

U. S. NAVAL TRAINING STATION
BAINBRIDGE, MARYLAND

say I took out some insurance
policies one in Bobbie's name and
one in some one else name so if
they come their give Bobbie too
him or his mother and put the
other one up for it goes some
place else you know where it is
in my other boys name I have to
take care of my boys you know
so put it up and dont tell any one
say I put Bobbie in as my dependent
so he will get 12 dollars more a
month than just the 50 that she
gets they will come their for
that is the address I gave dont
let any one read this shut if you
do I will here about it for I hear
about every thing else that goes on
I think I wil write Charlie tonight
My sent me his address, will take
good care off your self again
