Dear Homer; FEB 22 1944

I will try to answer your letter I received a few days ago was glad to hear from you and know you were ok. this leaves me feeling fine and working every day with nothing to Worry about.

I wrote Bill a few lines a few days ago but haven't heard from him yet as it takes so long for the mail to get around like that.

I received a letter from Tom a few days ago and he seemed to be happy and talked like he was going to do some big farming this year.

Well I guess I will have to close for now so tell all the people I said hello and dont wait as long as I do to write as it always helps to receive a letter from home.

Well So long and Best Wishes to you
 Tom Marvin

Hello Glorie:

I just happened to be thinking about you as I often do and decided to write you a few lines.

I hope this finds you well and happy as for myself I have no complaints as I have plenty to eat, lots of work which I like and a good drink now and then with plenty of sleep.

I received a letter from Bill a few days ago and he was o.k. at the time he wrote but he says he still don't like any better, I sure hope him the best of luck and hope to meet him when we can be at home again.

Well I will have to close so hoping you the best of luck and to hear from you soon.
Marvin

Hello Grove:

I will ans your letter I see today was glad to hear from you and know you were ok. I am feeling fine and having the time of my life I very seldom have to do anything but inspect a few cars and trucks for worn parts or loose bolts. you ask how I liked Utah well it wouldnt be polite to say what I think of that place but I can say I never want to see any more of it. I really like Arizona though it sure is hot here and everyone is alike there isnt any strangers or one is no better then the other well Grove I am a little behind with my letter writing just now for I got seven letters

today and fine of them was from
the same person now what do you
