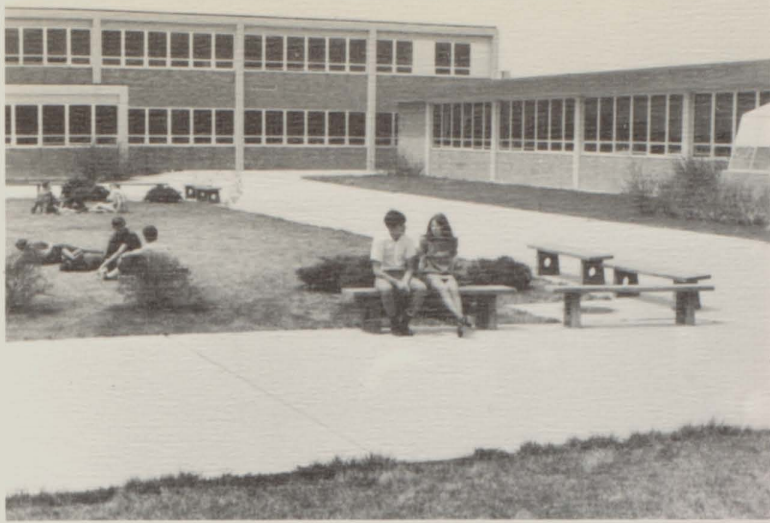

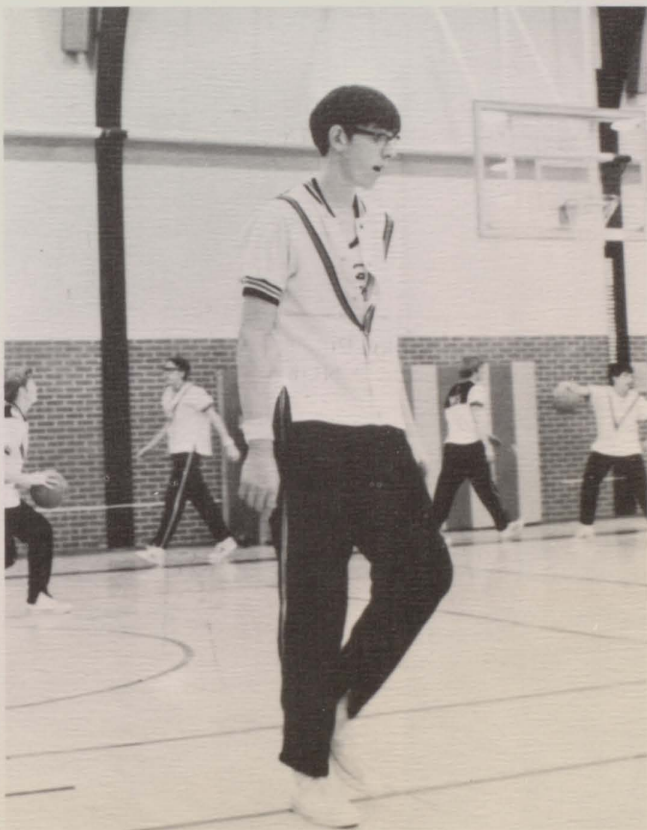

Students make a school what it is . . . daydreaming, thinking thoughts of the past, present, and future . . . planning the paths they have chosen to take in life . . . pondering over a test . . . taking a needed break away from the crowd for a peaceful rest.

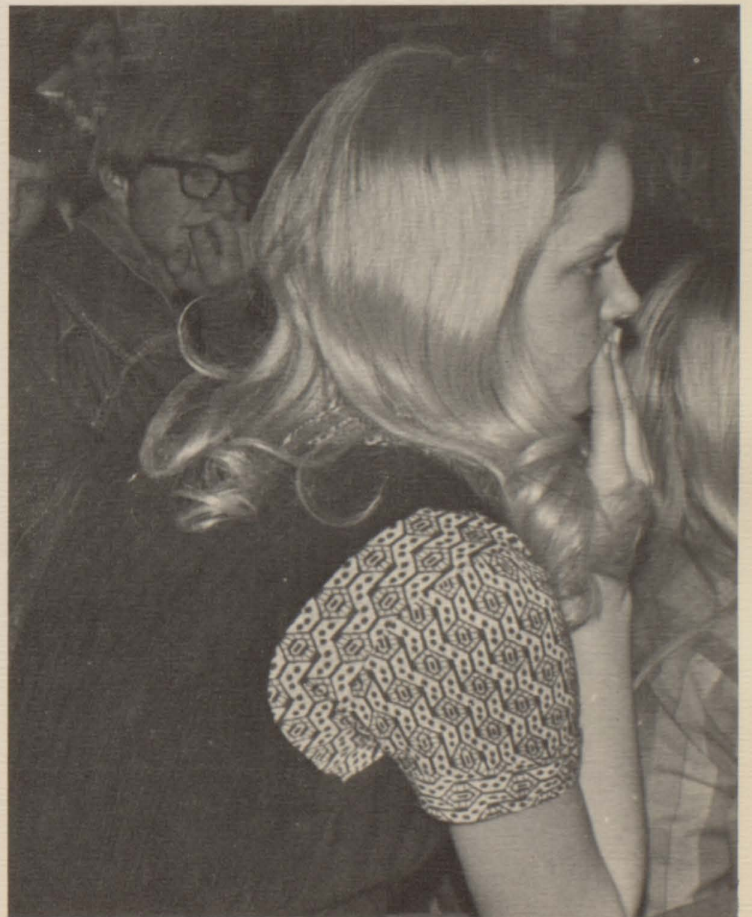

East sees many moods throughout the day . . . those of a couple sitting alone for a quiet chat . . . silly goof-off moods . . . moods for concern, peace, and hope . . . serious moods in time of need.

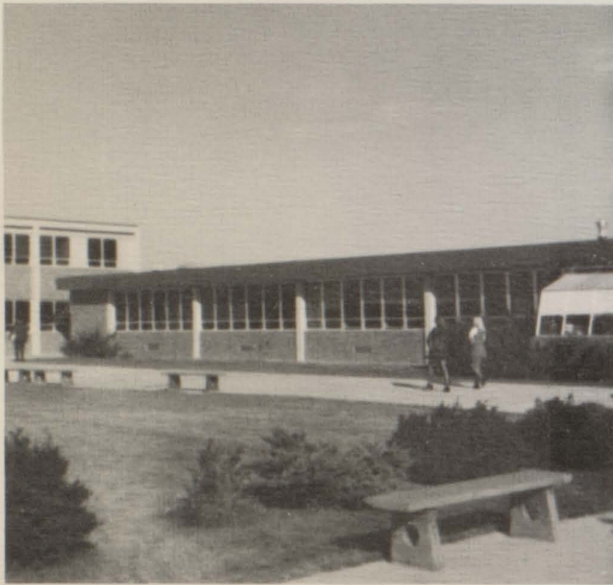

We are the youth of today, the adults of tomorrow. We seek, ask questions, and announce the truth as we see it. We feel pain, sorrow, and joy . . . we play our lives for the future . . . each of us going our own separate ways in life.

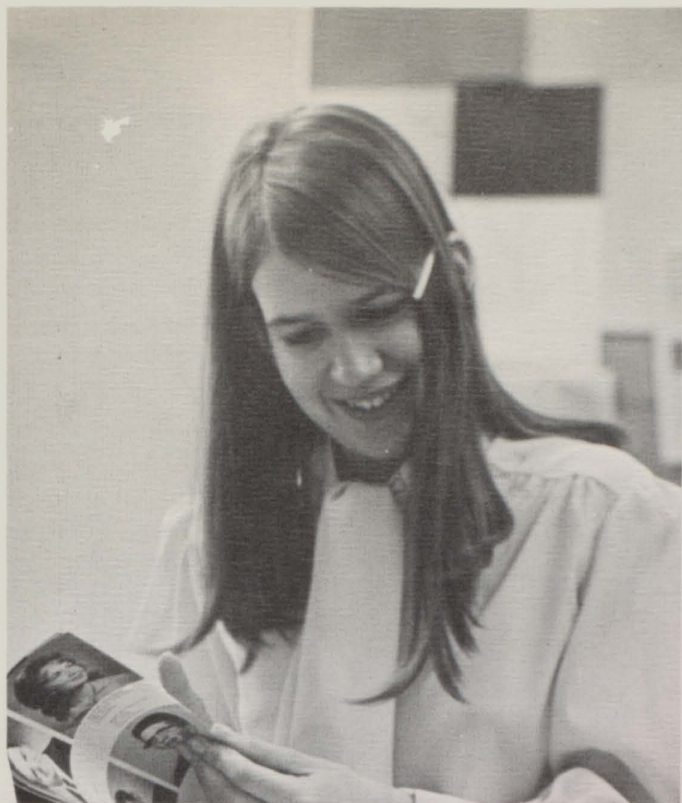

Our high school years are a part of our lives not easily forgotten.

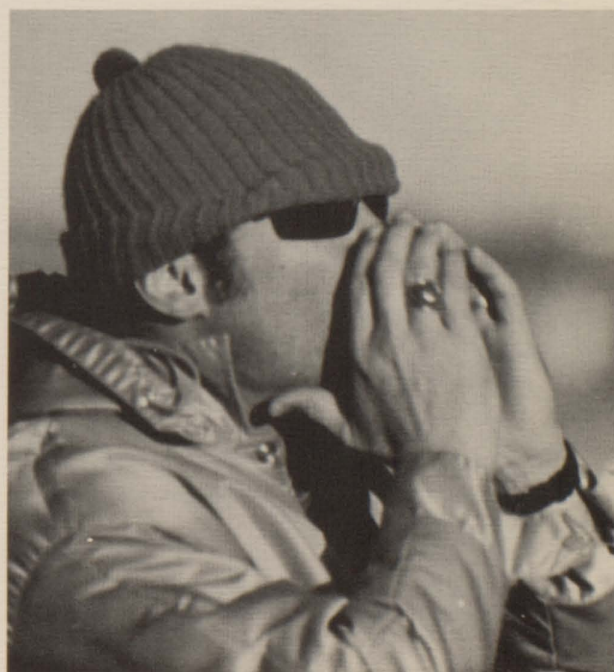

Even though this school year is ended, we will go on, living our lives to the fullest, hoping and praying that someday our dreams will be fulfilled. We have grown in experience . . . and we will continue to learn, to grow, to look toward the future in an optimistic way.

This was our year . . . the class of '72 . . . a class alive with spirit and filled with knowledge. At last we are seniors . . . graduating . . . going out into the world . . . our lives just beginning.

Within three short years we have taken complete strangers and created a special bond . . . a bond held together by love . . . hate . . . fear . . . trust . . . hope . . . sorrow . . . and joy.

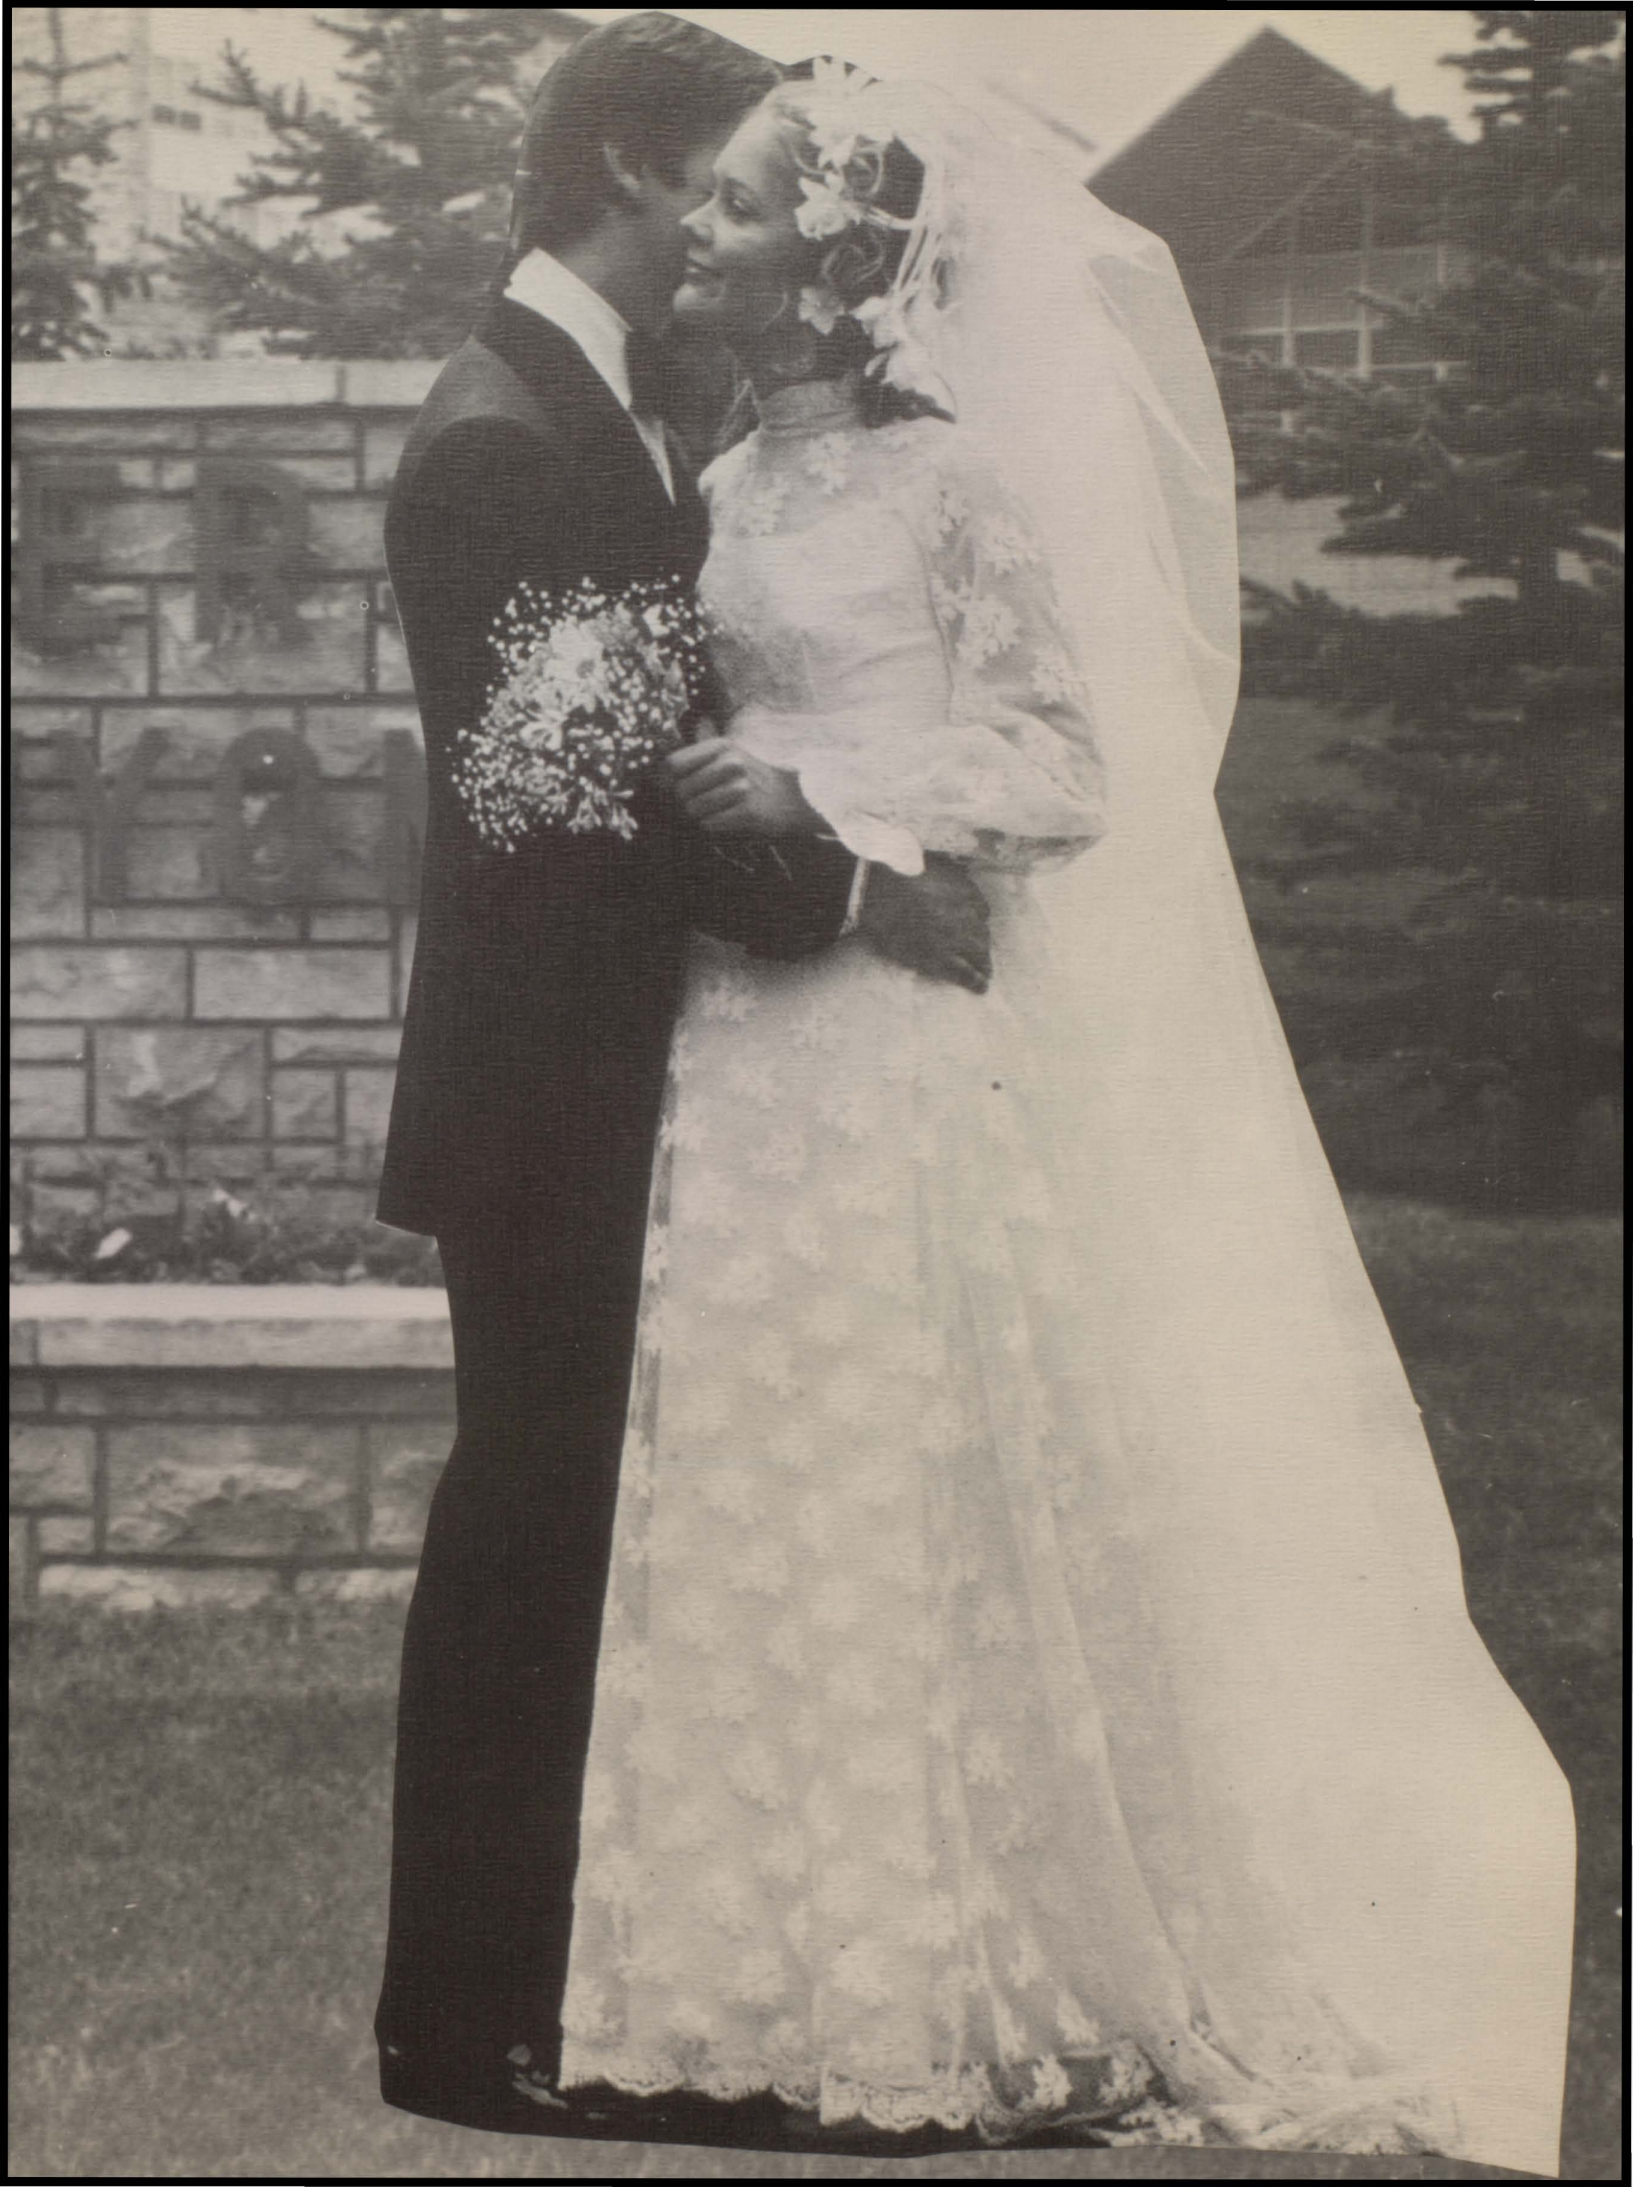

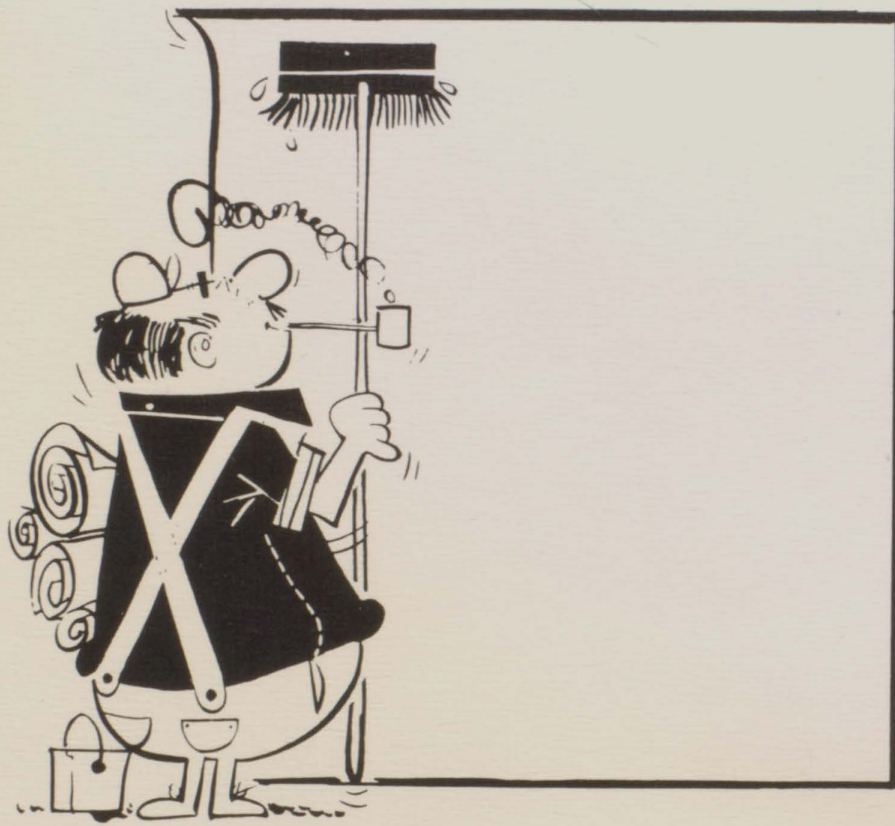

We have shared our souls . . . and have gained the knowledge to withstand the future. When we are older, and have gone our separate ways in life . . . we will look back on the memories we have created and treasure them . . . forever.  
May God Bless you all.
