Resolved that however we deeply and sorely regret  
a division of the Methodist Church. Yet if  
no compromise can be made, we agree to abide  
the decision of the question by the proper

authorities, and should a division be inevitable  
We will coincide with it, passed unanimously

Monday Morning Aug. 26. 1844. Conference  
Met according to adjournment of Fleming in the  
Chair.

him to the annual Conference as a proper person  
to receive Deacons orders

### On Sabbath Schools

The preacher in Charge reported  
to the Conference the lamentable fact that there was  
no regularly organized Sunday School here to fore  
but this day they have subscribed a fund for the

on this Circuit and have resolved to go into the  
organization of that number.

Resolutions offer<sup>d</sup> by J. D. Gibson was papered  
& order<sup>d</sup> to be spread on the journals —

4<sup>th</sup> The Church of Jesus Christ is a voluntary association of men & women united together to hear the Word of God Preached to attend to the ordinances of the Bible to help each other to work out their Salvation with fear and trembling and also to advance the Common Cause of our holy Religion And where, as no person is forced or compelled to become a member of the Church but to act freely on this matter it is the duty of each individual thus joining the Church faithfully to live in conformity to the doctrine and instructions of the Church of their choice and use their utmost endeavors to persuade others to do the same And whereas all the members of M. E. C. South and also of the Mill Conference for Blountville Circuit have voluntarily joined the Church and are promoted to official stations in the Church have most solemnly promised to observe every point in our book of discipline both great and small and faithfully live them by precept and example And whereas there are many members of our Church in the bounds of this Circuit who are badly instructed as to doctrines

and peccarities of Methodism and thereby bring  
our beloved Methodism into disrepute and  
whereas our beloved Church is attacked from every  
quarter by other denominations and enemies of  
the Cross And the time has now fully come  
for every Member of the Church and especially  
the officary to take our Church papers and  
read good Books on <sup>our</sup> doctrine and institutions  
and inform ourselves well on the various  
doctrines of Methodism. And whereas there is  
a want of union and feeling and action on  
the subject of Sabbath Schools and observance  
of the Sabbath. Therefore resolved by the  
Members of the quarterly M.C. for Placentia  
Circuit that we will use every laudable  
effort in our power to inform ourselves not  
only in Theology but also in the Sciences and  
civil history so as we may make ourselves  
that we need not to be ashamed -

Resolved that we will enforce the duty  
of Class Meetings more strenuously than ever  
and tell our brethren what will be the <sup>the</sup> consequences  
of neglecting Class Meetings & expulsion

Resolved that we will use our best  
endeavours on the subject of Sabbath School  
urging every every Methodist family to aid  
in this blessed instruction

Resolved that we will be more faith-  
ful in attendance upon our Weekly Prayer -  
Meetings

Resolved that we will use our best  
endeavours to Circulate our books of description

and other good books, and especially the Bible  
and also our religious papers in every family  
in our respective neighbourhood and circulate  
whenever we may operate as members and minist-  
ters of the Church

Resolved that all the members of  
this Conference who have families will most  
faithfully attend family prayer and training  
our children up for the Lord and use our  
influence ~~to attend~~ in persuading other  
families to attend to this duty punctually

passing away the conference year is hasten-

a report of members to present to annual

in enlarging the Schools and making

We are deeply sensible that the Sabbath school  
cause is one of vital interest to the future prosperity  
of our church among us but notwithstanding this  
fact I am confident that a great many members  
of our church dont take that active part in our  
Sunday Schools which they ought to take and which  
they will wish they had took when they stand at the  
Judgment seat before him who said suffer the little  
children to come unto me and forbid them not  
and to train them in the way they should go  
and I do hope that as soon as winter is past and  
Spring has come that my flock will unite with  
me in organizing more schools than we now have in  
which we can nurse and raise lambs to take our  
place in the fold of Christ on Earth after we  
have been taken by the good Shepard to the fold  
above
