### Baseball

Coach Gene McMurray started baseball practice on April 1st with only a few men who had had college experience. These men were Chambers, Todd, Boyer, Anderson, Garland, Thornton, Kilday, Atchley and Bowen.

New men reporting for practice were Ryburn, Brainard, Cash, Henry, Davis, Glover, Heaton, and King. Coach McMurray has built a team which is one of the finest in the history of the school.

The season opened April 2 at Carson-Newman, where the Bucs took the Eagles for a double header. Chambers pitched the first game, in which the Teachers came from behind in the ninth to score nine runs with two men out. Brainard pitched the second. The Buccaneer batters pounded out five home runs.

On April 23 the Teachers beat Boone 11 to 4. Brainard pitched, keeping Boone's hits scattered.

On April 27 the Bucs beat the Buffaloes 5 to 3. The game was close, going 12 innings before the Teachers got the edge. Cash gave only six hits and struck out 13 men.

The Bucs went to Lincoln Memorial University on April 29 to play the Railsplitters a double header. They won the first and dropped the second by a close score. Chambers pitched 6-hit ball to win the first game 7 to 3.

On May 4 the Teachers entertained Maryville. They lost 3 to 2. Chambers pitched a fine game, giving only five hits and striking out 12 batters.

The Buccaneers made it two straight over Milligan on May 7 and beat them here 4 to 1. Brainard pitched a two-hit game. Cash hit a homer with the bases loaded.

On May 8 the Teachers beat Milligan a third game 15 to 1. Garland was on the mound, and gave only five hits. Milligan pitchers were hit hard by every member of the Teachers College lineup.

Coach McMurray's club beat Carson-Newman two games here on May 9 by a score of 12
