BOOK

Bethany Elizabeth Mackay.
E. S. S. Journal.

Bethany Mackay

"O, memorial O, pass that in." *Shakespeare*

My Memory Book shall keep for me a record of:

My home;

Recollections of my father and my mother;

My school days;

My first position;

My travels and incidents connected therewith;

Autographs of my friends;

*(Secured by clippings from letters, or separately
on a sheet of paper and passed in.)*

Wedding, birth and obituary notices;

Pressed flowers and leaves;

Music; what it means to me and what I like best.

Works of art; my favorites and some reproductions;

The science in which I am most interested;

History;

*The events which during my lifetime have made and
are making it, with my observations in a few words
daily, written on a separate sheet and passed in.*

Literature;

The books I like best; my favorite poems; short stories.

Pictures of people of note;

Programmes and press notices;

My criticism of plays I have seen;

Church affairs;

My ideals, their inspiration and their food;

My hobbies;

My club;

My family tree;

*And all other things affording interest to me at my fire-
side—and to others who may inherit my possessions.*
