

ROBT. V. DEVAULT.

May 6.

Dearest Mother, Bats, Geo. + all:

Just a line to let you know that I'm  
all O.K. + feeling fine + that I think  
of you all + thank the Good ~~God~~  
Lord for a wonderful mother + family—

I've not been able to write as much  
+ often as I would have liked but have  
been pretty busy + then other things  
that make it inconvenient which I  
can't tell you now but will explain  
fully when I get back which I pray  
+ trust will not be very long— But  
of course we all do that—  
my faith + trust and the knowledge  
that you all + a lot of sincere

friends, but mostly you, <sup>family</sup> have  
faith is really strength its self +  
with it there is nothing to fear - I  
don't know why I keep telling you  
that as I know you know it well  
enough -

I don't know of course but trust  
every thing is getting along O.K. there -  
Am sure you have already had me  
the dope up to date + will get it in a  
week or two I hope - Bets will be sure  
as she sure was wonderful + faithful  
in doing so while I was in training -  
Any way that sure is some thing to look  
forward to -

So have faith in your prayers + don't worry  
and every thing will be all right - and may  
God bless you each - love to each and all  
Bets.
