

You know I haunt used  
my Jim Dog in so long that  
I have to keep it strapped to  
my leg. The other day I  
was going down the street  
and saw a Beautiful Woman  
Coming and before I had got  
within twenty yds of her I  
had to start ~~to~~ hopping on  
one foot with my leg  
sticking straight-out.

Oh. dont laugh. Can I  
help it if my jokes aint  
funny.

Oh oh my leg is beginning to  
straighten out- Now. But I  
Imagine if I see it'll be alright.

Well hell I want to write  
to V and Ore. and fine just-  
finished one to Belle and  
I wrote to Mather yesterday.  
Now I'll excuse you for not  
sending Candy. But I want  
excuse you for not writing.

Please answer soon  
Love  
J R
