JOHNSON CITY

SIDNEY G. GILBREATH, PRESIDENT

Dr J L Bachman
Sweetwater
Tennessee

Dear Dr Bachman: Miss Alta Pardue graduated this year from the State Normal School and also received our special certificate in Domestic Science. In her three years here she made an excellent record in every respect.

Miss Pardue is fully equipped for teaching domestic science in the Madisonville High School. She has spent three years in the Normal School preparing herself for this work. She is a young woman of fine natural talent and high character. She is thoroughly interested in her work. She is a native of Monroe County. These facts should strongly recommend her for election.

I trust that you will use your influence in her behalf and that the other members of the Board will give favorable consideration to her application.

Sincerely yours,

g'd

Sidney G. Gilbreath
