Dear Sir:

You no doubt wonder why we should again address you with reference to handling our monumental agency in your territory, but if you could only see, as we do, the opportunity open in this field, we believe you wouldn't hesitate to sign the enclosed agency contract and let us equip you with our agent's outfit.

As an illustration of the possibilities in this field, we ask that you take a view of the situation. Note the unmarked graves in your local cemetery; then figure up the number of deaths occurring in your community each year. These people will want to place a nice monument or marker to mark the last resting place of their beloved dead, if the matter is properly presented to them. Then, why not let us equip you with the proper designs and samples, so that you can make these sales and secure the BIG profits.

We do not require that you devote your full time to the work, but we believe you can make good money out of your commissions in your spare time, which would otherwise be wasted. Others of our representatives are doing it, then why not you?

We assist our representatives in making sales by writing his customers a personal letter from this office, telling them who our representative is in that section. Also explaining to them the quality of our material and workmanship. This feature has made it very easy for our representatives to make sales.

Sign the enclosed agency contract, and return it to us TODAY, and the outfit will be sent you promptly, and without a penny of cost to you. Mail the contract TODAY.

Yours for service,

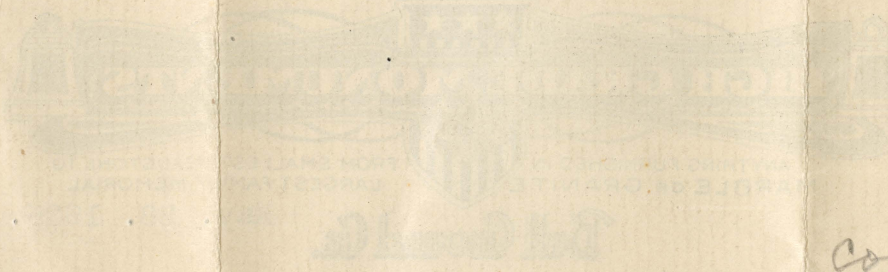

NATIONAL MARBLE & GRANITE CORPORATION.

Mr. John Wassum and wife,
Mrs. John Wassum,
Byington, Tenn.

Dear Sir & Madam:

Growing out of the controversy which arose between us in regard to the lease by myself and wife to you, of our farm near Morristown, Tenn., I made certain statements reflecting upon the good name, honesty and integrity of Mrs. John Wassum, and I wrote a letter to Mr. Bascom Porter under date of April 12th, 1917, wherein I stated that certain chickens sold by Mrs. Wassum were the property of myself and wife.

I wish to say to you now that these statements were not warranted by the facts, and that all reflections cast by me on the good name, honesty and integrity of Mrs. Wassum were unjust and cannot be sustained, and I feel I owe it to you, as well as to myself, and to the public, who may have directly or indirectly heard of these unjust reflections cast by me, to withdraw and retract the same, and I do hereby withdraw and retract the same, and express to you my sincere regret at having made them.

Yours very truly,

(Signed) Bruce Armstrong.

Mr. Bruce Armstrong,
Morristown, Tenn.

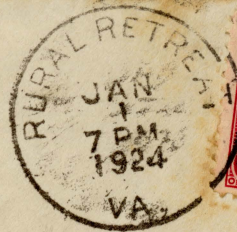

Upon signing and delivering copy of the above letter to us through our attorney, the undersigned acknowledged full satisfaction of any and all claims for damages growing out of the matters set out above.
